TECHNICAL TERMS AND ABBREVIATIONS

1. **ALERT DAY**
Any Gas Day where Transporter notifies Company of restrictions on deliveries of Gas within certain specified tolerances.
2. **ALTERNATE FUEL**
Any source of energy other than Gas delivered through Company's distribution facilities.
3. **BRITISH THERMAL UNIT ("BTU")**
The quantity of heat required to raise the temperature of one pound (avoirdupois) of pure water from 58.5 degrees Fahrenheit to 59.5 degrees Fahrenheit at a constant pressure of 14.73 pounds per square inch absolute.
4. **CENTRAL CLOCK TIME**
The clock time in the United States Central Time Zone, as adjusted for Daylight Savings Time and Standard Time.
5. **COMMISSION**
Florida Public Service Commission
6. **COMPANY**
Florida Division of Chesapeake Utilities Corporation, a Delaware Corporation, d/b/a Central Florida Gas.
7. **CONSUMER**
Any individual, firm or organization receiving Transportation Service at one premise under this tariff and provisions thereof.
8. **CONSUMER POOL**
Consumers that receive gas supply services, under the applicable provisions of this tariff, from either 1) a CI Shipper, or 2) a TTS Shipper.
9. **CONSUMER'S INSTALLATION**
Consumer-owned facilities, located on the outlet side of the Point of Delivery, constructed to receive Transportation Service from Company.

TECHNICAL TERMS AND ABBREVIATIONS

(Continued)

10. **CUSTOMER**
Any Consumer or Shipper receiving any of the services offered by the Company under this tariff and provisions thereof.
11. **DAILY CAPACITY QUANTITY ("DCQ")**
The quantity, in Dekatherms, of Transporter capacity released on a daily basis to each Shipper under the Commission-approved methodology described herein.
12. **DEKATHERM ("DT")**
1,000,000 BTU's or ten (10) Therms.
13. **DELIVERY POINT**
The point at the connection of the facilities of Transporter and Company at which the Gas leaves the outlet side of Transporter's custody transfer point and enters the Company's facilities.
14. **FAC**
Florida Administrative Code.
15. **FERC**
Federal Energy Regulatory Commission.
16. **GAS**
Natural gas that is in conformance with the quality specifications of Transporter(s).
17. **GAS DAY**
A period of twenty-four (24) consecutive hours beginning and ending at 9:00 a.m. Central Clock Time.
18. **GAS MONTH**
A period beginning at 9:00 a.m. Central Clock Time on the first day of a calendar month and ending at 9:00 a.m. Central Clock Time of the first day of the next succeeding calendar month.
19. **LETTER OF AUTHORIZATION ("LOA")**
Agreement executed by Consumer and Consumer's selected Shipper, and submitted to Company, which 1) authorizes Company to assign Consumer to its selected Shipper's

TECHNICAL TERMS AND ABBREVIATIONS

(Continued)

- Consumer Pool; 2) affirms Consumer acceptance of Company's tariff provisions; and, 3) affirms Shipper acceptance of Company's tariff provisions.
20. **MAXIMUM ALLOWABLE OPERATING PRESSURE ("MAOP")**
The maximum pressure, in pounds per square inch ("p.s.i.g."), allowed by applicable code, regulation or product specification, for the operation of any specific portion of Company's distribution system.
21. **MAXIMUM DAILY TRANSPORTATION QUANTITY ("MDTQ")**
The maximum quantity of Gas to be transported by Company for a Consumer and/or Shipper on a daily basis in accordance with the provisions of the tariff.
22. **NOMINATION**
A request by a Shipper to a Transporter and/or Company for receipt and delivery of a physical quantity of Gas pursuant to the Transporter's and/or Company's tariff. A Nomination specifies (1) the quantity of Gas per day, measured in Dekatherms, to be received or delivered on behalf of the Shipper; (2) the Receipt Point(s) at which the Gas is to be received by Transporter; (3) the Delivery Point(s) at which the Gas is to be received by Company; (4) the period of time in which the delivery is to take place; and, (5) any other such information as may be required by Transporter's and/or Company's tariff.
23. **OPERATIONAL FLOW ORDER**
Any Gas Day where Transporter notifies Company of conditions that could threaten the safe operation or system integrity of the Transporter and where Shipper's Gas deliveries are required to be within certain specified hourly or daily Gas flow quantities.
24. **POINT OF DELIVERY**
The point at the interconnection between the facilities of Company and a Consumer at which the Gas leaves the outlet side of Company's custody transfer point and enters the Consumer's Installation.
25. **RECEIPT POINT**
The point at the interconnection between the facilities of Transporter and upstream system at which the Gas enters the facilities of Transporter.

TECHNICAL TERMS AND ABBREVIATIONS

(Continued)

- 26. **SHIPPER**
An entity causing Gas to be delivered to Company's Delivery Point(s) that has executed a CI Shipper Agreement or a TTS Shipper Agreement with the Company.
- 27. **SHIPPER'S DESIGNEE**
A Company-approved agent of Shipper.
- 28. **THERM**
A unit of heating value equivalent to one hundred thousand (100,000) British Thermal Units.
- 29. **TRANSPORTER**
Any interstate pipeline, intrastate pipeline, or local distribution company that transports Gas to Company's Delivery Point(s).
- 30. **TRANSPORTATION SERVICE**
Service provided by Company where Consumer-owned Gas is received by Company at the Delivery Point(s), transported through Company's distribution system, and delivered by Company at the Point(s) of Delivery to Consumer.

Other technical terms and expressions used in these rules and not herein defined are to be given the meaning usually accepted in the industry.

Words used in this tariff that indicate a singular number shall include the plural in each case and vice versa and words that import a person shall include legal entities, firms and corporations.

RULES AND REGULATIONS

I. GENERAL RULES AND REGULATIONS

A. CLASSIFICATION OF CUSTOMERS

The following two (2) Customer types, Consumers and Shippers, receive certain services from the Company.

1. CONSUMERS:

a. Residential Consumers

Consumers receiving Transportation Service from the Company for use in a single family dwelling or building, or in an individual flat, apartment or condominium unit in a multiple family dwelling or building or portion thereof occupied as the home, residence or sleeping place of one or more persons. Also applies to Gas used in commonly owned facilities of condominium associations, cooperative apartments and homeowner associations subject to the following criteria:

- i. 100% of the Gas is used exclusively for the co-owner's benefit.
- ii. None of the Gas is used in any endeavor that sells or rents a commodity or provides a service for a fee or otherwise engages in a commercial or industrial enterprise.
- iii. Each Point of Delivery is separately metered and billed.
- iv. A responsible legal entity is established as the consumer to whom the Company can render its bills for said service.

b. Commercial Consumers

Consumers receiving Transportation Service from the Company engaged in selling, warehousing or distributing a commodity, product or service in some business activity or in a profession, or in some other form of economic or social activity (offices, stores, clubs, hotels, etc.)

c. Industrial Consumers

Consumers receiving Transportation Service from the Company engaged in a process which creates a product or changes raw or unfinished materials into another form of product, or which involves the extraction of a raw material from the earth (factories, mills, distilleries, machine shops, wells, refineries, plants, etc.).

RULES AND REGULATIONS

(Continued)

d. Special Purpose Consumers

Consumer receiving Transportation Service from the Company that does not meet the definition for any of the above Consumer classifications.

2. SHIPPERS:

a. TTS Shipper

Any Company-approved Shipper or Shipper Designee that is authorized to deliver Gas to Company's Delivery Point(s), which is subsequently delivered by Company at the Point(s) of Delivery to Consumers in the Transitional Transportation Service (TTS) program. The TTS program is an experimental program designed to allow Residential Consumers the opportunity to purchase Gas from one of two TTS Shippers and select from certain Gas pricing options offered by the TTS Shippers.

b. CI Shipper

Any Company-approved Shipper or Shipper Designee that is authorized to deliver Gas to: 1) Company's Delivery Point(s), which is subsequently delivered by Company at the Point(s) of Delivery to Commercial, Industrial and/or Special Purpose Consumers; or, 2) a Transporter delivery point where Company provides the Off-System Delivery Point Operator Service.

RULES AND REGULATIONS

(Continued)

B. CLASSIFICATION OF SERVICES

The Company offers certain services to Customers as defined herein.

1. CONSUMER SERVICES:

a. Firm Transportation Service (FTS)

Transportation Service provided to a Consumer under a FTS rate schedule, in accordance with the Rules and Regulations set forth in this tariff, and other approved rules or regulations of the Company, as applicable. Monthly Rate Adjustments and Taxes and Fees, as set forth on Sheet Nos. 98 – 106, may also apply. For the purposes of this tariff, “Firm” shall be defined as Company’s Gas delivery obligations to Consumer as provided in Section II.P.2.

b. Contract Firm Transportation Service (CFTS)

Transportation Service provided to a Consumer that:

- i. has annual usage greater than 50,000 therms;
- ii. has Alternate Fuel capabilities
- iii. has executed a CFTS Affidavit (Sheet Nos. 120 and 121), which is accepted by Company.

Company may periodically adjust its tariff rates for Transportation Service to compete with Consumer’s Alternate Fuel pricing as provided in the CFTS Rider, the Rules and Regulations set forth in this tariff, and other approved rules or regulations of the Company, as applicable. Monthly Rate Adjustments and Taxes and Fees, as set forth on Sheet Nos. 98 – 106, may also apply.

c. Special Contract Service (SCS)

Transportation Service provided to a Consumer, at the sole option of the Company pursuant to Commission Rule 25-9.034 FAC, where the rates, terms and/or conditions of service may be different than those set forth in the Company’s approved tariff. All SCS Consumers shall enter into a Special Contract Agreement with the Company, subject to the approval of the Commission.

RULES AND REGULATIONS

(Continued)

d. Shipper of Last Resort (SOLR) Service

In the event all TTS Shippers are terminated as provided in the Termination of Shipper Status (Section III.B) of this tariff, the Company shall become the Shipper Of Last Resort. The Company shall perform all TTS Shipper functions as defined within this tariff. The SOLR service shall be provided in accordance with the Rules and Regulations set forth in this tariff, the terms and conditions of the TTS Shipper Agreement, and other approved rules or regulations of the Company, as applicable. Monthly Rate Adjustments and Taxes and Fees, as set forth on Sheet Nos. 98 – 106, may also apply. The Company shall provide this service to Consumers until a replacement TTS Shipper is selected as provided in Section III.A.3. of the Rules and Regulations of this tariff and initiates service.

e. Flexible Gas Service (FGS)

Flexible Gas Service is described on Sheet 97.1 to 97.3.

2. SHIPPER SERVICES:

a. Shipper Administrative and Billing Service (SABS)

Administrative and billing service provided to a Shipper under the SABS rate schedule, in accordance with the Rules and Regulations set forth in this tariff, as applicable. The Company shall provide the following services to Shippers under the SABS: 1) reading of Consumer's meters; 2) provision of Consumer projected monthly usage information, along with Transporter capacity quantity to be released to Shipper; 3) provision of Consumer usage information to Shipper each month; 4) retention of Consumer's historical usage information; 5) LOA retention and administration; 6) receipt and administration of Shipper's Gas rates for Consumer billing; 7) calculation and presentation of Shipper's gas billing

RULES AND REGULATIONS

(Continued)

charges on Company's monthly bill or, at Company's sole option, on a separate bill to Consumers; 8) collection and application of Consumer payments for Shipper's Gas billing charges; 9) remittance of Consumer payments for Shipper's Gas billing charges to Shipper, net of Shipper's billing charges that are bad debt write-offs and recovery of said bad debts, the SABS tariff-approved charges and other applicable charges and adjustments; and 10) other services as the Company may determine necessary to administer Gas deliveries by Shipper's to Consumers. This service is required for TTS Shippers and is optional for CI Shippers. Monthly Rate Adjustments and Taxes and Fees, as set forth on Sheet Nos. 98 – 106, may also apply.

b. Shipper Administrative Service (SAS)

Administrative service provided to a Shipper under the SAS rate schedule, in accordance with the Rules and Regulations set forth in this tariff, as applicable. The Company shall provide the following services to Shippers under the SAS: 1) reading of Consumer's meters; 2) provision of Consumer projected monthly usage information, along with Transporter capacity quantity to be released to Shipper; 3) provision of Consumer usage information to Shipper each month; 4) retention of Consumer's historical usage information; 5) LOA retention and administration; and 6) other services as the Company may determine necessary to administer Gas deliveries by Shippers to Consumers. This service is required for CI Shippers, unless CI Shipper selects the SABS or has executed a FGS or Special Contract Agreement; and is not available to TTS Shippers. Monthly Rate Adjustments and Taxes and Fees, as set forth on Sheet Nos. 98 – 106, may also apply.

c. Delivery Point Operator (DPO) Service

Administrative service provided to a Shipper by Company, or Company's agent acting as DPO, in accordance with the Rules and Regulations set forth in this tariff, as applicable. Company shall provide the following services to Shippers under the DPO Service: 1) receipt and administration of scheduled Gas quantities for Shipper's Consumer Pool; 2) compilation of measured Gas quantities for Shipper's Consumer Pool; 3) resolution of monthly imbalances with Transporter (difference between scheduled Gas quantities for all Shippers and measured Gas quantities at the Delivery Point(s) of Company), using approved book-out and/or cash-out processes of Transporter; 4) resolution of monthly imbalances with Shipper (difference between scheduled

RULES AND REGULATIONS

(Continued)

scheduled Gas quantities and measured Gas quantities for Shipper's Consumer Pool), in accordance with this tariff; 5) administration of the OBA account, in accordance with this tariff; 6) administration of Transporter Operational Orders, including financial transactions, if any, in accordance with this tariff; and 7) other services as Company may determine necessary to administer Gas deliveries by Shippers to Consumers. All Shippers shall receive this service from Company. Company costs for this service are recovered through the Monthly Rates for all other rate schedules, as approved in Company previous rate proceeding.

d. Off-System Delivery Point Operator (OS-DPO) Service

Administrative service, in accordance with an executed Off-System Delivery Point Operator Agreement (Sheet Nos. 139 to 148), provided at Transporter delivery point(s) to a Shipper by Company, or Company's agent acting as DPO, in accordance with the Rules and Regulations set forth in this tariff, as applicable. Company shall provide the following services to Shippers under the OS-DPO Service: 1) receipt and administration of scheduled Gas quantities for Shipper's Consumer Pool; 2) compilation of measured Gas quantities for Shipper's Consumer Pool; 3) resolution of monthly imbalances with Transporter (difference between scheduled Gas quantities for all Shippers and measured Gas quantities at the Delivery Point(s) of Company), using approved book-out and/or cash-out processes of Transporter; 4) resolution of monthly imbalances with Shipper (difference between scheduled Gas quantities and measured Gas quantities for Shipper's Consumer Pool), in accordance with this tariff; 5) administration of the OBA account, in accordance with this tariff; 6) administration of Transporter Operational Orders, including financial transactions, if any, in accordance with this tariff; and 7) other services as Company may determine necessary to administer Gas deliveries by Shippers to Consumers. Monthly Rate Adjustments and Taxes and Fees, as set forth on Sheet Nos. 98 – 106, may also apply.

RULES AND REGULATIONS

(Continued)

II. CONSUMER RULES AND REGULATIONS

A. INITIATION OF SERVICE

1. Request for Transportation Service

A prospective Consumer may request Transportation Service by:

- a. Verbal, telephonic, or electronic request to a business office of Company (in the case of a Residential Consumer), or
- b. By submission to Company of a completed Business Application for Transportation Service (in the case of a non-Residential Consumer).

2. Commencement of Transportation Service

Completion of an application or the deposit of any sum of money by the prospective Consumer shall not require Company to render Transportation Service until the expiration of such time as may be reasonably required by Company to determine if such prospective Consumer has fully complied with the provisions of Company's applicable Consumer Rules and Regulations and as may reasonably be required by Company to install the required facilities to render Transportation Service to such prospective Consumer.

3. Withholding of Transportation Service

Company may withhold initiation of Transportation Service requested by any Consumer until such Consumer has paid all indebtedness for Transportation Service to the Company and such Consumer has complied with all applicable Consumer Rules and Regulations.

4. Connection and Re-Connection Charge

Company shall bill the Consumer an approved Connection or Re-Connection Charge (see Section II.E.) for initiation or restoration of Transportation Service. The Company shall bill the Consumer an approved Change of Occupancy Charge (see Section II.E.) for reading the meter at a premise where there is a change of Consumer occupancy.

RULES AND REGULATIONS

(Continued)

B. ASSIGNMENT OR SELECTION OF SHIPPER

1. Approved Shipper

Unless otherwise authorized by Company, all Consumers shall utilize a Company-approved Shipper to arrange for delivery of Consumer-owned Gas to Company at the Delivery Point(s).

2. Residential Consumer

a. Initial Residential Consumer Premise Assignment for TTS Program

Pursuant to the experimental Transitional Transportation Service (TTS) program approved by the Commission in Order (to be inserted), Company shall assign each Residential Consumer premise to one of two (2) TTS Shippers selected by the Company through a competitive bid process. Company shall identify each Residential Consumer premise by rate class and assign such Residential Consumer premise to a TTS Shipper. Each TTS Shipper shall be assigned, on a random basis, an approximately equivalent number of Residential Consumer premises from each rate class. It is Company's intent that the assignment of Residential Consumer premises to each TTS Shipper shall result in an approximately equal historical annual Therm usage quantity for each TTS Consumer Pool, based on 2006 consumption.

b. Assignment of New Residential Consumer Premises to TTS Shippers

Subsequent to the initial Residential Consumer premise assignment, new Residential Consumer premises shall be alternately assigned to each of the TTS Shippers based on meter activation date.

c. Reactivation of Existing Residential Consumer Premise

Residential Consumers reactivating Transportation Service at an existing premise shall be assigned to the TTS Shipper that was serving the previous Residential Consumer located at the premise.

d. Transfer of Residential Consumer

When a Residential Consumer transfers Transportation Service from an existing premise to another premise, said Residential Consumers' existing TTS Shipper shall transfer with the Consumer to the new premise.

RULES AND REGULATIONS

(Continued)

e. Termination of TTS Shipper Status

If Company terminates a TTS Shipper, in accordance with the Termination of Shipper Status provisions in Section III.B. of this tariff, said TTS Shipper's Residential Consumers shall be assigned by Company to the remaining TTS Shipper until a replacement TTS Shipper is selected by Company. Upon selection of a replacement TTS Shipper, said Residential Consumers shall be transferred to the replacement TTS Shipper. If both TTS Shippers are terminated, all Consumers in the TTS Consumer Pools shall receive SOLR service from Company, until new TTS Shipper(s) is selected and activated.

3. Non-Residential Consumer

a. Selection of CI Shipper

i. New Non-Residential Consumer Premise

Non-Residential Consumer establishing a new premise on Company's distribution system may select any approved CI Shipper. At least ten (10) days prior to meter activation, non-Residential Consumer and its selected CI Shipper shall execute and submit to Company a Letter of Authorization (LOA). In the event a non-Residential Consumer fails to submit a LOA selecting a CI Shipper, Company shall assign said non-Residential Consumer to a TTS Shipper (to be allocated based upon the method shown in Section II.B.2.b.).

ii. Existing Non-Residential Consumer Premise

Non-Residential Consumer activating Transportation Service at an existing premise on Company's distribution system may select any approved CI Shipper. At least ten (10) days prior to meter activation, non-Residential Consumer and its selected CI Shipper shall execute and submit to Company a LOA. In the event a non-Residential Consumer fails to submit a LOA selecting a CI Shipper, Company shall assign said non-Residential Consumer to a TTS Shipper (to be allocated based upon the method shown in Section II.B.2.b.).

iii. Transfer of Non-Residential Consumer

Non-Residential Consumers transferring Transportation Service from an existing premise to another premise shall retain its selected Shipper at the other premise, unless Consumer submits a new LOA to Company.

RULES AND REGULATIONS

(Continued)

iv. Currently receiving service from CI Shipper

Non-Residential Consumers may request to select a different CI Shipper at any time upon execution and submission to Company of an LOA. Upon receipt, Company shall have ten (10) days to validate the LOA. Company shall determine requesting non-Residential Consumers' Shipper and shall notify via e-mail said Shipper of the non-Residential Consumer's request to change its Shipper. If the existing Shipper fails to respond to Company's notice within five (5) days or responds that the requested change is valid, then Company shall process the request. If existing Shipper responds timely that the change is not valid, then Company shall deny the request and return the LOA to the requesting non-Residential Consumer. Upon Company validation of an executed and submitted LOA, Company shall determine if the non-Residential Consumer is an Existing Consumer (as defined in Section III.E.2.) and, if so determined, shall redistribute capacity to the selected Shipper in accordance with Section III.E.3., of this tariff. Non-Residential Consumer shall begin service with the new CI Shipper on the first day of the month following the ten (10) day processing period.

v. Currently receiving service from TTS Shipper

Non-Residential Consumers may request to select a CI Shipper at any time upon execution and submission to Company of an LOA. Upon receipt, Company shall have ten (10) days to validate the LOA. Non-Residential Consumer shall begin service with the new CI Shipper on the first day of the month following the ten (10) day processing period.

b. Unable to receive service from CI Shipper

If for any reason a non-Residential Consumer is unable to receive service from a CI Shipper, said non-Residential Consumer shall be assigned to a TTS Shipper (to be allocated based upon the method shown in Section II.B.2.b.).

c. Assignment of TTS Shipper

i. Initial non-Residential Consumer Premise Assignment for TTS Program

Pursuant to the experimental TTS program approved by the Commission in Order (to be inserted), Company shall assign each non-Residential Consumer premise receiving Transportation Service under the existing TTS program to one of two (2) TTS Shippers selected by the Company through a competitive bid process. Company shall identify such non-

RULES AND REGULATIONS

(Continued)

Residential Consumer premises by rate class. Each TTS Shipper shall be assigned, on a random basis, an approximately equivalent number of such non-Residential Consumer premises from each rate class. It is Company's intent that the assignment of non-Residential Consumer premises to each TTS Shipper shall result in an approximately equal historical annual Therm usage quantity for each TTS Consumer Pool, based on 2006 consumption.

ii. Currently receiving service from CI Shipper

Non-Residential Consumers receiving service from a CI Shipper may select to be assigned to a TTS Consumer Pool. Said non-Residential Consumer shall execute a Non-Residential Consumer Selection of TTS Shipper (see Sheet No. 119) specifying the TTS Shipper or shall be assigned by Company to a TTS Shipper, allocated based upon the method shown in Section II.B.2.b.

d. Selection of TTS Shipper

Non-Residential Consumers in a TTS Consumer Pool may change their TTS Shipper and pricing option or existing TTS Shipper's pricing option only during open enrollment periods as defined in Section II.D.

e. Termination of Shipper Status

i. CI Shipper

If Company terminates a CI Shipper, in accordance with the Termination of Shipper Status provisions in Section III.B., said CI Shipper's Consumers shall be assigned by Company to a TTS Shipper, utilizing the method shown in Section II.B.2.b.

ii. TTS Shipper

If Company terminates a TTS Shipper, in accordance with the Termination of Shipper Status provisions in Section III.B. of this tariff, said TTS Shipper's non-Residential Consumers shall revert to the remaining TTS Shipper until a replacement TTS Shipper is approved. Upon selection of a replacement TTS Shipper, said non-Residential Consumers shall be transferred back to the replacement TTS Shipper. If both TTS Shippers' rights are terminated, Company shall serve non-Residential Consumers in the TTS program under its SOLR Service, until a replacement TTS Shipper is approved or non-Residential Consumer

RULES AND REGULATIONS

(Continued)

select a CI Shipper in accordance with Section II.B.3.a.v.

C. ASSIGNMENT OR SELECTION OF SHIPPER PRICING OPTIONS BY CONSUMERS

1. Residential Consumers

Residential Consumers assigned to a TTS Shipper shall initially receive the standard pricing option as identified in Company's TTS Shipper Agreement with each TTS Shipper. Residential Consumers transferring service from an existing premise to another premise shall retain the pricing option in effect at the original premise. Residential Consumers may change pricing options and/or Shippers during an open enrollment period as defined in Section II.D.

2. Non-Residential Consumers

a. CI Shipper

Non-Residential Consumers selecting an approved CI Shipper shall establish price and other terms and conditions of service directly with the selected CI Shipper.

b. TTS Shipper

Non-Residential Consumers assigned to a TTS Shipper shall initially receive the standard pricing option as identified in Company's TTS Shipper Agreement with each TTS Shipper. Non-Residential Consumers in the TTS program who transfer service from an existing premise to another premise shall retain the pricing option in effect at the original premise.

D. TTS PROGRAM OPEN ENROLLMENT PERIODS

1. Residential Consumers

Company shall, as provided in Commission Order (to be inserted), offer open enrollment periods where Residential Consumers may select 1) the Company's current or experimental rate; 2) TTS Shipper; and/or, 3) TTS Shipper's pricing option. Company shall communicate to Residential Consumers the specific terms and conditions of the open enrollment period. Company shall present to each Consumer the current and experimental rate schedules offered to each Consumer. Company shall also present the various pricing and other service offers on behalf of each TTS Shipper. Residential Consumers shall, in writing, make their selection of Company rate schedule, TTS Shipper and TTS Shipper pricing

RULES AND REGULATIONS

(Continued)

option to Company in accordance with the terms and conditions of the open enrollment process. Residential Consumers not designating, in writing, their selection of a Company rate schedule, TTS Shipper or TTS Shipper pricing option, shall retain their existing Company rate schedule, TTS Shipper and TTS Shipper pricing option. In the event Residential Consumers' existing TTS Shipper no longer offers their existing pricing option, and the Residential Consumer does not select an offered pricing option, the Company shall assign such Residential Consumer to their existing TTS Shipper at the standard pricing option as identified in Company's TTS Shipper Agreement with each TTS Shipper. Company does not assume any liability related to the selections made by each Residential Consumer and does not warrant that each Residential Consumer will select the Company rate schedule, TTS Shipper and/or TTS Shipper pricing option that is most advantageous.

2. Non-Residential Consumers

a. Selection of CI Shipper

Non-Residential Consumers in a TTS Consumer Pool may select any approved CI Shipper at any time in accordance with Section II.B.3.a.v.

b. Selection of TTS Shipper

Non-Residential Consumers in a TTS Consumer Pool may change their TTS Shipper and pricing option or existing TTS Shipper's pricing option only during open enrollment periods as defined in Section II.D.1.

E. MISCELLANEOUS CHARGES

The Company shall charge the Consumer the following amounts, as applicable:

<u>Description of Charge</u>	<u>Amount</u>
Residential Consumer Connection Charge:	\$30.00
Non-Residential Consumer Connection Charge:	\$60.00
Residential Consumer Re-Connection Charge:	\$30.00
Non-Residential Consumer Re-Connection Charge:	\$60.00
Collection in Lieu of Discontinuance Charge:	\$20.00
Change of Occupancy Charge:	\$15.00
Return Check Charge:	\$25.00 or 5% of the face value of the check, which ever is greater.
Service Extension Charge (Any size service line):	Actual installed cost

RULES AND REGULATIONS

(Continued)

Where above services are provided outside of normal business hours, by special appointment, or same day service the charges set forth above shall be multiplied by 1.5.

F. ASSIGNMENT OF RATE SCHEDULES

1. Initial Rate Schedule Assignment

At the time of meter activation, Company shall estimate the annual usage of Consumer (based upon the connected gas consuming appliances or equipment) and shall assign Consumer to the applicable rate schedule. Company shall not be required to make any refunds to Consumers if actual annual usage is below the minimum usage level of the rate schedule assigned.

2. Annual Rate Schedule Review

Company shall review the annual usage of each Consumer at calendar year end and shall assign each Consumer to the rate schedule that corresponds to Consumer's respective annual therm usage. Such rate schedule assignments shall be effective on January 1 of each calendar year. Company shall not be required to make any refunds to Consumers if actual annual usage is below the minimum usage level of the rate schedule assigned.

G. CONSUMER'S INSTALLATION

1. Type and Maintenance

The Consumer's Installation shall be constructed and maintained in accordance with the Consumer Rules and Regulations of the Company and all governmental regulations applicable to Consumer's Installation. The Consumer shall not utilize any apparatus or device which is not properly constructed, controlled, or protected, or which may adversely affect Transportation Service; and the Company reserves the right to discontinue or withhold Transportation Service to any Consumer on account of any defect in Consumer's Installation.

2. Change of Consumer's Installation

No changes in Consumer's Installation that will affect the operation of any portion of the distribution system of the Company shall be made without written consent of the Company. The Consumer will be liable for any damage to the Company resulting from a violation of this provision.

RULES AND REGULATIONS

(Continued)

3. Inspection of Consumer's Installation

If municipal or other governmental inspection is required, the Company shall not be required to render Transportation Service until such inspection has been made and the Company has received approval from the inspecting authority. The Company reserves the right to inspect Consumer's Installation prior to rendering Transportation Service and from time to time thereafter, but assumes no responsibility whatsoever on account of having made such inspection.

4. Investigation of Suspected Gas Leak on Consumer's Installation

Company, upon request from Consumer, shall investigate a suspected Gas leak on the Consumer's Installation at no charge to the Consumer. If a leak is detected on Consumer's Installation, Company shall turn off the meter until appropriate repairs are affected. Upon Consumer request to reactivate the meter, Company shall determine if appropriate repairs have been made and, if so, turn the meter on. The approved Re-Connection Charge (Section II.E.) shall apply.

5. Indemnity to Company

The Consumer shall indemnify, hold harmless, and defend the Company from and against any and all liability, proceedings, suits, cost or expense for loss, damage or injury to persons or property, in any manner directly or indirectly connected with or growing out of the transportation and use of Gas by the Consumer downstream of the Point of Delivery.

H. ESTABLISHMENT OF CREDIT

In lieu of a deposit, the Company may allow a prospective Customer to satisfactorily establish credit prior to the commencement of service by one of the following methods:

Residential:

1) Furnish a satisfactory guarantor to secure payment of bills for service requested; such guarantor must be a customer of the Company with a satisfactory payment record. A guarantor's liability shall be terminated when a residential customer, whose payment of bills is secured by the guarantor, meets the requirements of Section K1- Refund of Deposits. Guarantors providing security for payment of residential customer's bills shall only be liable for bills contracted at the service address contained in the contract of guaranty; or

2) Furnish an irrevocable letter of credit from a bank equal to two (2) month's average bills; or

RULES AND REGULATIONS (Continued)

H. Establishment of Credit (Continued)

- 3) Furnish a surety bond equal to two (2) month's average bills; or
- 4) Pay a cash deposit.

Non-Residential:

- 1) Furnish a satisfactory guarantor to secure payment of bills for the service requested, such a guarantor need not be a customer of the Company; or
- 2) Furnish an irrevocable letter of credit from a bank equal to two (2) months average bills; or
- 3) Furnish a surety bond equal to two (2) month's average bills; or
- 4) Pay a cash deposit.

RULES AND REGULATIONS
(Continued)

I. DEPOSIT REQUIREMENTS

If a prospective Consumer does not satisfy one of the creditworthiness criteria defined in Section H, then payment of an initial deposit shall be required according to the following criteria:

1. Deposit Required

a. The amount of the initial deposit, if required may not exceed an amount necessary to cover charges for service for two (2) month's average billings to be calculated either:

- previous billings at the service address;
- average billings for the class of Customer (residential or non-residential);
- average billings based on the type of equipment /appliances in service to be put into service.

In the absence of historical information, the deposit amount shall be determined by the following schedule:

<u>Rate Classification</u>	<u>Initial Deposit Amount</u>
FTS-1	\$ 55.00
FTS-2	\$ 75.00
FTS-2.1	\$ 150.00
FTS-3	\$ 300.00
FTS-3.1	\$ 500.00
FTS-4	\$ 1,000.00
FTS-5	\$ 1,850.00
FTS-6	\$ 3,200.00
FTS-7	\$ 4,300.00
FTS-8	\$ 7,650.00
FTS-9	\$ 11,500.00
FTS-10	\$ 17,000.00
FTS-11	\$ 30,500.00
FTS-12	\$ 86,500.00
FTS-NGV	\$ 7,500.00

b. A residential customer may request the amount of the initial deposit be billed and paid in even installments over a period of two (2) month's for deposit amounts between \$50 and \$150 and three (3) month's for deposits amounts over \$150, which may be granted at the Company's discretion.

RULES AND REGULATIONS

(Continued)

deposit made by a prospective Consumer shall be given to prospective Consumer. Such receipt is not negotiable or transferable.

c. Request for Billing of Initial Deposit Amount

Prospective Residential Consumers may request to be billed for the amount of the initial deposit. A bill for prospective Residential Consumer's initial deposit is due upon receipt and shall be considered delinquent by the Company at the expiration of seven (7) days from the date of mailing by the Company. Delinquent accounts are subject to Section R, Discontinuance of Transportation Service.

2. New or Additional Deposits

The Company may require, upon reasonable written notice of not less than thirty (30) days, such request or notice being separate and apart from any bill for Transportation Service, a new deposit where previously waived or returned, or an additional deposit, in order to secure payment of current bills; provided, however, that the total amount of the required new or additional deposit shall not exceed an amount equal to the average actual charges for Transportation Service for two (2) billing periods during the twelve (12) month period immediately prior to the date of notice. In the event the Consumer has had service less than twelve (12) months, then the utility shall base its new or additional deposit upon the average actual monthly billing available.

J. INTEREST ON DEPOSITS

Two percent (2%) per annum interest will be credited to a Consumer's account annually in accordance with the current effective rules and regulations of the Commission. Three percent (3%) per annum will be credited annually on deposits of Residential Consumers qualifying under Section II.K.1. when the Company elects not to refund such a deposit after twenty-three (23) months. The Company shall credit annually three percent (3%) per annum on deposits of non-Residential Consumers qualifying for refund under Section II.K.1. until the Commission sets a new interest rate applicable to the Company. No customer shall be entitled to receive interest on his deposit until and unless a customer relationship and the deposit have been in existence for a continuous period of six months, then he shall be entitled to receive interest from the day of the commencement of the customer relationship and the placement of deposit. Deposits shall cease to bear interest upon discontinuance of service.

K. REFUND OF DEPOSITS

1. With Satisfactory Payment Record

After a Residential Consumer has established a satisfactory payment record and has had continuous service for a period of not less than 23 months, the Company

RULES AND REGULATIONS (Continued)

shall refund the Residential Consumer's deposit. Company shall, at its option, either refund or pay the higher rate of interest specified in Section II.J. for non-Residential Consumer's deposit provided the non-Residential Consumer has not, in the preceding twelve (12) months: a) made more than one late payment of the bill (after the expiration of twenty (20) days from the date of mailing or delivery by Company); b) paid with a check refused by a bank; c) been disconnected for non-payment; d) tampered with the gas meter; or, e) used service in a fraudulent or unauthorized manner.

2. Termination of Service

Upon termination of service, the deposit and accrued interest may be credited against the final account and the balance, if any, shall be returned promptly to the Consumer but in no event later than fifteen (15) days after service is discontinued.

L. BILLING

1. Billing Periods

The actual date of the AMR reading used for billing purposes for each Consumer shall be determined by Company and shall be at monthly intervals, advanced or postponed by no more than five (5) days from the actual read date of the prior calendar month, and bills for Transportation Service will be rendered regularly on a monthly basis. Bills will be rendered as soon as practical after determination of their amount and shall be due and payable at the office of the Company in accordance with the Commission rules and regulations, and the requirements of this Section.

2. Partial Month

Upon commencement of Transportation Service less than fifteen (15) days prior to a regular monthly read date and when the Transportation Service continues thereafter to the same Consumer at the same address where the Consumer is receiving Transportation Service on monthly rate schedules, no bill will be rendered for Transportation Service covering such period, but the charge for such period will be included in the bill rendered for the next succeeding monthly billing period.

3. Non-Receipt of Bills

Non-receipt of bills by Consumer shall not release or diminish obligation of Consumer with respect to payment thereof.

RULES AND REGULATIONS (Continued)

4. Calculation of Bill

- a. A meter or meters at each Point of Delivery will measure Consumer consumption and the Company shall apply appropriate conversion factors (including BTU factor) to determine Consumer's usage and the Monthly Rates set forth in the applicable rate schedule shall be applied to determine the amount of Company's bill for Transportation Service.
- b. If a Consumer transports under more than one rate schedule, the Transportation Service rendered under each rate schedule shall be separately metered and separate bills shall be calculated. If a Consumer transports under a particular rate schedule but receives delivery thereof at more than a single Point of Delivery, the Company shall consider such deliveries as separate Transportation Service and will calculate separate bills.

5. Billing of Shipper's Charges

The Company shall include TTS Shipper's and may include CI Shipper's charges, if such CI Shipper has elected the SABS service and Company, at its sole option, has elected not to bill separately CI Shipper's charges, for the sale of Gas, separately identified, on its monthly bill to individual Consumers. The Company may, at its sole option, include Shipper's charges for other services on Company's monthly bill to Consumers.

6. Backbilling

The Company may backbill Consumer for any period of up to twelve (12) months for any undercharge in billing which is the result of the Company's error. In such instance, the Company shall allow the Consumer to pay over the same time period as the time period during which the underbilling occurred or some other mutually agreeable time period.

7. Delinquent Bills

Bills are due when rendered, and are delinquent in accordance with the rules established by the Commission. Transportation service will be discontinued after five (5) days written notice to the Consumer subsequent to such delinquent date and, if discontinued, such service will not be restored until all bills are paid in full and a Re-Connection Charge is paid (see Section II.E.).

8. Estimated Bills

When there is good reason for doing so, the Company may estimate the meter

RULES AND REGULATIONS

(Continued)

reading for billing purposes. In such circumstances, the word "Estimated" shall prominently appear on the bill.

9. Adjustment of Bills for Meter Error

a. Fast Meters

Whenever a meter is found to have an average error of more than two percent (2%) fast, the Company shall refund to the Consumer the amount billed in error for one-half the period since the last test, said one-half period not to exceed twelve (12) months except that if it can be shown that the error was due to some cause, the date of which can be fixed, the overcharge shall be computed back to, but not beyond, such date, based upon available records. If the meter has not been tested in accordance with Rule 25-7.064 F.A.C., the period for which it has been in service beyond the regular test period shall be added to the twelve (12) months in computing the refund. The refund shall not include any part of any minimum charge.

b. Slow Meters

1. Except as provided by this sub-section, the Company may backbill in the event that a meter is found to be slow, non-registering or partially registering. The Company may not backbill for any period greater than twelve (12) months from the date it removes the meter of a Consumer, which meter is later found by the Company to be slow, non-registering or partially registering. If it can be ascertained that the meter was slow, non-registering or partially registering for less than twelve (12) months prior to removal, then the Company may backbill only for the lesser period of time. In any event, the Consumer may extend the payments of the backbill over the same amount of time for which the Company issued the backbill. Nothing in this sub-section shall be construed to limit the application of Subsection 9.d. below.

2. Whenever a meter tested is found to have an average error of more than two percent (2%) slow, the Company may bill the Consumer an amount equal to the unbilled error in accordance with this Subsection. If the Company has required a deposit as permitted under Rule 25-7.065(2) F.A.C., the Consumer may be billed only for that portion of the unbilled error that is in excess of the deposit retained by the Company.

3. In the event of a non-registering or a partially registering meter, unless the

RULES AND REGULATIONS (Continued)

provisions of Subsection 9.c. below apply, a Consumer may be billed on an estimate based on previous bills for similar usage.

- c. It shall be understood that when a meter is found to be in error in excess of the prescribed limits of two percent (2%) fast or slow, the figure to be used for calculating the amount of refund or charge in Subsection 9.a. or 9.b. above shall be that percentage of error as determined by the test,
- d. In the event of unauthorized use, the Consumer may be billed on a reasonable estimate of the gas consumed.

M. PAYMENTS

1. Payment Methods

Consumers may elect to pay their bill by cash, check, money order, credit card, debit card, on-line via Company's website, or through Company's direct bank debit program no later than twenty (20) days from the date of mailing by Company.

- a. Consumers electing to pay their bill by telephone shall be required to furnish a valid credit card number to Company for processing.
- b. Consumers electing to participate in Company's direct bank debit program shall execute the Direct Debit Form (see Sheet No. 113) with Company and agree to the terms and conditions contained thereon.

2. Application of Payments

Consumer payments received by the Company shall be applied to the billed charges as follows:

a. Aging of Accounts Receivable

- i. Oldest outstanding billed charges until fully satisfied, following the payment application methodology specified below.
- ii. Proceeding to the next oldest outstanding billed charge until either the entire payment has been applied or until the entire amount owed has been satisfied, following the payment application methodology specified below.

b. Payment Application Methodology

- i. Separately stated taxes and fees, until fully satisfied; then,

RULES AND REGULATIONS (Continued)

- ii. Shipper's charges for the sale of Gas, if any, until fully satisfied; then,
- iii. Company's regulated charges, until fully satisfied; then,
- iv. Other Company non-regulated charges, until fully satisfied; then
- v. Other Shipper charges.

3. Payment Dishonored by Bank

For each payment dishonored by Consumer's bank, a Returned Check Charge (see Section II.E.) shall be added to Consumer's bill for Transportation Service. Termination of service shall not be made for failure to pay the Returned Check Charge.

