

These are the rates (Natural Gas PGA, Consolidated Natural Gas Conservation, Swing Service, GUARD, and Environmental Cost Recovery surcharge), effective for the revenue period January 2024 through December 2024 commencing with Cycle 1 of the January revenue period with meter reads on January 3, 2024 through Cycle 21 of December 2024 revenue period. Note: all rates are shown in dollars per units, not cents. A comparison of rates for the calendar year 2023 and 2024 is also provided.