N. METERING

1. Use of Meters and Measuring Equipment

- a. The Company shall provide, install and properly maintain at its own expense such meter or meters, recording devices and metering equipment necessary to measure the quantity of Gas used by the Consumer.
- b. The Consumer, upon thirty (30) days notice to Company, may install, maintain and operate at Consumer's expense such check measuring equipment on Consumer's Installation as desired provided that such equipment shall be so installed as not to interfere with the safe and efficient operation of Company's equipment. No Gas shall be sub-metered or further distributed by Consumer for purpose of resale unless approved by Company.
- c. Company may furnish and install such regulating and/or flow control equipment and devices as it deems to be in the best interest of the Consumer served, or of the system in general.
- d. Only duly authorized agents of the Company or persons authorized by law shall set or remove, turn on or turn off, or in any way handle Company's meters. Only Company's duly authorized agents shall make connections to the Company's system. Unauthorized connections to, or tampering with, the Company's meter or metering equipment, or indications or evidence thereof, subjects the Consumer to immediate discontinuance of Transportation Service, prosecution under the laws of the State of Florida, adjustment of prior bills for Transportation Service furnished, and reimbursement of the Company for all expenses incurred on this account.

RULES AND REGULATIONS (Continued)

2. Location of Meters

- a. The Consumer shall furnish a convenient, accessible and safe place in which the meter and/or other such facilities can be installed, operated and maintained without charge to Company. This location insofar as practical shall be outside the building and free of excessive temperature variations or potential causes of damage that might affect meter operation or accuracy.
- b. If changes in conditions on the Consumer's premises adversely affect the convenience, accessibility or safety of the meter location, the Consumer shall be responsible for the cost of relocating the meter, its appurtenances, and related piping to a location meeting the above requirements.

3. Meter Accuracy at Installation

- a. A new gas meter shall be within plus or minus one percent (1%) of accuracy to be installed for Consumer use.
- b. Each meter removed from service when opened for repairs shall be adjusted to be not more than 1 percent (1%) fast or 1 percent (1%) slow before being reset. If not opened for repairs, the meter may be reset without adjustment if found to be not more than 1 percent (1%) fast or not more than 1 percent (1%) slow provided the meter is otherwise in good condition.
- c. No meter may be installed unless it has been tested within the previous 12 months and found to be within the accuracy limits established herein.

4. Periodic Meter Tests

Meters installed will be tested periodically at reasonable intervals and in accordance with Commission Rule 25-7.064 FAC.

5. Meter Test by Request

- a. Upon written request of a Consumer, Company shall, without charge, make a test of the accuracy of the meter in use at Consumer's premise; provided, first, that the meter has not been tested by Company or by the Commission within twelve months previous to such request.
- b. Should any Consumer request a meter test more frequently than provided above, Company shall require a deposit to defray the cost of testing in

RULES AND REGULATIONS (Continued)

accordance with Commission Rule 25-7.065 FAC.

- c. If the meter is found to be more than two percent (2%) fast, the deposit shall be refunded, but if below this accuracy limit, the deposit shall be retained by the Company as a service charge for conducting the test.

6. Meter Test- Referee

- a. In the event of a dispute, upon written application to the Commission by any Consumer, a test of the Company's meter at Consumer's premise shall be made or supervised as soon as practicable by a representative of the Commission.
- b. The meter shall in no way be disturbed after the Company has received notice that application has been made for such referee test unless a representative of the Commission is present or unless authority to do so is first given in writing by the Commission or by the Consumer.
- c. A written report of the results of the test shall be made by the Commission to the Consumer.

O. DISTRIBUTION FACILITIES EXTENSION POLICY

1. Feasibility Assessment

Prior to any extension of distribution facilities for the purpose of providing Transportation Service to one or more Consumer premises, the Company shall assess the economic feasibility of its capital investments for each proposed extension of facilities. For the purposes of this policy, distribution facilities shall mean: mains, services, land rights, city gate stations, district regulator stations, meters, regulators, other materials and appurtenances, including the installation of such facilities.

2. Maximum Allowable Construction Cost

The maximum capital cost to be incurred by the company for an extension of facilities shall be defined as the Maximum Allowable Construction Cost (MACC). The MACC shall equal the estimated annual Transportation Service revenues to be derived from the distribution facilities multiplied by six (6).

RULES AND REGULATIONS (Continued)

3. Distribution Facilities Extension Options

a. Free Extensions

The Company shall extend its distribution facilities to serve prospective Consumer premises at no cost where the capital investment for such extension does not exceed the MACC.

b. Advance in Aid of Construction

Where the estimated capital investment for an extension of facilities exceeds the MACC, the Company may require that a prospective Consumer(s) or other person, such as a real estate developer, governmental entity, Shipper, or other authority ("Depositor") deposit an Advance in Aid of Construction (Advance). The amount of the Advance required from the Depositor shall equal the difference between the estimated capital investment and the MACC. The Advance made by the Depositor shall be non-interest bearing. The Company may refund a portion, or all, of the Advance to the Depositor in accordance the following provisions:

- i. At the end of the first year following the in-service date of an extension of facilities, the Company shall recalculate the MACC using its actual capital investment costs and the actual transportation revenues derived from the extension. If the recalculated MACC using actual costs and revenues exceeds the original estimated MACC, the Company shall refund to the Depositor the difference between the Original Advance and the Advance required, if any, resulting from the recalculation of the MACC.
- ii. For each additional Consumer taking service at any point on a main installed as part of a distribution facilities extension within a period of five (5) years from the in-service date of the extension, the Company shall refund to the Depositor an amount by which the MACC of each additional Consumer exceeds the capital investment costs of connecting such Consumer, provided that an additional main extension shall not have been necessary to serve such additional Consumer.
- iii. The aggregate refund to any Depositor made through the above provisions shall not exceed the original Advance of such Depositor.

RULES AND REGULATIONS (Continued)

- iv. The distribution facilities extension shall at all times be the property of the Company and any unrefunded portion of the Advance at the end of five (5) years shall be credited to the Company's distribution main plant account.

- c. Area Extension Program

Where the estimated capital investment for an extension of distribution facilities exceeds the MACC, the Company may, at its reasonable discretion, proceed with the extension and establish an Area Extension Program (AEP) charge to recover the capital investment costs in excess of the MACC, as provided below.

- 1. Initial AEP Charge

The Company shall calculate the cost difference between the MACC and the estimated capital investment costs (such cost difference to include the Company's allowed cost of capital) required to extend the distribution facilities to serve the prospective Consumer(s) (the "AEP Recovery Amount"). The AEP Recovery Amount shall be divided by the number of Consumer premises projected to be served at the end of year five (5) following the in-service date of the extension. The Company shall determine a reasonable Amortization Period over which the AEP Recovery Amount shall be collected from each premise. The Amortization Period shall apply individually to each premise and shall not exceed 120 Billing Months. For the purposes of AEP cost recovery, a Billing Month shall mean a month in which Company renders a billing statement to an active Consumer account for a premise served by an AEP extension of facilities. In the event a premise becomes inactive, the Amortization Period shall be suspended until the premise is reactivated. The AEP Recovery Amount shall be divided by the number of months in the Amortization Period to establish a monthly AEP Charge. The AEP Charge shall be billed to each Consumer premise activating service within the initial five (5) year period following the in-service date of the extension.

- 11. Recalculated AEP Charge and True-Up

At the end of year five (5) following the in-service date of an extension of facilities for which an AEP Charge has been established, the Company shall calculate the cost difference between the original MACC, based on

RULES AND REGULATIONS (Continued)

estimated costs and revenues, and a recalculated MACC using the Company's actual capital investment costs (such costs to include the Company's allowed cost of capital) and the actual transportation revenues derived from the extension through the end of year five (5), (the "Recalculated AEP Recovery Amount"). In recalculating the MACC, the Company shall include any actual revenue received from Consumers or other entities, other than AEP Charge revenues, for the specific purpose of contributing to the recovery of the Company's capital investment cost for the extension. In recalculating the MACC, the Company shall assume that any additional capital investment required for the extension subsequent to year five (5) will be supported by the Company's base rates and charges. The actual transportation revenues derived from the extension in year five (5) shall be assumed to be the annual revenues for the remaining life of the extension, for the purpose of recalculating the MACC. A Recalculated AEP Charge for the remaining Amortization Period shall be determined as follows:

- (1) The Recalculated AEP Recovery Amount shall be divided by the actual number of Consumer premises for which gas service has been activated at the end of year five (5) following the in-service date of the extension. The Recalculated AEP Recovery Amount shall be divided by the number of months in the original Amortization Period for the AEP extension to establish a monthly Recalculated AEP Charge for each Consumer premise. The Recalculated AEP Charge shall be billed to each Consumer premise that received gas service during the five (5) year period following the in-service date of an AEP extension of facilities over the remaining months of the Amortization Period applicable to the premise.
- (2) For each Consumer premise that received gas service during the five (5) year period following the in-service date of an AEP extension of facilities, the Company shall determine the total AEP Recovery Amount collected from the initial AEP Charge during the Billing Months. Such amount shall be compared to the AEP Recovery Amount that would have been recovered for each premise if the Recalculated AEP Charge had been in effect over the respective Billing Months for each premise (the "True-up Amount".) A charge or credit for the True-up Amount shall be rendered by the Company

RULES AND REGULATIONS (Continued)

to each premise within sixty (60) days of the end of the five (5) year period following the in-service date of an AEP extension of facilities, Where a True-up Amount results in a charge to Consumers, the Company may extend the payment period to recover the True-up Amount.

(3) Neither the initial AEP Charge or the Recalculated AEP Charge shall be billed to any Consumer premise that activates gas service from an AEP extension of facilities subsequent to the end of the five (5) year period following the in-service date of an AEP extension of facilities.

(4) Revenues from the AEP Charge shall be credited against the Company's distribution main plant account, except that the Company shall retain, as a return on its capital investment, a portion of such revenues equal to its allowed cost of capital.

4. Service Extensions From Existing Mains

The Company shall extend service facilities connecting a Consumer premise to an existing main, where the Company's capital investment to install the service does not exceed the MACC. Where the service extension capital investment exceeds the MACC, the Consumer shall pay to the Company a non-refundable amount equal to the difference between the MACC and the estimated capital cost of the service extension.

5. Temporary Service

In the case of temporary service for short-term use, Company may require Consumer to pay all costs of making the service connection and removing the material after service has been discontinued, or to pay a fixed amount in advance to cover such expense; provided, however, that Consumer shall be credited with reasonable salvage realized by Company when service is terminated.

6. Relocation of Distribution Facilities

When alterations or additions to structures or improvements on premises to which Company provides transportation service necessitate the relocation of Company's distribution facilities, or when such relocation is requested by Consumer for any reason, Consumer may be required to reimburse Company for all or any part of the costs incurred by Company in the performance of such relocation.

RULES AND REGULATIONS (Continued)

P. OBLIGATIONS OF COMPANY AND CONSUMERS

1. Operation of Company's System

Company shall use reasonable diligence in operating its system in order to insure a uniform and adequate delivery of Gas to meet Consumers' requirements. Company is responsible for the transportation of Consumer-owned Gas, but is not responsible for providing Gas, except in the circumstances when the Company is providing SOLR Service to Consumers.

2. Company's Obligation to Provide Transportation Service to Consumers

Notwithstanding all other applicable provisions of this tariff and any Special Contract provisions to the contrary, Company shall be obligated to provide Transportation Service to Consumers if Consumers' designated Shipper meets the delivery obligations as defined in Section III.J.4. In the event Consumers' designated Shipper fails to meet said delivery obligations, the Company shall have no obligation to provide Transportation Service to said Consumers.

3. Temporary Interruptions

Company may temporarily shut off the meter to the Consumer's premises after reasonable notice for the purpose of making necessary repairs or adjustments to Company's distribution facilities, and will endeavor to make such interruptions, if required, at a time, where possible, which will cause the least inconvenience to the Consumer.

4. Curtailments

Service may be curtailed or fully interrupted without notice in case of emergency at the sole discretion of Company in accordance with the provisions of the curtailment plan, on file with the Commission. Company assumes no liability for any loss or damage that may be sustained by Consumer by reason of any curtailment or interruption of service rendered herein.

5. Information to Consumers

Company shall maintain personnel at its general offices to assist the Consumer in acquiring Transportation Service, providing information as to rates and charges and handling Consumer inquiries or complaints. A copy of Company's approved tariff is available for inspection at the Company's general offices during normal business hours.

RULES AND REGULATIONS

(Continued)

6. Access to Consumer's Premises

Consumer shall be obligated to allow Company or its duly authorized agents to enter Consumer's premises at all reasonable hours for obtaining meter readings, for shutting off the flow of Gas when necessary or due to any Consumer delinquency or infraction, for inspecting, removing, repairing, or protecting from abuse or fraud any of the property of Company installed on the premises or for all other reasons set forth in other sections of these Consumer Rules and Regulations. Access shall be granted at all times for emergency purposes. Any refusal on the part of Consumer to permit Company access to premises will be cause for discontinuance of Transportation Service without liability to the Company.

7. Right of Way

The Consumer shall grant or cause to be granted to Company, without cost to Company, all rights, easements, permits and/or privileges that in Company's opinion are necessary for the rendering of Transportation Service.

8. Protection of Company's Property

All property of Company installed in or upon Consumer's premises used and useful in supplying service is placed there under Consumer's protection. All reasonable care shall be exercised to prevent loss of, or damage to, such property and, ordinary wear and tear excepted, Consumer will be held liable for any such loss of property, and/or damage thereto and shall pay to Company the cost of necessary repairs or replacements.

9. Interfering or Tampering with Company's Property

Consumer will be held responsible for breaking the seals, tampering or interfering with Company's meter or meters, or other equipment of Company installed on Consumer's premises, and no one except employees or authorized agents of Company will be allowed to make any repairs or adjustments to any meter or other piece of apparatus belonging to Company except in cases of emergency.

10. Non-Residential Consumer Request to Increase Usage

Non-Residential Consumer at an existing premise shall notify Company of non- Residential Consumer's intent to increase its current annual usage by at least 25% at said premise at least sixty (60) days prior to the expected increase in usage.

RULES AND REGULATIONS

(Continued)

Company shall respond to non-Residential Consumer's request within thirty (30) days of receipt, indicating Company's acceptance or denial of non-Residential Consumer's request and any limitations of Transportation Service.

11. Conformance with Tariff

Upon commencement of Transportation Service in accordance with Section II, the Rules and Regulations and the applicable rate schedules of this tariff shall be binding upon Consumer and Company unless otherwise stated in a Special Contract as approved by the Commission in accordance with Commission Rule 25-9.034 FAC or as stated in a Flexible Gas Service Agreement.

Q. FORCE MAJEURE

1. In the event either Company or Consumer is unable wholly or in part by Force Majeure to carry out its obligations under this tariff, or under a Special Contract, other than to make payments due thereunder, it is agreed that on such party giving notice and full particulars of such Force Majeure to the other party as soon as possible after the occurrence of the cause relied on, then the obligations of the party giving such notice, so far as they are affected by such Force Majeure, shall be suspended during the continuance of any inability so caused but for no longer period, and such cause shall as far as possible be remedied with all reasonable dispatch.
2. The term "Force Majeure", as employed herein, shall mean acts of God, strikes, lockouts, or other industrial disturbances, acts of the public enemy, wars, blockades, insurrections, riots, epidemics, landslides, lightning, earthquakes, fires, storms, hurricanes or evacuation orders due to hurricanes, floods, washouts, arrests and restraints of government and people, civil disturbances, explosions, breakage or accidents to machinery or lines of pipe, the necessity for making repairs or alterations to machinery or lines of pipe, freezing of well or lines of pipe, partial or entire failure of source of supply, and any other cause, whether of the kind herein enumerated or otherwise, not within the control of the party claiming suspension and which by the exercise of due diligence such party is unable to prevent or overcome; such term shall likewise include (a) in those instances where either party is required to obtain servitudes, rights of way grants, permits, or licenses to enable such party to fulfill its obligations hereunder, the inability of such party to acquire, or the delays on the part of such party in acquiring, at reasonable cost and after the exercise of reasonable

diligence, such

RULES AND REGULATIONS (Continued)

servitude, rights of way grants, permits, or licenses; and (b) in those instances where either party is required to furnish materials and supplies for the purpose of constructing or maintaining facilities or is required to secure grants or permissions from any governmental agency to enable such party to acquire, or the delays on the part of such party in acquiring, at reasonable cost and after the exercise of reasonable diligence, such materials and supplies, permits and permissions.

3. It is understood and agreed that the settlement of strikes or lockouts shall be entirely within the discretion of the party having the difficulty, and that the above requirement that any Force Majeure shall be remedied with all reasonable dispatch shall not require the settlement of strikes or lockouts by acceding to the demands of an opposing party when such course is inadvisable in the discretion of the party having the difficulty.

R. DISCONTINUANCE OF TRANSPORTATION SERVICE

The Company reserves the right, but assumes no liability for failure to do so, to discontinue service to any Consumer for cause as follows:

1. Without Notice

- a. For Consumer's non-compliance with or violation of any State or municipal law or regulation governing gas service.
- b. For Consumer's failure or refusal of the Consumer to correct any deficiencies or defects in Consumer's piping or appliances which are reported to Consumer by Company.
- c. For Consumer's use of Gas for any other property or purpose than that described in the application.
- d. For Consumer's failure or refusal to provide adequate space for the meter and service equipment of Company.
- e. In the event of a condition known to Company to be hazardous.
- f. In the event of Consumer's tampering with regulators, valves, meters or other facilities furnished and owned by Company.

RULES AND REGULATIONS (Continued)

- g. In the event of Consumer's unauthorized or fraudulent use of service. Whenever service is discontinued for fraudulent use of service, Company, before restoring service, may require the Consumer to make at Consumer's expense all changes in piping or equipment necessary to eliminate illegal use and to pay an amount reasonably estimated as the deficiency in revenue resulting from such fraudulent use.

- 2. After Five (5) Working Days Written Notice

- a. For Consumer's non-payment of Company's regulated charges.
- b. For Consumer's failure or refusal to provide or increase a deposit, when requested, to insure payment of Company's regulated charges.
- c. For Consumer's neglect or refusal to provide reasonable access to Company or its agents for the purpose of reading meters or inspection and maintenance of equipment owned by Company.
- d. For Consumer's noncompliance with the Company's Rules and Regulations of this tariff, after there has been a diligent attempt to have the Consumer comply.

- 3. Waiver of Discontinuance of Transportation Service

Discontinuance of Transportation Service shall be temporarily waived in specific cases provided that Transportation Service is medically essential and discontinuance will endanger life or require hospitalization to sustain life. Prior to granting a medical waiver, the Consumer shall be required to furnish the Company written notice from a competent physician acceptable to the Company that Transportation Service is required for life support.

- 4. Collection in Lieu of Discontinuance of Transportation Service

A Collection in Lieu of Discontinuance Charge (Section II.E.) shall be added to the Consumer's past due bill when payment, inclusive of said charge, is made at a billed address prior to discontinuance of Transportation Service for non-payment of Company's regulated charges.

- S. RESTORATION OF TRANSPORTATION SERVICE

When service has been discontinued for any of the reasons set forth in or violation of the Consumer Rules and Regulations, service will be restored only after the following

RULES AND REGULATIONS (Continued)

conditions are met:

1. Consumer pays, in full, for all delinquent amounts due for Company's regulated charges including a service Re-Connection Charge (Section III.E.), damages, or fraudulent use.
2. All conditions creating violations of these Rules and Regulations, unsafe conditions, misuse or fraudulent uses have been corrected by Consumer and proven satisfactory to Company.
3. Consumer has provided the required deposit.

T. TERMINATION OF TRANSPORTATION SERVICE

1. Change of Occupancy

Subject to any existing Agreement by Consumer and Company, when a change of occupancy takes place at any premise to which Company renders Transportation Service, Consumer shall provide Company with its request for termination of Transportation Service at least three (3) working days prior to the date of change. Said Consumer shall be responsible for all Transportation Service charges for such premise up to and including the effective date of change.

2. Removal of Service

If Consumer wishes Company's property to be removed, Consumer shall give notice at the office of the Company at least ten (10) working days prior to the time of such requested removal.

U. LIMITATION OF TRANSPORTATION SERVICE

1. New Premise

Company reserves the right, subject to the regulatory authority having jurisdiction, to limit or restrict usage through establishment of an MDTQ or refuse Transportation Service to a new premise that will result in additions to its distribution system that may jeopardize Transportation Service to existing Consumers.

2. Existing Premise

Company may establish a MDTQ for Gas for non-Residential Consumer at an

RULES AND REGULATIONS (Continued)

existing premise who request an increase in annual usage, in accordance with Section II.P.10., if, in the reasonable opinion of Company, it is necessary to protect system integrity or to ensure other existing premises are not adversely affected by said non-Residential Consumer(s) request. Company shall not be obligated to transport non-Residential Consumer-owned Gas above non-Residential Consumer's MDTQ, if established, but may do so if feasible and without adverse affect to other Consumers, in the reasonable opinion of Company.

V. APPLICABILITY OF RULES AND REGULATIONS

Unless otherwise provided in an agreement approved by the Commission, these Rules and Regulations apply to Transportation Service rendered by the Company in the entire service area of the Company, as such distribution system is now constituted and as it may be enlarged or extended, and to any new distribution system which may be acquired or constructed by the Company.

W. OWNERSHIP OF PROPERTY

The Company shall own, operate and maintain all service pipes, regulators, vents, meters, meter connections, valves and other apparatus from Company mains to the outlet side of the meter and shall have a perpetual right of ingress and egress thereto.

RULES AND REGULATIONS (Continued)

III. SHIPPER RULES AND REGULATIONS

A. INITIATION OF SERVICE

1. TTS Shipper Requirements

TTS Shippers selected by Company shall:

- a. Execute a TTS Shipper Agreement (Sheet Nos. 122 to 136);
- b. Establish credit sufficient to Company in accordance with these Rules and Regulations; and
- c. Agree to receive SABS service.

2. CI Shipper Requirements

An entity is eligible to become a CI Shipper that has:

- a. Executed a CI Shipper Agreement (Sheet Nos. 137 to 138);
- b. Established credit sufficient to Company in accordance with these Rules and Regulations;
- c. Selected either the SABS or SAS Shipper Service.

3. TTS Shipper Competitive Bid Process

Through a competitive Request for Proposal process, the Company shall select one or more TTS Shippers to provide gas supply and related services to TTS Consumers.

4. Allocation of Consumers to TTS Shippers

Consumers shall be initially allocated to the TTS Consumer Pools in accordance with the process described in Sections II.B.2. and II.B.3.c. Residential Consumers shall be required to remain with the initial TTS Shipper until the Company offers open enrollment periods in accordance with Section II.D. Non-Residential Consumers can select any approved CI Shipper, and exit the TTS program in accordance with Section II.B.3.a.v.

5. Establishment of Credit

All Shippers shall establish credit prior to commencing deliveries of Gas hereunder, and shall maintain such credit during the term hereof, by one of the following methods:

- a. Payment of a cash deposit with Company in an amount equal to the DCQ times \$50;

RULES AND REGULATIONS (Continued)

- b. Furnishing an irrevocable letter of credit from a bank, or a surety bond issued by an entity acceptable to the Company in an amount equal to the DCQ times \$50;
- c. Possessing and maintaining a Standard & Poor's Long Term Debt Rating of A- or better, a Moody's rating of A3 or better, or a comparable rating by another nationally recognized rating organization acceptable to Company; or, providing an acceptable corporate guarantee in an amount equal to the DCQ times \$50.

B. TERMINATION OF SHIPPER STATUS

Unless excused by Force Majeure, Company may terminate the Shipper's rights for the following:

- 1. Shipper fails to satisfy in full the terms and conditions of this tariff;
- 2. Shipper voluntarily suspends the transaction of business where there is an attachment, execution or other judicial seizure of any portion of their respective assets;
- 3. Shipper becomes insolvent or unable to pay its debts as they mature or makes an assignment for the benefit of creditors;
- 4. Shipper files, or there is filed against it, a petition to have it adjudged bankrupt or for an arrangement under any law relating to bankruptcy;
- 5. Shipper applies for or consents to the appointment of a receiver, trustee or conservator for any portion of its properties or such appointment is made without its consent; or,
- 6. Shipper engages in slamming or other unlawful activities.

C. ASSIGNMENT OF RATE SCHEDULE

1. SABS Rate Schedule

Upon initiation of service, all TTS Shippers shall be assigned to the SABS rate schedule. CI Shippers may elect the SABS rate schedule.

2. SAS Rate Schedule

Upon initiation of service, all CI Shippers shall be assigned to the SAS rate schedule, unless CI Shipper has elected the SABS rate schedule.

RULES AND REGULATIONS (Continued)

3. OS-DPO Rate Schedule

Upon initiation of service, any TTS Shipper or CI Shipper who has executed an Off-System Delivery Point Operator Agreement with Company shall be assigned to the OS-DPO rate schedule.

D. TERMINATION OF CONSUMER

Any CI Shipper may terminate service for any reason to a non-Residential Consumer upon written notice to Company ten (10) days prior to the first day of the month. Unless Company receives a valid LOA requesting service from a CI Shipper, said non-Residential Consumer shall be assigned to a TTS Shipper in accordance with Section II.B.3.b.

E. CAPACITY RELEASE

1. Intent of Capacity Release

Company, through its Service Agreements with Transporters, has contracted for firm capacity rights on Transporters' pipeline systems. Company can either: 1) temporarily release to Shippers each month, utilizing the methodology described below, all Transporter capacity for Shippers' use in transporting Gas to its Consumer Pool; or, 2) retain sufficient capacity for the provision of the SOLR Service, in accordance with the applicable provisions of this tariff and release the remainder of Transporter capacity to Shippers' as described herein.

2. Capacity Release Methodology

The Company shall, to the extent Transporter capacity is available, release Transporter capacity for each Existing Consumer (defined as a non-Residential Consumer who was receiving Transportation Service from the Company on or before November 5, 2002) to its selected CI Shipper or its assigned TTS Shipper. The Company shall temporarily release all quantities of such Transporter capacity to Shippers each month in accordance with the Transporter capacity allocation method approved by the Commission in Order No. PSC-02-1646-TRF-GU and as further clarified herein.

3. Quantity of Capacity For Release

Each month, Company shall determine the DCQ to be released to each Shipper using the following methodology:

RULES AND REGULATIONS (Continued)

- a. For an Existing Consumer whose annual Gas usage exceeded 100,000 Therms in calendar year 2001:
 - i. the DCQ shall be the daily quantity of Transporter capacity as exhibited in an executed capacity release agreement in effect on November 5, 2002 ("Capacity Agreement"). At the expiration or termination of the Capacity Agreement, Company shall continue to allocate Transporter capacity to the Existing Consumer in the same quantity as exhibited in the executed capacity release agreement; or
 - ii. the DCQ shall be the actual peak month Gas usage quantity in calendar year 2001 divided by the number of days in such peak month, rounded up to the next whole dekatherm.
 - b. For each Existing Consumer whose annual Gas usage was 100,000 Therms or less in calendar year 2001, the DCQ shall be determined by dividing the maximum usage quantity for Existing Consumer's rate classification in calendar year 2001 by 365 days; then dividing the result of this calculation (Therms per Gas Day) by 10 (to convert Therms to Dekatherms); and then rounding up to the next whole Dekatherm.
 - c. The remaining capacity quantity after the allocations resulting from Subsections 3a. and 3b. shall be the DCQ for all Residential Consumers. Company shall determine the ratio of active Residential Consumers in each TTS Shipper's Consumer Pool to the total number of active Residential Consumers on the Company's distribution system. The Residential Consumer DCQ shall be proportionately allocated to TTS Shippers based on the ratio described herein.
 - d. Each month, the Company shall determine the total DCQ for each Shipper, in accordance with the methodology described herein. Adjustments to Shipper's DCQ may occur from time to time to reflect changes in Shipper's Consumer Pool, resulting from the submission of LOAs to the Company from Consumers.
4. Allocation Of Capacity From Multiple Transporters
Company has contracted for capacity on two (2) Transporter's pipelines, Florida Gas Transmission (FGT) and Gulfstream Natural Gas System (NGS). Company shall allocate Transporter capacity, inclusive of Receipt and Delivery

RULES AND REGULATIONS (Continued)

Points, from all sources to Shippers using the following method:

- a. For Shippers whose Consumer Pool includes an Existing Consumer(s) with a capacity release agreement(s) in effect on November 5, 2002, capacity shall be released to Shipper as specified in such agreements.
- b. For Shippers whose Consumer Pool includes Existing Consumers without capacity release agreements in effect on November 5, 2002, the allocated Transporter capacity for such Existing Consumers shall be determined as follows. Company shall determine the quantity of FGT and GNGS capacity remaining subsequent to the allocations made in accordance with subsection a. above (the “Remaining FGT Capacity” and the “Remaining GNGS Capacity”, respectively). The sum of the Remaining FGT Capacity and the Remaining GNGS Capacity shall be defined as the Remaining Transporter Capacity. Each month, Company shall divide the Remaining FGT Capacity by the Remaining Transporter Capacity and divide the Remaining GNGS Capacity by the Remaining Transporter Capacity to determine the ratio of FGT and GNGS capacity to allocate to each Shipper. Company shall apply the calculated ratio each month of FGT and GNGS capacity to the DCQ to determine the specific release of capacity for said Existing Consumers in Shipper’s Customer Pool.
- c. For TTS Shippers with Residential Consumers in their Consumer Pool, the allocated Transporter capacity for such Residential Consumers, if any, shall be determined as follows. Company shall determine the quantity of FGT and GNGS capacity remaining after allocations made in accordance with Subsections 4a. and 4b. above (the “Remaining FGT TTS Capacity” and the “Remaining GNGS TTS Capacity”, respectively). The sum of the Remaining FGT TTS Capacity and the Remaining GNGS TTS Capacity shall be defined as the Remaining Transporter TTS Capacity. Each month, Company shall divide the Remaining FGT TTS Capacity by the Remaining Transporter TTS Capacity and divide the Remaining GNGS TTS Capacity by the Remaining Transporter TTS Capacity to determine the ratio of FGT and GNGS capacity to allocate to each TTS Shipper. Company shall apply the calculated ratio each month of FGT and GNGS capacity to the DCQ to determine the specific release of capacity for Residential Consumers in their respective TTS Shipper Consumer Pool.

RULES AND REGULATIONS (Continued)

5. Capacity for New Consumers

The Company shall have no obligation to release Transporter capacity on behalf of New Consumers (defined as a non-Residential Consumer who began Transportation Service with the Company on or after November 5, 2002). It shall be the responsibility of New Consumers selected Shipper or Shipper Designee to obtain sufficient Transporter capacity, in accordance with Shipper's Delivery Obligations in Section III.J.4. below.

6. Scope of Capacity Release

a. Shipper Service Agreements with Transporters

Shipper shall enter into all required agreements with each Transporter so that Shipper has all necessary rights to accept and acquire the released capacity from Company hereunder. Capacity releases shall be made on a temporary basis, in accordance with applicable FERC rules and regulations, as they may change from time to time. Shippers shall have sole responsibility for complying with all provisions of such agreements and all applicable provisions of Transporters' FERC tariffs.

b. Relinquishment Notices

Each Month, Company shall provide to Transporter the notice of capacity release required under the rules and regulations of the respective Transporter's FERC Tariff. Such notices shall offer to relinquish, on a temporary basis that portion of the Shipper's DCQ to be released by Company. Company shall diligently and in a time sufficient for Shipper to commence use of the released capacity, take all other actions required under the rules and regulations of the respective Transporter's FERC Tariff to release capacity to Shipper.

c. Acceptance of Capacity Release

Shipper shall diligently and in a timely manner take all actions necessary under the rules and regulations of Transporter's FERC tariffs to acquire and accept the capacity released, with the associated primary Receipt Points and primary Delivery Points on Transporter's system, by Company. Company has no obligation to release capacity to Shipper in quantities greater than the DCQ as determined above.

7. Capacity Exceeding Released Quantities

If Shipper in any month requires a quantity of Transporter capacity greater than

RULES AND REGULATIONS (Continued)

the quantity of capacity released by Company, Shipper shall be responsible for taking such actions as are required to obtain sufficient Transporter capacity to meet its Consumer Pool requirements. Shippers may acquire such Transporter capacity quantities from any source.

F. CAPACITY CHARGES & PAYMENTS

1. Capacity Charges

Shipper shall pay to Transporter the maximum applicable tariff rate allowed by FERC or the negotiated rate for the capacity released and shall indemnify Company and hold it harmless from any and all rates and charges assessed by Transporter to Company for the released capacity.

2. Capacity Payments

Shipper shall make all payments to Transporters for the released capacity in accordance with Shipper's agreement(s) with Transporter(s), by Transporters' FERC Tariffs, and by any applicable FERC rule or order. If Shipper fails to make such payments, Company may make such payments on behalf of Shipper (in a manner which preserves any rights which Shipper may have to dispute the nature or amount of the charges). Shipper shall reimburse Company for such payments inclusive of interest, at the highest interest rate allowed by law, from the date such payments are made by Company to Transporter.

3. Recalled Capacity Payment

Upon the effective date of any recall by Company of any portion or all of the released capacity, Company shall be responsible for and shall pay all applicable rates and charges for such recalled capacity during the period of such recall. Company shall indemnify Shipper, and hold it harmless from any and all such charges assessed by Transporters to Shipper, for the recalled capacity after the effective date of such recall.

4. Refunds from Transporter

If, after the effective date of any Company capacity release to Shipper, Shipper receives from Transporter any refund of any charges previously paid by Company to Transporter, Shipper shall in the month following its receipt of such refund, pay (or where Company owes Shipper funds, credit) to Company the amount of such refund. If during a temporary recall of capacity, Company receives from Transporter any refund of any charges previously paid by Shipper to Transporter,

RULES AND REGULATIONS (Continued)

Company shall pay or credit to Shipper the amount of such refund in the month following Company's receipt of such refund.

G. SHIPPER RIGHTS TO RELINQUISH CAPACITY

1. Shipper may relinquish with recall rights to a third party any portion or segment of the Transporter capacity released by Company for any period of time, subject to the rules and regulations of Transporters' FERC tariffs.
2. Shipper may relinquish without recall rights to a third party any portion or segment of the Transporter capacity released by Company for a period of time of up to six (6) months, subject to the rules and regulations of Transporters' FERC tariffs.
3. Shipper, only with prior written approval of Company, may relinquish without recall rights to a third party any portion or segment of the Transporter capacity released by Company for a period of time greater than six (6) months, subject to the rules and regulations of Transporters' FERC tariffs.
4. Shipper shall ensure that sufficient capacity is available for recall by Company to accommodate decreases in Shipper's DCQ, in accordance with Section III.H.1.
5. If, through the terms of Shipper's relinquishment of capacity that are not in accordance with the provisions of this Section, Shipper causes Company to incur incremental costs while providing SOLR Service to Consumers, Shipper shall be obligated to reimburse Company for said incremental costs.

H. RECALL RIGHTS TO RELEASED CAPACITY

1. All capacity released to Shipper by Company, or subsequently relinquished by Shipper to a third party, may be recalled by Company from time to time to facilitate the redistribution of capacity among Shippers to accommodate Consumer migration, regardless of the term of a specific capacity release by Company to Shipper or the term of any relinquishment by Shipper to a third party.
2. Company shall have the right to recall temporarily or permanently a portion or all of the capacity released hereunder, subject to the applicable notice requirements

RULES AND REGULATIONS (Continued)

in Transporter's FERC Tariffs, in the event that (i) Shipper breaches its contractual obligations of payment to Transporter for the released capacity; or (ii) Shipper otherwise breaches the terms and conditions of this tariff. In the event Company temporarily recalls a portion of the released capacity, Company shall re-release such capacity to Shipper within ten (10) days after Shipper has provided assurance satisfactory to Company, in Company's reasonable discretion, that the cause which gave rise to Company's recall right has been removed. Neither a temporary nor a permanent recall of a portion or all of the released capacity shall become effective until Company has given Shipper notice in writing specifying the cause for the recall and Shipper has had ten (10) days after receipt of such notice to remove or correct the cause for the recall and Shipper has failed to remove or correct the cause within such ten (10) day period.

I. RETAINED RIGHT OF FIRST REFUSAL

Company shall retain the sole right to affirmatively exercise, at the time specified in the Service Agreement, Transporter's FERC tariffs, or any FERC rule or order, any right of first refusal mechanism (however denominated), including the option to extinguish such right, applicable to the released capacity; provided, however, that Company may not exercise any such right in a manner which would impair Shipper's right to use the released capacity during the term of any release.

J. FIRM DELIVERY REQUIREMENTS

1. Consumer Pool

Company shall provide to Shippers each month, at least five (5) days prior to Transporter's deadline for posting capacity releases for the first Day of the following Month, (i) a list of the accounts comprising Shipper's Consumer Pool; (ii) the DCQ that Company proposes to release to Shipper; and, (iii) the estimated total Gas requirements to meet the needs of Shipper's Consumer Pool for such following Month. Shipper shall confirm the accuracy of the list of accounts comprising Shipper's Consumer Pool with Company at least two (2) days prior to the Transporter's deadline for posting capacity releases. If Shipper has an objection to the information provided under this Section, Shipper shall immediately contact Company and agrees to cooperatively resolve all objections with Company. If Shipper fails to confirm the accuracy of said list, Company shall proceed with the release to Shipper based on the information provided.

RULES AND REGULATIONS (Continued)

2. Maximum Daily Transportation Quantity (MDTQ)

Company may establish a MDTQ for Gas for one or more Shipper(s) if, in the reasonable opinion of the Company, it is necessary to protect system integrity or to ensure existing Consumers are not adversely affected by Shipper(s) requiring an MDTQ. Company shall not be obligated to transport Consumer-owned Gas above the Shipper's MDTQ, if established, but may do so if feasible and without adverse affect to other Consumers, in the reasonable opinion of the Company.

3. Quality

The quality of Gas delivered by Shipper to the Company shall meet the same specifications as the FERC-approved or Commission-approved tariff requirements of the Transporter connected to Company.

4. Shipper's Delivery Obligations

- a. Unless excused by Force Majeure, Shipper shall cause Transporters to deliver on each Gas Day to all Transporter delivery points where Company is the DPO a quantity of Gas sufficient to reliably serve the requirements of its Consumer Pool and off-system customers. Shipper shall have no obligation to deliver Gas to Company on behalf of Consumers whose service is terminated, either upon request of the Consumer or for cause. Company shall promptly notify the Shipper of any known change in Consumer account status that will affect Gas quantity deliveries.
- b. If any act or omission of Shipper causes Company, as the DPO, to incur any Transporter penalties, other expenses or liabilities of any kind, Shipper will indemnify and reimburse Company for all said penalties, other expenses or liabilities. Nothing herein shall be deemed to foreclose Company from employing other remedies, including cessation of deliveries for the unauthorized usage of Gas.

K. MUTUALLY BENEFICIAL TRANSACTIONS

Shipper recognizes that Company maintains the operation and integrity of Company distribution system on a daily basis. Shipper also recognizes that as DPO for the interstate pipeline interconnects, Company or its agent is subject to the rules and regulations of the Transporters with regard to operational flow rates, pressures and penalties. As such, Company may need Shipper to vary its daily delivery from the nominated delivery quantities. On those occasions, Company may request, at its sole discretion, and Shipper may agree to, a change to Shipper's nominated Gas supply

RULES AND REGULATIONS (Continued)

quantities and either Transporter's pipeline capacity. Terms and conditions of such transactions shall be agreed upon at the time of the transaction and shall be recorded and confirmed in writing within two business days after the transaction.

L. SCHEDULING AND NOMINATING

Each Shipper shall submit to Company all scheduling and nominating information simultaneously with its submission to Transporters. In addition, each Shipper shall submit to Company each day, scheduled volumes for each individual Consumer that has electronic telemetering equipment installed and annual usage of equal to or greater than 100,000 therms ("Telemetered Consumer").

M. MONTHLY BALANCING

The balancing of the quantity of Gas scheduled and nominated for each Shipper, at all Transporter delivery points for which Company, or Company's agent, is the DPO, and the actual usage by the sum of all individual Consumers served by each Shipper shall be done on a monthly basis. The Company and Shipper shall resolve all monthly imbalance quantities at the end of each Month, as follows:

1. If the monthly imbalance quantity is positive (amount of Gas scheduled is greater than aggregated actual usage by Consumers), the Company shall purchase from Shipper such monthly imbalance quantity at a price per therm (the "Unit Price") calculated by taking: (i) the lowest weekly average (weeks where Friday is within the calendar month) of the "Daily price survey" for Gas under the "Midpoint" column for "Florida Gas, zone 1", "Florida Gas, zone 2" or "Florida Gas, zone 3", as reported in *Platts Gas Daily*, for the Month in which the positive monthly imbalance quantity was incurred, multiplied by the applicable factor set forth below:

<u>Imbalance Level</u>	<u>Factor</u>
0% to 5%	1.00
Greater than 5% to 20%	0.90
Greater than 20%	0.80

and subtracting: (ii) the monthly per therm charge billed to Company from DPO agent (if any), as such DPO agent charges are specifically approved by the Commission. This charge is calculated by dividing the billed DPO charges by the sum of the absolute value of all Shippers positive monthly imbalance quantities

RULES AND REGULATIONS (Continued)

and all Shippers negative monthly imbalance quantities.

The total amount due Shipper shall be the product of the Unit Price and the positive monthly imbalance.

2. If the monthly imbalance quantity is negative (amount of Gas scheduled is less than aggregated actual usage by Consumers), the Company shall sell to Shipper such monthly imbalance quantity at a price per therm (the "Unit Price") calculated by taking the sum of (i) the highest weekly average (weeks where Friday is within the calendar month) of the "Daily price survey" for Gas posted under the "Midpoint" column for "Florida Gas, zone 1", "Florida Gas, zone 2" or "Florida Gas, zone 3", as reported in *Platts Gas Daily*, for the Month in which the negative monthly imbalance quantity was incurred, multiplied by the applicable factor set forth below:

<u>Imbalance Level</u>	<u>Factor</u>
0% to 5%	1.00
Greater than 5% to 20%	1.10
Greater than 20%	1.20

and (ii) the GNGS capacity rate per Therm for 6% maximum hourly flow tariff rate (as it may change from time to time) plus the FGT FTS-1 usage rate per therm (inclusive of all applicable surcharges), and (iii) the monthly per Therm charge billed to Company from DPO agent (if any), as such DPO agent charges are specifically approved by the Commission. This charge is calculated by dividing the billed DPO charges by the sum of the absolute value of all Shippers positive monthly imbalance quantities and all Shippers negative monthly imbalance quantities.

The total amount due Company shall be the product of the Unit Price and the negative monthly imbalance.

N. OPERATIONAL CONTROLS

1. Transporter Notices

All Shippers and Shipper's Designees shall take all necessary actions to ensure that Transporter provides Transporter operational control notices directly to

RULES AND REGULATIONS (Continued)

Shipper or Shipper's Designee. Company shall have no obligation to provide Transporter Operational Control notices to Shippers or Shipper's Designees.

2. Shipper Obligations

Shipper or Shipper's Designee shall be responsible for complying with Transporter's Operational Control notices and/or orders from Transporter.

3. Operational Control Orders (OCO)

If Company as the DPO (or Company's agent acting in such capacity under contract with Company), incurs OCO (however denominated by Transporter) penalties from Transporter, the Company and Shipper(s) shall resolve all OCO penalties at the end of each Month, as follows:

a. Overage OCO Penalties

For each Gas Day where an overage OCO penalty is incurred, the Company shall determine the Shipper(s) that have a Gas Day positive imbalance (aggregated actual Gas Day usage by Consumers is greater than amount of Gas scheduled). The Company shall charge Shipper(s) for the Gas Day positive imbalance quantity multiplied by the Transporter's OCO rate. If the sum of the overage OCO charges to Shipper(s) exceed the charges incurred by Company, then the OCO charges incurred by Company shall be prorated, based on scheduled Gas quantities, to the Shipper(s).

b. Underage OCO Penalties

For each Gas Day where an underage OCO penalty is incurred, the Company shall determine the Shipper(s) that have a Gas Day negative imbalance (amount of Gas scheduled is greater than aggregated actual Gas Day usage by Consumers). The Company shall credit Shipper(s) for the Gas Day negative imbalance quantity multiplied by the Transporter's OCO rate. If the sum of the underage OCO credits to Shipper(s) exceed the credits received by Company, then the OCO credits received by Company shall be prorated, based on scheduled Gas quantities, to the Shipper(s).

4. Operational Control Order Amounts

After all OCO amounts are resolved with the Shippers, if any Company-

RULES AND REGULATIONS (Continued)

incurred OCO amounts remain, such amounts shall be applied to the Operating Balancing Account ("OBA") and disposed of in accordance with the terms and conditions of the OBA mechanism.

All OCO amounts that Company either pays to or receives from Transporters and Shippers shall be applied to the OBA. Company shall not, under any circumstances, retain any of the OCO amounts collected from either Transporters or Shippers resulting from the application of the OCO provisions of this tariff.

O. WARRANTY, CONTROL AND INDEMNIFICATION

1. Warranty

Shipper warrants that it will have good and merchantable title to, or that it has good right to deliver, all Gas delivered by Transporter to Company for Shipper's account at the Delivery Point(s), and that such Gas will be free and clear of all liens, encumbrances, and claims whatsoever. In the event any adverse claim in respect to said Gas is asserted, or Shipper breaches its warranty herein, Company shall not be required to perform its obligations to transport and deliver said Gas to Consumer accounts in Shipper's Consumer Pool or, subject to receipt of any necessary regulatory authorization, to continue service hereunder for Shipper until such claim has been finally determined; provided, however, that Shipper may receive service if (i) in the case of an adverse claim, Shipper furnishes a bond to Company, conditioned for the protection of Company with respect to such claim; or (ii) in the case of a breach of warranty, Shipper promptly furnishes evidence, satisfactory to Company, of Shipper's title to said Gas.

2. Control and Possession

Shipper shall be deemed to be in control and possession of Gas prior to delivery to the Delivery Point(s); and Company shall be deemed to be in control and possession of the Gas to be transported by it upon delivery of such Gas by Transporter to the Delivery Point(s), and until it shall have been delivered to Company's Point(s) of Delivery. Each party, while deemed to be in control and possession of such Gas, shall be responsible for, and shall indemnify and hold the other harmless from any and all claims, actions, suits, including attorney's fees, arising out of or relating in any way to custody and control of such Gas.

RULES AND REGULATIONS (Continued)

3. Indemnification

The Shipper shall indemnify, hold harmless, and defend the Company from and against any and all liability, proceedings, suits, cost or expense for loss, damage or injury to persons or property, in any manner directly or indirectly connected with or growing out of the transportation of Gas by the Shipper, as such may be defined in the CI Shipper and TTS Shipper Agreements.

P. FORCE MAJEURE

1. In the event either Company or Shipper is unable wholly or in part by Force Majeure to carry out its obligations under this tariff other than to make payments due thereunder, it is agreed that on such party giving notice and full particulars of such Force Majeure to the other party as soon as possible after the occurrence of the cause relied on, then the obligations of the party giving such notice, so far as they are affected by such Force Majeure, shall be suspended during the continuance of any inability so caused but for no longer period, and such cause shall as far as possible be remedied with all reasonable dispatch.
2. The term "Force Majeure", as employed herein, shall mean acts of God, strikes, lockouts, or other industrial disturbances, acts of the public enemy, wars, blockades, insurrections, riots, epidemics, landslides, lightning, earthquakes, fires, storms, hurricanes or evacuation orders due to hurricanes, floods, washouts, arrests and restraints of government and people, civil disturbances, explosions, breakage or accidents to machinery or lines of pipe, the necessity for making repairs or alterations to machinery or lines of pipe, freezing of well or lines of pipe, partial or entire failure of source of supply, and any other cause, whether of the kind herein enumerated or otherwise, not within the control of the party claiming suspension and which by the exercise of due diligence such party is unable to prevent or overcome; such term shall likewise include (a) in those instances where either party is required to obtain servitudes, rights of way grants, permits, or licenses to enable such party to fulfill its obligations hereunder, the inability of such party to acquire, or the delays on the part of such party in acquiring, at reasonable cost and after the exercise of reasonable diligence, such servitude, rights of way grants, permits, or licenses; and (b) in those instances where either party is required to furnish materials and supplies for the purpose of constructing or maintaining facilities or is required to secure grants or permissions from any governmental agency to enable such party to acquire, or the delays on the part of such party in acquiring, at reasonable cost and after the

RULES AND REGULATIONS (Continued)

way grants, permits, or licenses to enable such party to fulfill its obligations hereunder, the inability of such party to acquire, or the delays on the part of such party in acquiring, at reasonable cost and after the exercise of reasonable diligence, such servitude, rights of way grants, permits, or licenses; and (b) in those instances where either party is required to furnish materials and supplies for the purpose of constructing or maintaining facilities or is required to secure grants or permissions from any governmental agency to enable such party to acquire, or the delays on the part of such party in acquiring, at reasonable cost and after the exercise of reasonable diligence, such materials and supplies, permits and permissions.

3. It is understood and agreed that the settlement of strikes or lockouts shall be entirely within the discretion of the party having the difficulty, and that the above requirement that any Force Majeure shall be remedied with all reasonable dispatch shall not require the settlement of strikes or lockouts by acceding to the demands of an opposing party when such course is inadvisable in the discretion of the party having the difficulty.

Q. OPERATIONAL BALANCING ACCOUNT

1. Authorization for Recovery or Refund

It is the intent of this Section that the Company shall be authorized to recover or refund any and all charges or credits related to the provision of Transportation Service, as have historically been recovered from or allocated through the Commission's ongoing Purchased Gas Adjustment cost recovery proceedings.

2. Charges or Credits

The OBA provides the mechanism by which the Company accumulates and allocates the following charges or credits, which include but are not limited to:

- a. Charges or credits associated with balancing, on a monthly basis, the measured Gas quantities at the Company's Delivery Points with Transporters with the scheduled quantities of Gas on Transporter's system.
- b. Charges or credits associated with the Gas Month Balancing provisions defined in Section III.M.

RULES AND REGULATIONS (Continued)

- c. Charges or credits associated with the Operational Controls provisions defined in Section III.N. Such charges or credits associated with the Operational Controls shall be recorded in a separate sub-account of the OBA.
- d. Charges or credits associated with any unreleased Transporter capacity that has not otherwise been assigned or allocated.
- e. Other charges or credits related to the provision of Transportation Service that have historically been recovered or allocated through the Commission's ongoing Purchased Gas Adjustment cost recovery proceedings.

3. Disposition of OBA Balance

A Shipper may request that its OBA balance be billed and paid on a regular monthly basis or at the end of each calendar quarter, which may be granted at the Company's discretion. Where the OBA is not billed regularly on a monthly or quarterly basis, the Company shall, within 30 days after calendar quarter end, dispose of any OBA balance with Shippers, if such balance is at least \$100,000 (debit or credit balance). If the OBA balance at calendar quarter end is below \$100,000 (debit or credit balance), then the Company shall not dispose of the OBA balance until such time that the OBA balance is at least \$100,000 (debit or credit balance) at any subsequent calendar quarter. The Company shall, within 45 days after calendar year end, dispose of the OBA balance, regardless of balance amount, with Shippers. Each Shipper's refund or charge shall be based upon the proportion of scheduled Gas of each Shipper to the total amount of scheduled Gas by all Shippers during the corresponding OBA refund or charge period.

The Company shall track each Operational Control Order event that results in charges or credits to Company to ensure that the responsible Shippers that have already been charged or credited for the Operational Control Order event do not receive any residual charges or credits, if any, from each Operational Control Order event upon disposition of the OBA.

RATE SCHEDULES
FIRM TRANSPORTATION SERVICE- A Rate Schedule FTS-A

Availability:

Throughout the service areas of the Company.

Applicability:

Firm Transportation Service available to all Consumers whose annual metered transportation volume is 0 therms up to 130 therms. This rate schedule is closed to all Consumers, except those receiving service under rate schedules FTS-A as of December 31, 2009. In addition, Consumers who restore service or apply for new service at a premise where the Company provided service under Rate Schedule FTS-A at the time service was terminated shall receive service at such premise under this Rate Schedule.

Monthly Rate:

Firm Transportation Charge: \$13.00

Usage Charge: \$0.46358 per therm

Minimum Charge:

The Firm Transportation Charge.

Billing Adjustments:

The above rates shall be subject to the applicable MRAs and FTs as set forth on Sheet Nos. 98 - 106.

Miscellaneous:

If the Company agrees to provide the necessary natural gas conversion equipment, an agreement as to terms and conditions governing recovery of such conversion costs from the Consumer shall be executed. Further, the rates established in the Monthly Rate section of this rate schedule may be adjusted to provide for recovery by the Company of the costs incurred, including carrying cost at the Company's overall cost of capital, in providing such natural gas conversion equipment. At such time as the Company has recovered its costs of providing the natural gas conversion equipment, transportation under this rate schedule shall be billed at Monthly Rates stated herein.

RATE SCHEDULES
FIRM TRANSPORTATION SERVICE - A (Experimental)

Rate Schedule FTS-A (Exp)

Availability:

Throughout the service areas of the Company.

Applicability:

Firm Transportation Service available to all Consumers assigned to a TTS Shipper whose annual metered transportation volume is 0 therms up to 130 therms. This rate schedule is closed to all Consumers, except those receiving service under rate schedules FTS-A as of December 31, 2009. In addition, Consumers who restore service or apply for new service at a premise where the Company provided service under Rate Schedule FTS-A at the time service was terminated shall receive service at such premise under this Rate Schedule.

Monthly Rate:

Firm Transportation Charge:	\$17.00
Usage Charge:	\$0.00000 per therm

Minimum Charge:

The Firm Transportation Charge.

Billing Adjustments:

The above rates shall be subject to the applicable MRAs and FTs as set forth on Sheet Nos. 98 - 106.

Miscellaneous:

If the Company agrees to provide the necessary natural gas conversion equipment, an agreement as to terms and conditions governing recovery of such conversion costs from the Consumer shall be executed. Further, the rates established in the Monthly Rate section of this rate schedule may be adjusted to provide for recovery by the Company of the costs incurred, including carrying cost at the Company's overall cost of capital, in providing such natural gas conversion equipment. At such time as the Company has recovered its costs of providing the natural gas conversion equipment, transportation under this rate schedule shall be billed at Monthly Rates stated herein.

RATE SCHEDULES
FIRM TRANSPORTATION SERVICE - B

Rate Schedule FTS-B

Availability:

Throughout the service area of the Company.

Applicability:

Firm Transportation Service available to all Consumers whose annual metered transportation volume is greater than 130 therms up to 250 therms. This rate schedule is closed to all Consumers, except those receiving service under rate schedules FTS-A or FTS-B as of March 3, 2005. In addition, Consumers who restore service or apply for new service at a premise where the Company provided service under Rate Schedule FTS-B at the time service was terminated shall receive service at such premise under this Rate Schedule.

Monthly Rate:

Firm Transportation Charge: \$15.50

Usage Charge: \$0.49286 per therm

Minimum Charge:

The Firm Transportation Charge.

Billing Adjustments:

The above rates shall be subject to the applicable MRAs and FTs as set forth on Sheet Nos. 98 – 106.

Miscellaneous:

If the Company agrees to provide the necessary natural gas conversion equipment, an agreement as to terms and conditions governing recovery of such conversion costs from the Consumer shall be executed. Further, the rates established in the Monthly Rate section of this rate schedule may be adjusted to provide for recovery by the Company of the costs incurred, including carrying cost at the Company's overall cost of capital, in providing such natural gas conversion equipment. At such time as the Company has recovered its costs of providing the natural gas conversion equipment, transportation under this rate schedule shall be billed at Monthly Rates stated herein.

RATE SCHEDULES
FIRM TRANSPORTATION SERVICE – B (Experimental)

Rate Schedule FTS-B (Exp)

Availability:

Throughout the service area of the Company.

Applicability:

Firm Transportation Service available to all Consumers assigned to a TTS Shipper whose annual metered transportation volume is greater than 130 therms up to 250 therms. This rate schedule is closed to all Consumers, except those receiving service under rate schedules FTS-A or FTS-B as of March 3, 2005. In addition, Consumers who restore service or apply for new service at a premise where the Company provided service under Rate Schedule FTS-B at the time service was terminated shall receive service at such premise under this Rate Schedule.

Monthly Rate:

Firm Transportation Charge: \$23.00

Usage Charge: \$0.00000 per therm

Minimum Charge:

The Firm Transportation Charge.

Billing Adjustments:

The above rates shall be subject to the applicable MRAs and FTs as set forth on Sheet Nos. 98 – 106.

Miscellaneous:

If the Company agrees to provide the necessary natural gas conversion equipment, an agreement as to terms and conditions governing recovery of such conversion costs from the Consumer shall be executed. Further, the rates established in the Monthly Rate section of this rate schedule may be adjusted to provide for recovery by the Company of the costs incurred, including carrying cost at the Company's overall cost of capital, in providing such natural gas conversion equipment. At such time as the Company has recovered its costs of providing the natural gas conversion equipment, transportation under this rate schedule shall be billed at Monthly Rates stated herein.

RATE SCHEDULES
FIRM TRANSPORTATION SERVICE - 1

Rate Schedule FTS-1

Availability:

Throughout the service area of the Company.

Applicability:

Firm Transportation Service available to all Consumers whose annual metered transportation volume is 0 therms up to 500 therms. The maximum delivery pressure provided to Consumers served under this rate schedule shall be the lesser of the MAOP at the Consumer premise or five (5) p.s.i.g.

Monthly Rate:

Firm Transportation Charge: \$19.00

Usage Charge: \$0.46310 per therm

Minimum Charge:

The Firm Transportation Charge.

Billing Adjustments:

The above rates shall be subject to the applicable MRAs and FTs as set forth on Sheet Nos. 98 – 106.

Miscellaneous:

If the Company agrees to provide the necessary natural gas conversion equipment, an agreement as to terms and conditions governing recovery of such conversion costs from the Consumer shall be executed. Further, the rates established in the Monthly Rate section of this rate schedule may be adjusted to provide for recovery by the Company of the costs incurred, including carrying cost at the Company's overall cost of capital, in providing such natural gas conversion equipment. RATE SCHEDULES
CONTRACT FIRM TRANSPORTATION SERVICE RIDER

Rate Schedule CFTS-Rider

Availability:

Throughout the service areas of the Company.

Applicability:

Consumers with Alternate Fuel capabilities who execute a CFTS Form (Sheet Nos. 120 and 121), which is accepted by Company, for a minimum term of one year, and who would otherwise qualify for service under Rate Schedule FTS-6 or above.

Monthly Rate:

Consumer may at any time request a reduction in the applicable FTS rate schedule Monthly Rate by completing, and submitting to the Company, Form CFTS that appears on Sheet Nos. 120 and 121. Determination of Consumer's cost of Alternate Fuel shall be based on information set forth in Company's Form CFTS. Consumer shall certify that its cost of Alternate Fuel is less than the delivered cost of Gas transported by Company. Once a Consumer has submitted and Company has accepted Form CFTS, the Consumer shall resubmit such form, with then current information, on or before the first day of each Month thereafter, and at any time there is any change in any information contained in a form previously submitted. The Monthly Rate for a Consumer, who does not submit a properly completed Form CFTS as required hereunder, or if Company does not accept the completed form, shall be the currently applicable tariff rate for the Consumer.

The Monthly Rate to Consumer shall be determined by Company based upon Company's evaluation of competitive conditions. Such conditions may include, but are not necessarily limited to: the cost of Gas which is available to serve Consumer; the delivered price of Consumer's designated Alternate Fuel; the availability of such Alternate Fuel; and the nature of Consumer's operations. Company may from time to time increase or reduce the Monthly Rate as it deems necessary or appropriate to compete with Alternate Fuel, but shall have no obligation to do so.

Company will notify Consumer immediately by telephone or electronic communication to be followed by written notification within 24 hours of any change in the Monthly Rate. The noticed change in the Monthly Rate shall

RATE SCHEDULES

specify that the new Monthly Rate shall be effective beginning either the subsequent Gas Month or the subsequent Gas Day, as specified in the notice.

RATE SCHEDULES
AREA EXPANSION PROGRAM RIDER

Rate Schedule AEP-Rider

Availability:

Throughout the service areas of the Company.

Applicability:

Consumers receiving Transportation Service at a premise that has been activated within the first five (5) years of the in-service date of an extension of facilities for which an AEP Charge has been established, in accordance with Section II.O.3.c.

Monthly Rate:

The AEP monthly rate shall be calculated by dividing (1) the estimated amount of additional revenue required (inclusive of the Company's estimated allowed cost of capital) in excess of the MACC by (2) the number of Consumer premises projected to be served at the end of year five (5) following the in-service date of the extension. The result of said calculation shall be divided by the number of months in the amortization period. The AEP-Rider charge shall be stated as a fixed dollar amount per Consumer premise per Month and added to the applicable Firm Transportation Charge of the Monthly Rate for each respective Consumer to which the AEP-Rider is applicable.

Each applicable Consumer premise shall be charged or credited with the "true-up" as calculated in accordance with Section II.O.3.c.

FLEXIBLE GAS SERVICE

Rate Schedule FGS

Objective:

The objective of this service classification is to enable the Company the opportunity to compete in markets where natural gas service is not a monopoly service.

This tariff provides the Company with both the opportunity and risk to compete in these markets. It is designed to increase load by working with customers with regard to the specific terms and conditions of service.

This tariff places the Company's shareholders at risk, not the general body of ratepayers (see rate-making treatment).

Applicability:

This service is available at the Company's option to customer(s) meeting the applicability standards, which include (1) the customer must provide the Company with a viable economic energy alternative including verifiable documentation of customer alternative and (2) the Company must demonstrate that this new customer will not cause any additional cost to the Company's other rate classes. The Company is under no obligation to grant service under this tariff. Absent a service agreement with the Company under this rate schedule, customers are under no obligation to accept service under this rate schedule, and may elect to receive service under other applicable tariff rate schedules.

Terms of service under this rate schedule, including pressure, capital repayment, operating conditions and length of service are separately set forth in individual agreements between the Company and the Customers.

(Continued to Sheet No. 97.2)

FLEXIBLE GAS SERVICE

(Continued from Sheet No. 97.1)

Monthly Rate:

The rate will be developed based on economic market conditions at the time gas service is requested.

Confidentiality:

The Company and Customer each regard the terms and conditions of the negotiated service agreement as confidential, proprietary business information.

The Company and Customer agree to utilize all reasonable and available measures to guard the confidentiality of said information, subject to requirements of courts and agencies having jurisdiction hereof.

In the event either party is asked to provide the information by such a court or agency, it will promptly inform the other of the request, and will cooperate in defending and maintaining the confidentiality of the information.

This provision shall not prohibit or restrict the FPSC from reviewing the service agreement in the performance of its duties, but the FPSC shall treat the service agreement as a confidential document.

Rate-Making Treatment:

To the extent that the Company enters into flexible gas service agreements with customers, the Company is at risk for the capital investment necessary to serve the flexible gas service tariff customers, not the general body of ratepayers.

(Continued to Sheet No. 97.3)

FLEXIBLE GAS SERVICE

(Continued from Sheet 97.2)

Rate Base:

In the case of providing service to a customer under this tariff, the Company will identify the incremental investment and capital costs required to provide service to the customer. These costs will be excluded from rate base.

Operating, Maintenance and Administrative Expenses:

The Company will specifically identify all incremental costs, if any, associated with the flexible gas service tariff Customer. These expenses will primarily be related to the incremental capital required to serve the customer. In addition, the Company will allocate embedded costs including general distribution and maintenance, meter reading, customer billing and accounting, sales, and administrative expenses.

In future rate cases and earnings surveillance reports, the Company will exclude all operating, maintenance, and administrative costs related to this tariff as determined by this methodology.

Depreciation and Amortization Expenses:

The Company will exclude all depreciation and amortization expenses related to this tariff in future rate cases and in its earnings surveillance report. Depreciation and amortization expenses may be incremental and/or allocated and will be determined based on the rate base allocated to each customer under this tariff as defined above.

Revenue and Related Taxes:

Revenues related to this tariff will be excluded from regulated revenues. In filing earnings surveillance reports, the Company will remove actual revenues related to this tariff, as well as revenue related taxes and income taxes from its calculation of FPSC adjusted rate of return.

All cost allocation related to this tariff shall remain subject to FPSC audit.

RATE SCHEDULES
MONTHLY RATE ADJUSTMENTS

Rate Schedule MRA

1. ENERGY CONSERVATION COST RECOVERY ADJUSTMENT:

Applicability:

All Consumers receiving Transportation Service from the Company and are assigned to or have selected rate schedules FTS-A, FTS-B, FTS-1, FTS-2, FTS-3, FTS-4, FTS-5, FTS-6, FTS-7, FTS-8, FTS-9, FTS-10, FTS-11, FTS-12 and FTS-NGV.

The bill for Firm Transportation Service to a Consumer in any billing period shall be adjusted as follows: the Usage Charge shall be increased or decreased to the nearest .001 cent multiplied by the tax factor of 1.00503 for each Therm to recover the conservation related expenditures by the Company. The Company shall record both projected and actual expenses and revenues associated with the implementation of the Company's energy conservation plan as authorized by the Commission. The procedure for the review, approval, recovery and recording of such costs and revenues is set forth in the Commission Rule 25-17.015, F.A.C.

The cost recovery factor for the period from January 1, 2016 through December 31, 2016 for each rate schedule is as follows:

<u>Rate Schedule</u>	<u>Classification of Service</u>	<u>Dollars per therm</u>
FTS-A	< 130 therms	\$0.34633
FTS-B	> 130 up to 250 therms	\$0.26565
FTS-1	> 0 up to 500 therms	\$0.22795
FTS-2	>500 up to 3,000 therms	\$0. 12678
FTS-2.1	>1000 up to 2,500 therms	\$0. 09281
FTS-3	>3,000 up to 10,000 therms	\$0. 07680
FTS-3.1	>5,000 up to 10,500 therms	\$0. 06147
FTS-4	>10,000 up to 25,000 therms	\$0. 05173
FTS-5	>25,000 up to 50,000 therms	\$0. 04561
FTS-6	>50,000 up to 100,000 therms	\$0. 03638
FTS-7	>100,000 up to 200,000 therms	\$0. 02669
FTS-8	>200,000 up to 400,000 therms	\$0. 02309
FTS-9	>400,000 up to 700,000 therms	\$0. 01947
FTS-10	>700,000 up to 1,000,000 therms	\$0. 01849
FTS-11	>1,000,000 up to 2,500,000 therms	\$0. 01587

3. TEMPORARY ENVIRONMENTAL SURCHARGE: Applicability:

All Consumers receiving Transportation Service from the Company and are assigned to or have selected rate schedules FTS-A, FTS-B, FTS-1, FTS-2, FTS-2.1, FTS-3, FTS-3.1, FTS-4, FTS-5, FTS-6, FTS-7, FTS-8, FTS-9, FTS-10, FTS-11, and FTS-12.

The monthly Firm Transportation Service to a Consumer in any billing period shall be adjusted as follows to recover the Company's cost related to the environmental remediation of its manufactured gas plant site.

The cost recovery factor for the period from January 1, 2014 through August 31, 2015 for each rate schedule is as follows:

Rate Schedule	Classification of Service	Dollars per bill
FTS-A	< 130 therms	\$ 0.37
FTS-B	> 130 up to 250 therms	\$ 0.49
FTS-1	> 0 up to 500 therms	\$ 0.62
FTS-2	>500 up to 1,000 therms	\$ 1.04
FTS-2.1	>1,000 up to 2,500 therms	\$ 1.86
FTS-3	>2,500 up to 5,000 therms	\$ 3.44
FTS-3.1	>5,000 up to 10,000 therms	\$ 5.58
FTS-4	>10,000 up to 25,000 therms	\$ 9.55
FTS-5	>25,000 up to 50,000 therms	\$ 17.47
FTS-6	>50,000 up to 100,000 therms	\$ 28.85
FTS-7	>100,000 up to 200,000 therms	\$ 45.48
FTS-8	>200,000 up to 400,000 therms	\$ 79.51
FTS-9	>400,000 up to 700,000 therms	\$127.43
FTS-10	>700,000 up to 1,000,000 therms	\$186.81
FTS-11	>1,000,000 up to 2,500,000 therms	\$332.54
FTS-12	>2,500,000 up to 10,000,000 therms	\$598.88

RATE SCHEDULES
MONTHLY RATE ADJUSTMENTS

Rate Schedule MRA

4. COMPETITIVE FIRM TRANSPORTATION SERVICE ADJUSTMENT:

Applicability:

All Consumers receiving Transportation Service from the Company and are assigned to or have selected rate schedules FTS-A, FTS-B, FTS-1, FTS-2, FTS-2.1, FTS-3, FTS-3.1, FTS-4, FTS-5, FTS-6, FTS-7, FTS-8, FTS-9, FTS-10, FTS-11, and FTS-12.

The Monthly Rate is subject to adjustment in accordance with the following provisions for prior Shortfalls or surpluses in the Company's revenues resulting from service provided under the CFTS.

a. For the purposes of this clause, the following definitions shall apply:

1. "Actual Revenue" means Company's actual Monthly Rate revenue derived from service provided to CFTS Consumers during a Determination Period.
2. "Tariff Revenue" means the Monthly Rate revenue which Company would have derived had all gas transported to Consumers, during a Determination Period, been billed at the applicable Firm Transportation Service rate schedule.
3. "Surplus" means the amount, if any, by which Company's Actual Revenue exceeds its Tariff Revenue for a Determination Period.
4. "Shortfall" means the amount, if any, by which the Company's Tariff Revenue exceeds its Actual Revenue for a Determination Period.

b. The existence of a Shortfall or Surplus shall be determined by comparing Florida Division's Actual Revenue with its Tariff Revenue. This determination shall be made each year for the twelve months ending December 31 ("Determination Period").

c. Adjustments to firm rates pursuant to this clause shall be implemented during an "Adjustment Period," which shall be the twelve months immediately following the Determination Period in the event of a Surplus. In the event of a Shortfall, any twelve successive months ending on a December 31 within five years following the Determination Period may be an Adjustment Period.

RATE SCHEDULES
MONTHLY RATE ADJUSTMENTS

Rate Schedule MRA

- d. In the event of a Surplus, Company shall reduce rates to Consumers to credit them with revenues equal to one-half the Surplus. In the event of a Shortfall, Company may increase rates to Consumers to recover an amount not to exceed one-half the Shortfall. The amount of any credit or recovery is governed by the following:

Surplus credit = (Actual Revenue - Tariff Revenue)

Shortfall recovery = (Tariff Revenue - Actual Revenue)

- e. A Surplus credit or Shortfall recovery shall be implemented during an adjustment period by reducing or increasing the Usage Change prescribed in each Firm Transportation Service rate schedule of this tariff. An adjustment factor shall be computed for each applicable rate schedule. The computation of adjustment factors for each rate schedule shall conform to the methodology approved by the Commission for use in determining cost recovery factors by rate schedule in the Company's Energy Conservation Cost Recovery Adjustment.
- f. Any variation between the actual credit to Firm Transportation Service Customers and the amount calculated pursuant to the preceding paragraph, or between the Actual Shortfall recovery and the amount that the Company elected to recover in an Adjustment Period, shall be "trued-up" during the succeeding twelve months pursuant to methodology approved by the Commission.
- g. Company may defer all or a portion of a Shortfall recovery to a subsequent Adjustment Period or portion thereof.

RATE SCHEDULES
MONTHLY RATE ADJUSTMENTS

Rate Schedule MRA

5. COMPETITIVE FIRM TRANSPORTATION SERVICE ADJUSTMENT (Experimental):

Applicability:

All Consumers, assigned to a TTS Shipper, receiving Transportation Service from the Company and are assigned to or have selected rate schedules FTS-A (Exp), FTS-B (Exp), FTS-1 (Exp), FTS-2 (Exp), FTS-2.1 (Exp), FTS-3 (Exp), and FTS-3.1 (Exp).

The Monthly Rate is subject to adjustment in accordance with the following provisions for prior Shortfalls or Surpluses in the Company's revenues resulting from service provided under the CFTS.

a. For the purposes of this clause, the following definitions shall apply:

1. "Actual Revenue" means Company's actual Monthly Rate revenue derived from service provided to CFTS Consumers during a Determination Period.
2. "Tariff Revenue" means the Monthly Rate revenue which Company would have derived had all gas transported to Consumers, during a Determination Period, been billed at the applicable Firm Transportation Service rate schedule.
3. "Surplus" means the amount, if any, by which Company's Actual Revenue exceeds its Tariff Revenue for a Determination Period.
4. "Shortfall" means the amount, if any, by which the Company's Tariff Revenue exceeds its Actual Revenue for a Determination Period.

b. The existence of a Shortfall or Surplus shall be determined by comparing Florida Division's Actual Revenue with its Tariff Revenue. This determination shall be made each year for the twelve months ending December 31 ("Determination Period").

c. Adjustments to firm rates pursuant to this clause shall be implemented during an "Adjustment Period," which shall be the twelve months immediately following the Determination Period in the event of a Surplus. In the event of a Shortfall, any twelve successive months ending on a December 31 within five years following the Determination Period may be an Adjustment Period.

RATE SCHEDULES
MONTHLY RATE ADJUSTMENTS

Rate Schedule MRA

7. TRANSPORTATION COST RECOVERY ADJUSTMENT

Applicability:

All Transitional Transportation Service (TTS) Shippers.

Commission Order No. PSC-08-xxxx-TRF-GU, authorizes the Company to recover certain non-recurring, incremental expenses incurred, or projected to be incurred, in the implementation of Phase Two of the Company's experimental TTS program. A Transportation Cost Recovery (TCR) Monthly Rate Adjustment shall be charged to all TTS Shippers. Under the provisions of the Company's TTS Shipper Agreement, the charges levied under this TCR adjustment may be passed-through to consumers in the TTS Shipper's monthly gas supply billing charge, subject to audit by the Company.

Each month during the twelve (12) month TCR period identified in the above Commission Order, the Company shall adjust the Shipper Administration Charge in the Shipper Administration and Billing Service (SABS) rate schedule by the TCR Monthly Rate Adjustment.

The TCR Monthly Rate Adjustment shall be determined as follows:

The TCR amount authorized by the Commission, including applicable interest and regulatory assessment fees, shall be divided into twelve (12) approximately equal monthly amounts (the Monthly TCR Amount). Each month the Company shall determine the number of consumers assigned to each ITS Shipper's respective Consumer Pool. The Company shall prorate each Monthly TCR Amount between TTS Shipper's based on the relative number of consumers in each ITS Shipper's Consumer Pool. In the final month of the recovery period (month twelve), the Company may adjust the Monthly TCR Amount (increase or decrease) to ensure that the actual total TCR amount recovered is equal to the Company's actual TCR expenses. For each TTS Shipper, the respective Shipper Administration Charge shall be increased by the Monthly TCR Amount.

RATE SCHEDULES
MONTHLY RATE ADJUSTMENTS

Rate Schedule MRA

- d. In the event of a Surplus, Company shall reduce rates to Consumers to credit them with revenues equal to one-half the Surplus. In the event of a Shortfall, Company may increase rates to Consumers to recover an amount not to exceed one-half the Shortfall. The amount of any credit or recovery is governed by the following:

Surplus credit = (Actual Revenue - Tariff Revenue)

Shortfall recovery = (Tariff Revenue - Actual Revenue)

- e. A Surplus credit or Shortfall recovery shall be implemented during an adjustment period by reducing or increasing the Firm Transportation Charge prescribed in each Firm Transportation Service rate schedule of this tariff. An adjustment factor shall be computed for each applicable rate schedule. The computation of adjustment factors for each rate schedule shall conform to the methodology approved by the Commission for use in determining cost recovery factors by rate schedule in the Company's Energy Conservation Cost Recovery Adjustment (Experimental).
- f. Any variation between the actual credit to Firm Transportation Service Customers and the amount calculated pursuant to the preceding paragraph, or between the Actual Shortfall recovery and the amount that the Company elected to recover in an Adjustment Period, shall be "trued-up" during the succeeding twelve months pursuant to methodology approved by the Commission.
- g. Company may defer all or a portion of a Shortfall recovery to a subsequent Adjustment Period or portion thereof.

RATE SCHEDULES
MONTHLY RATE ADJUSTMENTS

Rate Schedule MRA

6. SHIPPER OF LAST RESORT ADJUSTMENT

Applicability:

All Consumers in a TTS Consumer Pool, only when the Company, upon default of all TTS Shippers, is providing the Shipper of Last Resort Service.

The Monthly Rate shall contain an additional component (the "SOLR Fuel Charge") for Gas supplied in any billing period. The SOLR Fuel Charge shall be Company's weighted average cost of Gas (WACOG). The WACOG shall be derived from such charges (Gas supply costs, interstate pipeline capacity charges, monthly imbalance charges, Operational Order charges, SABS Charges, etc.) that comprise the total cost of Gas to the Company. The WACOG shall be determined in accordance with the methodology adopted by the Commission on May 2, 1991, in Order No. 24463, Docket No. 910003-GU, or as such methodology may be amended from time to time by further order of the Commission. The WACOG determined as set forth above shall be grossed up by 1.00503 for regulatory fees and rounded to the nearest \$0.00001 per Therm, to be applied to the total number of Therms consumed by the Consumer during each billing period.

During the time the Company is providing SOLR Service, all over- or under-recovery of the cost of Gas supplied by the Company shall be "trued up", with interest, during succeeding billing periods as an adjustment to the WACOG. Upon selection and activation of a new TTS Shipper(s), Company shall, on a pro-rata basis, credit or bill the new TTS Shipper(s) the remaining over- or under-recovery of the cost of Gas supplied.

RATE SCHEDULES
MONTHLY RATE ADJUSTMENTS

Rate Schedule MRA

7. GAS REPLACEMENT INFRASTRUCTURE PROGRAM (GRIP):

Applicability:

All Customers receiving Transportation Service from the Company and are assigned to or have selected rate schedules FTS-A, FTS-B, FTS-1, FTS-2, FTS-2.1, FTS-3, FTS-3.1, FTS-4, FTS-5, FTS-6, FTS-7, FTS-8, FTS-9, FTS-10, FTS-11, FTS-12, and FTS-13.

The Usage Rate for Transportation Service to each applicable rate classification shall be adjusted by the following recovery factors. The recovery factors for all meters read for the period January 1, 2016 through December 31, 2016 for each rate classification are as follows:

<u>Rate Schedule</u>	<u>Classification of Service</u>	<u>Rate per therm</u>
FTS A	< 130 therms	\$0.32506
FTS-B	> 130 therms up to 250 therms	\$0.12205
FTS-1	> 0 up to 500 therms	\$0.08568
FTS-2	> 500 therms up to 1,000 therms	\$0.08486
FTS-2.1	> 1,000 therms up to 2,500 therms	\$0.08650
FTS-3	> 2,500 therms up to 5,000 therms	\$0.03443
FTS-3.1	> 5,000 therms up to 10,000 therms	\$0.05011
FTS-4	> 10,000 therms up to 25,000- therms	\$0.05935
FTS-5	> 25,000 therms up to 50,000 therms	\$0.05995
FTS-6	> 50,000 therms up to 100,000 therms	\$0.04591
FTS-7	> 100,000 therms up to 200,000 therms	\$0.06601
FTS-8	> 200,000 therms up to 400,000 therms	\$0.04960
FTS-9	> 400,000 therms up to 700,000 therms	\$0.07774
FTS-10	> 700,000 therms up to 1,000,000 therms	\$0.06889
FTS-11	> 1,000,000 therms up to 2,500,000	\$0.06947
FTS-12	> 2,500,000 therms up to 12,500,000	\$0.02580
FTS-13	> 12,500,000 therms	N/A

7. GAS RELIABILITY INFRASTRUCTURE PROGRAM (GRIP)

Definitions

The Company has prioritized the potential replacement projects focusing initially on area of high consequence and areas more susceptible to corrosion. The GRIP Program minimizes impact to customers, but at the same time, allows the Company to accelerate its replacement Program-eligible infrastructure. Costs incurred to remove the existing eligible distribution mains and services are not recoverable under the GRIP Program.

The Eligible Infrastructure Replacement includes the following:

1. Company plant investment that
 - (i) do not increase revenues by directly connecting new customers to the plant asset,
 - (ii) are in service and used and useful in providing utility service and
 - (iii) were not included in the Company's rate base for purposes of determining the Company's base rates in its most recent general base rate proceeding.
2. Mains and service lines, as replacements for existing cast iron, wrought iron and bare steel facilities and regulatory station and other pipeline system components, the installation of which is required as a consequence of the replacement of the aforesaid facilities.

The company is recovering its revenue requirement on the actual investment amounts. The revenue requirements are inclusive of:

1. Return on investment as calculated using the allowable equity and debt components of the weighted average cost of capital,
2. Depreciation expense (respectively calculated using the currently approved depreciation rates),
3. Customer and general public notification expenses associated with GRIP incurred for:
 - (i) all customers regarding the implementation of the GRIP Program and the approved surcharge factors;
 - (ii) the immediately affected customers where the eligible infrastructure is being replaced; and
 - (iii) the general public through publications (newspapers) covering the geographic areas of the eligible infrastructure replacement activities.
4. Ad valorem taxes, grossed up for federal and state income taxes.

The Company is utilizing a surcharge mechanism in order to recoup the costs associated with the GRIP Program. The Company has developed its GRIP surcharge factors for each rate classification utilizing the same investment data developed and approved in its most recent rate case. The GRIP surcharge for each customer class in the usage classification will be a per therm rate per month that is calculated by multiplying the GRIP revenue requirements by the percentage representing a class share of such requirements and dividing the result by the projected annual therms for such class during the 12-month period following the effective date of the billing of such surcharge. For customers billed at the Company's experimental rates, the GRIP surcharge for each customer will be a per bill rate per month that is calculated by multiplying the GRIP revenue requirements by the percentage representing a class share of such requirements and dividing the result by the projected annual bills for such class during the 12-month period following the effective date of the billing of such surcharge.

I request Central Florida Gas to supply service as stated herein, until the receipt of formal notice from me requesting discontinuance of this service. I agree to pay for such service promptly each month, according to the statement shown by the meter, at the regular rates of schedule applicable for such service and provided by the regulations of the Public Service Commission and service accordingly to the rules of the local gas division.

Central Florida Gas and its representatives are hereby authorized to install the gas meter(s) and gas pipe necessary for furnishing gas, and to ditch and lay such pipe as is necessary to provide service to this property. The gas pipe up to and including the meter(s) is owned, operated and maintained by Central Florida Gas, and includes the perpetual right of ingress and egress for such purposes. All gas pipe from the outlet side of the meter(s) shall be owned, operated and maintained by the customer.

Please accept my application for natural gas service as indicated. I agree to the terms and conditions of this agreement.

Natural Gas Service Terms and Conditions

The applicant named on the front page hereof identified as ("Customer") agrees to buy gas from Florida Public Utilities ("Company"), and Company agrees to sell gas to Customer under the rate classification indicated on the first page hereof and under the terms and conditions of this contract and pursuant to the applicable provisions of Company's tariff approved by the Florida Public Service Commission.

Customer and owner agree to permit the Company to install its facilities on the property listed on the first page hereof and to provide Company with egress and ingress to install, maintain or remove its gas line and equipment and to periodically read meter. Customer and owner further agree that all facilities installed by the Company, up to and including the outlet of the gas meter, shall forever remain the property of the Company. Customer, if other than owner of property on which installation is to be made, shall provide Company with either written documentation of property's owner consent for the installation of a natural gas service on the property or have the property owner complete a Property Owner's Consent Form (FPUC Form No. POCF).

Customer agrees to pay Company for all service rendered hereunder at the designated rate as it now or may subsequently be lawfully amended or superseded. If Customer fails or refuses to take gas service from the Company, Customer shall pay to the Company the actual cost incurred by the Company in constructing the facilities to have been used in providing service to the Customer. Any deposits currently held by the Company shall be forfeited by Customer in payment or partial payment of these costs.

No agent or employee of Company has any power to amend or waive any of the provisions of this contract or to make any promise or representation contrary to, or inconsistent with, the provisions hereof. This instrument constitutes the entire contract between the parties.

Customer agrees to accept and be bound by all rules and regulations of Company in connection with the service hereby covered, which are now or may hereafter be filed with, issued and promulgated by the Florida Public Service Commission or other Governmental bodies having jurisdiction thereof.

Company and Customer do respectively assume full responsibility and liability for the maintenance and operation of the facilities owned or operated by each and each shall indemnify and save harmless the other from any and all loss or damage sustained, and from any and all liability including injury to persons and property incurred, arising from any act or accident in connection with the installation, presence, maintenance and operation of facilities operated by the indemnifying party unless the same shall be due to the sole negligence of the other party, its agents, employees, contractors, guests or invitees.

CENTRAL FLORIDA GAS COMPANY

SHIPPER'S DESIGNEE FORM

Central Florida Gas Company

CI SHIPPER DESIGNEE FORM

____ ("CI Shipper") hereby notifies Central Florida Gas Company ("CFG") that _____ ("Designee") as its agent to perform the perform the following identified (*i.e.*, marked with an "X") obligations of CI Shipper as provided by the CFG FPSC Tariff and the applicable CI Shipper Agreement:

- | | |
|--|--|
| <input type="checkbox"/> Invoicing/Payment | <input type="checkbox"/> Monthly Imbalance Resolution |
| <input type="checkbox"/> Nominations | <input type="checkbox"/> Operator Order Responsibility |

CI Shipper, Designee and CFG hereby agree, for all purposes relating to the functions identified above, that:

1. The designation by Shipper of Agent as Shipper's Agent shall be effective as of the beginning of the Day commencing on _____.
2. Communications by CFG to Designee shall be deemed to be notice to CI Shipper. CFG has the right to rely on any written or verbal communication from Designee.
3. Designee shall perform the functions identified above in a manner consistent with CFG's Tariff on file with the Florida Public Service Commission (FPSC), as the same may be amended from time to time.
4. CI Shipper shall remain liable to CFG (a) with respect to any act or omission of Designee in the performance of the functions identified above and, (b) for all charges arising from services provided to CI Shipper by CFG as provided by CFG's FPSC Tariff and/or the CI Shipper Agreement. CI Shipper shall indemnify, hold harmless and defend CFG from and against any and all acts or omissions of Designee.

Consumer selects the following CI Shipper to provide natural gas supply services to the above listed account(s), pursuant to the applicable provisions of the Central Florida Gas (CFG) tariff, as the same may be amended from time to time.

CI Shipper: _____

- Consumer authorizes CFG to release to the CI Shipper named above, the twelve-month historic gas usage for the above account(s).
- Subject to the terms of this agreement, this service shall continue until the Consumer, CI Shipper or CFG gives written notice to the others of termination of this agreement. If this agreement is terminated for any reason, and Consumer has not executed a new Letter of Authorization with another CI Shipper, CFG shall immediately assign Consumer to a TTS Consumer Pool, in accordance with Section II. C. of the Rules and Regulations of the CFG Natural Gas Tariff.
- In the event the CI Shipper terminates its agreement with the Consumer, the Consumer may select a new CI Shipper without penalty. In such circumstances, Consumer understands that it may select a new CI Shipper or enter the TTS Consumer Pool by providing a ten-day written notice to CFG. The first Consumer requested change of CI Shipper shall be made at no charge to Consumer. Subsequent changes within a twelve-month period shall incur a \$25 administrative fee billed to Consumer.
- Consumer understands that it is responsible for the payment of all bills rendered to them by the CI Shipper and that bills for gas purchased by the Consumer may be rendered separately from CFGs' bills for Firm Transportation Service.

TRANSITIONAL TRANSPORTATION SERVICE SHIPPER AGREEMENT

This TRANSITIONAL TRANSPORTATION SERVICE SHIPPER AGREEMENT ("Agreement") is made and entered into by and between Chesapeake Utilities Corporation, a Delaware corporation doing business in Florida as Central Florida Gas Company and hereinafter referred to as "Chesapeake", and _____, a _____ corporation hereinafter referred to as "TTS Shipper".

WITNESSETH:

WHEREAS, Chesapeake operates a natural gas distribution system in the state of Florida; and

WHEREAS, the Florida Public Service Commission ("FPSC") has authorized Chesapeake to implement Phase II of its Transitional Transportation Service (TTS) Program to certain consumers as provided by Chesapeake's FPSC-approved Natural Gas Tariff (the "FPSC Tariff"); and

WHEREAS, Chesapeake is thereby authorized to select, through a Request for Proposal process, TTS Shippers to provide natural gas sales service to consumers receiving gas service under the TTS Program; and

WHEREAS, Chesapeake is a party to Service Agreements with Florida Gas Transmission Company ("FGT"), and with Gulfstream Natural Gas Systems ("GNGS") (individually the "Transporter" and collectively the "Transporters"); and

WHEREAS, TTS Shipper is an authorized Shipper on Transporters' interstate gas transmission systems, and wishes to ship certain quantities of Gas, on a firm basis, to Transporters' respective Delivery Points on Chesapeake's distribution system, for delivery by Chesapeake to the Consumer Accounts comprising the Consumer Pool (as hereinafter defined); and

WHEREAS, Chesapeake wishes to temporarily release to TTS Shipper from time to time, and TTS Shipper wishes to acquire from time to time, a portion of Chesapeake's Firm Capacity Rights under the Service Agreements, pursuant to the capacity relinquishment provisions of the General Terms and Conditions of Transporters' Federal Energy Regulatory Commission ("FERC") Natural Gas Tariffs, the Rules and Regulations of Chesapeake's FPSC Gas Tariff, and the terms and conditions of this Agreement, to enable TTS Shipper to ship Gas hereunder; and

WHEREAS, Chesapeake, or its designee, has certain operational and administrative obligations, as the Delivery Point Operator ("DPO") under the Transporters FERC Natural Gas Tariffs, the Chesapeake FPSC Tariff and this Agreement.

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements herein contained, the parties agree as follows:

ARTICLE I- DEFINITIONS

Unless another definition is expressly stated within this Agreement, the following terms and abbreviations, when used in this Agreement and in all exhibits, recitals, and appendices contained or attached to this Agreement, are intended to and will mean as follows:

1.0 "Consumer Account"

means an individual natural gas consumer included in the Consumer Pool.

1.2 "Consumer Pool"

means, collectively, the Consumer Accounts participating in the Chesapeake's TTS Program managed by the TTS Shipper.

1.3 "Gas"

means natural gas that is in conformance with the quality specifications as defined in Transporters' respective FERC tariffs.

1.4 "Month"

means a period beginning at 9:00 a.m. CCT on the first day of a calendar month and ending at 9:00 a.m. CCT on the first day of the next succeeding calendar month; provided that, in the event of a change in the definition of the corresponding term in Transporters' FERC Tariffs, this definition shall be deemed to be amended automatically so that it is identical at all times to the definition of the corresponding term in said tariffs.

1.5 "Open Enrollment Period"

means a period of time during which Consumer Accounts may elect to receive gas supply services from any authorized TTS Shipper, or select a gas supply pricing option, as provided by this Agreement and Chesapeake's FPSC Tariff.

1.6 "Service Agreement"

means the agreement for firm transportation service between Chesapeake and a Transporter.

1.7 "Therm"

Florida Division of Chesapeake Utilities Corporation
Original Volume No. 4
means a unit of heat equal to 100,000 Btu's.

Original Sheet No. 123

Article II- Chesapeake's Tariff Provisions

2.1 TTS Shipper agrees to comply with and be subject to all of the provisions of Chesapeake's FPSC Tariff applicable to the service provided to TTS Shipper by Chesapeake, including any amendments thereto approved by the FPSC during the term of this Agreement. In the event of any conflict between said provisions of the FPSC Tariff and specific provisions of this Agreement, the latter shall prevail, in the absence of an FPSC Order to the contrary.

ARTICLE III – TTS Consumer Pool

3.1 The TTS Shipper shall provide natural gas sales and management services, in accordance with this Agreement and the FPSC Tariff, to all residential consumers assigned by Chesapeake to the TTS Shipper's Consumer Pool, and those residential consumers electing to receive service from the TTS Shipper during an Open Enrollment Period. The TTS Shipper shall also provide service to those non-residential consumers assigned to the TTS Shipper's Consumer Pool as provided by Chesapeake's FPSC Tariff. The TTS Shipper may accept other non-residential consumers into the TTS Consumer Pool upon the request of the consumer. TTS Consumers shall have the option, during an Open Enrollment Period, as provided by tariff, to discontinue service with TTS Shipper and select any other approved TTS Shipper.

ARTICLE IV - Capacity Relinquishment

4.1 Chesapeake shall temporarily relinquish to TTS Shipper, and TTS Shipper shall accept, each month a portion of the Firm Capacity Rights that Chesapeake is entitled to relinquish under its Transporter Service Agreements, as provided by Chesapeake's FPSC Tariff. All capacity relinquishments shall be executed in accordance with the provisions of the respective Transporter's FERC Natural Gas Tariff.

ARTICLE V - Firm Service

5.1 Except for Force Majeure events or Mutually Beneficial Transactions, as provide by Chesapeake's FPSC Tariff, TTS Shipper shall have a firm obligation to delivery each day to the Chesapeake distribution system, gas quantities sufficient to meet the requirements of the TTS Consumer Pool.

Article VI - Delivery Point Operator Service

6.1 Chesapeake shall provide Delivery Point Operator Service (DPOS) to TTS Shipper in accordance with the provisions of Chesapeake's FPSC Tariff. DPOS shall include those activities related to nominations, scheduling, imbalance resolution, operator order disposition and other administrative and operational activities as are assigned to the Delivery Point Operator by the respective Transporter's FERC Natural Gas Tariff and/or Chesapeake's FPSC Tariff, as each may be revised from time to time.

ARTICLE VII - Indemnification

7.1

A. For value received and to induce Chesapeake to enter into this Agreement, TTS Shipper agrees to protect, defend (at TTS Shipper's expense and by counsel satisfactory to Chesapeake), indemnify, and save and hold harmless Chesapeake, its officers, directors, shareholders, employees, agents, successors and assigns, from and against all direct or indirect costs, expenses, damages, losses, obligations, lawsuits, appeals, claims, or liabilities of any kind or nature (whether or not such claim is ultimately defeated), including in each instance, but not limited to, all costs and expenses of investigating and defending any claim at any time arising and any final judgments, compromises, settlements, and court costs and attorney's fees, whether foreseen or unforeseen (including all such expenses, court costs, and attorney's fees in the enforcement of Chesapeake's rights hereunder) incurred by Chesapeake in connection with or arising out of or resulting from or relating to or incident to:

1. any breach of any of the representations, warranties, or covenants of TTS Shipper contained in this Agreement or in any Exhibit, Schedule, or other document attached hereto and made a part hereof or provided pursuant hereto, specifically including but not limited to:
 - a. any Transporter penalties or other expenses or liabilities for unauthorized overrun Gas, for imbalances on a pipeline system, for failure of TTS Shipper to comply with a Transporter's FERC Tariff, or for failure to comply with a curtailment notice or to take deliveries as scheduled, pursuant to Chesapeake's FPSC Tariff; and
 - b. any breach by TTS Shipper of warranty of title to Gas and related obligations, pursuant to Chesapeake's FPSC Tariff;
2. any claim by a creditor of TTS Shipper as a result of any transaction pursuant to or contemplated by this Agreement;
3. any claim against Chesapeake relating to any obligation or liability of TTS Shipper, or its affiliates, or any of them of any kind or nature;

4. any and all rates and charges assessed by Transporter(s) to Chesapeake for the relinquished capacity during the period that this Agreement remains in effect, pursuant to Chesapeake's FPSC Tariff; and
5. any taxes of any federal, state or local jurisdiction related to Gas supply and/or Transporter's capacity upstream of Chesapeake's Delivery Points, pursuant to Section 11.1 of this Agreement.

In the event that any claim or demand for which TTS Shipper would be liable to Chesapeake hereunder is asserted against or sought to be collected from Chesapeake by a third party, Chesapeake shall promptly notify TTS Shipper of such claim or demand, specifying the nature of such claim or demand and the amount or the estimated amount thereof, if determination of an estimate is then feasible (which estimate shall not be conclusive of the final amount of such claim or demand) (the "Claim Notice"). TTS Shipper shall have twenty (20) days, or such shorter period as the circumstances may require if litigation is involved, from the personal delivery or mailing of the Claim Notice {the "Notice Period") to notify Chesapeake:

1. whether or not it disputes its liability to Chesapeake hereunder with respect to such claim or demand; and,
2. whether or not it desires, at its sole cost and expense, to defend Chesapeake against such claim or demand.

In the event that TTS Shipper notifies Chesapeake within the Notice Period that it desires to defend Chesapeake against such claim or demand and except as hereinafter provided, TTS Shipper shall have the right to defend Chesapeake by appropriate proceedings, which proceedings shall be promptly settled or prosecuted by TTS Shipper to a final conclusion in any manner as to avoid any risk of Chesapeake becoming subject to any liability for such claim or demand or for any other matter. If Chesapeake desires to participate in, but not control, any defense or settlement, it may do so at its sole cost and expense. If TTS Shipper elects not to defend Chesapeake against such claim or demand, whether by not giving Chesapeake timely notice as provided above or otherwise, then the amount of any such claim or demand, or, if the same is contested by TTS Shipper or by Chesapeake {Chesapeake having no obligation to contest any such claim or demand), then that portion thereof as to which such defense is unsuccessful, shall be conclusively deemed to be a liability of TTS Shipper and subject to indemnification as provided hereinabove.

B. For value received and to induce TTS Shipper to enter into this Agreement, Chesapeake agrees to protect, defend (at Chesapeake's expense and by counsel satisfactory to TTS Shipper), indemnify, and save and hold harmless TTS Shipper, its officers, directors, shareholders, employees, agents, successors and assigns, from and against all direct or indirect costs, expenses, damages, losses, obligations, lawsuits, appeals, claims, or liabilities of any kind or nature (whether or not such claim is ultimately defeated), including in each instance,

but not limited to, all costs and expenses of investigating and defending any claim at any time arising and any final judgments, compromises, settlements, and court costs and attorney's fees, whether foreseen or unforeseen (including all such expenses, court costs, and attorney's fees in the enforcement of TTS Shipper's rights hereunder) incurred by TTS Shipper in connection with or arising out of or resulting from or relating to or incident to:

1. any breach of any of the representations, warranties, or covenants of Chesapeake contained in this Agreement or in any Exhibit, Schedule, or other document attached hereto and made a part hereof or provided pursuant hereto, specifically including but not limited to:
 - a. Chesapeake's responsibility to pay Transporter(s) for recalled capacity, during the period of recall, pursuant to Chesapeake's FPSC Tariff; and
 - b. any breach by Chesapeake of warranty of title to Gas and related obligations, pursuant to Chesapeake's FPSC Tariff;
2. any claim by a creditor of Chesapeake as a result of any transaction pursuant to or contemplated by this Agreement;
3. any claim against TTS Shipper relating to any obligation or liability of Chesapeake, or its affiliates, or any of them of any kind or nature; and,
4. any and all rates and charges assessed by Transporter(s) to TTS Shipper for any recalled capacity during the period that such recall remains in effect.

In the event that any claim or demand for which Chesapeake would be liable to TTS Shipper hereunder is asserted against or sought to be collected from TTS Shipper by a third party, TTS Shipper shall promptly notify Chesapeake of such claim or demand, specifying the nature of such claim or demand and the amount or the estimated amount thereof, if determination of an estimate is then feasible (which estimate shall not be conclusive of the final amount of such claim or demand) (the "Claim Notice"). Chesapeake shall have twenty (20) days, or such shorter period as the circumstances may require if litigation is involved, from the personal delivery or mailing of the Claim Notice (the "Notice Period") to notify TTS Shipper:

1. whether or not it disputes its liability to TTS Shipper hereunder with respect to such claim or demand; and,
2. whether or not it desires, at its sole cost and expense, to defend TTS Shipper against such claim or demand.

In the event that Chesapeake notifies TTS Shipper within the Notice Period that it desires to defend TTS Shipper against such claim or demand and except as hereinafter provided,

Chesapeake shall have the right to defend TTS Shipper by appropriate proceedings, which proceedings shall be promptly settled or prosecuted by Chesapeake to a final conclusion in any manner as to avoid any risk of TTS Shipper becoming subject to any liability for such claim or demand or for any other matter. If TTS Shipper desires to participate in, but not control, any defense or settlement, it may do so at its sole cost and expense. If Chesapeake elects not to defend TTS Shipper against such claim or demand, whether by not giving TTS Shipper timely notice as provided above or otherwise, then the amount of any such claim or demand, or, if the same is contested by Chesapeake or by TTS Shipper (TTS Shipper having no obligation to contest any such claim or demand), then that portion thereof as to which such defense is unsuccessful, shall be conclusively deemed to be a liability of Chesapeake and subject to indemnification as provided hereinabove.

C. The foregoing indemnification and hold harmless agreement shall benefit both parties from the date hereof and shall survive the termination of this Agreement.

ARTICLE VIII – Consumer Pricing

8.1 Intent and Initial Consumer Pricing

It is the intent of Phase II of the Chesapeake TTS Program to facilitate periodic Open Enrollment Periods during which consumers would have the option to choose one of multiple TTS Shipper pricing options. Upon implementation of Phase II of the TTS Program, all consumers in the Consumer Pool shall receive the Standard Price Option as defined in Section

8.2. Within one hundred eighty (180) days of the effective date of Phase II of the TTS Program, Chesapeake shall administer the first Open Enrollment Period. At a minimum, during each Open Enrollment Period, TTS Shipper shall offer all residential consumers the ability to select from no fewer than two (2) gas supply pricing options: the Standard Price Option based on an industry commodity index price and a Fixed Price option, as described in 8.4 below.

8.2 Standard Price Option- FGT Zone 3 Commodity Index Price

As required by Chesapeake's FPSC Tariff, all residential consumers initially entering the TTS Consumer Pool shall be billed for services received from the ITS Shipper each Month at the Standard Price Option billing rate. Such consumers shall receive the Standard Price Option billing rate until such time as they may elect a different pricing option as provided by Chesapeake's FPSC Tariff. For the purposes of this Agreement, the Standard Price Option billing rate shall include a commodity price index equal to the commodity price published in the publication "Inside FERC's Gas Market Report," in the table, Prices of Spot Gas Delivered to Pipelines, Florida Gas Transmission, for Zone 3 delivery on the first day of each month for the respective month of delivery. If, during the effective period of this Agreement, the specified index ceases to be published or is not published for any period, the Parties will

Florida Division of Chesapeake Utilities Corporation

Original Volume No. 4

Original Sheet No. 128

mutually agree upon a new gas index. The Standard Price Option shall establish a
billing rate for consumers

that includes the above Gas commodity price index and all other price components allowable under this Agreement or Chesapeake's FPSC Tariff, required to provide a Monthly billing rate to ITS Consumers. The TTS Shipper shall provide the Standard Price Option billing rate to ITS Consumers each Month during the entire term of this Agreement.

8.3 Standard Price Option- TTS Shipper Margin

The TTS Shipper shall include a margin of _____ per therm in the Standard Price Option billing rate provided in Section 8.2.

8.4 Fixed Price Option

During each Open Enrollment Period, the TTS Shipper shall offer TTS consumers served by any TTS Shipper no less than one (1) Fixed Price billing rate over a term of no less than six (6) consecutive months, such term to begin on the first day of a month within sixty (60) days of the end of the Open Enrollment Period. The Fixed Price Option shall establish a billing rate(s) for consumers that include the Gas commodity price and all other price components allowable under this Agreement or Chesapeake's FPSC Tariff, required to provide a Monthly billing rate to TTS consumers. Except as provided by Force Majeure, the TTS Shipper may not adjust a Fixed Price Option billing rate in any Month during the entire term of the Fixed Price agreement with a TTS consumer.

8.5 Other Pricing Options

During any Open Enrollment Period, the TTS Shipper may offer pricing options that establish commodity indices other than the Standard Price Option FGT Zone 3 index. The TTS Shipper may also offer consumers multiple Fixed Price Option billing rates and/or terms. Such options shall be approved by Chesapeake, at its sole discretion, in advance of any offer by the TTS Shipper.

8.6 Other Charges and Credits

The TTS Shipper may pass through to consumers in the Consumer Pool those charges related to the acquisition and utilization of interstate pipeline capacity directly assigned or allocated to the TTS Shipper by Chesapeake, and such additional quantities of capacity provided by TTS Shipper pursuant to Chesapeake's Tariff, including applicable Transporter surcharges and fuel retention costs. TTS Shipper may pass through to consumers in the Consumer Pool those charges assessed to TTS Shipper by Chesapeake under the provision of its FPSC Tariff DPOS and Shipper Administrative and Billing Service (SASS). TTS Shipper may pass through to consumers in the Consumer Pool all tax obligations related to service to TTS consumers, TTS Shippers margin, and any other applicable charge as provided in this Agreement or the Chesapeake Tariff. TTS Shipper shall pass through to consumers in the Consumer Pool those credits assessed to TTS Shipper by Chesapeake under the provision of its FPSC Tariff DPOS.

The TTS Shipper shall credit to the Consumer Pool fifty percent (50%) of all monies received from any re-relinquished interstate pipeline capacity.

8.7 Administration of Open Enrollment Periods

Chesapeake shall be responsible for administering all Open Enrollment Periods and those reasonable costs associated with educating and informing consumers about the TTS Shipper, and its pricing options. Chesapeake shall be responsible for the administrative processing of consumer pricing and TTS Shipper selections.

ARTICLE IX – Consumer Account Billing and Payment

9.1 Consumer Billing

On a monthly basis, the TTS Shipper shall provide to Chesapeake the current month's billing rate(s), in dollars per therm, for the Commodity Index Price, Fixed Price(s), if any, and Other Pricing Option(s), if any, as provided in Article VIII. The TTS Shipper billing rate(s) shall include all billing components, i.e. commodity, capacity, margin, taxes, other charges or credits. Chesapeake shall bill the consumers in the TTS Shipper's Consumer Pool the applicable billing rate, as a single line item charge on Chesapeake's monthly billing statements. The Chesapeake billing statement shall identify the charges as the cost of gas provided by the TTS Shipper. Chesapeake shall bill each consumer based on the measured gas quantities at each consumer premise. Under the Fixed Price option, a consumer shall enter into a full requirements agreement with the TTS Shipper, but would have no specific minimum volume commitments. The fixed price purchase gas quantity would equal the Gas quantities measured monthly by Chesapeake at each participating consumer premise over the term of the fixed price contract.

9.2 Shipper Administrative and Billing Service

During the term of this Agreement, Chesapeake shall provide billing, payment remittance, and administrative services to the TTS Shipper for the consumers in the Consumer Pool, in accordance with the Shipper Administrative and Billing Service (SASS) as provided by Chesapeake's FPSC Tariff. Chesapeake shall be responsible for monitoring Consumer Account non-payment and partial payment amounts and administering the Consumer Account notices and service disconnect procedures, as allowed by FPSC Rules and its FPSC Tariff. Chesapeake shall reconcile all consumer payments received through its customary payment remittance and collection efforts, and, subject to Section 9.3, remit to the TTS Shipper those funds related to the total cost of gas. Chesapeake shall allow TTS Shipper reasonable access to meter readings, consumption data, account payment information and other such information as may be required to conduct an independent audit of the payment remittance services. Each

month the TTS Shipper shall pay to Chesapeake an amount equal to that provided by the SABS Rate Schedule in the Chesapeake FPSC Tariff.

9.3 Payment to TTS Shipper

By the fifteenth day of each Month, Chesapeake shall remit to the TTS Shipper, an amount equal to the metered volume of Gas recorded during the preceding Chesapeake billing month for each Consumer Account, multiplied by the applicable billing rate for the respective Consumer Accounts, less an amount deducted for non-payments or partial payments for the preceding Month's Consumer Account billings, plus an amount for payments received for outstanding non-payment or partial payment amounts recorded during a prior billing period, and less SABS charges, and other fees, if any, to which the Parties may mutually agree. Any charges or credits resulting from the DPOS and/or the disposition of the Operational Balancing Account shall be separately billed in accordance with Chesapeake's FPSC Tariff. Nothing in this Agreement shall be construed as a guarantee by Chesapeake of payment to the TTS Shipper of any TTS Shipper charges included on any billing statement produced by Chesapeake for which payments are not received from consumers. In the event of partial payments by consumers, Chesapeake shall first apply the funds received from the partial payment to any tax amounts for which Chesapeake is responsible for collecting from the Consumer Account. Any remaining balance from the partial payment shall next be applied against the TTS Shipper's cost of gas charges, completely satisfying such charges before applying any remaining funds to Chesapeake charges. Partial payments by consumers that result in non-payment of Chesapeake's regulated transportation charges shall be subject to disconnect under Chesapeake's service disconnect procedures, pursuant to the FPSC Tariff.

ARTICLE X - Consumer Bad Debt

10.1 Chesapeake shall diligently execute the service discontinuation provisions of its FPSC Tariff. The TTS Shipper may take such reasonable actions as are necessary to recover any monetary loss due to non-payment of consumer bills and/or to collect debts resulting from the non-payment of consumer bills, including recovery of such debts through a surcharge to the Consumer Pool billing rate. Any such bad debt collections through surcharge shall be subject to audit by Chesapeake.

ARTICLE XI - Taxes Billed to Consumers

11.1 As provided in Section 8.6 and Section 9.1, the TTS Shipper may include all taxes related to providing gas supply service to TTS consumers in its monthly billing rates. Chesapeake shall have no responsibility for the collection of any TTS Shipper tax obligation, other than to the extent such taxes are included in the TTS Shipper's monthly billing rates. Chesapeake shall not be responsible for the remittance of any taxes to any jurisdiction on

behalf of the TTS Shipper. The TTS Shipper shall be responsible for remittance of all taxes related to Gas supply and Transporter capacity upstream of the Chesapeake Delivery Point with the Consumer Accounts in the Consumer Pool. Chesapeake shall be responsible for collection and remittance of all taxes related to the transportation of Gas on its distribution system, including Florida State Gross Receipts Taxes.

ARTICLE XII – Program Revisions

12.1 Nothing contained in this Agreement shall prevent Chesapeake from proposing to, and filing with, the FPSC: (i) revisions to any effective rate schedule, (ii) superseding rate schedules, or (iii) any other modifications to its tariff for the purpose of changing the rates, charges and general terms and conditions applicable to the service provided under the TTS provisions of the Chesapeake Tariff, including the terms and conditions of this Agreement. Nothing contained in this Agreement shall prevent TTS Shipper from opposing any changes, revisions or modifications contained in any proposal or filing made by Chesapeake to or with the FPSC that affect the charges or other provisions applicable to service provided under this Agreement, or from pursuing any other available legal remedy with respect to such changes,' revisions or modifications.

ARTICLE XIII- Term and Termination

13.1 Term

This Agreement shall be effective on the date authorized by the FPSC for the implementation of Phase Two of Chesapeake's TTS Program and shall continue in effect for a period of two (2) years, and shall thereafter be extended for additional annual periods; unless either party gives written notice of termination to the other party, not less than ninety (90) days prior to the expiration of the initial term. This Agreement may be terminated earlier: (a) at Chesapeake's option in accordance with the provisions of its FPSC Tariff, or (b) otherwise in accordance with the provisions of this Agreement and the Parties' respective rights under applicable law.

13.2 Termination Due to Program Amendment or Modification

Should any amendment or modification to Chesapeake's authority to provide service under Phase Two of the TTS Program under its FPSC Tariff cause the terms and conditions hereof to change such that performance hereunder would be unreasonably burdensome for either party, then such burdened party may, by providing no less than thirty (30) days written notice to the other party, terminate this Agreement, without penalty, effective no

Florida Division of Chesapeake Utilities Corporation

Original Volume No. 4

Original Sheet No. 132

earlier than on the first Day of the Month subsequent to said thirty (30) day
notice period.

ARTICLE XIV- Assignment and Transfer

14.1 No assignment of this Agreement by either party may be made without the prior written approval of the other party (which approval shall not be unreasonably withheld) and unless the assigning or transferring party's assignee or transferee shall expressly assume, in writing, the duties and obligations under this Agreement of the assigning or transferring party, and upon such assignment or transfer and assumption of the duties and obligations, the assigning or transferring party shall furnish or cause to be furnished to the other party a true and correct copy of such assignment or transfer and assumption of duties and obligations.

ARTICLE XV -Governmental Authorizations; Compliance With Law

15.1 Compliance with law

This Agreement shall be subject to all valid applicable state, local and federal laws, orders, directives, rules and regulations of any governmental body, agency or official having jurisdiction over this Agreement. The parties shall comply at all times with all applicable Federal, state, municipal, and other laws, ordinances and regulations. The parties shall furnish any information or execute any documents required by any duly constituted Federal or state regulatory authority in connection with the performance of this Agreement. In the event this Agreement or any provisions herein shall be found contrary to or in conflict with any such law, order, directive, rule or regulation, the latter shall be deemed to control, but nothing in this Agreement shall prevent either party from contesting the validity of any such law, order, directive, rule or regulation, nor shall anything in this Agreement be construed to require either party to waive its respective rights to assert the lack of jurisdiction of the FPSC or the FERC over this Agreement or any part thereof. In the event any law, order, directive, rule, or regulation shall prevent either party from performing hereunder, then neither party shall have any obligation to the other during the period that performance is precluded.

15.2 Applicable Law and Venue

This Agreement and any dispute arising hereunder shall be governed by and interpreted in accordance with the laws of the State of Florida. Unless otherwise agreed in writing by the parties, venue for any legal action hereunder shall be in either Alachua or Polk County, Florida.

15.3 Revisions to Taxes

If, during the term of this Agreement, the Federal Government, or any State, municipality or subdivision of such Government, should increase any present tax or levy any additional tax, relating to the service provided by Chesapeake under this Agreement, any such additional tax required by law to be paid by Chesapeake shall, in Chesapeake's discretion, insofar as such discretion is provided for under applicable law, be either separately stated on the total amount of the bill or computed on a cents per therm basis and added to the then effective rate for

Chesapeake's services hereunder. If, during the term of this Agreement, the Federal Government, or any State, municipality or subdivision of such Government, should decrease or eliminate any tax relating to the service provided by Chesapeake under this Agreement, the reduction in such tax required to be paid by Chesapeake shall, in Chesapeake's discretion, insofar as such discretion is provided for under applicable law, be either separately stated as a deduction to the total amount of the bill or computed on a cents per therm basis and subtracted from the then effective rate hereunder.

ARTICLE XVI-Notices

16.1 Except as otherwise provided herein, any notice, request, demand, statement or report pertaining to this Agreement shall be in writing and shall be considered as effective on the receipt date, when mailed by certified or registered mail, or on the date sent by facsimile transmission or express mail service.

16.2 All communications with respect to this Agreement shall be sent to the following addresses:

ARTICLE XVI - Miscellaneous

16.1 Headings: All article headings, section headings and subheadings in this Agreement are inserted only for the convenience of the parties in identification of the provisions hereof and shall not affect any construction or interpretation of this Agreement.

16.2 Entire Agreement: This Agreement, including the exhibits attached hereto, sets forth the full and complete understanding of the parties as of the date of its execution by both parties, and it supersedes any and all prior negotiations, agreements and understandings with respect to the subject matter hereof. No party shall be bound by any other obligations, conditions or representations with respect to the subject matter of this Agreement.

16.3 Amendments: Neither this Agreement nor any of the terms hereof may be terminated, amended, supplemented, waived or modified except by an instrument in writing signed by the party against which enforcement of the termination, amendment, supplement, waiver or modification shall be sought. A change in (a) the place to which notices pursuant to this Agreement must be sent or (b) the individual designated as the contact person pursuant to Section 18.2 shall not be deemed nor require an amendment of this Agreement provided such change is communicated in accordance with Section 18.1 of this Agreement. Further, the parties expressly acknowledge that the limitations on amendments to this Agreement set forth in this section shall not apply to or otherwise limit the effectiveness of amendments which are necessary to comply with the requirements of, or are otherwise approved by, FERC, the FPSC, or their successor agencies or authorities.

16.4 Severability: If any provision of this Agreement becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, this Agreement shall continue in full force and effect without said provision; provided however that if such severability materially changes the economic benefits of this Agreement to either party, the parties shall negotiate an equitable adjustment in the provisions of this Agreement in good faith.

16.5 Waiver: No waiver of any of the provisions of this Agreement shall be deemed to be, nor shall it constitute, a waiver of any other provision whether similar or not. No single waiver shall constitute a continuing waiver. No waiver shall be binding unless executed in writing by the party making the waiver.

16.6 Attorney's Fees and Costs: In the event of any litigation between the parties arising out of or relating to this Agreement, the prevailing party shall be entitled to recover all costs incurred and reasonable attorney's fees, including attorney's fees in all investigations, trials, bankruptcies, and appeals.

16.7 Independent Parties: Chesapeake and TTS Shipper shall perform hereunder as independent parties and neither Chesapeake or TTS Shipper is in any way or for any purpose, by virtue of this Agreement or otherwise, a partner, joint venturer, agent, employer or employee of the other. Nothing in this Agreement shall be for the benefit of any third person for any purpose, including, without limitation, the establishing of any type of duty, standard of care or liability with respect to any third person.

16.8 Counterparts: This Agreement may be executed in counterparts, all of which taken together shall constitute one and the same instrument and each of which shall be deemed an original instrument as against any party who has signed it.

16.9 Subject to Audit: Chesapeake shall have the right to audit TTS Shippers books and records for the purpose of determining compliance with the provisions of this Agreement and Chesapeake's FPSC Tariff as they relate to services provided hereunder. TTS Shipper shall make such books and records available to Chesapeake, upon reasonable notice, at TTS Shippers principal place of business during regular business hours.

ARTICLE XVII- Other Services

17.1 The ITS Shipper may offer additional services to consumers the TTS Consumer Pool. Inclusion of charges for additional services on the Chesapeake billing statements thereto shall be at the sole option of Chesapeake.

IN WITNESS WHEREOF, the parties have duly executed this Agreement, in multiple originals,

- effective as of the date of execution by both parties.

CI-SHIPPER AGREEMENT

This CI SHIPPER AGREEMENT is made and entered into by and between Chesapeake Utilities Corporation, a Delaware corporation hereinafter referred to as "Chesapeake" and _____, a _____ corporation hereinafter referred to as "CI Shipper".

WITNESSETH:

WHEREAS, Shipper desires to operate as a CI Shipper on Chesapeake's gas distribution system, and is requesting service as provided in Chesapeake's Florida Public Service Commission (FPSC) Tariff, and

WHEREAS, Chesapeake offers such services under the applicable Rate Schedules and Rules and Regulations of its FPSC Tariff, and

NOW THEREFORE, in consideration of the premises and the mutual covenants and agreements herein contained, the parties agree as follows:

1. CI Shipper agrees to comply with and be subjected to all of the provisions of Chesapeake's FPSC Tariff applicable to the service provided to CI Shippers by Chesapeake.

2. CI Shipper must elect one of the following Shipper Classifications of Service:

____ Shipper Administrative and Billing Services (SABS). Chesapeake's SABS is an optional service for CI Shippers. The SABS provides customer billing, payment remittance and administrative services related to gas transportation deliveries to CI Shipper's as provided in Chesapeake's FPSC Tariff. CI Shipper's selecting SABS shall be billed for services in accordance with Chesapeake's SABS rate schedule.

____ Shipper Administrative Services (SAS). Chesapeake's SAS is mandatory for all CI Shippers, except those opting for the SABS described above. The SAS provides the administrative services related to gas transportation deliveries, without the customer billing and payment remittance services provided by the SABS. CI Shipper's selecting SAS shall be billed for services in accordance with Chesapeake's SAS rate schedule.

3. Notices or communications to CI Shipper shall be given to:

Mailing Address:

Attention: _____

Telephone: _____

Facsimile: _____

E-mail: _____

4. This Agreement shall become effective at the start of the Gas Day (as defined in Transporter's FERC Gas Tariff) on _____.

IN WITNESS WHEREOF, the parties have duly executed this agreement in multiple originals on _____.

OFF SYSTEM DELIVERY POINT OPERATOR AGREEMENT

This OFF SYSTEM DELIVERY POINT OPERATOR AGREEMENT ("Agreement") is made

and entered into on _____, to be effective on the first day of the Month of _____ (the "Effective Date"), by and between Chesapeake Utilities Corporation, a Delaware corporation doing business in Florida as Central Florida Gas Company and hereinafter referred to as "Chesapeake", and _____ a _____ corporation hereinafter referred to as "Shipper".

WITNESSETH:

WHEREAS, Chesapeake serves as Delivery Point Operator for several Delivery Points on Florida Gas Transmission Company and Gulfstream Natural Gas System, L.L.C., (collectively referred to herein as "Transporter") interstate pipeline systems, as provided by the General Terms and Conditions of Transporter's Federal Energy Regulatory Commission ("FERC") tariff; and

WHEREAS, Shipper desires to designate Chesapeake as Delivery Point Operator for the Delivery Point and Chesapeake wishes to serve as such and Transporter has accepted Chesapeake as the designated Delivery Point Operator,

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements herein contained, the parties agree as follows:

ARTICLE I - Definitions

Unless another definition is expressly stated within this Agreement, the following terms and abbreviations, when used in this Agreement and in all exhibits, recitals, and appendices contained or attached to this agreement, are intended to and will mean as follows:

1.1 "Delivery Point"

means the point at the connection of the facilities of Transporter and Shipper's facility, at which the gas leaves the outlet side of the measuring equipment of Transporter and enters Shipper's facility, such facility designated as _____ by Transporter.

1.2 "Receipt or Delivery Imbalance"

means scheduled receipts or deliveries that exceed or are below the actual receipts or deliveries at the Delivery Point, as defined by the Chesapeake Florida Division Florida Public Service Commission (FPSC) tariff provisions.

1.3 "Month"

means a period beginning at 9:00 a.m. CCT on the first day of a calendar month and ending at 9:00 a.m. CCT on the first day of the next succeeding calendar month; provided that, in the event of a change in the definition ' of the corresponding term in Chesapeake's FPSC Tariff, this definition shall be deemed to be amended automatically so that it is identical at all times to the definition of the corresponding term in said Tariff.

1.4 "Operational Order"

means an Alert Day Notice, Operational Flow Order, Pack or Draft Notice, Curtailment Order or Other Operational Control Order or any other notice or order requiring action on the part of Shipper relative to scheduled or delivered gas quantities, in accordance with Transporter's FERC Gas Tariff and/or Chesapeake's FPSC Tariff.

ARTICLE II - Scope Of Service

2.1 Chesapeake, as Delivery Point Operator designee for the Delivery Point, shall execute such documents as are required by the Transporter's FERC Gas Tariff to assume the obligations of Delivery Point Operator for the Delivery Point.

2.2 Chesapeake shall administer the Delivery Point in accordance with the provisions of the Transporter's FERC tariff, the Chesapeake Florida Division FPSC Tariff, as applicable. Resolution of Monthly Receipt or Delivery Imbalances at the Delivery Point shall be in accordance with Chesapeake's FPSC Tariff. Each month, as provided by tariff, Chesapeake shall provide to Shipper a statement of any Receipt or Delivery imbalance credits or charges and any Operational Order credits or charges for the preceding Month. Chesapeake shall provide timely notice to Shipper of any Operational Orders issued by Transporter or Chesapeake that affect the Delivery Point in accordance with the Operator Order notice provisions of Chesapeake's FPSC Tariff.

2.3 It is expressly understood that Chesapeake shall provide Delivery Point Operator services as an administrative convenience for Shipper and to facilitate Monthly imbalance resolution and Operational Order compliance. For Receipt or Delivery Imbalance resolution and Operator Order purposes, Chesapeake shall, to the extent authorized by Chesapeake's FPSC Tariff, consider gas quantities scheduled.

and delivered at the Delivery Point to be part of Shipper's aggregate gas quantities scheduled and delivered to Chesapeake delivery points. Shipper shall be solely responsible for resolving Receipt or Delivery Imbalances, and responding to any Transporter Operational Orders, such response to include but not be limited to increasing or decreasing scheduled or delivered gas quantities at the Delivery Point as may be required by Transporter and/or Chesapeake notice. Chesapeake shall include any charges and credits for Receipt or Delivery Imbalance resolution and Operator Orders related to the Delivery Point in Shipper's aggregated Monthly Operational Balancing Statement. Chesapeake shall render such statement to Shipper within fifteen (15) days of the end of a Month. Shipper shall remit payment to Chesapeake within ten (10) days of the Chesapeake bill statement date.

ARTICLE III -Indemnification

3.1 For value received and to induce Chesapeake to enter into this Agreement, Shipper agrees to protect, defend (at Shipper's expense and by counsel satisfactory to Chesapeake), indemnify, and save and hold harmless Chesapeake, its officers, directors, shareholders, employees, agents, successors and assigns, from and against all direct or indirect costs, expenses, damages, losses, obligations, lawsuits, appeals, claims, or liabilities of any kind or nature (whether or not such claim is ultimately defeated), including in each instance, but not limited to, all costs and expenses of investigating and defending any claim at any time arising and any final judgments, compromises, settlements, and court costs and attorney's fees, whether foreseen or unforeseen (including all such expenses, court costs, and attorney's fees in the enforcement of Chesapeake's rights hereunder) incurred by Chesapeake in connection with or arising out of or resulting from or relating to or incident to:

1. any breach of any of the representations, warranties, or covenants of Shipper contained in this Agreement or in any Exhibit, Schedule, or other document attached hereto and made a part hereof or provided pursuant hereto, specifically including but not limited to:

- (a) any Transporter penalties or other expenses or liabilities for unauthorized overrun or underrun Gas, for imbalances on a pipeline system, for failure to comply with Transporter's FERC Tariff, or for failure to comply with a curtailment notice or to take deliveries as scheduled; and
- (b) any claim by a gas-supplier or other party contesting Shipper's warranty of title to Gas and related obligations;

2. any claim by a creditor of Shipper as a result of any transaction pursuant to or contemplated by this Agreement;

3. any claim against Chesapeake relating to any obligation or liability of Shipper, or its affiliates, or any of them of any kind or nature;
4. any taxes of any federal, state or local Jurisdiction related to Gas supply and/or Transporter capacity upstream of Chesapeake's.

In the event that any claim or demand for which Shipper would be liable to Chesapeake hereunder is asserted against or sought to be collected from Chesapeake by a third party, Chesapeake shall promptly notify Shipper of such claim or demand, specifying the nature of such claim or demand and the amount or the estimated amount thereof, if determination of an estimate is then feasible (which estimate shall not be conclusive of the final amount of such claim or demand) (the "Claim Notice"). Shipper shall have twenty (20) days, or such shorter period as the circumstances may require if litigation is involved, from the personal delivery or mailing of the Claim Notice (the "Notice Period") to notify Chesapeake:

1. whether or not it disputes its liability to Chesapeake hereunder with respect to such claim or demand; and,
2. whether or not it desires, at its sole cost and expense, to defend Chesapeake against such claim or demand.

In the event the Shipper notifies Chesapeake within the Notice Period that it desires to defend Chesapeake against such claim or demand and except as hereinafter provided, Shipper shall have the right to defend Chesapeake by appropriate proceedings, which proceedings shall be promptly settled or prosecuted by Shipper to a final conclusion in any manner as to avoid any risk of Chesapeake becoming subject to any liability for such claim or demand or for any other matter. If Chesapeake desires to participate in, but not control, any defense or settlement, it may do so at its sole cost and expense. If Shipper elects not to defend Chesapeake against such claim or demand, whether by not giving Chesapeake timely notice as provided above or otherwise, then the amount of any such claim or demand, or, if the same is contested by Shipper or by Chesapeake (Chesapeake having no obligation to contest any such claim or demand), then that portion thereof as to which such defense is unsuccessful, shall be conclusively deemed to be a liability of Shipper and subject to indemnification as provided hereinabove.

3.2 For value received and to induce Shipper to enter into this Agreement, Chesapeake agrees to protect, defend (at Chesapeake's expense and by counsel satisfactory to Shipper), Indemnify, and save and hold harmless Shipper, its officers,

directors, shareholder's, employees, agents, successors and assigns, from and against all direct or indirect costs, expenses, damages, losses, obligations, lawsuits, appeals, claims, or liabilities of any kind or nature (whether or not such claim is ultimately defeated), including in each instance, but not limited to, all costs and expenses of investigating and defending any claim at any time arising and any final judgments, compromises, settlements, and court costs and attorney's fees, whether foreseen or unforeseen (including all such expenses, court costs, and attorney's fees in the enforcement of Shipper's rights hereunder) incurred by Shipper in connection with or arising out of or resulting from or relating to or incident to:

1. any breach of any of the representations, warranties, or covenants of Chesapeake contained in this Agreement or in any Exhibit, Schedule, or other document attached hereto and made a part hereof or provided pursuant hereto;
2. any claim by a creditor of Chesapeake as a result of any transaction pursuant to or contemplated by this Agreement;
3. any claim against Shipper relating to any obligation or liability of Chesapeake, or its affiliates, or any of them of any kind or nature; and,

In the event that any claim or demand for which Chesapeake would be liable to Shipper hereunder is asserted against or sought to be collected from Shipper by a third party, Shipper shall promptly notify Chesapeake of such claim or demand, specifying the nature of such claim or demand and the amount or the estimated amount thereof, if determination of an estimate is then feasible (which estimate shall not be conclusive of the final amount of such claim or demand) (the "Claim Notice"). Chesapeake shall have twenty (20) days, or such shorter period as the circumstances may require if litigation is involved, from the personal delivery or mailing of the Claim Notice (the "Notice Period") to notify Shipper:

1. whether or not it disputes its liability to Shipper, hereunder with respect to such claim or demand; and,
2. whether or not it desires, at its sole cost and expense, to defend Shipper against such claim or demand.

In the event that Chesapeake notifies Shipper within the Notice Period that it desires to defend Shipper against such claim or demand and except as hereinafter provided, Chesapeake shall have the right to defend Shipper by appropriate proceedings, which proceedings shall be promptly settled or prosecuted by Chesapeake to a final conclusion in any manner as to avoid any risk of Shipper becoming subject to any

liability for such claim or demand or for any other matter. If Shipper desires to participate in, but not control, any defense or settlement, it may do so at its sole cost and expense. If Chesapeake elects not to defend Shipper against such claim or demand, whether by not giving Shipper timely notice as provided above or otherwise, then the amount of any such claim or demand, or, if the same is contested by Chesapeake or by Shipper (Shipper having no obligation to contest any such claim or demand), then that portion thereof as to which such defense is unsuccessful, shall be conclusively deemed to be a liability of Chesapeake and subject to indemnification as provided herein above.

3.3 The foregoing indemnification and hold harmless agreement shall benefit both parties from the date hereof and shall survive the termination of this Agreement.

ARTICLE IV - Failure to Perform: Default and Remedies

4.1 The following shall constitute an event of default:

- (a) Either party fails to satisfy in full the terms and conditions of this Agreement;
- (b) Either party voluntarily suspends the transaction of business where there is an attachment, execution or other judicial seizure of any portion of their respective assets;
- (c) Either party becomes insolvent or unable to pay its debts as they mature or makes an assignment for the benefit of creditors;
- (d) Either party files, or there is filed against it, a petition to have it adjudged bankrupt or for an arrangement under any law relating to bankruptcy;
- (e) Either party applies for or consents to the appointment of a receiver, trustee or conservator for any portion of its properties or such appointment is made without its consent; or
- (f) Either party engages in unlawful activities.

4.2 If either party fails to perform its obligations under this Agreement, the non-defaulting party shall notify the defaulting party in writing (the "Default Notice") within three (3) days after the day that the non-defaulting party obtained knowledge of such failure to perform. Each such Default Notice shall describe in detail the act or event

constituting the non-performance by the defaulting party. The defaulting party shall have five (5) days after its receipt of the Default Notice to cure any such failure to perform, unless such cure can not be accomplished using reasonable efforts within said five (5) day period, in which case the defaulting party shall have such additional time as may be necessary, using reasonable efforts, to cure such non-performance (the "Default Cure Period"). Notwithstanding anything herein to the contrary, the Default Cure Period for any default for the non-payment of money shall not exceed five (5) days and for any event of default set forth in Section 4.1 (a) - (I), no cure period shall apply.

4.3 In the event of a default that is not cured within the Default Cure Period, the non-defaulting party may, at its option, exercise any, some or all of the following remedies, concurrently or consecutively:

- (a) any remedy specifically provided for in this Agreement, and/or,
- (b) terminate the Agreement upon written notice to the defaulting party;
and/or,
- (c) any remedy existing at law or in equity.

ARTICLE V – Term

5.1 This Agreement shall be in effect for a period of twelve (12) Months beginning on the Effective Date, such period defined herein as the "Annual Period", and thereafter be extended for additional "Annual Periods"; unless either party gives written notice of termination to the other party, *not* less than sixty (60) days prior to the expiration of any "Annual Period". This Agreement may be terminated earlier by either party, with at least sixty (60) days written notice to the other party.

ARTICLE VI - Rate for Service

6.1 Commencing on the Effective Date of this Agreement, and continuing until this Agreement is terminated or expires, Shipper shall pay to Chesapeake an Off-System Delivery Point Operator Charge, as provided in Chesapeake's approved FPSC Tariff. The DPO Service Charge shall be billed in addition to any Receipt or Delivery Imbalance resolution or Operational Order credits or charges.

ARTICLE VII – Notices

7.1 Except as otherwise provided herein, any notice, request, demand, statement or report pertaining to this Agreement shall be in writing and shall be considered as effective on the receipt date, when delivered by certified or registered mail, an acknowledged electronic mail delivery or on the date sent by facsimile transmission or express mail service.

7.2 All communications with respect to this Agreement shall be sent to the following addresses:

To Chesapeake:

Chesapeake Utilities Corporation
P.O. Box 960
Winter Haven, Florida 33882

Contact Person:

Telephone:

Facsimile:

To Shipper:

Name:

Address:

Contact Person:

ARTICLE VIII - Tariff Revision

8.1 Nothing contained in this Agreement shall prevent Chesapeake from proposing to, and filing with, the FPSC: (i) revisions to any effective rate schedule, (ii) superseding rate schedules, or (iii) any other modifications to its tariff for the purpose of changing the rates, charges and general terms and conditions applicable to services provided under the provisions of the Chesapeake FPSC Tariff, including the terms and conditions of this Agreement. Nothing contained in this Agreement shall prevent Shipper from opposing any changes, revisions or modifications contained in any proposal or filing made by Chesapeake to or with the FPSC that affect the charges or other provisions applicable to service provided under this Agreement, or from pursuing

any other available legal remedy with respect to such changes, revisions or modifications.

ARTICLE IX - Mutually Beneficial Transactions

9.1 Shipper recognizes that as Delivery Point Operator for the Delivery Point, Chesapeake is subject to the rules and regulations of Transporters with regard to operational flow rates, pressures and penalties. As such, Chesapeake may need the Shipper to vary its daily deliveries from the scheduled delivery quantities. On those occasions, Chesapeake may request, at its sole discretion, and the Shipper may agree to a change to the Shipper's nominated Gas supply quantities and either Transporter's pipeline capacity. Terms and conditions of such transactions shall be agreed upon at the time of the transaction and shall be recorded and confirmed in writing within two business days after the transaction.

ARTICLE X – Miscellaneous

10.1 Entire Agreement: This Agreement, including the exhibits attached hereto, sets forth the full and complete understanding of the parties as of the date of its execution by both parties, and it supersedes any and all prior negotiations, agreements and understandings with respect to the subject matter hereof. No party shall be bound by any other obligations, conditions or representations with respect to the subject matter of this Agreement.

10.2 Governing Law, Rules and Regulations: This Agreement shall be construed in accordance with the laws of the State of Florida, without regard to its choice of law rules; and, the terms and conditions of the Chesapeake Florida Public Service Commission approved Natural Gas Tariff, and Transporter's FERC Tariff, as amended from time to time.

10.3 Amendments: Neither this Agreement nor any of the terms hereof may be terminated, amended, supplemented, waived or modified except by an instrument in writing signed by the party against which enforcement of the termination, amendment, supplement, waiver or modification shall be sought, such amendments subject to the approval of the FPSC. A change in (a) the place to which notices pursuant to this Agreement must be sent or (b) the individual designated as the Contact Person pursuant to Section 7.2 shall not be deemed nor require an amendment of this Agreement-provided such change is communicated in accordance with Section 7.1 of this Agreement.

10.4 Legal Fees: In the event of litigation between the parties hereto arising out of or in connection with this Agreement, then the reasonable attorneys' fees and costs of the party prevailing in such litigation shall be paid by the other party.

10.5 Independent Parties: Chesapeake **and** Shipper shall perform hereunder as independent parties and neither Chesapeake nor Shipper is in any way or for any purpose, by virtue of this Agreement or otherwise, a partner, joint venture, agent, employer or employee of the other. Nothing in this Agreement shall be for the benefit of any third person for any purpose, including, without limitation, the establishing of any type of duty, standard of care or liability with respect to any third person.

10.6 Assignment and Transfer: No assignment of this Agreement by either party may be made without the prior written approval of the other party (which approval shall not be unreasonably withheld) and unless the assigning or transferring party's assignee or transferee shall expressly assume, in writing, the duties and obligations under this Agreement of the assigning or transferring party, and upon such assignment or transfer and assumption of the duties and obligations, the assigning or transferring party shall furnish or cause to be furnished to the other party a true and correct copy of such assignment or transfer and assumption of duties and obligations.

10.7 Counterparts: This Agreement may be executed in counterparts, all of which taken together shall constitute one and the same instrument and each of which shall be deemed an original instrument as against any party who has signed it.

IN WITNESS WHEREOF the parties have duly executed this Agreement in multiple originals, effective as if the Effective Date provided above.

GAS TRANSPORTATION AGREEMENT

THIS AGREEMENT is made and entered into this 8th day of July, 1993, between the Central Florida Gas Company Division of CHESAPEAKE UTILITIES CORPORATION, a Delaware corporation, ("Transporter"), and AUBURNDALE POWER PARTNERS, LIMITED PARTNERSHIP, a Delaware limited partnership ("Shipper") (collectively, the "Parties").

RECITALS

WHEREAS, Transporter operates facilities for the distribution of natural gas in the State of Florida; and

WHEREAS, Shipper has requested that Transporter: (1) receive certain quantities of natural gas for Shipper's account from Peoples Gas System ("PGS") downstream of the Lake Blue Gate Station (as defined in Article 1 below) to be installed on the pipeline system of Florida Gas Transmission Company ("FGT") to serve PGS near Auburndale, Florida; (2) transport such natural gas on the "Pipeline Facilities" (as defined in Article 1 below); and (3) redeliver such natural gas to Shipper's Power Generation Facility (as defined in Article 1 below) to be located approximately 2.3 miles from the Lake Blue Gate Station; and

WHEREAS, Transporter is agreeable to constructing such Pipeline Facilities and to providing such transportation service in accordance with the terms hereof;

NOW, THEREFORE, in consideration of the premises and mutual covenants and agreements set forth herein, the Parties agree as follows:

ARTICLE 1

DEFINITIONS

As used herein, the following terms shall have the meanings set forth below:

"Affiliate" shall mean a corporation or other entity that directly or indirectly, through one or more intermediaries, controls or is controlled by, or is under common control with, another corporation or entity.

"Agreement" shall mean this contract, including the exhibits attached hereto, as the same may be amended from time to time.

"Annual Period" shall mean any one of a succession of consecutive 12-month periods, the first of which shall begin on the Commercial Operations Date, provided that such date is the first day of a calendar month, or otherwise on the first day of the month immediately following the month in which the Commercial Operations Date occurs.

"Base Term" shall have the meaning set forth in Article 2.1.

"Btu" shall mean the amount of heat required to raise the temperature of one pound of water from 59.F. to 60.F. at a constant pressure of 14.73 p.s.i.a.

"Commercial Operations Date" shall mean the day (as to which there is agreement between Shipper and Florida Power Corporation) on which the Power Generation Facility achieves "Commercial In-Service Status" (as defined in the Power Purchase Agreement), notice of which shall be given promptly by Shipper to Transporter.

"Cubic Foot of Gas" shall mean, for measurement purposes, the amount of Gas which occupies one cubic foot of space when the Gas is at a pressure of 14.73 p.s.i.a. and a temperature of 60.F.

"Day" shall mean a period of twenty-four (24) consecutive hours beginning and ending at 8:00 a.m. Eastern Standard Time.

"Delivery Point" shall mean the point at which the pipes or apparatus associated with the Pipeline Facilities are connected at the fitting on the outlet side of the PGS measuring facilities to be installed at the Lake Blue Gate Station, as more particularly described in Exhibit A hereto.

"°F." shall mean degree(s) Fahrenheit.

"FERC" shall mean the Federal Energy Regulatory Commission or any successor agency or any other federal agency having like jurisdiction.

"FGT" shall mean Florida Gas Transmission Company, a Delaware corporation, and its successors and assigns.

"Financier" shall mean any person or entity lending money to Shipper for the construction, operation, maintenance, repair, or alteration of the Power Generation Facility, any person or entity providing funds for the refinancing or the taking-out of such loans, and the nominees or designees of any such persons or entities.

"Force Majeure" shall have the meaning set forth in Article 8.2.

"FPSC" shall mean the Florida Public Service Commission or any successor agency or any other governmental agency having like state jurisdiction.

"Gas" shall mean natural and/or residue gas in any mixture of hydrocarbons or of hydrocarbons and noncombustible gases, in a gaseous state, consisting essentially of methane and meeting the quality specifications which FGT requires with regard to deliveries into its system.

"Gate Station Facilities" shall mean any facilities, including the Lake Blue Gate Station, constructed and/or operated by PGS for the purpose of receiving Gas from an interstate or intrastate pipeline.

"Lake Blue Gate Station" shall mean the FGT gate station located near Auburndale, Florida, to be constructed by FGT.

"Letter of Credit" shall have the meaning set forth in Article 6.5.

"Mcf" shall mean 1,000 Cubic Feet of Gas.

"MMBtu" shall mean 1,000,000 Btu's or ten (10) Therms.

"Month" shall mean a calendar month.

"Party" or "Parties" shall mean Transporter and Shipper, as the case may be, and their successors and assigns.

"PGS" shall mean Peoples Gas System, Inc., a Florida corporation, and its successors and assigns.

"Pipeline Facilities" shall mean the pipes, fittings, regulators, cocks, valves, vents, circulating pipes, connectors, appliances and apparatus of every kind and nature installed by Transporter to transport Gas from the Delivery Point to the Redelivery Point, including all additions, replacements, improvements, substitutions, and increments thereto, and all related personal property, and all real property interests necessary for

the operation, maintenance and modification of such facilities, as more particularly described in Exhibit A hereto.

"Power Generation Facility" shall mean Shipper's Gas-fired electric generation facility with a planned net electrical generating capacity of approximately 200,000 kilowatts, including the boilers, turbines, generators and all appurtenant structures, equipment and real property interests owned or leased by Shipper, to be located on Chambers Road, Auburndale, Polk County, Florida.

"Power Purchase Agreement" shall mean that certain Negotiated Contract For The Purchase Of Firm Capacity And Energy From A Qualifying Facility entered into on March 18, 1991 by and between El Dorado Energy Company (as assigned to Shipper on March 9, 1993) and Florida Power Corporation, as amended or modified from time to time.

"p.s.i.a." shall mean pounds per square inch absolute.

"p.s.i.g." shall mean pounds per square inch gauge.

"QF" shall mean a qualifying cogeneration facility meeting the criteria for such qualification as set forth in 18 C.F.R. Part 292 (1992) promulgated by the FERC under the Public Utility Regulatory Policies Act of 1978, as the same may be amended or superseded from time to time.

"Redelivery Point" shall mean the point at which the pipes or apparatus associated with the Pipeline Facilities are connected at the fitting on the inlet side of PGS's meter to be installed at the site of the Power Generation Facility as more particularly described in Exhibit A hereto.

"Renewal Term" shall have the meaning set forth in Article 2.2.

"Tariff" shall mean Transporter's Natural Gas Tariff currently filed with the FPSC, as such tariff may be amended with approval of the FPSC from time to time.

"Therm" shall mean a unit of heat equal to 100,000 Btu's.

ARTICLE 2

TERM

2.1 Base Term. Subject to all other provisions, conditions, and limitations hereof, this Agreement shall be effective on the date first set forth above, and shall continue in full force and effect for a period of twenty (20) Annual Periods from the Commercial Operations Date (the "Base Term").

2.2 Renewal Term. This Agreement shall be renewed automatically from Annual Period to Annual Period commencing with the expiration of the Base Term (each such Annual Period constituting a "Renewal Term") unless either Party, at least eighteen (18) Months prior to the expiration of the Base Term or any Renewal Term, gives notice to the other Party of its intention to terminate this Agreement at the expiration of such Base Term or Renewal Term.

2.3 Early Termination. Notwithstanding the foregoing:

A. Should the FPSC fail to approve this Agreement on terms acceptable to both Parties, either Party shall have the right, within fifteen (15) days of the issuance of any such FPSC order, to terminate this Agreement upon thirty (30) days' prior

notice to the other Party. Any such FPSC approval shall be deemed to be acceptable if it does not materially alter the terms and conditions of this Agreement.

B. Shipper shall have the right to terminate this Agreement upon thirty (30) days' prior notice to Transporter, upon the occurrence of any of the following events: (i) Shipper fails to obtain construction and/or permanent financing for the Power Generation Facility on terms acceptable to Shipper; (ii) the Power Purchase Agreement is terminated; (iii) any of Shipper's agreements with FGT and/or PGS for services relating to the Power Generation Facility are terminated which results in the loss of Gas service to the Power Generation Facility; (iv) Transporter fails to obtain from the FPSC, within six (6) months from the date of execution of this Agreement by both Parties, an order approving amendment(s) to Transporter's existing territorial agreement with PGS pursuant to Article 3.6; (v) FERC denies or revokes certification of the Power Generation Facility as a QF; or (vi) Shipper permanently discontinues the development and/or operation of the Power Generation Facility.

C. Termination of this Agreement for any reason, including those set forth in this Article 2.3, shall not relieve Shipper of its payment obligations under Article 6.4 of this Agreement.

ARTICLE 3

PIPELINE FACILITIES

3.1 Construction. In order to provide service under this Agreement it will be necessary for Transporter to construct the Pipeline Facilities. The Pipeline Facilities shall be dedicated for the sole purpose of providing service under this Agreement to the Power Generation Facility. Subject to receipt by Transporter of FPSC approval of this Agreement, all necessary permits, rights-of-way and any other required authorizations, Transporter shall construct such Pipeline Facilities as are required to provide service under this Agreement. Transporter shall commence such construction in a diligent and workmanlike manner with the intent of completing the construction by December 15, 1993, and Transporter shall notify Shipper upon completion of the Pipeline Facilities. If, however, after proceeding with due diligence, Transporter is unable to complete construction of the Pipeline Facilities by December 15, 1993, Transporter shall continue to proceed with due diligence to complete construction of such Pipeline Facilities at the earliest practicable date thereafter. Transporter shall not be liable, nor shall this Agreement be subject to cancellation if, despite its exercise of due diligence, Transporter is unable to complete the construction of the Pipeline Facilities by December 15, 1993.

3.2 Capacity. The Pipeline Facilities shall be designed, constructed, operated and maintained so as not to exceed a maximum allowable operating pressure ("MAOP") of 721 p.s.i.g., and shall have the capability of transporting 45.6 MMBtu per Day.

3.3 Ownership. The Pipeline Facilities shall be designed, constructed, owned, operated and maintained by Transporter, and shall remain the property of Transporter upon termination or expiration of this Agreement.

3.4 PGS Meter at Lake Blue Gate Station. In the event that: (1) the ownership of the Lake Blue Gate Station is transferred to either Transporter or Shipper, or (2) the PGS meter at the Lake Blue Gate Station is removed, Transporter will, at Shipper's option, either accept deliveries of Gas by Shipper in lieu of PGS pursuant to Article 4 of this Agreement, or accept deliveries of Gas directly from FGT on behalf of Shipper; provided, however that, if Shipper becomes the owner of the Lake Blue Gate Station and such gate station is no longer used to deliver gas for use at the Power Generation Facility, Transporter shall have the option of purchasing the Lake Blue Gate Station from Shipper at the depreciated book value of such facilities; provided, further that, if Transporter becomes the owner of the Lake Blue Gate Station and this Agreement is otherwise in full force and effect, the Fixed Quarterly Charge in Section 6.1 of this Agreement shall be increased to reflect the additional costs of ownership and maintenance of such gate station to provide service under this Agreement.

3.5 Compliance With Applicable Law. Transporter shall operate and maintain the Pipeline Facilities in accordance with applicable federal, state and local laws, ordinances and regulations, including, without limitation, any environmental laws, rules, ordinances or regulations.

3.6 Territorial Agreement. Transporter shall use its best efforts to enter into good faith negotiations with PGS, within fifteen (15) days after execution of this Agreement by both Parties, to amend Transporter's existing territorial agreement with PGS to permit PGS to own Gate Station Facilities and provide transportation service in Transporter's franchised service territory only with respect to Gas transported to the Power Generation Facility under this Agreement. In the event that Transporter and PGS reach agreement on such an amendment, Transporter shall use its best efforts to file jointly with PGS, within fifteen (15) days after execution of such amendment, a formal petition with the FPSC requesting that the FPSC approve the amendment. Shipper shall intervene in support of such joint petition at the FPSC.

ARTICLE 4

TRANSPORTATION OF SHIPPER'S GAS

4.1 Shipper's Responsibility. Shipper shall make all necessary arrangements with other parties for transportation of Shipper's Gas prior to delivery by PGS to Transporter. Shipper shall cause PGS to deliver to Transporter the quantities of Gas to be transported by Transporter hereunder at the Delivery Point. Transporter shall have no responsibility for transportation of Shipper's Gas prior to receipt of such Gas from PGS at the Delivery Point.

4.2 Quantities of Gas. Transporter agrees to receive from PGS at the Delivery Point daily quantities of Gas, within the

MAOP specified in Section 3.2 of this Agreement, and to redeliver such quantities of Gas to Shipper at the Redelivery Point. Transporter shall be under no obligation and shall have no responsibility to redeliver quantities of Gas on any Day in excess of the quantities received from PGS at the Delivery Point on such Day. In the event of a dispute regarding the quantities of Gas received and/or redelivered under this Article 4.2, the Parties agree to use the meter installed by PGS at the Delivery Point and generally accepted natural gas utility practices to determine the quantities received and/or redelivered hereunder.

4.3 Interruption of Service. Transporter shall not be required to deliver Gas to the Redelivery Point to the extent that Transporter must curtail or interrupt service because of: (1) performance of required maintenance on the Pipeline Facilities; (2) occurrence of a Force Majeure event; (3) curtailment or interruption of deliveries by FGT at the Lake Blue Gate Station or by PGS at the Delivery Point; (4) an order of the FPSC directing curtailment of Shipper's service; or (5) Shipper's failure to pay the Fixed Quarterly Charge for a period of sixty (60) days after notice of such nonpayment. Transporter shall provide Shipper with notice of the need for curtailment or interruption of deliveries of Gas to the Power Generation Facility pursuant to this Article 4.3 as soon as practicable. Notwithstanding the provisions of this Article 4.3, Transporter shall use commercially reasonable efforts to schedule and perform all major maintenance of the Pipeline Facilities during periods when the Power Generation Facility is not in service.

Transporter hereby waives any right it may have to curtail or otherwise disrupt deliveries of Gas under this Agreement except as provided in this Article 4.3.

4.4 Delivery Pressure. Transporter shall use commercially reasonable efforts to deliver the Gas to the Redelivery Point at a pressure of no less than the pressure at which Gas is delivered to Transporter, as such pressure is measured by PGS at the Delivery Point, less any loss of pressure associated with friction. Transporter shall not be required to install any pipeline, compression or other facilities, other than the Pipeline Facilities contemplated by this Agreement, to guarantee any specific delivery pressure.

ARTICLE 5

TITLE, CONTROL AND INDEMNIFICATION

5.1 Good and Merchantable Title to Gas. Shipper warrants that it will have good and merchantable title to all Gas delivered to Transporter by PGS for Shipper's account at the Delivery Point.

A. Shipper will indemnify Transporter and save it harmless from all suits, actions, debts, accounts, damages, costs, including reasonable attorney's fees, losses, and expenses arising out of the adverse claim of any person or persons to said Gas, or title thereto, for any royalties, taxes, licenses, fees or charges which are applicable prior to the time of delivery of said Gas to Transporter or after redelivery by Transporter to Shipper.

B. Transporter will indemnify Shipper and save it harmless from all suits, actions, debts, accounts, damages, costs, including reasonable attorney's fees, losses, and expenses arising out of the adverse claim of any person or persons to said Gas, or title thereto, for any royalties, taxes, licenses, fees or charges which are applicable while said Gas is in Transporter's possession and control prior to the time of redelivery of said Gas to Shipper.

5.2 Control. Transporter shall be deemed to be in control and possession of the Gas to be transported by it upon delivery of such Gas at the Delivery Point and until it shall have been redelivered to Shipper at the Redelivery Point; and Shipper shall be deemed to be in control and possession of such Gas prior to such delivery to Transporter and after such redelivery to Shipper. Each Party, while deemed to be in control and possession of such Gas, shall be responsible for, and will indemnify and hold the other harmless from, any and all claims, actions, suits, including attorney's fees, arising out of or relating in any way to custody and control of such Gas.

ARTICLE 6

CONTRACT RATE

6.1 Fixed Quarterly Charge. Commencing on the earlier of:

- (a) the first day on which service is provided to the Power Generation Facility under this Agreement, or
- (b) April 1, 1994, provided that the Pipeline Facilities are ready for service hereunder and Transporter has given Shipper written notice of such, whether or not service has commenced under this Agreement,

(such earlier date being the "Commencement Date") and on the first day of each calendar quarter thereafter during the Base Term, Shipper shall pay Transporter a fixed quarterly charge of thirty-two thousand eight hundred and fifty dollars (\$32,850.00) (the "Fixed Quarterly Charge"). In the event that service to the Power Generation Facility under this Agreement commences on a date other than the first day of a calendar quarter, the Fixed Quarterly Charge for that initial period shall be reduced proportionately. The Fixed Quarterly Charge is a negotiated rate under Transporter's Large Volume Contract Transportation Service (LVCTS) Rate Schedule, as contained in Transporter's Tariff, as such Rate Schedule may be amended from time to time, except that the Fixed Quarterly Charge includes only Transporter's charge for Gas transported and redelivered under this Agreement and does not include any charges for transportation service by FGT, PGS or any other transporter transporting Shipper's Gas prior to delivery to Transporter at the Delivery Point. The Fixed Quarterly Charge is

subject to the continuing jurisdiction of the FPSC to the extent such charge is determined in a base rate proceeding to be less than the fully allocated cost of service during the Base Term of this Agreement.

6.2 Renewal Term Charge. Unless either Party gives notice to the other Party of its intention to terminate this Agreement at the expiration of the Base Term pursuant to Article 2.2, at least sixty (60) days prior to the end of the Base Term Transporter and Shipper shall submit for FPSC approval a Renewal Term rate based on Transporter's fully allocated costs of operating and maintaining the Pipeline Facilities per Renewal Term (the "Renewal Term Charge"). The Renewal Term Charge is subject to the continuing jurisdiction of the FPSC to the extent such charge is determined in a base rate proceeding to be less than the fully allocated cost of service during any Renewal Term of this Agreement.

6.3 Taxes. If, during the term of this Agreement, the Federal Government, or any State, municipality or subdivision of such State, should increase any present tax or levy any additional tax relating to the service provided by Transporter under this Agreement, any such additional tax directly attributable to such service and actually paid by Transporter shall be added to the Fixed Quarterly Charge, and in such event Transporter shall provide to Shipper supporting documentation with any bill or statement.

6.4 Payment Upon Early Termination. The Fixed Quarterly Charge is based in part upon Transporter's incurring estimated construction and interest costs associated with the Pipeline Facilities of seven hundred nine thousand three hundred and twenty-five dollars (\$709,325.00) (the "Pipeline Construction Costs"). In the event that this Agreement is terminated for any reason after Transporter has incurred such costs and before Shipper has paid Transporter the total Pipeline Construction Costs, Shipper shall pay Transporter, within thirty (30) days after such termination becomes effective, a sum equal to the difference between the Pipeline Construction Costs and the aggregate amount in Fixed Quarterly Charges (less applicable taxes charged to Shipper pursuant to Article 6.3 hereof), which Shipper had paid to Transporter prior to that date for service under this Agreement. In the event that this Agreement is terminated pursuant to Article 2.3 before Transporter has completed construction of the Pipeline Facilities, and Transporter has not incurred all such Pipeline Construction Costs, Shipper shall pay Transporter, within thirty (30) days after such termination becomes effective and upon receiving reasonably satisfactory evidence of Transporter's incurrence of the construction and interest costs associated with the Pipeline Facilities, a sum equal to the amount of such costs incurred by Transporter up until the date of Transporter's receipt of Shipper's termination notice pursuant to Article 2.3B, and upon receipt of such amount Transporter shall return the Letter of

Credit to the bank issuing such Letter of Credit for cancellation.

6.5 Irrevocable Letter of Credit.

A. To provide assurance of payment of the Fixed Quarterly Charges and any termination payment which may be required under Article 6.4 hereof, Shipper shall provide to Transporter, upon execution of this Agreement by both Parties, and thereafter shall cause to be maintained in effect, an Irrevocable Letter of Credit in an initial aggregate face amount of Seven Hundred Nine Thousand Three Hundred Twenty-five dollars (\$709,325.00) (the "Letter of Credit"). The Letter of Credit shall be in favor of Transporter as beneficiary, shall be substantially in the form and substance as Exhibit B hereto, shall be issued and confirmed, if applicable, by financial institutions satisfactory to Transporter in its reasonable discretion, shall be dated no later than the date of delivery and shall: (i) expire no later than seventy (70) months after the Commencement Date, or (ii) if scheduled to expire earlier than such date, be replaced before such expiration by a substitute Letter of Credit satisfying the terms of this Agreement. Shipper shall give Transporter prior notice of its intent to replace the Letter of Credit with a substitute Letter of Credit. Transporter shall be obligated to immediately notify the bank issuing any Letter of Credit being replaced hereunder of Transporter's receipt of a substitute Letter of Credit and, upon such receipt, shall return the replaced Letter of Credit to the bank issuing such Letter of Credit for cancellation. The effectiveness of any

substitute Letter of Credit may be conditioned on Transporter's release of the Letter of Credit being replaced hereunder.

B. Should Shipper not provide a letter of credit acceptable to Transporter within ten (10) business days of the notice to commence construction of the Pipeline Facilities under Section 3.1 hereof, either Party may terminate this Agreement with no further obligation to the other Party. In the event the bank issuing the then-current Letter of Credit should file for bankruptcy or become insolvent, Transporter may, at its sole discretion, suspend deliveries of Gas under this Agreement, upon thirty (30) days written notice to Shipper, until a new letter of credit is provided. All other provisions of this Agreement shall survive any suspension of deliveries by Transporter.

C. Transporter hereby agrees that Bank of America and any bank or lending institution deemed to be investment grade by Standard and Poor's Corporation or Moody's Investors Services, Inc. is an acceptable issuing financial institution for any Letter of Credit hereunder, and that no confirming bank shall be required for the negotiation of the Letter of Credit.

D. If there shall be insufficient payment to Transporter of the amounts and obligations allocated to Shipper under Section 6.1 or Section 6.4 hereof, when any such amounts or obligations are due and payable, Transporter may draw under the Letter of Credit for payment of such amounts.

E. The face amount of the Letter of Credit shall automatically reduce (i) upon receipt by the bank issuing the Letter of Credit of written notice from Shipper of payment of any

Fixed Quarterly Charge made pursuant to Section 6.1 hereof (exclusive of any applicable taxes assessed pursuant to Section 6.3 hereof), in an amount equal to the amount of such payment, and (ii) on the date any demand for payment thereunder is honored, in an amount equal to the amount of such draw. Shipper shall be under no obligation to reinstate any face amount of the Letter of Credit upon or after any reductions in such stated amount.

6.6 FERC Order No. 636 Transition Costs. Shipper shall not be liable under this Agreement for any costs directly or indirectly associated with FGT's compliance with FERC Order No. 636 (57 Fed. Reg. 13,267 (April 16, 1992), III FERC Stats. and Regs. ¶ 30,939 (1992)), which are incurred by or allocated to Transporter under Transporter's service agreements with FGT, and Transporter shall take no affirmative action seeking to impose upon Shipper under this Agreement any Order No. 636 - related charges which are incurred by or allocated to Transporter under its service agreements with FGT.

ARTICLE 7

TARIFF APPLICABILITY

Sections 8.4, 14, and 16 of the General Terms and Regulations of Transporter's Tariff, including any amendments thereto which become effective during the term of this Agreement, are hereby incorporated into this Agreement and made a part hereof for all purposes. Any and all other provisions of the General Terms and Conditions of such Tariff are specifically

waived by the Parties. In the event of any conflict between said provisions of said General Rules and Regulations and specific provisions of this Agreement, the latter shall prevail.

ARTICLE 8

FORCE MAJEURE

8.1 Suspension of Performance. In the event of either Party, Transporter or Shipper, being rendered unable wholly or in part by Force Majeure to carry out its obligations under this Agreement, other than to make payments due hereunder, it is agreed that on such Party giving notice and full particulars of such Force Majeure to the other Party as soon as possible after the occurrence of the cause relied on, then the obligations of the Party giving such notice, so far as they are affected by such Force Majeure, shall be suspended during the continuance of any inability so caused but for no longer period, and such cause shall as far as possible be remedied with all reasonable dispatch.

8.2 Definition. The term "Force Majeure", as employed herein, shall mean acts of God, strikes, lockouts, or other industrial disturbances, acts of the public enemy, wars, blockades, insurrections, riots, epidemics, landslides, lightning, earthquakes, fires, storms, floods, washouts, arrests and restraints of government and people, civil disturbances, explosions, breakage or freezing of or accidents to the Pipeline Facilities, and any other cause, whether of the kind herein enumerated or otherwise, not within the control of the Party

claiming suspension and which by the exercise of due diligence such Party is unable to prevent or overcome; such term shall likewise include: (a) in those instances where either Party is required to obtain servitudes, rights of way grants, permits, or licenses to enable such Party to fulfill its obligations hereunder, the inability of such Party to acquire, or the delays on the part of such Party in acquiring, at reasonable cost and after the exercise of due diligence, such servitudes, rights of way grants, permits, or licenses; and (b) in those instances where either Party is required to furnish materials and supplies for the purpose of constructing or maintaining facilities or is required to secure grants or permissions from any governmental agency to enable such Party to acquire, or the delays on the part of such Party in acquiring, at reasonable cost and after the exercise of due diligence, such materials and supplies, permits and permissions.

8.3 Settlement of Strikes. It is understood and agreed that the settlement of strikes or lockouts shall be entirely within the discretion of the Party having the difficulty, and that the above requirement that any Force Majeure shall be remedied with all reasonable dispatch shall not require the settlement of strikes or lockouts when such course is inadvisable in the discretion of the Party having the difficulty.

ARTICLE 9

DISPUTE RESOLUTION

9.1 Purpose and Scope.

A. The Parties agree that any dispute arising under this Agreement which is not subject to the exclusive jurisdiction of the FPSC shall be resolved solely by application of the procedures set forth in this Article 9. The procedures set forth herein may be modified by agreement of the Parties with respect to any particular dispute which is subject to these procedures.

B. Each Party shall continue to perform its obligations under this Agreement pending final resolution of any dispute which is subject to these procedures. All applicable statutes of limitation and defenses based upon the passage of time shall be tolled while the procedures specified in this Article 9 are pending. The Parties shall take such action, if any, as may be required to effectuate such tolling.

9.2 Commencement of Dispute Resolution Proceeding. A dispute subject to the procedures provided herein shall be resolved in a dispute resolution proceeding ("DRP"). A DRP shall be commenced by either Party giving written notice to the other of the matter in dispute.

9.3 Negotiations. Within ten (10) days after delivery of such notice, authorized officers of the Parties shall meet at a mutually acceptable time and place in or near Winter Haven, Florida to exchange relevant information and to attempt to resolve the dispute through good faith negotiations. Requests for information shall be reasonable; responses shall be prompt

and complete. If the matter is not resolved within thirty (30) days after delivery of the notice to commence, the DRP shall proceed to mediation.

9.4 Mediation.

A. Within forty (40) days after delivery of the notice to commence the DRP, the Parties shall attempt to agree on the selection of a mediator with professional experience in natural gas and electric generation issues (the "Mediator"), or, failing such agreement, the Parties shall select a Mediator from the Center for Public Resources' Panel of Neutrals or other agreed upon registry of persons skilled in dispute resolution. The Parties shall bear equally the costs of the Mediator.

B. Within twenty (20) days after selection of the Mediator, the Parties shall meet at a mutually acceptable time and place to present their positions to the Mediator. At least five (5) days prior to such meeting, each Party shall submit to the Mediator and to the other Party a statement of position on the issues remaining in dispute and a summary of the evidence and arguments supporting its position.

C. The Mediator shall prescribe the order of, and appropriate time limits for, the Parties' presentations at the meeting. The Mediator may request the Parties to provide additional information or arguments in support of their positions at or following the meeting. The Mediator, with the agreement of the Parties, may schedule additional mediation meetings.

D. The Mediator shall not have any ex parte communication with either of the Parties.

9.5 Mediator's Recommended Decision.

A. If the Parties fail to resolve all disputed issues through the mediation process described above, the Mediator shall submit to them, within thirty (30) days after the final mediation meeting, a draft recommended decision. The Parties may submit to the Mediator their comments on the draft recommended decision within fifteen (15) days after its issuance, and each Party shall submit a copy of such comments to the other Party. The Mediator shall submit to the Parties a final decision on all remaining issues within fifteen (15) days after receipt of any comments by the Parties.

B. The Parties agree to be bound by the Mediator's final decision, except that either Party may, within fifteen (15) days after the issuance of the Mediator's final decision, file a petition with the FPSC seeking review of the decision solely on the grounds that such decision: (i) was procured by corruption, fraud or undue means; (ii) was the result of evident partiality or misconduct by the Mediator; or (iii) would, if given effect, be unlawful under the laws of the State of Florida. If the FPSC makes any such finding, the Mediator's decision shall be given no effect, and the FPSC shall issue its own decision on the issues remaining in dispute.

9.6. Confidentiality. All communications by the Parties or their representatives with respect to a dispute which is the subject of a DRP shall be privileged and confidential and shall not be disclosed or admissible in evidence, unless: (i) they bear directly on allegations that the Mediator's decision should

be rejected for reasons of fraud, corruption, misconduct or evident partiality; or (ii) the FPSC or a court of competent jurisdiction determines that such disclosure is necessary.

ARTICLE 10

MISCELLANEOUS

10.1 Notice and Service. All notices, consents or approvals required or permitted to be given hereunder shall be in writing and shall be deemed given to a Party at its address set forth below, or to such other address as any Party may designate from time to time by notice to the other Party given in accordance herewith: (i) upon delivery in person; (ii) on the third (3rd) business day after mailing by registered or certified mail, postage prepaid; (iii) on the next business day after timely delivery to an overnight common carrier service, service fee payable by the sending Party, for next-day delivery; or (iv) on the date of facsimile transmission by telephone line provided such transmission is followed by delivery of a copy of such notice within twenty-four (24) hours pursuant to clauses (i) or (iii):

Shipper: Auburndale Power Partners,
 Limited Partnership

 Suite 420
 Fairfax, Virginia 22033-3808
 Attention: Executive Director

Transporter: Central Florida Gas Company
 Post Office Box 960
 Winter Haven, Florida 33882
 Attention: Division Manager

or such other address as such Party may hereafter specify for the purposes by notice to the other Party.

10.2 Captions. The captions in this Agreement are for the convenience of the Parties in identification of the provisions hereof and are not intended to be inclusive, definitive or to affect the meaning, content or scope of this Agreement.

10.3 Assignment. This Agreement shall be binding upon and inure to the benefit of the respective successors and permitted assigns of the Parties. The respective rights and obligations of either Party hereto shall not be assignable without the consent of the other Party, and such consent shall not be unreasonably withheld. Notwithstanding the foregoing, Shipper is expressly permitted to assign this Agreement to any Financier, any Affiliate of Shipper, to any limited or general partnership in which Shipper is a partner, and to a person to which the Power Purchase Agreement is assigned in compliance with the provisions of the Power Purchase Agreement.

10.4 Cooperation with Financier.

A. Transporter agrees that in connection with the collateral assignment by Shipper to Financier, it will execute an appropriate consent to such assignment as reasonably requested by such Financier acknowledging, in effect, that this Agreement has been duly authorized and is valid and enforceable against Transporter and does not conflict with any law binding upon Transporter or its articles of incorporation or by-laws, that this Agreement is in full force and effect, that Transporter will not agree to any amendment to this Agreement without Financier's

approval in writing, that it will deliver to Financier a copy of each notice of default and will give Financier a reasonable opportunity (in any event not less than thirty (30) days) to cure, that it will not terminate this Agreement without giving Financier prior notice, and that in the event Financier succeeds to the interest of Shipper under this Agreement by reason of the exercise of its rights under its loan documentation with Shipper, Transporter will accept performance by Financier or its successors or assigns notwithstanding any restriction under or in accordance with this Agreement. Transporter also agrees, upon request of Shipper, to furnish to Financier a reasonable opinion of counsel to Transporter with respect to the enforceability of the Agreement against Transporter.

B. The Parties recognize that this Agreement is subject to approval by Financier and if any such Financier requires any reasonable modifications to the provisions of this Agreement, Shipper shall request that Transporter consent to such modifications. Transporter may withhold its consent if the requested modification is: (i) made after Shipper and Financier have entered into a credit facility and the Financier has authorized the release of funds under such credit facility; (ii) inconsistent with the regulatory requirements of the FPSC or any other body having jurisdiction over the Parties; or (iii) will have a material adverse effect on Transporter.

10.5 Consents and Approvals. Consents and approvals contemplated by this Agreement shall not be unreasonably delayed or withheld.

10.6 Governing Law. The interpretation and performance of this Agreement shall be in accordance with the laws of the State of Florida.

10.7 Applicable Law.

A. This Agreement shall be subject to all of the rules, regulations, and orders of any duly constituted federal or state regulatory authorities having jurisdiction hereof. The Parties shall comply at all times with all applicable federal, state, municipal, and other laws, ordinances and regulations. Transporter and/or Shipper will furnish any information or execute any documents required by any duly constituted federal or state regulatory authority in connection with the performance of this Agreement.

B. In the event this Agreement or any provisions herein shall be found contrary to or in conflict with any such law, order, directive, rule or regulation, the latter shall be deemed to control, but nothing in this Agreement shall prevent either Party from contesting the validity of any such law, order, directive, rule or regulation, nor shall anything in this Agreement be construed to require either Party to waive its respective rights to assert the lack of jurisdiction of any governmental agency other than the FPSC over this Agreement or any Party thereof. In the event of such contestation, and unless otherwise prohibited from doing so, Transporter shall continue to transport and Shipper shall continue to take Gas pursuant to the terms of this Agreement. In the event any law, order, directive, rule, or regulation shall prevent either Party from performing

hereunder, then neither Party shall have any obligation to the other during the period that performance is precluded.

10.8 Filing With FPSC. Not later than five (5) days after execution of this Agreement by both Parties, Transporter shall file this Agreement with the FPSC for approval. Shipper agrees to intervene and support Transporter's request for such approval.

10.9 Entire Agreement. This Agreement supersedes any and all oral or written agreements and understandings heretofore made relating to the subject matters herein and constitutes the entire agreement and understanding of the Parties relating to the subject matters herein.

10.10 Severability. If any provision of this Agreement becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, this Agreement shall continue in full force and effect without said provision; provided, however, that if such severability materially changes the economic benefits of this Agreement to either Party, the Parties shall negotiate an equitable adjustment in the provisions of this Agreement in good faith.

10.11 Survival of Obligations. Shipper's obligation with respect to payments and the Letter of Credit required under Article 6 of this Agreement, and Shipper's and Transporter's obligations with respect to indemnification under this Agreement shall survive termination or expiration of this Agreement. Shipper's obligation with respect to the Letter of Credit required under Article 6 of this Agreement shall survive assignment of this Agreement until a replacement letter of credit

on similar terms and conditions as the Letter of Credit is put in place by Shipper's assignee.

10.12 Legal Fees. In the event of litigation between the Parties arising out of or in connection with this Agreement, then the reasonable attorneys' fees and costs of the Party prevailing in such litigation shall be paid by the other Party.

10.13 Amendments. No amendment or modification of the terms of this Agreement shall be binding on Transporter or Shipper unless reduced in writing and signed by both Parties.

10.14 Counterparts. This Agreement may be executed in any number of counterparts, and each executed counterpart shall have the same force and effect as an original instrument.

IN WITNESS WHEREOF, the Parties have caused this Agreement
to be signed by their respective officers thereunto duly
authorized as of the date first stated above.

EXHIBIT A

DESCRIPTION OF PIPELINE FACILITIES

The Pipeline Facilities shall consist of the following:

- A. An interconnecting pipe having a minimum diameter of ten (10) inches connecting the Delivery Point to the Redelivery Point, including: (i) approximately twelve thousand one-hundred (12,100) feet of ten (10) inch coated steel pipe along the West and South sides of Recker Highway (SR 655) from the FGT/PGS Lake Blue Gate Station south of SR 542 to Chambers Road; (ii) approximately eight hundred (800) feet of ten (10) inch coated steel pipe along the East side of Chambers Road and onto the site of the Power Generation Facility; (iii) one (1) ten (10) inch block valve at the FGT/PGS Lake Blue Gate Station; and (iv) one (1) ten (10) inch block valve and one (1) four (4) inch blow-down valve at the site of the Power Generation Facility;
- B. An odorizing system for odorizing Shipper's Gas, consisting of one (1) odorant injector assembly with above-ground bulk odorant storage facilities (not to exceed one thousand (1,000) gallons capacity) to be installed at the FGT/PGS Lake Blue Gate Station; and
- C. Any and all real and personal property associated with paragraphs A and B immediately above.

A map illustrating the general design and location of the Pipeline Facilities is attached hereto.

AMENDMENT NO. 1 TO GAS TRANSPORTATION AGREEMENT

This Amendment made and entered into this 23rd day of September, 1993, between the Central Florida Gas Company Division of Chesapeake Utilities Corporation, a Delaware corporation, ("Transporter"), and Auburndale Power Partners, Limited Partnership, a Delaware limited partnership ("Shipper") (collectively, the "Parties"), constitutes an amendment to the Gas Transportation Agreement dated July 8, 1993, between the Parties (the "Agreement").

- A. Transporter and Shipper previously entered into the Agreement for Transporter's delivery of natural gas on behalf of Shipper through new pipeline facilities to be constructed by Transporter (the "Pipeline Facilities").
- B. Transporter and Shipper desire to amend to Agreement in order to clarify the capacity of the Pipeline Facilities.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for such other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree to amend the Agreement as follows:

- 1. Article 3.2, on page 8, is amended by deleting "45.6 MMBtu per day" therefrom and inserting "45,600 MMBtu per day" in lieu thereof.
- 2. All terms and conditions of the Agreement not expressly amended herein shall remain in full force and effect.
- 3. This Amendment supplements the Agreement, and supersedes any and all prior understandings between the Parties with respect to the subject matter herein.
- 4. This Amendment shall be effective as of the date set forth above, and the effectiveness of this Agreement shall not be subject to approval by the Florida Public Service Commission.
- 5. This Amendment may be executed in any number of counterparts, and each executed counter part shall have the same force and effect as an original instrument.

GAS TRANSPORTATION AGREEMENT

CTS GAS TRANSPORTATION SERVICE AGREEMENT

THIS AGREEMENT, entered into this 8th day of March, 1999, by and between **Chesapeake Utilities Corporation**, a Delaware corporation (doing business in Florida as Central Florida Gas Company and hereinafter referred to as "CUC"), and **Citrosuco North America, Inc.**, a Delaware corporation ("Shipper").

WITNESSETH:

WHEREAS, CUC operates facilities for the distribution of natural gas in the State of Florida;
and

WHEREAS, Shipper has requested that CUC receive certain quantities of gas for Shipper's account, transport such quantities on CUC's distribution system, and redeliver same to Shipper's Facility located at 5937 Highway 60 East, Lake Wales, Polk County, Florida, and CUC agrees to provide such service in accordance with the terms hereof;

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements herein contained, the Parties agree as follows:

ARTICLE I
DEFINITIONS

Unless another definition is expressly stated the following terms and abbreviations, when used in this Agreement and in all exhibits, recitals, and appendices contained in or attached to this Agreement are intended to and will mean as follows:

- 1.1 "Btu" means the amount of heat required to raise the temperature of one pound of water from 59°F. to 60°F. at a constant pressure of 14.73 p.s.i.a.
- 1.2 "Day" means a period of 24 consecutive hours beginning and ending at 10:00 A.M. Eastern clock time, or as defined in Florida Gas Transmission Company's ("FGT's") FERC Tariff, as the same may be amended from time to time.
- 1.3 "°F." means degree(s) Fahrenheit.
- 1.4 "Delivery Point" means the point at the connection of the facilities of an upstream party and a downstream party's facility at which the gas leaves the outlet side of the measuring equipment of the upstream party and enters the downstream party's facility.

GAS TRANSPORTATION AGREEMENT

- 1.5 "Gas" means natural gas which is in conformance with the quality specifications of the Transporter.
- 1.6 "Lease" means that certain Pipeline Lease Agreement between Shipper and CUC dated as of even date herewith.
- 1.7 "Maximum Daily Transportation Quantity" or "MDTQ" means the largest quantity of gas, expressed in MMBtu, that CUC is obligated to transport and make available to a Shipper under any applicable Service Agreement or Service Agreements for Firm Transportation Service on any one day.
- 1.8 "Month" means a period beginning at 10:00 A.M. Eastern clock time on the first day of a calendar month and ending at 10:00 A.M. Eastern clock time on the first day of the next succeeding calendar month, or as defined in FGT's FERC Tariff, as the same may be amended from time to time.
- 1.9 "MMBtu" means 1,000,000 Btu's or ten (10) therms.
- 1.10 "p.s.i.a." means pounds per square inch absolute.
- 1.11 "Receipt Point" means the point at which gas is received by Transporter into Transporter's system from an upstream service or facility.
- 1.12 "Service Commencement Date" means the date on which title to the Pipeline is conveyed by Bosek, Gibson and Associates, Inc. ("BGA") to Shipper pursuant to Paragraph 26.3 of the General Conditions attached as Exhibit A to the Contract between BGA and Lessor, dated as of even date herewith and providing for BGA's construction of the Pipeline.
- 1.13 "Shipper" means Citrosuco North America, Inc., a Delaware corporation, and its successors and assigns.
- 1.14 "Therm" means a unit of heat equal to 100,000 Btu's.
- 1.15 "Transporter" means Florida Gas Transmission Company, a Delaware corporation, and its successors and assigns.
- 1.16 "Transporter's Delivery Point" means the delivery point on Transporter's system known as CFG-Lake Wales, DRN 3197.

ARTICLE II
POINTS OF DELIVERY AND REDELIVERY

- 2.1 Shipper shall cause the Transporter to deliver to CUC at Transporter's Delivery Point the quantities of gas to be transported by CUC hereunder. CUC shall have no responsibility for

GAS TRANSPORTATION AGREEMENT

transportation of Shipper's gas prior to receipt of such gas from the Transporter at Transporter's Delivery Point. CUC shall deliver such quantities of gas received from the Transporter at Transporter's Delivery Point for Shipper's account to the meter at Shipper's Facility located at 5937 Highway 60 East, Lake Wales, Polk County, Florida.

ARTICLE III
QUANTITIES

- 3.1 Subject to the terms and conditions of this Agreement, CUC agrees to receive from the Transporter, at Transporter's Delivery Point, on a daily basis, a quantity of gas up to Shipper's Maximum Daily Transportation Quantity ("MDTQ"), and to transport and deliver equivalent quantities to Shipper at the meter at Shipper's Facility. Shipper's MDTQ under this Agreement shall be the quantity of gas per day as shown in Exhibit A to this Agreement, which is incorporated herein by reference and made a part hereof.
- 3.2 CUC agrees to increase the MDTQ under this Agreement upon request of Shipper provided CUC determines in its reasonable judgment that the increase requested will not have an adverse effect on the operation of CUC's distribution system. If an increase in the MDTQ has been requested by Shipper and CUC determines that the increase requested will require upgrades to the portion of its distribution system used to provide service to Shipper hereunder, CUC agrees to increase the MDTQ as requested by Shipper if Shipper agrees to contribute financially to the cost of such improvements (a) in the manner then provided in CUC's Natural Gas Tariff on file with the FPSC, or (b) in such other manner as may be acceptable to CUC.

ARTICLE IV
SCHEDULING AND BALANCING

- 4.1 Shipper shall be responsible for nominating quantities of gas to be delivered by the Transporter to Transporter's Delivery Point and by CUC to the meter at Shipper's Facility. Shipper shall promptly provide notice to CUC, via facsimile transmission, of all such nominations. Imbalances between quantities (i) scheduled for delivery by the Transporter to CUC and/or delivery by CUC to the meter at Shipper's Facility, and (ii) actually delivered by the Transporter and/or CUC hereunder, shall be resolved in accordance with the applicable provisions of CUC's Florida Public Service Commission ("FPSC") Natural Gas Tariff, as such provisions may be amended from time to time, subject to approval by the FPSC.
- 4.2 The Parties hereto recognize the desirability of maintaining a uniform rate of flow of gas to the meter at Shipper's Facility over each 24-hour period and each day throughout each month. Therefore, CUC agrees to receive from the Transporter for Shipper's account at Transporter's Delivery Point and deliver to the meter at Shipper's Facility up to the MDTQ as described in Exhibit A attached hereto, subject to any restrictions imposed by the Transporter and to the provisions of Articles V and IX of this Agreement, and Shipper agrees to use commercially reasonable efforts to regulate its deliveries from CUC's gas distribution

GAS TRANSPORTATION AGREEMENT

system at a daily rate of flow not to exceed the applicable MDTQ for the month in question, subject to any additional restrictions imposed by the Transporter or by CUC pursuant to Articles V and VI of this Agreement.

- 4.3 CUC shall make available to Shipper, at Shipper's cost, electronic information with respect to consumption of gas at Shipper's facility as well as all other electronic information CUC obtains from such electronic equipment as may be installed by CUC at Shipper's facility.

ARTICLE V
CURTAILMENT

- 5.1 This Agreement shall be and remain in all respects subject to the applicable provisions of the General Rules and Regulations of CUC's Natural Gas Tariff, as they specifically apply to curtailment, and as approved by the FPSC or its appropriate successor agency or authority, all of which are made a part hereof by this reference.

ARTICLE VI
TITLE, CONTROL AND INDEMNIFICATION

- 6.1 Shipper warrants that it will have good and merchantable title to all gas delivered by the Transporter to CUC for Shipper's account at Transporter's Delivery Point, and that such gas will be free and clear of all liens, encumbrances, and claims whatsoever. Shipper will indemnify CUC and save it harmless from all suits, actions, debts, accounts, damages, costs including reasonable attorneys' fees, losses, and expenses arising from or out of the adverse claim of any and all persons to said gas. CUC will indemnify Shipper and save it harmless from all suits, actions, debts, accounts, damages, costs including reasonable attorneys' fees, losses, and expenses arising from or out of the adverse claim of any and all persons to gas delivered for the account of Shipper to CUC for transportation hereunder which arise from or relate to CUC's transportation of said gas on CUC's distribution system. In the event any adverse claim in respect to said gas is asserted, or Shipper breaches its warranty herein, CUC shall not be required to perform its obligations to transport and deliver gas to the meter at Shipper's Facility or, subject to receipt of any necessary regulatory obligation, to continue service hereunder for Shipper, until such claim has been finally determined; provided, however, that Shipper may receive service if (i) in the case of an adverse claim, Shipper furnishes a bond to CUC, conditioned for the protection of CUC with respect to such claim; or (ii) in the case of a breach of warranty, Shipper furnishes evidence, satisfactory to CUC, of Shipper's title to said gas.
- 6.2 CUC shall be deemed to be in control and possession of the gas to be transported by it upon delivery of such gas by the Transporter to CUC for Shipper's account at Transporter's Delivery Point and until it shall have been delivered to Shipper at the meter at Shipper's Facility; and Shipper shall be deemed to be in control and possession of such gas prior to such delivery to CUC and after such delivery by CUC to Shipper. Each party, while deemed to be in control and possession of such gas, shall be responsible for, and shall indemnify and hold

GAS TRANSPORTATION AGREEMENT

the other harmless from any and all claims, actions, suits, including reasonable attorneys' fees, arising out of or relating in any way to custody and control of such gas.

ARTICLE VII
RATE

- 7.1 During the Initial Term of this Agreement (as defined in Article VIII), CUC shall perform the transportation services provided for in this Agreement in accordance with CUC's approved CTS Transportation Service Rate Schedule at a transportation charge of \$147,000.00 per year (fractional portions of a year in proportion), said amount to be paid by Shipper to CUC within twenty (20) days following the Service Commencement Date, and a like amount to be paid by Shipper to CUC within twenty (20) days following each anniversary of the Service Commencement Date during the term of this Agreement. The transportation charge to be paid to CUC by Shipper during any Secondary Term (as defined in Article VIII) for which the term of this Agreement may be extended shall be \$147,000.00 per year, such amount to be adjusted by the lesser of three percent (3%) per year or the change in the Producer Price Index, from the base year of 1999 through the year in which such Secondary Term commences (fractional portions of a year in proportion), said amount to be paid by Shipper to CUC within twenty (20) days following each anniversary of the Service Commencement Date during any Secondary Term of this Agreement.
- 7.2 CUC and Shipper recognize that (i) the CTS Transportation Service Rate Schedule may change from time to time due to changes in CUC's operations and (ii) that the aforesaid or otherwise applicable rate schedules may be revised, amended or superseded from time to time subject to the approval of the FPSC. CUC and Shipper agree that in any such case, the newly applicable transportation rate schedule or the transportation rate schedule that supersedes any applicable transportation rate schedule or the revised or amended transportation rate schedule, as the case may be, shall apply to this Agreement.
- 7.3 Nothing contained in this Agreement shall prevent CUC from proposing to, and filing with, the FPSC: (i) changes and revisions to any effective rate schedule, (ii) superseding rate schedules, or (iii) any other modifications to its tariff for the purpose of changing the rates, charges and other provisions applicable to the service provided under this Agreement. Nothing contained in this Agreement shall prevent Shipper from opposing any changes, revisions or modifications contained in any proposal or filing made by CUC to or with the FPSC that affect the charges or other provisions applicable to service provided under this Agreement, or from pursuing any other available legal remedy with respect to such changes, revisions or modifications.
- 7.4 If, during the term of this Agreement, the Federal Government, or any State, municipality or subdivision of such Government, should increase any present tax or levy any additional tax (excluding, in either case, any state or federal income tax), relating to the service provided by CUC under this Agreement, any such additional tax required by law to be paid by CUC

GAS TRANSPORTATION AGREEMENT

shall, in CUC's discretion, insofar as such discretion is provided for under applicable law, be either be separately stated on the total amount of the bill or computed on a cents per therm basis and added to the then effective rate for CUC's services hereunder. If, during the term of this Agreement, the Federal Government, or any State, municipality or subdivision of such Government, should decrease or eliminate any tax (excluding, in either case, any state or federal income tax) relating to the service provided by CUC under this Agreement, the reduction in such tax required to be paid by CUC shall, in CUC's discretion, insofar as such discretion is provided for under applicable law, be either be separately stated as a deduction to the total amount of the bill or computed on a cents per therm basis and subtracted from the then effective rate hereunder.

ARTICLE VIII
TERM

- 8.1 Subject to all other provisions, conditions, and limitations hereof, this Agreement shall be effective upon the date of its execution by both parties. The term of this Agreement shall commence on the Service Commencement Date and shall continue in full force and effect until the beginning of the day commencing on October 1, 2009 (the "Initial Term"). Thereafter, Shipper shall have the unilateral right to extend the term of this Agreement for one or more periods of five (5) years, or such other period as to which CUC may agree (any such period being hereinafter referred to as a "Secondary Term"), by giving CUC written notice of the exercise of such right not less than ninety (90) days prior to the expiration of the Initial Term (or any Secondary Term for which this Agreement has been previously extended).
- 8.2 Notwithstanding the provisions of Section 8.1, the provisions and the parties' performance of this Agreement are subject to the regulatory authority of the FPSC, and appropriate approval by the FPSC of the provisions of this Agreement is a condition precedent to the validity, enforceability and applicability hereof. This Agreement shall have no effect whatsoever until FPSC approval thereof shall have been obtained; provided, however, that CUC shall exercise its best efforts to seek and obtain such approval so that the services contemplated by this Agreement may commence on or before October 1, 1999.

ARTICLE IX
CUC'S TARIFF PROVISIONS

CUC's applicable Rate Schedule provisions and applicable Subsections of the General Rules and Regulations of CUC's Natural Gas Tariff approved with the FPSC, including any amendments thereto approved by the FPSC during the term of this Agreement, are hereby incorporated into this Agreement and made a part hereof for all purposes. In the event of any conflict between said provisions of CUC's FPSC Tariff and specific provisions of this Agreement, the latter shall prevail in the absence of an FPSC order to the contrary.

GAS TRANSPORTATION AGREEMENT

ARTICLE X
DISPUTE RESOLUTION

- 10.1 Except as provided in Section 10.2 below, prior to initiating arbitration to resolve a dispute under this Agreement, the parties agree to submit any and all disputes to pre-arbitration mediation under the Florida Rules for Certified and Court Appointed Mediators and Florida Rules of Civil Procedure 1.700 through 1.730 and 1.750, excluding subsection (b), together with the rules of the American Arbitration Association or the Foundation for Dispute Resolution. Accordingly, the parties agree to strictly follow said rules and abide by any agreement entered into as a result of such mediation. Good faith compliance with this section shall be considered a condition precedent to the right to arbitration under this Agreement. This section shall be deemed to be a material inducement to each party's entering into this Agreement.
- 10.2 Subject to Section 10.1, any dispute relating to or arising under this Agreement shall be decided by arbitration conducted in accordance with the arbitration rules and regulations (latest edition) established by the American Arbitration Association ("AAA"), by a single arbitrator appointed by the parties or, failing agreement as to such appointment within thirty (30) days of a party's proposal of an arbitrator, by an arbitrator appointed by the AAA. The physical location of the arbitration shall be in the State of Florida. The decision of such arbitrator shall be final and binding on the parties, who will pay the cost of the arbitrator as he or she directs.

ARTICLE XI
FORCE MAJEURE

- 11.1 In the event of either party hereto being rendered unable, wholly or in part, by force majeure to carry out its obligations under this Agreement, other than to make payments due hereunder, it is agreed that the obligations of such party, so far as they are affected by such force majeure, shall be suspended during the continuation of any inability so caused but for no longer period; and such cause shall as far as possible be remedied with all reasonable dispatch, provided, however, that no party hereto shall be required against its will to adjust any labor dispute. It is agreed that such party shall give notice and full particulars of such force majeure event in writing, telecopied to the other party as soon as reasonably possible after the occurrence of such event.
- 11.2 The term "force majeure" shall mean acts of God, strikes, lockouts, or other industrial disturbances, acts of the public enemy, wars, blockades, insurrections, riots, epidemics, landslides, lightning, earthquakes, fires, storms, hurricanes and hurricane warnings, floods, washouts, arrests and restraints of governments and people, civil disturbances, explosions, breakage or accident to machinery or lines of pipe, the necessity for maintenance of or making repairs or alterations to machinery or lines of pipe, freezing of wells or lines of pipe, partial or entire failure of wells, curtailment, interruption or other unavailability of firm transportation, and any other causes, whether of the kind herein enumerated or otherwise, not

GAS TRANSPORTATION AGREEMENT

within the control of the party claiming suspension and which, in each of the above cases, by the exercise of due diligence such party is unable to prevent or overcome; such terms shall likewise include the inability of either party to acquire, or delays on the part of such party in acquiring at reasonable cost and by the exercise of reasonable diligence, servitudes, rights of way grants, permits, permissions, licenses, materials or supplies which are required to enable such party to fulfill its obligations hereunder.

ARTICLE XII
MISCELLANEOUS PROVISIONS

- 12.1 Notices and other communications. Any notice, request, demand, statement or payment provided for in this Agreement, unless otherwise specified, shall be sent to the parties hereto at the following addresses:

CUC:

Chesapeake Utilities Corporation
Florida Division
P. O. Box 960
Winter Haven, Florida 33882-0960
Attention: Transportation and Exchange
Coordinator
Telephone: (941) 293-1053
Facsimile: (941) 294-3895

Shipper:

Citrosuco North America, Inc.
P. O. Box 3950
Lake Wales, Florida 33859-3950
Attention: Elliott Seabrook
Telephone: (941) 696-7400
Facsimile: (941) 696-1303

- 12.2 Headings. All article headings, section headings and subheadings in this Agreement are inserted only for the convenience of the parties in identification of the provisions hereof and shall not affect any construction or interpretation of this Agreement.
- 12.3 Entire Agreement. This Agreement, the Master Agreement between the parties of even date herewith, and the Pipeline Lease Agreement between the parties of even date herewith, including the exhibit attached hereto, set forth the full and complete understanding of the parties as of the date of their execution by both parties, and supersede any and all prior negotiations, agreements and understandings with respect to the subject matter hereof and thereof. No party shall be bound by any other obligations, conditions or representations with respect to such subject matter.
- 12.4 Amendments. Neither this Agreement nor any of the terms hereof may be terminated, amended, supplemented, waived or modified except by an instrument in writing signed by the party against which enforcement of the termination, amendment, supplement, waiver or modification shall be sought. A change in (a) the place to which notices pursuant to this Agreement must be sent or (b) the individual designated as the Contact Person pursuant to section 12.1 shall not be deemed nor require an amendment of this Agreement provided such change is communicated in accordance with section 12.1 of this Agreement. Further, the parties expressly acknowledge that the limitations on amendments to this Agreement set forth in this section shall not apply to or otherwise limit the effectiveness of amendments which are

GAS TRANSPORTATION AGREEMENT

necessary to comply with the requirements of, or are otherwise approved by, the FPSC or its successor agency or authority.

- 12.5 Severability. If any provision of this Agreement becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, this Agreement shall continue in full force and effect without said provision.
- 12.6 Waiver. No waiver of any of the provisions of this Agreement shall be deemed to be, nor shall it constitute, a waiver of any other provision whether similar or not. No single waiver shall constitute a continuing waiver. No waiver shall be binding unless executed in writing by the party making the waiver.
- 12.7 Legal Fees. In the event of litigation between the parties hereto arising out of or in connection with this Agreement, then the reasonable attorneys' fees and costs of the party prevailing in such litigation shall be paid by the other party.
- 12.8 Independent Parties. CUC and Shipper shall perform hereunder as independent parties and neither CUC or Shipper is in any way or for any purpose, by virtue of this Agreement or otherwise, a partner, joint venturer, agent, employer or employee of the other. Nothing in this Agreement shall be for the benefit of any third person for any purpose, including, without limitation, the establishing of any type of duty, standard of care or liability with respect to any third person.
- 12.9 Assignment and Transfer. No assignment of this Agreement by either party may be made without the prior written approval of the other party (which shall not be unreasonably withheld) and unless the assigning or transferring party's assignee or transferee shall expressly assume, in writing, the duties and obligations under this Agreement of the assigning or transferring party, and upon such assignment or transfer and assumption of the duties and obligations, the assigning or transferring party shall furnish or cause to be furnished to the other party a true and correct copy of such assignment or transfer and assumption of duties and obligations.
- 12.10 Governmental Authorizations; Compliance with Law. This Agreement shall be subject to all valid applicable state, local and federal laws, orders, directives, rules and regulations of any governmental body, agency or official having jurisdiction over this Agreement and the transportation of gas hereunder. CUC and Shipper shall comply at all times with all applicable federal, state, municipal, and other laws, ordinances and regulations. CUC and/or Shipper will furnish any information or execute any documents required by any duly constituted federal or state regulatory authority in connection with the performance of this Agreement. Each party will proceed with diligence to file any necessary applications with any governmental authorities for any authorizations necessary to carry out its obligations under this Agreement. In the event this Agreement or any provisions herein shall be found contrary to or in conflict with any such law, order, directive, rule or regulation, the latter shall be deemed to control, but nothing in this Agreement shall prevent either party from contesting

GAS TRANSPORTATION AGREEMENT

the validity of any such law, order, directive, rule or regulation, nor shall anything in this Agreement be construed to require either party to waive its respective rights to assert the lack of jurisdiction of any governmental agency other than the FPSC over this Agreement or any part thereof. In the event of any such contest, and unless otherwise prohibited from doing so under this Section 12.10, CUC shall continue to transport and Shipper shall continue to take gas pursuant to the terms of this Agreement. In the event any law, order, directive, rule or regulation shall prevent either party from performing hereunder, then neither party shall have any obligation to the other during the period that performance is precluded.

- 12.11 Law Governing Agreement; Venue. This Agreement and any dispute arising hereunder shall be governed by and interpreted in accordance with the laws of the State of Florida. The venue for any action, at law or in equity, commenced by either party against the other and arising out of or in connection with this Agreement shall be in a court of the State of Florida having jurisdiction.
- 12.12 Counterparts. This Agreement may be executed in counterparts, all of which taken together shall constitute one and the same instrument and each of which shall be deemed an original instrument as against any party who has signed it.

SPECIAL CONTRACT

MADE AND ENTERED INTO BETWEEN

**CHESAPEAKE UTILITIES CORPORATION
D/B/A CENTRAL FLORIDA GAS COMPANY**

AND

**THE MINUTE MAID COMPANY,
A DIVISION OF
THE COCA-COLA COMPANY**

SPECIAL CONTRACT

THIS AGREEMENT is entered into by and between Chesapeake Utilities Corporation, a Delaware corporation, doing business as Central Florida Gas Company, (the "Company") and, The Minute Maid Company, A Division of The Coca-Cola Company, a Delaware corporation (the "Shipper").

WITNESSETH:

WHEREAS, Company operates facilities for the distribution of natural gas in the State of Florida; and

WHEREAS, Shipper has requested that Company receive from Transporters certain quantities of Gas for Shipper's account, transport such quantities on Company's distribution system, and deliver same to Shipper's facilities located on Derby Ave. in the City of Auburndale, Florida ("Shipper's Facility") and Company agrees to provide such service in accordance with the terms hereof;

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements herein contained, the parties agree as follows:

ARTICLE I

Definitions

Unless another definition is expressly stated, the following terms and abbreviations, when used in this Agreement and in all exhibits, recitals, and appendices contained or attached to this Agreement are intended to and will mean as follows:

- 1.1 "Btu" means the amount of heat required to raise the temperature of one pound of water from 59 degrees Fahrenheit to 60 degrees Fahrenheit at a constant pressure of 14.73 p.s.i.a.
- 1.2 "Day" means a period of 24 consecutive hours beginning and ending at 9:00 a.m. Central Clock Time ("CCT"); provided that, in the event of a change in the definition of the corresponding term in the tariff of Transporter(s) on file with the Federal Energy Regulatory Commission ("FERC"), this definition shall be deemed to be amended automatically so that it is identical at all times to the definition of the corresponding term in said tariff(s).
- 1.3 "Dekatherm" or "Dt" means 1,000,000 Btu's or ten (10) Therms.
- 1.4 "Delivery Point" means the point at the connection of the facilities of an upstream party and a downstream party's facility at which the Gas leaves the outlet side of the measuring equipment of the upstream party and enters the downstream party's facility.

- 1.5 "Distribution Facilities" means Company-owned facilities starting from the interconnection with a Transporter's pipeline and ending with the outlet side of the measuring equipment of Company's facilities.
- 1.6 "Gas" means natural gas which is in conformance with the quality specifications of the Transporter.
- 1.7 "Maximum Daily Transportation Quantity" or "MDTQ" means the largest quantity of Gas, expressed in Dt's, that Company is obligated to transport and make available for delivery to Shipper under this Agreement.
- 1.8 "Month" means a period beginning at 9:00 a.m. CCT on the first day of a calendar month and ending at 9:00 a.m. CCT on the first day of the next succeeding calendar month; provided that, in the event of a change in the definition of the corresponding term in the tariff of Transporter(s) on file with the FERC, this definition shall be deemed to be amended automatically so that it is identical at all times to the definition of the corresponding term in said tariff(s).
- 1.9 "P.O.I." means Point of Interest, that is, the point at which control and possession of Gas passes from a Transporter to Company.
- 1.10 "p.s.i.a." means pounds per square inch absolute.
- 1.11 "p.s.i.g." means pounds per square inch gauge.
- 1.12 "Receipt Point" means the point at which Gas is received by a Transporter into Transporter's system from an upstream service or facility.
- 1.13 "Therm" means a unit of heat equal to 100,000 Btu's.
- 1.14 "Transporter" means any third party pipeline or pipelines utilized to effect delivery of Gas to the Shipper's Facility.

ARTICLE II
POINTS OF DELIVERY

- 2.1 Shipper shall cause the Transporter to deliver to Company at the Delivery Point on the Transporter's system, (which specified Delivery Point is hereinafter referred to as "Transporter's Delivery Point"), the quantities of Gas to be transported by Company hereunder. Company shall have no responsibility for transportation of Shipper's Gas prior to receipt of such Gas from the Transporter at Transporter's Delivery Point. Company shall deliver such quantities of Gas received from the Transporter at Transporter's Delivery Point for Shipper's account to Company's Delivery Point at the Shipper's Facility.

ARTICLE III
QUANTITIES

- 3.1 Subject to the terms and conditions of this Agreement, Company agrees to receive from the Transporter, at Transporter's Delivery Point, on a daily basis, a quantity of Gas up to Shipper's MDTQ, and Company agrees to transport and deliver equivalent quantities to Shipper at Company's Delivery Point located at the Shipper's Facility. Shipper's MDTQ under this Agreement shall be the quantity of Gas per day as shown in Exhibit A to this Agreement, which is incorporated herein by reference and made a part hereof.

ARTICLE IV
SCHEDULING AND BALANCING

- 4.1 Shipper shall be responsible for nominating quantities of Gas to be delivered by the Transporter to Transporter's Delivery Point and delivered by Company to the Shipper's Facility. Shipper shall promptly provide notice to Company of all such nominations. Such notices shall be provided to Company by facsimile transmission or by other electronic means. Imbalances between quantities (i) scheduled for delivery by the Transporter to Transporter's Delivery Point to be delivered by Company to the Shipper's Facility, and (ii) actually delivered by the Transporter and Company hereunder, shall be resolved in accordance with the applicable provisions of Company's Florida Public Service Commission ("FPSC") Natural Gas Tariff, as such provisions may be amended from time to time, subject to approval by the FPSC.
- 4.2 The parties hereto recognize the desirability of maintaining a uniform rate of flow of Gas to the Shipper's Facility over each 24-hour period and each Day throughout each Month. Therefore, Company agrees to receive from the Transporter for Shipper's account at Transporter's Delivery Point and deliver to Company's Delivery Point up to the MDTQ as described in Exhibit A attached hereto, subject to any restrictions imposed by the Transporter and/or pursuant to the provisions of Articles V and IX of this Agreement, and Shipper agrees to use reasonable efforts to regulate its deliveries from the Distribution Facilities at a daily rate of flow not to exceed the applicable nomination in place, subject to any additional restrictions imposed by the Transporter or by Company pursuant to Articles V and VI of this Agreement.

ARTICLE V
CURTAILMENT

- 5.1 This Agreement in all aspects shall be and remain subject to the applicable provisions of Company's Curtailment Plan, as filed with the FPSC (and as such Curtailment Plan may be amended from time to time), which is made a part hereof by this reference. For purposes of the Curtailment Plan only, Shipper shall be deemed to be in the same priority class as the TS-9 Classification customers

ARTICLE VI
TITLE, CONTROL AND INDEMNIFICATION

- 6.1 Shipper warrants that it will have good and merchantable title to all Gas delivered by the Transporter to Company for Shipper's account at Transporter's Delivery Point, and that such Gas will be free and clear of all liens, encumbrances, and claims whatsoever. In the event any adverse claim in respect to said Gas is asserted, or Shipper breaches its warranty herein, Company shall not be required to perform its obligations to transport and deliver said Gas to Shipper's Facility, subject to receipt of any necessary regulatory authorization, to continue service hereunder for Shipper until such claim has been finally determined; provided, however, that Shipper may receive service if (i) in the case of an adverse claim, Shipper furnishes a bond to Company, conditioned for the protection of Company with respect to such claim; or (ii) in the case of a breach of warranty, Shipper promptly furnishes evidence, satisfactory to Company, of Shipper's title to said Gas.
- 6.2 Shipper shall be deemed to be in control and possession of the Gas prior to delivery to Transporter's Delivery Point; and Company shall be deemed to be in control and possession of the Gas to be transported by it upon delivery of such Gas by Transporter to Transporter's Delivery Point, and until it shall have been delivered to Company's Delivery Points. Each party, while deemed to be in control and possession of such Gas, shall be responsible for, and shall indemnify and hold the other harmless from any and all claims, actions, suits, including attorney's fees, arising out of or relating in any way to custody and control of such Gas.
- 6.3 (a) For value received and to induce Company to enter into this Agreement, Shipper agrees to protect, defend (at Shipper's expense and by counsel satisfactory to Company), indemnify, and save and hold harmless Company, its officers, directors, shareholders, employees, agents, successors and assigns, from and against all direct or indirect costs, expenses, damages, losses, obligations, lawsuits, appeals, claims, or liabilities of any kind or nature (whether or not such claim is ultimately defeated), including in each instance, but not limited to, all costs and expenses of investigating and defending any claim at any time arising and any final judgments, compromises, settlements, and court costs and attorneys' fees, whether foreseen or unforeseen (including all such expenses, court costs, and attorneys' fees in the enforcement of Company's rights hereunder), incurred by Company in connection with or arising out of or resulting from or relating to or incident to:
1. any breach of any of the representations, warranties, or covenants of Shipper contained in this Agreement or in any Exhibit, Schedule, or other document attached hereto and/or incorporated by reference herein, specifically including but not limited to:
- a. any Transporter penalties or other expenses or liabilities for unauthorized overrun Gas, for monthly imbalances, for failure to comply with its

FERC Tariff, or for failure to comply with a curtailment notice or to take deliveries as scheduled, pursuant to Sections 3.1 and 4.1 of this Agreement; and
b. any breach by Shipper of warranty of title to Gas and related obligations, pursuant to Sections 6.1 and 6.2 of this Agreement;

2. any claim by a creditor of Shipper as a result of any transaction pursuant to or contemplated by this Agreement; and
3. any claim against Company relating to any obligation or liability of Shipper, or its affiliates, or any of them of any kind or nature.

In the event that any claim or demand for which Shipper would be liable to Company hereunder is asserted against or sought to be collected from Company by a third party, Company shall promptly notify Shipper of such claim or demand, specifying the nature of such claim or demand and the amount or the estimated amount thereof, if determination of an estimate is then feasible (which estimate shall not be conclusive of the final amount of such claim or demand) (the "Claim Notice"). Shipper shall have twenty (20) days, or such shorter period as the circumstances may require if litigation is involved, from the personal delivery or mailing of the Claim Notice (the "Notice Period") to notify Company:

1. whether or not it disputes its liability to Company hereunder with respect to such claim or demand; and,
2. whether or not it desires, at its sole cost and expense, to defend Company against such claim or demand.

In the event that Shipper notifies Company within the Notice Period that it desires to defend Company against such claim or demand and except as hereinafter provided, Shipper shall have the right to defend Company by appropriate proceedings, which proceedings shall be promptly settled or prosecuted by Shipper to a final conclusion in any manner as to avoid any risk of Company becoming subject to any liability for such claim or demand or for any other matter. If Company desires to participate in, but not control, any defense or settlement, it may do so at its sole cost and expense. If Shipper elects not to defend Company against such claim or demand, whether by not giving Company timely notice as provided above or otherwise, then the amount of any such claim or demand, or, if the same is contested by Shipper or by Company (Company having no obligation to contest any such claim or demand), then that portion thereof as to which such defense is unsuccessful, shall be conclusively deemed to be a liability of Shipper and subject to indemnification as provided hereinabove.

(b) For value received and to induce Shipper to enter into this Agreement, Company agrees to protect, defend (at Company's expense and by counsel satisfactory to Shipper), indemnify, and save and hold harmless Shipper, its officers, directors, shareholders, employees, agents, successors and assigns, from and against all direct or indirect costs, expenses, damages, losses, obligations, lawsuits, appeals, claims, or liabilities of any kind or nature (whether or not such

claim is ultimately defeated), including in each instance, but not limited to, all costs and expenses of investigating and defending any claim at any time arising and any final judgments, compromises, settlements, and court costs and attorneys' fees, whether foreseen or unforeseen (including all such expenses, court costs, and attorneys' fees in the enforcement of Shipper's rights hereunder), incurred by Shipper in connection with or arising out of or resulting from or relating to or incident to:

1. any breach of any of the representations, warranties, or covenants of Company contained in this Agreement or in any Exhibit, Schedule, or other document attached hereto and/or incorporated by reference herein, specifically including but not limited to:
 - a. any breach by Company of warranty of title to Gas and related obligations, pursuant to Sections 6.1 and 6.2 of this Agreement;
2. any claim by a creditor of Company as a result of any transaction pursuant to or contemplated by this Agreement; and,
3. any claim against Shipper relating to any obligation or liability of Company, or its affiliates, or any of them of any kind or nature.

In the event that any claim or demand for which Company would be liable to Shipper hereunder is asserted against or sought to be collected from Shipper by a third party, Shipper shall promptly notify Company of such claim or demand, specifying the nature of such claim or demand and the amount or the estimated amount thereof, if determination of an estimate is then feasible (which estimate shall not be conclusive of the final amount of such claim or demand). Company shall have twenty (20) days, or such shorter period as the circumstances may require if litigation is involved, from the personal delivery or mailing of the Claim Notice to notify Shipper:

1. whether or not it disputes its liability to Shipper hereunder with respect to such claim or demand; and,
2. whether or not it desires, at its sole cost and expense, to defend Shipper against such claim or demand.

In the event that Company notifies Shipper within the Notice Period that it desires to defend Shipper against such claim or demand and except as hereinafter provided, Company shall have the right to defend Shipper by appropriate proceedings, which proceedings shall be promptly settled or prosecuted by Company to a final conclusion in any manner as to avoid any risk of Shipper becoming subject to any liability for such claim or demand or for any other matter. If Shipper desires to participate in, but not control, any defense or settlement, it may do so at its sole cost and expense. If Company elects not to defend Shipper against such claim or demand, whether by not giving Shipper timely notice as provided above or otherwise, then the amount of any such claim or demand, or, if the same is contested by Company or by Shipper (Shipper

having no obligation to contest any such claim or demand), then that portion thereof as to which such defense is unsuccessful, shall be conclusively deemed to be a liability of Company and subject to indemnification as provided hereinabove.

(c) The foregoing indemnification and hold harmless agreement shall benefit both parties from the date hereof and shall survive the termination of this Agreement.

ARTICLE VII **RATE**

- 7.1 The rate to be charged each month for transportation service provided by Company shall be as set forth in Exhibit A to this Agreement, which is incorporated herein by reference and made a part hereof. The rate, as set forth in Exhibit A, has been negotiated between the parties and includes only the Company's transportation rate under this Agreement and does not include any charges for transportation service by any Transporter of Shipper's Gas prior to delivery to Company at the Transporter's Delivery Point. The rate provided in Exhibit A is subject to the continuing jurisdiction of the FPSC and may be adjusted during the term of this Agreement, as provided herein. If, during the term of this Agreement, the rate set forth in Exhibit A becomes higher than the otherwise applicable tariff rate that Shipper would qualify for, then Shipper may elect to terminate this Agreement, with thirty (30) days written notice to Company, and revert to this otherwise applicable tariff rate on the first day of the month subsequent the end of said notice period.
- 7.2 If, during the term of this Agreement, the Federal Government, or any State, municipality or subdivision of such Government, should increase any present tax or levy any additional tax, relating to the service provided by Company under this Agreement, any such additional tax required by law to be paid by Company shall, in Company's discretion, insofar as such discretion is provided for under applicable law, be separately stated on the bill. If, during the term of this Agreement, the Federal Government, or any State, municipality or subdivision of such Government, should decrease or eliminate any tax relating to the service provided by Company under this Agreement, the reduction in such tax required to be paid by Company shall, in Company's discretion, insofar as such discretion is provided for under applicable law, be separately stated as a deduction to the total amount of the bill.

ARTICLE VIII **TERM AND TERMINATION**

- 8.1 Subject to all other provisions, conditions, and limitations hereof, this Agreement shall be effective upon its date of execution by both parties and shall continue in full force and effect for an initial period of fifteen (15) years from the first day of the Month subsequent to the date that Company begins delivery of Gas to Shipper, and shall thereafter be extended for an additional period of five years; unless either party gives written notice of termination to the other party, not less

than ninety (90) days prior to the expiration of the initial or any subsequent term. This Agreement may only be terminated earlier in accordance with the provisions of this Agreement and the parties' respective rights under applicable law.

ARTICLE IX
DEFAULT

- 9.1 The following shall constitute an event of default:
- (a) Shipper or Company fails to satisfy in full the terms and conditions of this Agreement.
 - (b) Shipper or Company voluntarily suspends the transaction of business where there is an attachment, execution or other judicial seizure of any portion of their respective assets;
 - (c) Shipper or Company becomes insolvent or unable to pay its debts as they mature or makes an assignment for the benefit of creditors;
 - (d) Shipper or Company files, or there is filed against it, a petition to have it adjudged bankrupt or for an arrangement under any law relating to bankruptcy; or
 - (e) Shipper or Company applies for or consents to the appointment of a receiver, trustee or conservator for any portion of its properties or such appointment is made without its consent.
- 9.2 If either party fails to perform its obligations under this Agreement, the non-defaulting party shall notify the defaulting party in writing (the "Default Notice") within three (3) days after the non-defaulting party obtained knowledge of such failure to perform. Each such Default Notice shall describe in detail the act or event constituting the non-performance by the defaulting party. The defaulting party shall have five (5) days after its receipt of the Default Notice to cure any such failure to perform, unless such cure can not be accomplished using reasonable efforts within said five (5) day period, in which case the defaulting party shall have such additional time as may be necessary, using reasonable efforts, to cure such non-performance (the "Default Cure Period").
- 9.3 In the event of a default that is not cured within the Default Cure Period, the non-defaulting party may, at its option, exercise any, some or all of the following remedies, concurrently or consecutively:
- (a) any remedy specifically provided for in this Agreement;
 - (b) terminate the Agreement by written notice to the defaulting party; and/or,
 - (c) any remedy existing at law or in equity.

ARTICLE X
COMPANY'S TARIFF PROVISIONS

- 10.1 The following sections of the Company's Natural Gas Tariff approved by the FPSC, including any amendments thereto approved by the FPSC during the term of this Agreement, are hereby incorporated into this Agreement and made a part hereof for all purposes: Classification of Customers; Service Options; Rate Schedules MCF, and Billing Adjustments - BA; and General Terms and

Conditions – Sections 1, 2, 3, 4, 5, 6, 8, 9, 10, 11, and 17. In the event of any conflict between said provisions of Company's FPSC Tariff and specific provisions of this Agreement, the latter shall prevail, in the absence of an FPSC Order to the contrary.

ARTICLE XI
SAFE DESIGN AND OPERATION

- 11.1 Company shall maintain, at no cost to Shipper for the term of this Agreement, the Distribution Facilities in accordance with the Federal Department of Transportation ("FDOT") Regulations, Section 191 and 192 and Chapter 25-12, Florida Administrative Code ("F.A.C."), as such rules and regulations may be amended from time to time, regarding the design, installation, operation and maintenance of natural gas systems.
- 11.2 It shall be the responsibility of Shipper to maintain all Shipper-owned equipment, starting from the outlet side of the measurement equipment at the Company's Delivery Point. The Company agrees to perform (at no charge) for Shipper, for the entire primary term of the Agreement, an annual leak survey, that complies with the above-mentioned regulations, of the underground Shipper-owned facilities from the outlet side of the Company's measurement equipment to the exterior wall of the Shipper's Facility.

ARTICLE XII
MISCELLANEOUS PROVISIONS

- 12.1 Notices and other communications. Any notice, request, demand, statement or payment provided for in this Agreement, unless otherwise specified, shall be sent to the parties hereto at the following addresses:

Shipper: The Minute Maid Company,
A Division of The Coca-Cola Company
2000 St. James Place
Houston, Texas 77056-4198

Attention: James Homco
Phone: 713/888-5119
Facsimile: 713/888-5700

With a copy to: General Counsel
The Minute Maid Company,
A Division of The Coca-Cola Company
2000 St. James Place
Houston, Texas 77056-4198
713/888-5773 - Facsimile

Company: Central Florida Gas Company
P. O. Box 960
Winter Haven, Florida 33882-0960

Attention: Accounting & Rates Manager
Phone: (863) 293- 2125 Ext. 2913
Facsimile: (863) 294-3895

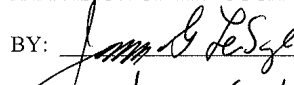

- 12.2 Headings. All article headings, section headings and subheadings in this Agreement are inserted only for the convenience of the parties in identification of the provisions hereof and shall not affect any construction or interpretation of this Agreement.
- 12.3 Entire Agreement. This Agreement, including the Exhibits attached hereto, sets forth the full and complete understanding of the parties as of the date of its execution by both parties, and it supersedes any and all prior negotiations, agreements and understandings with respect to the subject matter hereof. No party shall be bound by any other obligations, conditions or representations with respect to the subject matter of this Agreement.
- 12.4 Amendments. Neither this Agreement nor any of the terms hereof may be terminated, amended, supplemented, waived or modified except by an instrument in writing signed by the party against which enforcement of the termination, amendment, supplement, waiver or modification shall be sought. A change in (a) the place to which notices pursuant to this Agreement must be sent or (b) the individual designated as the Contact Person pursuant to section 11.1 shall not be deemed nor require an amendment of this Agreement provided such change is communicated in accordance with Section 11.1 of this Agreement. Further, the parties expressly acknowledge that the limitations on amendments to this Agreement set forth in this section shall not apply to or otherwise limit the effectiveness of amendments which are necessary to comply with the requirements of, or are otherwise approved by, the FPSC or its successor agency or authority.
- 12.5 Severability. If any provision of this Agreement becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, this Agreement shall continue in full force and effect without said provision; provided, however, that if such severability materially changes the economic benefits of this Agreement to either party, the parties shall negotiate an equitable adjustment in the provisions of this Agreement in good faith.
- 12.6 Waiver. No waiver of any of the provisions of this Agreement shall be deemed to be, nor shall it constitute, a waiver of any other provision whether similar or not. No single waiver shall constitute a continuing waiver. No waiver shall be binding unless executed in writing by the party making the waiver.
- 12.7 Attorneys' Fees and Costs. In the event of any litigation between the parties arising out of or relating to this Agreement, the prevailing party shall be entitled to recover all costs incurred and reasonable attorneys' fees, including attorneys' fees in all investigations, trials, bankruptcies and appeals.

- 12.8 Independent Parties. Company and Shipper shall perform hereunder as independent parties and neither Company or Shipper is in any way or for any purpose, by virtue of this Agreement or otherwise, a partner, joint venturer, agent, employer or employee of the other. Nothing in this Agreement shall be for the benefit of any third person for any purpose, including, without limitation, the establishing of any type of duty, standard of care or liability with respect to any third person.
- 12.9 Assignment and Transfer. No assignment of this Agreement by either party may be made without the prior written approval of the other party (which approval shall not be unreasonably withheld) and unless the assigning or transferring party's assignee or transferee shall expressly assume, in writing, the duties and obligations under this Agreement of the assigning or transferring party, and upon such assignment or transfer and assumption of the duties and obligations, the assigning or transferring party shall furnish or cause to be furnished to the other party a true and correct copy of such assignment or transfer and assumption of duties and obligations.
- 12.10 Governmental Authorizations; Compliance with Law. This Agreement shall be subject to all valid applicable state, local and federal laws, orders, directives, rules and regulations of any governmental body, agency or official having jurisdiction over this Agreement and the transportation of Gas hereunder. Company and Shipper shall comply at all times with all applicable federal, state, municipal, and other laws, ordinances and regulations. Company and/or Shipper will furnish any information or execute any documents required by any duly constituted federal or state regulatory authority in connection with the performance of this Agreement. Each party shall proceed with diligence to file any necessary applications with any governmental authorities for any authorizations necessary to carry out its obligations under this Agreement. In addition to the foregoing, Company shall file within ten (10) business days an appropriate petition with the FPSC seeking approval of the Special Contract. In the event this Agreement or any provisions herein shall be found contrary to or in conflict with any such law, order, directive, rule or regulation, the latter shall be deemed to control, but nothing in this Agreement shall prevent either party from contesting the validity of any such law, order, directive, rule, or regulation, nor shall anything in this Agreement be construed to require either party to waive its respective rights to assert the lack of jurisdiction of any governmental agency other than the FPSC over this Agreement or any part thereof. In the event of such contestation, and unless otherwise prohibited from doing so under this Section 12.10, Company shall continue to transport and Shipper shall continue to take Gas pursuant to the terms of this Agreement. In the event any law, order, directive, rule, or regulation shall prevent either party from performing hereunder, then neither party shall have any obligation to the other during the period that performance is precluded.
- 12.11 Applicable Law and Venue. This Agreement and any dispute arising hereunder shall be governed by and interpreted in accordance with the laws of the State of Florida. Unless otherwise agreed in writing by the parties, venue for any legal action hereunder shall be in Polk County, Florida.

12.12 Counterparts. This Agreement may be executed in counterparts, all of which taken together shall constitute one and the same instrument and each of which shall be deemed an original instrument as against any party who has signed it.

IN WITNESS WHEREOF, the parties have executed this Agreement, in multiple originals, effective as of the date of execution by both parties.

GAS TRANSPORTATION AGREEMENT

THIS AGREEMENT, entered into this 12th day of July, 1994; between CENTRAL FLORIDA GAS COMPANY, a Division of Chesapeake Utilities Corporation, a Delaware corporation, ("Transporter"), and ORANGE COGENERATION LIMITED PARTNERSHIP, a Delaware limited partnership, ("Shipper"). Transporter and Shipper shall be referred to collectively as the "Parties".

WITNESSETH:

WHEREAS, Transporter operates facilities for the distribution of natural gas in the State of Florida; and

WHEREAS, Shipper has requested that Transporter receive certain quantities of gas for Shipper's account from Florida Gas Transmission Company ("FGT") as provided herein, transport such quantities on Transporter's distribution system and redeliver same to Shipper's Cogeneration Facility to be located at Bartow, Florida, and Transporter agrees to provide such service in accordance with the terms hereof;

NOW, THEREFORE, in consideration of the premises and mutual covenants and agreements set forth herein, the Parties agree as follows:

I. POINTS OF DELIVERY AND REDELIVERY

1.1 Shipper shall cause FGT to deliver to Transporter at the Bartow-B, delivery point on FGT's system (hereinafter referred to as "the Delivery Point"), the quantities of gas to be transported by Transporter hereunder. Transporter shall have no responsibility for transportation of Shipper's gas prior to receipt of such gas from FGT at the Delivery Point. Transporter shall redeliver such quantities to Shipper's Cogeneration Facility to be located at

the Orange Co. processing plant on Highway 17 South in Bartow, Florida, (hereinafter referred to as the "Redelivery Point" or "Shipper's Cogeneration Facility").

1.2 In order to provide service under this Agreement it will be necessary for Transporter to incur additional facilities costs to allow gas flows of up to 1,236 dekatherms ("dt") per hour or 29,664 dt per day from the Delivery Point to the Redelivery Point. Transporter shall not incur such costs or commence construction of such facilities until Shipper shall have executed this Agreement, which shall constitute notice to commence construction. Upon execution of this Agreement by Shipper, Transporter shall commence construction of such additional facilities as are required on its system in a diligent and workmanlike manner with the intent of completing the construction by November 30, 1994, and Transporter shall notify Shipper upon completion of the facilities. If, however, after proceeding with due diligence, Transporter is unable to complete construction, by November 30, 1994, of facilities necessary to provide full service under this Agreement, Transporter shall continue to proceed with due diligence to complete construction of such facilities at the earliest practicable date thereafter. Transporter shall not be liable, nor shall this Agreement be subject to cancellation if, despite its exercise of due diligence, Transporter is unable to complete the construction of the required facilities by November 30, 1994.

II. QUANTITIES

2.1 Subject to the terms and conditions of this Agreement, Transporter agrees to receive from FGT daily at the Delivery Point a quantity of gas up to Shipper's Maximum Daily Quantity ("MDQ"), and Transporter agrees to transport and redeliver equivalent quantities to Shipper at the Redelivery Point. Shipper's MDQ under this Agreement shall be

29,664 dt of gas per day.

2.2 Shipper shall have a minimum annual transportation quantity obligation under this Agreement of three million (3,000,000) dt during each twelve-month period, the first such period commencing on the in-service date of Shipper's Cogeneration Facility. Should Shipper deliver, or cause to be delivered, to Transporter for redelivery under this Agreement less than the minimum annual quantity during any such twelve-month period, Shipper shall pay Transporter a Deficiency charge calculated as follows:

$$\text{Deficiency Charge} = (\text{Minimum Annual Transportation Quantity minus the Actual Transportation Quantity}) \text{ multiplied by the rate per dt specified in Section 6.1 of this Agreement.}$$

Any Deficiency Charge due from Shipper will be calculated at the end of each such twelve-month period and included in Shipper's next monthly bill.

III. SCHEDULING AND BALANCING

3.1 Shipper shall be responsible for nominating and scheduling of quantities to be delivered by FGT at the Delivery Point and redelivered by Transporter to Shipper's Cogeneration Facility. Imbalances between quantities (i) scheduled for delivery by FGT to Transporter and/or redelivery by Transporter to Shipper's Cogeneration Facility, and (ii) actually delivered and/or re-delivered hereunder, shall be resolved in accordance with the applicable provisions of Transporter's Natural Gas Tariff filed with the Florida Public Service Commission ("FPSC").

3.2 The Parties hereto recognize the desirability of maintaining a uniform rate of flow of gas to Shipper's Cogeneration Facility over each 24-hour period and each day

throughout each month. Therefore, Transporter agrees to receive from FGT for Shipper's account at the Delivery Point and redeliver to Shipper's Cogeneration Facility up to 1,236 dt per hour, subject to any restrictions imposed by FGT and to the provisions of Articles IV and IX of this Agreement, and Shipper agrees to use commercially reasonable efforts to regulate its takes from Transporter's gas distribution system at a daily rate of flow not to exceed 1,236 dt per hour, subject to any additional restrictions imposed by FGT or by Transporter pursuant to Articles IV and IX of this Agreement.

IV. CURTAILMENT

4.1 Pursuant to the General Rules and Regulations of Transporter's Natural Gas Tariff, it may be necessary, to curtail deliveries to Shipper under this Agreement, and Transporter shall not be liable for any loss or damage that may be sustained by Shipper by reason of such curtailment of service under this Agreement.

4.2 Whenever curtailment of service under this Agreement is required, Transporter shall issue a curtailment order to Shipper specifying the quantity to be curtailed and the time at which such curtailment is to be made. Transporter shall provide notice of curtailment to Shipper as soon as practicable. When curtailment is required solely in order to perform routine or scheduled maintenance on Transporter's system, and not as a result of a force majeure event, as defined in Section 9 of the General Rules and Regulations of Transporter's Natural Gas Tariff, or as a result of a curtailment action taken by FGT for any reason, Transporter shall use commercially reasonable efforts to provide notice of such curtailment to Shipper forty-eight (48) hours before the curtailment order is to be effective. When

restoration of service is permissible, Transporter shall similarly issue a restoration order specifying the quantity of gas to be restored and the time at which such restoration is to be made.

4.3 Shipper shall provide Transporter with the names, addresses, and telephone numbers for those individuals who will be Shipper's designated contact persons during the occurrence of curtailment. The curtailment and restoration orders shall be issued by telephone and followed with written orders by telefax within one (1) business day after the telephonic notification.

V. TITLE, CONTROL AND INDEMNIFICATION

5.1 Shipper warrants that it will have good and merchantable title to all gas delivered by FGT to Transporter for Shipper's account at the Delivery Point. Shipper will indemnify Transporter and save it harmless from all suits, actions, debts, accounts, damages, costs including reasonable attorney's fees, losses, and expenses arising out of the adverse claim of any person or persons to said gas for any taxes, licenses, fees or charges which are applicable prior to the time of delivery of said gas to Transporter or after redelivery by Transporter to Shipper. Similarly, Transporter will indemnify Shipper and save it harmless from all suits, actions, debts, accounts, damages, costs including reasonable attorney's fees, losses, and expenses arising out of the adverse claim of any person or persons to said gas for any taxes, licenses, fees or charges which are applicable while said gas is in Transporter's possession and control prior to the time of redelivery of said gas to Shipper. In the event any adverse claim in respect to said gas is asserted, or Shipper breaches its warranty herein, Transporter shall not be required to perform or, subject to receipt of any necessary regulatory authorization, to

continue service hereunder for Shipper until such claim has been finally determined; provided, however, Shipper may receive service if (i) in the case of an adverse claim, Shipper furnishes a bond to Transporter, in the amount of such claim and with sureties satisfactory to Transporter, conditioned for the protection of Transporter with respect to such claim; or (ii) in the case of a breach of warranty, Shipper furnishes satisfactory evidence of its title to Transporter.

5.2 Transporter shall be deemed to be in control and possession of the gas to be transported by it upon delivery of such gas by FGT to Transporter for Shipper's account at the Delivery Point and until it shall have been redelivered to Shipper at the Redelivery Point; Shipper shall be deemed to be in control and possession of such gas prior to such delivery to Transporter and after such redelivery to Shipper. Each party, while deemed to be in control and possession of such gas, shall be responsible for, and will indemnify and hold the other harmless from, any and all claims, actions, suits, including attorney's fees, arising out of or relating in any way to custody and control of such gas.

VI. RATE

6.1 The rate to be charged for each dt of gas received, transported and redelivered hereunder by Transporter shall be one and one-half cents (\$0.015). This is a negotiated rate under Transporter's Large Volume Contract Transportation Service (LVCTS) Rate Schedule, as filed with the FPSC and as such Rate Schedule may be amended from time to time, except that the rate provided in this Section 6.1 includes only Transporter's Delivery charge per dt of gas transported and redelivered under this Agreement and does not include any charges for firm transportation service by FGT or any other upstream pipeline transporter transporting

Shipper's gas prior to delivery to Transporter at the Delivery Point. The rate provided herein is subject to the continuing jurisdiction of the FPSC and may be adjusted during the term of this Agreement, as provided herein and in Transporter's LVCTS Rate Schedule, the terms of which, as they may be amended from time to time subject to the approval of the FPSC, are incorporated herein by reference. The transportation service under this Agreement is subject to Florida Gross Receipts Tax (currently equal to 2.5%) and a Regulatory Assessment Fee (currently equal to 3/8 of 1%). The Regulatory Assessment Fee and 1.5% of the Gross Receipts Tax are included in the \$0.015 transportation rate. The remaining portion (1%) of the current Gross Receipts Tax shall be added to Shipper's monthly invoice.

6.2 If, during the term of this Agreement, the Federal Government, or any State, municipality or subdivision of such Government, should increase any present tax or levy any additional tax, relating to the service provided by Transporter under this Agreement, any such additional tax actually paid by Transporter shall be computed on a cents per dt basis and added to the then effective rate hereunder. If, during the term of this Agreement, the Federal Government or any State, municipality or subdivision of such Government, should decrease or eliminate any tax paid by Transporter relating to the service provided by Transporter under this Agreement, the reduction in such tax shall be computed on a cents per dt basis and subtracted from the then effective rate hereunder.

6.3 To provide assurance of reimbursement by Shipper to Transporter of the costs of constructing facilities needed to provide service under this Agreement, Shipper shall provide Transporter, on or before the date of execution of this Agreement, and maintain in force an irrevocable letter of credit from a lending institution acceptable to Transporter and on terms

and conditions acceptable to Transporter. Such letter of credit shall be in the amount of \$624,455.00, which amount may from time to time be reduced, upon Shipper's request to reflect amounts paid by Shipper to Transporter under this Agreement. Shipper shall prepay to Transporter the full amount of such letter of credit (\$624,455.00) on the earlier of (a) the in-service date of Shipper's Cogeneration Facility, or (b) the date on which Shipper completes the Financial Closing for Shipper's Cogeneration Facility. The term "Financial Closing" shall mean the date on which all of the lenders' conditions to advance project loans and/or credit facilities for the construction of Shipper's Cogeneration Facility are satisfied on an unrestricted basis. Upon payment of such amount to Transporter, the letter of credit may be terminated. In the event that this Agreement is terminated for any reason after Transporter has incurred costs to construct facilities needed to provide service hereunder and before Shipper has reimbursed Transporter for such costs, Shipper shall pay Transporter, within fifteen (15) days after such termination becomes effective, the entire amount of such unreimbursed facilities construction costs incurred by Transporter to provide service hereunder. In the event that such payment is not made in full within such period, Transporter may draw under any outstanding letter of credit provided by Shipper hereunder the entire amount of such unreimbursed facilities construction costs.

VII. TERM

7.1 Subject to all other provisions, conditions, and limitations hereof, this Agreement shall be effective on the date first above written ("Effective Date"), and shall continue in full force and effect through December 31, 2015. Thereafter, the Agreement shall

be extended on a year-to-year basis unless terminated by either party, with at least twelve (12) months written notice to the other party prior to the termination date.

7.2 Notwithstanding the provisions of Section 7.1 above, should Shipper's Cogeneration Facility not achieve commercial in-service status by January 1, 1996, either Party shall have the right to terminate this Agreement by giving written notice to the other Party, and such termination shall be effective thirty (30) days after delivery of such notice. As provided in Section 6.3 above and Section 11.7 below, termination of this Agreement for any reason, including those set forth in this Section 7.2 and Section 11.5, shall not relieve Shipper of its reimbursement obligations under Section 6.3 of this Agreement.

VIII. PRESSURE

8.1 Pursuant to Section 1.2, Transporter agreed to construct certain facilities to increase the delivery capability of its distribution system by 1236 dt per hour. Transporter shall use commercially reasonable efforts to deliver the gas to Shipper's Cogeneration Facility at a pressure of no less than 550 psig. However, Shipper understands that Transporter's ability to deliver gas to Shipper's Facility at such pressure is dependent on Transporter's receipt of gas from FGT at a pressure of no less than 650 psig. Shipper acknowledges that FGT's FERC tariff does not guarantee delivery pressure in excess of 250 psig. Transporter shall not be required to install any facilities (pipeline, compression or other) to guarantee any specific delivery pressure at Shipper's Facility.

IX. TRANSPORTER'S TARIFF PROVISIONS

9.1 Transporter's LVCTS Rate Schedule and Subsections 3 through 6, 8 through 11, and 13 through 21 of the General Rules and Regulations of Transporter's Natural Gas Tariff filed with the FPSC, including any amendments thereto during the term of this Agreement, are hereby incorporated into this Agreement and made a part hereof for all purposes. In the event of any conflict between said provisions of Transporter's FPSC Tariff and specific provisions of this Agreement, the latter shall prevail.

X. DISPUTE RESOLUTION

10.1 The Parties agree that any dispute arising under this Agreement which is not subject to the exclusive jurisdiction of the FPSC shall be resolved solely by application of the procedures set forth in this Article X. The procedures set forth herein may be modified by agreement of the Parties with respect to any particular dispute which is subject to these procedures.

10.2 Each Party shall continue to perform its obligations under this Agreement pending final resolution of any dispute which is subject to these procedures. All applicable statutes of limitation and defenses based upon the passage of time shall be tolled while the procedures specified in this Article X are pending. The Parties shall take such action, if any, as may be required to effectuate such tolling.

10.3 A dispute subject to the procedures provided herein shall be resolved in a dispute resolution proceeding (DRP). Such a proceeding shall be commenced by either party giving written notice to the other of the matter in dispute.

10.4 Within ten (10) days after delivery of such notice, the Parties shall meet at a

mutually acceptable time and place to exchange relevant information and to attempt to resolve the dispute through good faith negotiations. Requests for information shall be reasonable; responses shall be prompt and complete. If the matter is not resolved within thirty (30) days after delivery of the notice to commence, the DRP shall proceed to mediation.

10.5 Within forty (40) days after delivery of the notice to commence the DRP, the Parties shall attempt to agree on the selection of a Mediator, or, failing such agreement, the Parties shall select a Mediator from the Center for Public Resources' Panel of Neutrals or other agreed upon registry of persons skilled in dispute resolution. The Parties shall bear equally the costs of the Mediator.

10.6 Within twenty (20) days after selection of the Mediator, the Parties shall meet at a mutually acceptable time and place to present their positions to the Mediator. At least five (5) days prior to such meeting, each Party shall submit to the Mediator and to the other Party a statement of position on the issues remaining in dispute and a summary of the evidence and arguments supporting its position. The Mediator shall prescribe the order of, and appropriate time limits for, the Parties' presentations at the meeting. The Mediator may request the Parties to provide additional information or arguments in support of their positions at or following the meeting. The Mediator, with the agreement of the Parties, may schedule additional mediation meetings. The Mediator may confer jointly and separately with the Parties. The Mediator shall not disclose to either Party any information provided in confidence by the other Party, unless the latter authorizes such disclosure.

10.7 If the parties fail to resolve all disputed issues through the mediation process described above, the Mediator shall submit to them, within thirty (30) days after the final

mediation meeting, a draft recommended decision. The Parties may submit to the Mediator their comments on the draft recommended decision within fifteen (15) days after its issuance, and each Party shall submit a copy of such comments to the other Party. The Mediator shall submit to the Parties a final decision on all remaining issues within fifteen (15) days after receipt of any comments by the Parties.

10.8 The Parties agree to be bound by the Mediator's final decision, except that either Party may, within fifteen (15) days after the issuance of the Mediator's final decision, file a petition with the FPSC seeking review of the decision solely on the grounds that it (a) was procured by corruption, fraud or undue means, (b) was the result of evident partiality or misconduct by the Mediator, or (c) would, if given effect, be unlawful under the laws of Florida. If the FPSC makes any such finding, the Mediator's decision shall be given no effect, and the FPSC shall issue its own decision on the issues remaining in dispute.

10.9 All communications by the Parties or their representatives with respect to a dispute which is the subject of a DRP shall be privileged and confidential and shall not be disclosed or admissible in evidence, unless (a) they bear directly on allegations that the Mediator's decision should be rejected for reasons of fraud, corruption, misconduct or evident partiality, or (b) the FPSC or a court determines that such disclosure is necessary.

XI. MISCELLANEOUS PROVISIONS

11.1 Any notice, request, demand, statement or payment provided for in this Agreement, unless otherwise specified, shall be sent to the Parties hereto at the following addresses:

11.2 The captions in this Agreement are for the convenience of the Parties in identification of the provisions hereof and shall not constitute a part of the Agreement, nor be considered interpretive thereof.

11.3 This Agreement shall be binding upon and inure to the benefit of the respective successors and permitted assigns of the parties. The respective rights and obligations of either party hereto shall not be assignable without the consent of the other party, and such consent shall not be unreasonably withheld, except that this Agreement may be assigned without further approval as collateral security to any bank or financial institution providing financing to Shipper ("Shipper's Lender") in connection with Shipper's Cogeneration Facility. Transporter agrees to execute any consent to assignment and such other documents in connection with any assignment to Lender as Lender may reasonably request.

11.4 The interpretation and performance of this Agreement shall be in accordance with the laws of the State of Florida.

11.5 This Agreement shall be subject to all of the rules, regulations, and orders of any duly constituted federal or state regulatory authorities having jurisdiction hereof. Transporter and Shipper shall comply at all times with all applicable federal, state, municipal, and other laws, ordinances and regulations. Transporter and/or Shipper will furnish any information or execute any documents required by any duly constituted federal or state regulatory authority in connection with the performance of this Agreement. Transporter's and Shipper's obligations under this Agreement shall terminate in the event approval of this Agreement by the FPSC is not granted on terms and conditions acceptable to Transporter and Shipper. Transporter shall pursue such approval with due diligence and in good faith, at its own expense, and give Shipper written notice when such approval is obtained. Notwithstanding anything to the contrary herein, if the FPSC has not approved this Agreement by November 30, 1994, then either Party may terminate this Agreement, subject to Section 6.3 hereof, by

sending written notice to the other Party.

11.6 This Agreement shall be subject to all valid applicable state, local and federal laws, orders, directives, rules and regulations of any governmental body, agency or official having jurisdiction over this Agreement and the transportation of gas hereunder. Each Party shall proceed with diligence to file any necessary applications with any governmental authorities for any authorizations necessary to carry out its obligations under this Agreement. In the event this Agreement or any provisions herein shall be found contrary to or in conflict with any such law, order, directive, rule or regulation, the latter shall be deemed to control, but nothing in this Agreement shall prevent either Party from contesting the validity of any such law, order, directive, rule or regulation, nor shall anything in this Agreement be construed to require either party to waive its respective rights to assert the lack of jurisdiction of any governmental agency other than the FPSC over this Agreement or any part thereof. In the event of such contestation, and unless otherwise prohibited from doing so under this Section 11.6, Transporter shall continue to transport and Shipper shall continue to take gas pursuant to the terms of this Agreement. In the event any law, order, directive, rule, or regulation shall prevent either Party from performing hereunder, then neither Party shall have any obligation to the other during the period that performance is precluded.

11.7 Shipper's obligation with respect to (a) minimum annual transportation quantity deficiency charges as defined in Section 2.3, and (b) reimbursement of facilities construction costs as provided in Section 6.3 of this Agreement, and Shipper's and Transporter's obligations with respect to indemnification under this Agreement, shall survive termination of this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date
first stated above.

AMENDMENT
TO
GAS TRANSPORTATION AGREEMENT
BETWEEN
CENTRAL FLORIDA GAS COMPANY
AND
ORANGE COGENERATION LIMITED PARTNERSHIP
EFFECTIVE NOVEMBER 1, 1998

In accordance with the provisions of Paragraph 6.2 of the Gas Transportation Agreement between Central Florida Gas Company and Orange Cogeneration Limited Partnership dated July 12, 1994, the parties agree that the rate to be charged for each dekatherm of gas received, transported and redelivered hereunder by Transporter shall be as set forth below.

Rate effective November 1, 1998 through December 31, 1998

\$0.01478 per dt

Rate effective January 1, 1999 through remainder of term of agreement

\$0.01479 per dt

The rates set forth in this amendment supercede Paragraph 6.1 of the Gas Transportation Agreement between the parties dated July 12, 1994.

**CONTRACT TRANSPORTATION SERVICE (CTS)
AGREEMENT**

MADE AND ENTERED INTO BETWEEN

CHESAPEAKE UTILITIES CORPORATION

AND

PEACE RIVER CITRUS PRODUCTS, INC.

STAMP: CHESAPEAKE
JUL 1 2007

CTS TRANSPORTATION SERVICE AGREEMENT

THIS AGREEMENT, entered into by and between Chesapeake Utilities Corporation, a Delaware corporation, doing business in Florida as Central Florida Gas Company, and hereinafter referred to as ("CUC,") and Peace River Citrus Products, Inc., hereinafter referred to as ("Shipper.")

WITNESSETH:

WHEREAS, CUC operates facilities for the distribution of natural gas in the State of Florida; and

WHEREAS, Shipper has requested that CUC receive from transporter certain quantities of gas for Shipper's account, transport such quantities on CUC's distribution system, and redeliver same to Shipper's Facilities located at Highway 72, and CUC agrees to provide such service in accordance with the terms hereof;

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements herein contained, the Parties agree as follows:

ARTICLE I
Definitions

Unless another definition is expressly stated, the following terms and abbreviations, when used in this Agreement and in all exhibits, recitals, and appendices contained or attached to this Agreement are intended to and will mean as follows:

- 1.1 "Btu" means the amount of heat required to raise the temperature of one pound of water from 59 degrees Fahrenheit to 60 degrees Fahrenheit at a constant pressure of 14.73 p.s.i.a.
- 1.2 "Day" means a period of 24 consecutive hours beginning and ending at 9:00 a.m. Central Clock Time.
- 1.3 "Delivery Point" means the point at the connection of the facilities of an upstream party and a downstream party's facility at which the gas leaves the outlet side of the measuring equipment of the upstream party and enters the downstream party's facility.
- 1.4 "Gas" means natural gas which is in conformance with the quality specifications of the Transporter.
- 1.5 "Maximum Daily Transportation Quantity" or "MDTQ" means the largest quantity of gas, expressed in Dts, that CUC is obligated to transport and make available for delivery to Shipper under any applicable Service Agreement or Service Agreements for CTS Transportation Service on any one day.

- 1.6 "Month" means a period beginning at 9:00 a.m. Central Clock Time ("CCT") on the first day of a calendar month and ending at 9:00 a.m. CCT on the first day of the next succeeding calendar month.
- 1.7 "Dekatherm (Dt)" means 1,000,000 Btu's or ten (10) therms.
- 1.8 "p.s.i.a." means pounds per square inch absolute.
- 1.9 "Receipt Point" means the point at which gas is received by Transporter into Transporter's system from an upstream service or facility.
- 1.10 "Shipper" means the party that has contracted with Transporter for transportation service.
- 1.11 "Therm" means a unit of heat equal to 100,000 Btu's.
- 1.12 "Transporter" means any third party pipeline or pipelines utilized to effect delivery of gas to Peace River's Facility.
- 1.13 "P.O.I." means Point of Interest, that is, the point at which control and possession of gas passes from Florida Gas Transmission to CUC.

ARTICLE II
POINTS OF DELIVERY AND REDELIVERY

- 2.1 Shipper shall cause the Transporter to deliver to CUC at the delivery point on the Transporter's system, (which specified delivery point is hereinafter referred to as "Transporter's Delivery Point"), the quantities of gas to be transported by CUC hereunder. CUC shall have no responsibility for transportation of Shipper's gas prior to receipt of such gas from the Transporter at Transporter's Delivery Point. CUC shall deliver such quantities of gas received from the Transporter at Transporter's Delivery Point for Shipper's account to CUC's Delivery Point at the Shipper's Plant Facilities (hereinafter referred to as "CUC's Delivery Point" or "Shipper's Facilities").

ARTICLE III
QUANTITIES

- 3.1 Subject to the terms and conditions of this Agreement, CUC agrees to receive from the Transporter, at Transporter's Delivery Point, on a daily basis, a quantity of gas up to Shipper's Maximum Daily Transportation Quantity ("MDTQ"), and CUC agrees to transport and deliver equivalent quantities to Shipper at CUC's Delivery Point located at Shipper's Facility. Shipper's MDTQ under this Agreement shall be the quantity of gas per day as shown in Exhibit A to this Agreement, which is incorporated herein by reference and made a part hereof.

ARTICLE IV
SCHEDULING AND BALANCING

- 4.1 Shipper shall be responsible for nominating quantities of gas to be delivered by the Transporter to Transporter's Delivery Point and delivered by CUC to Shipper's Facility. Shipper shall promptly provide notice to CUC of all such nominations. Such notices shall be provided to CUC by facsimile transmission. Imbalances between quantities (i) scheduled for delivery by the Transporter to CUC and/or delivery by CUC to Shipper's Facility, and (ii) actually delivered by the Transporter and/or CUC hereunder, shall be resolved in accordance with the applicable provisions of CUC's Florida Public Service Commission ("FPSC") Natural Gas Tariff, as such provisions may be amended from time to time, subject to approval by the FPSC.
- 4.2 The Parties hereto recognize the desirability of maintaining a uniform rate of flow of gas to Shipper's Facility over each 24-hour period and each day throughout each month. Therefore, CUC agrees to receive from the Transporter for Shipper's account at Transporter's Delivery Point and deliver to CUC's Delivery Point up to the MDTQ as described in Exhibit A attached hereto, subject to any restrictions imposed by the Transporter and to the provisions of Articles V and IX of this Agreement, and Shipper agrees to use reasonable efforts to regulate its deliveries from CUC's gas distribution system at a daily rate of flow not to exceed the applicable nomination in place, subject to any additional restrictions imposed by the Transporter or by CUC pursuant to Articles V and VI of this Agreement.

ARTICLE V
CURTAILMENT

- 5.1 This Agreement in all aspects shall be and remain subject to the applicable provisions of the General Rules and Regulations of CUC's Natural Gas Tariff, as they specifically apply to curtailment, and as approved by the FPSC or its appropriate successor agency or authority, all of which are made a part hereof by this reference.

ARTICLE VI
TITLE, CONTROL AND INDEMNIFICATION

- 6.1 All indemnity and other provisions to this paragraph are strictly limited to issues relating to ownership and title to gas.
- 6.2 Shipper warrants that it will have good and merchantable title to all gas delivered by the Transporter to CUC for Shipper's account at Transporter's Delivery Point, and that such gas will be free and clear of all liens, encumbrances, and claims whatsoever. To the extent provided by law, Shipper will indemnify CUC and save it harmless from all suits, actions, debts, accounts, damages, costs including

reasonable attorneys' fees, losses, and expenses arising from or out of the adverse claim of any and all persons to said gas. CUC will indemnify Shipper and save it harmless from all suits, actions, debts, accounts, damages, costs including reasonable attorneys' fees, losses, and expenses arising from or out of the adverse claim of any and all persons to gas delivered for the account of Shipper to CUC for transportation hereunder which arise from or relate to CUC's transportation of said gas on CUC's distribution system. In the event any adverse claim in respect to said gas is asserted, or Shipper breaches its warranty herein, CUC shall not be required to perform its obligations to transport and deliver gas to Shipper's Facility or subject to receipt of any necessary regulatory authorization, to continue service hereunder for Shipper until such claim has been finally determined; provided, however, that Shipper may receive service if (i) in the case of an adverse claim, Shipper furnishes a bond to CUC, conditioned for the protection of CUC with respect to such claim; or (ii) in the case of a breach of warranty, Shipper furnishes evidence, satisfactory to CUC, of Shipper's title to said gas.

- 6.3 CUC shall be deemed to be in control and possession of the gas to be transported by it upon delivery of such gas by the Transporter to CUC for Shipper's account at Transporter's Delivery Point and until it shall have been delivered to Shipper at CUC's Delivery Point located at Shipper's Facility; and Shipper shall be deemed to be in control and possession of such gas prior to such delivery to CUC and Shipper will be deemed to be in control and possession of such gas after such delivery by CUC to Shipper. Each party, while deemed to be in control and possession of such gas, shall be responsible for, and shall indemnify and hold the other harmless from any and all claims, actions, suits, including attorney's fees, arising out of or relating in any way to custody and control of such gas.

ARTICLE VII
RATE

- 7.1 The rate to be charged each month for transportation service provided by CUC under CUC CTS rate and to be delivered hereunder by CUC, up to the MDTQ established by this agreement, shall be the negotiated monthly reservation fee of \$12,320.00 for the first five (5) year period and a monthly reservation fee of \$13,570.27 for the remaining five (5) year period. After the expiration of the initial term, both parties will negotiate in good faith all contract terms, including, but not limited to, the rate to be charged, length of secondary term and transportation service.
- 7.2 Shipper shall provide an irrevocable letter of credit or surety bond from a lending institution satisfactory to CUC in an initial amount sufficient to cover CUC's construction cost. The principal amount of such letter of credit or surety bond would be reduced annually to reflect reservation charges paid by Shipper during the preceding year.
- 7.3 If, during the term of this Agreement, the Federal Government, or any State, municipality or subdivision of such Government, should increase any present tax

or levy any additional tax, relating to the service provided by CUC under this Agreement, any such additional tax required by law to be paid by CUC shall, in CUC's discretion, insofar as such discretion is provided for under applicable law, be either separately stated on the total amount of the bill or computed on a cents per therm basis and added to the then effective rate for CUC's services hereunder. If, during the term of this Agreement, the Federal Government, or any State, municipality or subdivision of such Government, should decrease or eliminate any tax relating to the service provided by CUC under this Agreement, the reduction in such tax required to be paid by CUC shall, in CUC's discretion, insofar as such discretion is provided for under applicable law, be either separately stated as a deduction to the total amount of the bill or computed on a cents per therm basis and subtracted from the then effective rate hereunder.

ARTICLE VIII
TERM

- 8.1 Subject to all other provisions, conditions, and limitations hereof, this Agreement shall be effective upon its date of execution by both parties and shall continue in full force and effect for an initial period of ten (10) years from the in-service date of FGT's pipeline system or when CUC begins delivery to Peace River Citrus Products, Inc.'s processing plant.

ARTICLE IX
CUC'S TARIFF PROVISIONS

- 9.1 CUC's applicable Rate Schedule provisions and applicable Subsections of the General Rules and Regulations of CUC's Natural Gas Tariff approved with the FPSC, including any amendments thereto approved by the FPSC during the term of this Agreement, are hereby incorporated into this Agreement and made a part hereof for all purposes. In the event of any conflict between said provisions of CUC's FPSC Tariff and specific provisions of this Agreement, the latter shall prevail, in the absence of an FPSC Order to the contrary.

ARTICLE X
SAFE DESIGN AND OPERATION

- 10.1 CUC shall maintain gas system in accordance with the Federal Department of Transportation Regulation 191-192 and Chapter 25-12 of the Florida Public Service Commission, which has statutory powers granted to establish rules and standards for safe design, installation, operation and maintenance of natural gas systems. CUC shall maintain, repair and replace equipment to assure the safety and good working order of this system at no cost to Shipper for the term of this agreement.

- 10.2 It shall be the responsibility of Shipper for the maintenance of the equipment from the meter to burner tip.
- 10.3 Shipper shall have the right to periodic third-party independent inspection of equipment. Inspection shall be a Shipper cost. CUC agrees to correct any defects noted by such inspection which relate to FDOT 191 and 192 and FPSC's Chapter 25-12 rules and regulations at CUC's cost where such defects relate to safety and/or function. The cost of any upgrades in equipment during the term of this agreement shall be paid as mutually agreed.

ARTICLE XI
INDEMNIFICATION

- 11.1 CUC shall indemnify and hold Shipper harmless for damages or injury to persons or property for any claim, suits, or actions arising out material breach by CUC of this Agreement. Shipper shall indemnify and hold CUC harmless for damages or injury to persons or property for any claim, suits, or actions arising out of material breach by Shipper of this Agreement.

ARTICLE XII
MISCELLANEOUS PROVISIONS

- 12.1 Notices and other communications. Any notice, request, demand, statement or payment provided for in this Agreement, unless otherwise specified, shall be sent to the Parties hereto at the following addresses:

Shipper: Peace River Citrus, Inc.
P. O. Box 730
Arcadia, Florida 34265

Attention: Bart Plymale, Vice President, Operations
Phone: (863) 494-0440
Facsimile: (863) 993-3161

CUC: Central Florida Gas Company
P. O. Box 960
Winter Haven, Florida 33882-0960

Attention: Manager of Gas Supply
Phone: (941) 293-8612
Facsimile: (941) 294-3895

- 12.2 Headings. All article headings, section headings and subheadings in this Agreement are inserted only for the convenience of the Parties in identification of the provisions hereof and shall not affect any construction or interpretation of this Agreement.

- 12.3 Entire Agreement. This Agreement, including the Exhibits attached hereto, sets forth the full and complete understanding of the parties as of the date of its execution by both parties, and it supersedes any and all prior negotiations, agreements and understandings with respect to the subject matter hereof. No party shall be bound by any other obligations, conditions or representations with respect to the subject matter of this Agreement.
- 12.4 Amendments. Neither this Agreement nor any of the terms hereof may be terminated, amended, supplemented, waived or modified except by an instrument in writing signed by the Party against which enforcement of the termination, amendment, supplement, waiver or modification shall be sought. A change in (a) the place to which notices pursuant to this Agreement must be sent or (b) the individual designated as the Contact Person pursuant to section 12.1 shall not be deemed nor require an amendment of this Agreement provided such change is communicated in accordance with Section 12.1 of this Agreement. Further, the Parties expressly acknowledge that the limitations on amendments to this Agreement set forth in this section shall not apply to or otherwise limit the effectiveness of amendments which are necessary to comply with the requirements of, or are otherwise approved by FPSC or its successor agency or authority.
- 12.5 Severability. If any provision of this Agreement becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, this Agreement shall continue in full force and effect without said provision; provided, however, that if such severability materially changes the economic benefits of this Agreement to either party, the parties shall negotiate an equitable adjustment in the provisions of this Agreement in good faith.
- 12.6 Waiver. No waiver of any of the provisions of this Agreement shall be deemed to be, nor shall it constitute, a waiver of any other provision whether similar or not. No single waiver shall constitute a continuing waiver. No waiver shall be binding unless executed in writing by the party making the waiver.
- 12.7 Legal Fees. In the event of litigation between the parties hereto arising out of or in connection with this Agreement, then the reasonable attorneys' fees and costs of the party prevailing in such litigation shall be paid by the other party.
- 12.8 Independent Parties. CUC and Shipper shall perform hereunder as independent parties and neither CUC or Shipper is in any way or for any purpose, by virtue of this Agreement or otherwise, a partner, joint venturer, agent, employer or employee of the other. Nothing in this Agreement shall be for the benefit of any third person for any purpose, including, without limitation, the establishing of any type of duty, standard of care or liability with respect to any third person.
- 12.9 Assignment and Transfer. No assignment of this Agreement by either party may be made without the prior written approval of the other party (which approval shall not be unreasonably withheld) and unless the assigning or transferring party's assignee or transferee shall expressly assume, in writing, the duties and

obligations under this Agreement of the assigning or transferring party, and upon such assignment or transfer and assumption of the duties and obligations, the assigning or transferring party shall furnish or cause to be furnished to the other party a true and correct copy of such assignment or transfer and assumption of duties and obligations.

- 12.10 Governmental Authorizations; Compliance with Law. This Agreement shall be subject to all valid applicable state, local and federal laws, orders, directives, rules and regulations of any governmental body, agency or official having jurisdiction over this Agreement and the transportation of gas hereunder. CUC and Shipper shall comply at all times with all applicable federal, state, municipal, and other laws, ordinances and regulations. CUC and/or Shipper will furnish any information or execute any documents required by any duly constituted federal or state regulatory authority in connection with the performance of this Agreement. Each party shall proceed with diligence to file any necessary applications with any governmental authorities for any authorizations necessary to carry out its obligations under this Agreement. In the event this Agreement or any provisions herein shall be found contrary to or in conflict with any such law, order, directive, rule or regulation, the latter shall be deemed to control, but nothing in this Agreement shall prevent either party from contesting the validity of any such law, order, directive, rule, or regulation, nor shall anything in this Agreement be construed to require either party to waive its respective rights to assert the lack of jurisdiction of any governmental agency other than the FPSC over this Agreement or any part thereof. In the event of such contestation, and unless otherwise prohibited from doing so under this Section 12.10, CUC shall continue to transport and Shipper shall continue to take gas pursuant to the terms of this Agreement. In the event any law, order, directive, rule, or regulation shall prevent either party from performing hereunder, then neither party shall have any obligation to the other during the period that performance is precluded.
- 12.11 Law Governing Agreement; Venue. This Agreement and any dispute arising hereunder shall be governed by and interpreted in accordance with the laws of the State of Florida. The venue for any action, at law or in equity, commenced by either party against the other and arising out of or in connection with this Agreement shall be in a court of the State of Florida having jurisdiction.
- 12.12 Counterparts. This Agreement may be executed in counterparts, all of which taken together shall constitute one and the same instrument and each of which shall be deemed an original instrument as against any party who has signed it.

IN WITNESS WHEREOF, the Parties have executed this Agreement on the dates
stated below.

DELIVERY POINT OPERATOR AGREEMENT

This DELIVERY POINT OPERATOR AGREEMENT ("Agreement") is made and entered into on the 20th day of July, 2006, to be effective on the first day of the Month following approval by the Florida Public Service Commission ("FPSC") (the "Effective Date"), by and between Chesapeake Utilities Corporation, a Delaware corporation doing business in Florida as Central Florida Gas Company and hereinafter referred to as "Chesapeake", and Peninsula Energy Service Company, Inc., a Delaware corporation hereinafter referred to as "Shipper".

WITNESSETH:

WHEREAS, Chesapeake is party to a Service Agreement with Florida Gas Transmission Company and an Operational Balancing Agreement with Gulfstream Natural Gas System, L.L.C., (collectively referred to herein as "Transporter") and serves as Delivery Point Operator for several Delivery Points on Transporter's interstate pipeline systems, as provided by the General Terms and Conditions of Transporter's Federal Energy Regulatory Commission ("FERC") tariff; and

WHEREAS, Shipper is party to a Capacity Relinquishment and Operational Order Mitigation Agreement with Cutrale Citrus Juices, USA, Inc. ("Cutrale"), which agreement assigns operational balancing responsibilities to Shipper for the Cutrale Auburndale Delivery Point with Florida Gas Transmission ("FGT"); and

WHEREAS, at Shipper's request Cutrale has designated Chesapeake as Delivery Point Operator for the Delivery Point and Chesapeake wishes to serve as such and FGT has accepted Chesapeake as the designated Delivery Point Operator,

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements herein contained, the parties agree as follows:

ARTICLE I -- Definitions

Unless another definition is expressly stated within this Agreement, the following terms and abbreviations, when used in this Agreement and in all exhibits, recitals, and appendices contained or attached to this agreement, are intended to and will mean as follows:

1.1 "Delivery Point"

means the point at the connection of FGT's gas transmission facilities and Cutrale's gas facilities, in the vicinity of Auburndale, Florida, at which the gas leaves the outlet

side of FGT's measuring equipment and enters Cutrale's gas facilities, such Delivery Point designated as DRN 3190 by FGT.

1.2 "Receipt or Delivery Imbalance"

means scheduled receipts or deliveries that exceed or are below the actual receipts or deliveries at the Delivery Point, as defined by the Chesapeake Florida Public Service Commission (FPSC) tariff provisions.

1.3 "Month"

means a period beginning at 9:00 a.m. CCT on the first day of a calendar month and ending at 9:00 a.m. CCT on the first day of the next succeeding calendar month; provided that, in the event of a change in the definition of the corresponding term in Chesapeake's FPSC Tariff, this definition shall be deemed to be amended automatically so that it is identical at all times to the definition of the corresponding term in said Tariff.

1.4 "Operational Order"

means an Alert Day Notice, Operational Flow Order, Pack or Draft Notice, Curtailment Order or Other Operational Control Order or any other notice or order requiring action on the part of Shipper or Cutrale relative to scheduled or delivered gas quantities, in accordance with Transporter's FERC Gas Tariff and/or Chesapeake's FPSC Tariff.

ARTICLE II – Scope Of Service

2.1 Chesapeake, as Delivery Point Operator designee for the Delivery Point, shall execute such documents as are required by the FGT FERC Gas Tariff to assume the obligations of Delivery Point Operator for the Delivery Point.

2.2 Chesapeake shall administer the Delivery Point in accordance with the provisions of the FGT FERC tariff, the Chesapeake FPSC Tariff, and the Shipper's Aggregated Pool Manager Agreement, as applicable. Resolution of Monthly Receipt or Delivery Imbalances at the Delivery Point shall be in accordance with Chesapeake's FPSC Tariff. Each month, as provided in Section 2.3, Chesapeake shall provide to Shipper a statement of any Receipt or Delivery Imbalance credits or charges and any Operational Order credits or charges for the preceding Month. Chesapeake shall provide timely notice to Shipper of any Operational Orders issued by Transporter or Chesapeake that affect the Delivery Point in accordance with the Operator Order notice provisions of Chesapeake's FPSC Tariff.

2.3 It is expressly understood that Chesapeake shall provide Delivery Point Operator services as an administrative convenience for Shipper and to facilitate Monthly imbalance resolution and Operational Order compliance. For Receipt or Delivery Imbalance resolution and Operator Order purposes, Chesapeake shall, to the extent authorized by Chesapeake's FPSC Tariff and Shipper's Aggregated Pool Manager Agreement, consider gas quantities scheduled and delivered at the Delivery

Point to be part of Shipper's aggregate gas quantities scheduled and delivered to Chesapeake delivery points. Shipper shall be solely responsible for resolving Receipt or Delivery Imbalances, and responding to any Transporter Operational Orders, such response to include but not be limited to increasing or decreasing scheduled or delivered gas quantities at the Delivery Point as may be required by Transporter and/or Chesapeake notice. Shipper shall be solely responsible for communicating to Cutrale any required adjustments to Cutrale's gas consumption at the Auburndale facility. Chesapeake shall include any charges and credits for Receipt or Delivery Imbalance resolution and Operator Orders related to the Delivery Point in Shipper's aggregated Monthly Operational Balancing Statement. Chesapeake shall render such statement to Shipper within fifteen (15) days of the end of a Month. Shipper shall remit payment to Chesapeake within ten (10) days of the Chesapeake bill statement date.

ARTICLE III - Indemnification

3.1 For value received and to induce Chesapeake to enter into this Agreement, Shipper agrees to protect, defend (at Shipper's expense and by counsel satisfactory to Chesapeake), indemnify, and save and hold harmless Chesapeake, its officers, directors, shareholders, employees, agents, successors and assigns, from and against all direct or indirect costs, expenses, damages, losses, obligations, lawsuits, appeals, claims, or liabilities of any kind or nature (whether or not such claim is ultimately defeated), including in each instance, but not limited to, all costs and expenses of investigating and defending any claim arising at any time and any final judgments, compromises, settlements, and court costs and attorney's fees, whether foreseen or unforeseen (including all such expenses, court costs, and attorney's fees in the enforcement of Chesapeake's rights hereunder) incurred by Chesapeake in connection with or arising out of or resulting from or relating to or incident to:

1. any breach of any of the representations, warranties, or covenants of Shipper contained in this Agreement or in any Exhibit, Schedule, or other document attached hereto and made a part hereof or provided pursuant hereto, specifically including but not limited to:

- (a) any FGT penalties or other expenses or liabilities for unauthorized overrun or underrun Gas, for imbalances on a pipeline system, for failure to comply with FGT's FERC Tariff, or for failure to comply with a curtailment notice or to take deliveries as scheduled; and,
- (b) any claim by a gas supplier or other party contesting Shipper's warranty of title to Gas and related obligations;

2. any claim by a creditor of Shipper as a result of any transaction pursuant to or contemplated by this Agreement;

3. any claim against Chesapeake relating to any obligation or liability of Shipper, or its affiliates, or any of them of any kind or nature; and,

4. any taxes of any federal, state or local jurisdiction related to Gas supply and/or FGT capacity upstream of the Delivery Point.

In the event that any claim or demand for which Shipper would be liable to Chesapeake hereunder is asserted against or sought to be collected from Chesapeake by a third party, Chesapeake shall promptly notify Shipper of such claim or demand, specifying the nature of such claim or demand and the amount or the estimated amount thereof, if determination of an estimate is then feasible (which estimate shall not be conclusive of the final amount of such claim or demand) (the "Claim Notice"). Shipper shall have twenty (20) days, or such shorter period as the circumstances may require if litigation is involved, from the personal delivery or mailing of the Claim Notice (the "Notice Period") to notify Chesapeake:

1. whether or not it disputes its liability to Chesapeake hereunder with respect to such claim or demand; and,

2. whether or not it desires, at its sole cost and expense, to defend Chesapeake against such claim or demand.

In the event that Shipper notifies Chesapeake within the Notice Period that it desires to defend Chesapeake against such claim or demand and except as hereinafter provided, Shipper shall have the right to defend Chesapeake by appropriate proceedings, which proceedings shall be promptly settled or prosecuted by Shipper to a final conclusion in any manner as to avoid any risk of Chesapeake becoming subject to any liability for such claim or demand or for any other matter. If Chesapeake desires to participate in, but not control, any defense or settlement, it may do so at its sole cost and expense. If Shipper elects not to defend Chesapeake against such claim or demand, whether by not giving Chesapeake timely notice as provided above or otherwise, then the amount of any such claim or demand, or, if the same is contested by Shipper or by Chesapeake (Chesapeake having no obligation to contest any such claim or demand), then that portion thereof as to which such defense is unsuccessful shall be conclusively deemed to be a liability of Shipper and subject to indemnification as provided hereinabove.

3.2 For value received and to induce Shipper to enter into this Agreement, Chesapeake agrees to protect, defend (at Chesapeake's expense and by counsel satisfactory to Shipper), indemnify, and save and hold harmless Shipper, its officers, directors, shareholders, employees, agents, successors and assigns, from and against all direct or indirect costs, expenses, damages, losses, obligations, lawsuits, appeals, claims, or liabilities of any kind or nature (whether or not such claim is ultimately defeated), including in each instance, but not limited to, all costs and expenses of investigating and defending any claim arising at any time and any final judgments,

compromises, settlements, and court costs and attorney's fees, whether foreseen or unforeseen (including all such expenses, court costs, and attorney's fees in the enforcement of Shipper's rights hereunder) incurred by Shipper in connection with or arising out of or resulting from or relating to or incident to:

1. any breach of any of the representations, warranties, or covenants of Chesapeake contained in this Agreement or in any Exhibit, Schedule, or other document attached hereto and made a part hereof or provided pursuant hereto;
2. any claim by a creditor of Chesapeake as a result of any transaction pursuant to or contemplated by this Agreement; and,
3. any claim against Shipper relating to any obligation or liability of Chesapeake, or its affiliates, or any of them of any kind or nature.

In the event that any claim or demand for which Chesapeake would be liable to Shipper hereunder is asserted against or sought to be collected from Shipper by a third party, Shipper shall promptly notify Chesapeake of such claim or demand, specifying the nature of such claim or demand and the amount or the estimated amount thereof, if determination of an estimate is then feasible (which estimate shall not be conclusive of the final amount of such claim or demand) (the "Claim Notice"). Chesapeake shall have twenty (20) days, or such shorter period as the circumstances may require if litigation is involved, from the personal delivery or mailing of the Claim Notice (the "Notice Period") to notify Shipper:

1. whether or not it disputes its liability to Shipper hereunder with respect to such claim or demand; and,
2. whether or not it desires, at its sole cost and expense, to defend Shipper against such claim or demand.

In the event that Chesapeake notifies Shipper within the Notice Period that it desires to defend Shipper against such claim or demand and except as hereinafter provided, Chesapeake shall have the right to defend Shipper by appropriate proceedings, which proceedings shall be promptly settled or prosecuted by Chesapeake to a final conclusion in any manner as to avoid any risk of Shipper becoming subject to any liability for such claim or demand or for any other matter. If Shipper desires to participate in, but not control, any defense or settlement, it may do so at its sole cost and expense. If Chesapeake elects not to defend Shipper against such claim or demand, whether by not giving Shipper timely notice as provided above or otherwise, then the amount of any such claim or demand, or, if the same is contested by Chesapeake or by Shipper (Shipper having no obligation to contest any such claim or demand), then that portion thereof as to which such defense is unsuccessful shall be conclusively deemed to be a liability of Chesapeake and subject to indemnification as provided hereinabove.

3.3 The foregoing indemnification and hold harmless agreement shall benefit both parties from the date hereof and shall survive the termination of this Agreement.

ARTICLE IV - Failure to Perform: Default and Remedies

4.1 The following shall constitute an event of default:

- (a) Either party fails to satisfy in full the terms and conditions of this Agreement.
- (b) Either party voluntarily suspends the transaction of business where there is an attachment, execution or other judicial seizure of any portion of their respective assets;
- (c) Either party becomes insolvent or unable to pay its debts as they mature or makes an assignment for the benefit of creditors;
- (d) Either party files, or there is filed against it, a petition to have it adjudged bankrupt or for an arrangement under any law relating to bankruptcy;
- (e) Either party applies for or consents to the appointment of a receiver, trustee or conservator for any portion of its properties or such appointment is made without its consent; or
- (f) Either party engages in unlawful activities.

4.2 If either party fails to perform its obligations under this Agreement, the non-defaulting party shall notify the defaulting party in writing (the "Default Notice") within three (3) days after the day that the non-defaulting party obtained knowledge of such failure to perform. Each such Default Notice shall describe in detail the act or event constituting the non-performance by the defaulting party. The defaulting party shall have five (5) days after its receipt of the Default Notice to cure any such failure to perform, unless such cure can not be accomplished using reasonable efforts within said five (5) day period, in which case the defaulting party shall have such additional time as may be necessary, using reasonable efforts, to cure such non-performance (the "Default Cure Period"). Notwithstanding anything herein to the contrary, the Default Cure Period for any default for the non-payment of money shall not exceed five (5) days and for any event of default set forth in Section 4.1 (a) - (f), no cure period shall apply.

4.3 In the event of a default that is not cured within the Default Cure Period, the non-defaulting party may, at its option, exercise any, some or all of the following remedies, concurrently or consecutively:

- (a) terminate the Agreement upon written notice to the defaulting party; and/or,
- (b) any remedy existing at law or in equity.

ARTICLE V - Term

5.1 This Agreement shall be in effect for a period of twelve (12) Months beginning on the Effective Date, such period defined herein as the "Annual Period", and thereafter be extended for additional "Annual Periods"; unless either party gives written notice of termination to the other party, not less than sixty (60) days prior to the expiration of any "Annual Period". This Agreement may be terminated earlier by either party, with at least sixty (60) days written notice to the other party.

ARTICLE VI – DPO Service Charge

6.1 Commencing on the effective date of this Agreement, and continuing until this Agreement is terminated or expires, Shipper shall pay to Chesapeake a Delivery Point Operator Service Charge equal to Five Thousand Dollars (\$5,000.00) for each annual period the Agreement is in effect, or prorated for such period as the agreement is in effect. The DPO Service Charge shall be billed quarterly, and prorated in accordance with the Effective Date and terminating date of this Agreement. Each quarterly payment shall be in the amount of \$1,250.00 dollars, billed at the beginning of each quarter by Chesapeake to Shipper in its respective Monthly Operational Balancing Statement. The DPO Service Charge shall be billed in addition to any Receipt or Delivery Imbalance resolution or Operational Order credits or charges. The charges contained herein are subject to the continuing jurisdiction of the FPSC and, as such, may be only be adjusted during the term of this Agreement by an order from the FPSC.

ARTICLE VII – Notices

7.1 Except as otherwise provided herein, any notice, request, demand, statement or report pertaining to this Agreement shall be in writing and shall be considered as effective on the receipt date, when delivered by certified or registered mail, an acknowledged electronic mail delivery or on the date sent by facsimile transmission or express mail service.

7.2 All communications with respect to this Agreement shall be sent to the following addresses:

To Chesapeake:

Chesapeake Utilities Corporation
P.O. Box 960
Winter Haven, Florida 33882

Contact Person: Brian Bilinski, Sr. Financial Analyst
Telephone: (863) 293-2125
Facsimile: (863) 294-3895

To Shipper:

Peninsula Energy Services Company, Inc.
P.O. Box
Winter Haven, Florida 33881

Contact Person: Rich Kalmas, General Manager
Telephone: 863-294-6044
Facsimile: 863-299-2946

ARTICLE VIII – Tariff Revisions

8.1 Nothing contained in this Agreement shall prevent Chesapeake from proposing to, and filing with, the FPSC: (i) revisions to any effective rate schedule, (ii) superseding rate schedules, or (iii) any other modifications to its tariff for the purpose of changing the rates, charges and general terms and conditions applicable to services provided under the provisions of the Chesapeake FPSC Tariff, including the terms and conditions of this Agreement. Nothing contained in this Agreement shall prevent Shipper from opposing any changes, revisions or modifications contained in any proposal or filing made by Chesapeake to or with the FPSC that affect the charges or other provisions applicable to service provided under this Agreement, or from pursuing any other available legal remedy with respect to such changes, revisions or modifications.

ARTICLE IX – Mutually Beneficial Transactions

9.1 Shipper recognizes that as Delivery Point Operator for the interstate pipeline interconnects, Chesapeake is subject to the rules and regulations of Transporters with regard to operational flow rates, pressures and penalties. As such, Chesapeake may need the Shipper to vary its daily deliveries from the scheduled delivery quantities. On those occasions, Chesapeake may request, at its sole discretion, and the Shipper may agree to, a change to the Shipper's nominated Gas supply quantities and either Transporter's pipeline capacity. Terms and conditions of such transactions shall be

agreed upon at the time of the transaction and shall be recorded and confirmed in writing within two business days after the transaction.

ARTICLE X - Miscellaneous

10.1 Entire Agreement: This Agreement, including the exhibits attached hereto, sets forth the full and complete understanding of the parties as of the date of its execution by both parties, and it supersedes any and all prior negotiations, agreements and understandings with respect to the subject matter hereof. No party shall be bound by any other obligations, conditions or representations with respect to the subject matter of this Agreement.

10.2 Governing Law, Rules and Regulations: This Agreement shall be construed in accordance with the laws of the State of Florida, without regard to its choice of law rules; and, the terms and conditions of the Chesapeake FPSC-approved Natural Gas Tariff, and Transporter's FERC Tariff, as amended from time to time.

10.3 Amendments: Neither this Agreement nor any of the terms hereof may be terminated, amended, supplemented, waived or modified except by an instrument in writing signed by the party against which enforcement of the termination, amendment, supplement, waiver or modification shall be sought, such amendments being subject to the approval of the FPSC. A change in (a) the place to which notices pursuant to this Agreement must be sent or (b) the individual designated as the Contact Person pursuant to Section 7.2 shall not be deemed nor require an amendment of this Agreement provided such change is communicated in accordance with Section 7.1 of this Agreement.

10.4 Legal Fees: In the event of litigation between the parties hereto arising out of or in connection with this Agreement, then the reasonable attorneys' fees and costs of the party prevailing in such litigation shall be paid by the other party.

10.5 Independent Parties: Chesapeake and Shipper shall perform hereunder as independent parties and neither Chesapeake nor Shipper is in any way or for any purpose, by virtue of this Agreement or otherwise, a partner, joint venture, agent, employer or employee of the other. Nothing in this Agreement shall be for the benefit of any third person for any purpose, including, without limitation, the establishing of any type of duty, standard of care or liability with respect to any third person.

10.6 Assignment and Transfer: No assignment of this Agreement by either party may be made without the prior written approval of the other party (which approval shall not be unreasonably withheld) and unless the assigning or transferring party's assignee or transferee shall expressly assume, in writing, the duties and obligations under this Agreement of the assigning or transferring party, and upon such assignment or transfer and assumption of the duties and obligations, the assigning or transferring party shall

furnish or cause to be furnished to the other party a true and correct copy of such assignment or transfer and assumption of duties and obligations.

10.7 Counterparts: This Agreement may be executed in counterparts, all of which taken together shall constitute one and the same instrument and each of which shall be deemed an original instrument as against any party who has signed it.

IN WITNESS WHEREOF, the parties have duly executed this Agreement, in multiple originals, effective as of the date of execution by both parties.

DELIVERY POINT OPERATOR AGREEMENT

This DELIVERY POINT OPERATOR AGREEMENT ("Agreement") is made and entered into on the 31st day of July 2006, to be effective on the first day of the Month following approval by the Florida Public Service Commission (FPSC) (the "Effective Date"), by and between Chesapeake Utilities Corporation, a Delaware corporation doing business in Florida as Central Florida Gas Company and hereinafter referred to as "Chesapeake", and Peninsula Energy Service Company, Inc., a Delaware corporation hereinafter referred to as "Shipper".

WITNESSETH:

WHEREAS, Chesapeake is party to a Service Agreement with Florida Gas Transmission Company and an Operational Balancing Agreement with Gulfstream Natural Gas System, L.L.C., (collectively referred to herein as "Transporter") and serves as Delivery Point Operator for several Delivery Points on Transporter's interstate pipeline systems, as provided by the General Terms and Conditions of Transporter's Federal Energy Regulatory Commission ("FERC") tariff; and

WHEREAS, Shipper is party to a gas supply and capacity management agreement with Minute Maid Company a Division of Coca Cola Company (Minute Maid), which agreement assigns operational balancing responsibilities to Shipper for the Minute Maid Plymouth Delivery Point with Florida Gas Transmission (FGT); and

WHEREAS, at Shipper's request Minute Maid has designated Chesapeake as Delivery Point Operator for the Delivery Point and Chesapeake wishes to serve as such and FGT has accepted Chesapeake as the designated Delivery Point Operator,

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements herein contained, the parties agree as follows:

ARTICLE I – Definitions

Unless another definition is expressly stated within this Agreement, the following terms and abbreviations, when used in this Agreement and in all exhibits, recitals, and appendices contained or attached to this agreement, are intended to and will mean as follows:

1.1 "Delivery Point"

means the point at the connection of the facilities of FGT and the Minute Maid Plymouth facility, in the vicinity of Apopka, Florida, at which the gas leaves the outlet

side of the measuring equipment of FGT and enters Minute Maid's facility, such facility designated as DRN 3096 by FGT.

1.2 "Receipt or Delivery Imbalance"

means scheduled receipts or deliveries that exceed or are below the actual receipts or deliveries at the Delivery Point, as defined by the Chesapeake Florida Division Florida Public Service Commission (FPSC) tariff provisions.

1.3 "Month"

means a period beginning at 9:00 a.m. CCT on the first day of a calendar month and ending at 9:00 a.m. CCT on the first day of the next succeeding calendar month; provided that, in the event of a change in the definition of the corresponding term in Chesapeake's FPSC Tariff, this definition shall be deemed to be amended automatically so that it is identical at all times to the definition of the corresponding term in said Tariff.

1.4 "Operational Order"

means an Alert Day Notice, Operational Flow Order, Pack or Draft Notice, Curtailment Order or Other Operational Control Order or any other notice or order requiring action on the part of Shipper or Minute Maid relative to scheduled or delivered gas quantities, in accordance with Transporter's FERC Gas Tariff and/or Chesapeake's FPSC Tariff.

ARTICLE II – Scope Of Service

2.1 Chesapeake, as Delivery Point Operator designee for the Delivery Point, shall execute such documents as are required by the FGT FERC Gas Tariff to assume the obligations of Delivery Point Operator for the Delivery Point.

2.2 Chesapeake shall administer the Delivery Point in accordance with the provisions of the FGT FERC tariff, the Chesapeake FPSC Tariff, and the Shipper's Aggregated Pool Manager Agreement, as applicable. Resolution of Monthly Receipt or Delivery Imbalances at the Delivery Point shall be in accordance with Chesapeake's FPSC Tariff. Each month, as provided in Section 2.3, Chesapeake shall provide to Shipper a statement of any Receipt or Delivery Imbalance credits or charges and any Operational Order credits or charges for the preceding Month. Chesapeake shall provide timely notice to Shipper of any Operational Orders issued by Transporter or Chesapeake that affect the Delivery Point in accordance with the Operator Order notice provisions of Chesapeake's FPSC Tariff.

2.3 It is expressly understood that Chesapeake shall provide Delivery Point Operator services as an administrative convenience for Shipper and to facilitate Monthly imbalance resolution and Operational Order compliance. For Receipt or Delivery Imbalance resolution and Operator Order purposes, Chesapeake shall, to the extent authorized by Chesapeake's FPSC Tariff and Shipper's Aggregated Pool Manager Agreement, consider gas quantities scheduled and delivered at the Delivery

Point to be part of Shipper's aggregate gas quantities scheduled and delivered to Chesapeake delivery points. Shipper shall be solely responsible for resolving Receipt or Delivery Imbalances, and responding to any Transporter Operational Orders, such response to include but not be limited to increasing or decreasing scheduled or delivered gas quantities at the Delivery Point as may be required by Transporter and/or Chesapeake notice. Shipper shall be solely responsible for communicating to Minute Maid any required adjustments to Minute Maid's gas consumption at the Apopka facility. Chesapeake shall include any charges and credits for Receipt or delivery Imbalance resolution and Operator Orders related to the Delivery Point in Shipper's aggregated Monthly Operational Balancing Statement. Chesapeake shall render such statement to Shipper within fifteen (15) days of the end of a Month. Shipper shall remit payment to Chesapeake within ten (10) days of the Chesapeake bill statement date.

ARTICLE III - Indemnification

3.1 For value received and to induce Chesapeake to enter into this Agreement, Shipper agrees to protect, defend (at Shipper's expense and by counsel satisfactory to Chesapeake), indemnify, and save and hold harmless Chesapeake, its officers, directors, shareholders, employees, agents, successors and assigns, from and against all direct or indirect costs, expenses, damages, losses, obligations, lawsuits, appeals, claims, or liabilities of any kind or nature (whether or not such claim is ultimately defeated), including in each instance, but not limited to, all costs and expenses of investigating and defending any claim arising at any time and any final judgments, compromises, settlements, and court costs and attorney's fees, whether foreseen or unforeseen (including all such expenses, court costs, and attorney's fees in the enforcement of Chesapeake's rights hereunder) incurred by Chesapeake in connection with or arising out of or resulting from or relating to or incident to:

1. any breach of any of the representations, warranties, or covenants of Shipper contained in this Agreement or in any Exhibit, Schedule, or other document attached hereto and made a part hereof or provided pursuant hereto, specifically including but not limited to:

- (a) any FGT penalties or other expenses or liabilities for unauthorized overrun or underrun Gas, for imbalances on a pipeline system, for failure to comply with FGT's FERC Tariff, or for failure to comply with a curtailment notice or to take deliveries as scheduled; and
- (b) any claim by a gas supplier or other party contesting Shipper's warranty of title to Gas and related obligations;

2. any claim by a creditor of Shipper as a result of any transaction pursuant to or contemplated by this Agreement;

3. any claim against Chesapeake relating to any obligation or liability of Shipper, or its affiliates, or any of them of any kind or nature;

4. any taxes of any federal, state or local jurisdiction related to Gas supply and/or FGT capacity upstream of Chesapeake's.

In the event that any claim or demand for which Shipper would be liable to Chesapeake hereunder is asserted against or sought to be collected from Chesapeake by a third party, Chesapeake shall promptly notify Shipper of such claim or demand, specifying the nature of such claim or demand and the amount or the estimated amount thereof, if determination of an estimate is then feasible (which estimate shall not be conclusive of the final amount of such claim or demand) (the "Claim Notice"). Shipper shall have twenty (20) days, or such shorter period as the circumstances may require if litigation is involved, from the personal delivery or mailing of the Claim Notice (the "Notice Period") to notify Chesapeake:

1. whether or not it disputes its liability to Chesapeake hereunder with respect to such claim or demand; and,

2. whether or not it desires, at its sole cost and expense, to defend Chesapeake against such claim or demand.

In the event that Shipper notifies Chesapeake within the Notice Period that it desires to defend Chesapeake against such claim or demand and except as hereinafter provided, Shipper shall have the right to defend Chesapeake by appropriate proceedings, which proceedings shall be promptly settled or prosecuted by Shipper to a final conclusion in any manner as to avoid any risk of Chesapeake becoming subject to any liability for such claim or demand or for any other matter. If Chesapeake desires to participate in, but not control, any defense or settlement, it may do so at its sole cost and expense. If Shipper elects not to defend Chesapeake against such claim or demand, whether by not giving Chesapeake timely notice as provided above or otherwise, then the amount of any such claim or demand, or, if the same is contested by Shipper or by Chesapeake (Chesapeake having no obligation to contest any such claim or demand), then that portion thereof as to which such defense is unsuccessful, shall be conclusively deemed to be a liability of Shipper and subject to indemnification as provided hereinabove.

3.2 For value received and to induce Shipper to enter into this Agreement, Chesapeake agrees to protect, defend (at Chesapeake's expense and by counsel satisfactory to Shipper), indemnify, and save and hold harmless Shipper, its officers, directors, shareholders, employees, agents, successors and assigns, from and against all direct or indirect costs, expenses, damages, losses, obligations, lawsuits, appeals, claims, or liabilities of any kind or nature (whether or not such claim is ultimately defeated), including in each instance, but not limited to, all costs and expenses of investigating and defending any claim arising at any time and any final judgments,

compromises, settlements, and court costs and attorney's fees, whether foreseen or unforeseen (including all such expenses, court costs, and attorney's fees in the enforcement of Shipper's rights hereunder) incurred by Shipper in connection with or arising out of or resulting from or relating to or incident to:

1. any breach of any of the representations, warranties, or covenants of Chesapeake contained in this Agreement or in any Exhibit, Schedule, or other document attached hereto and made a part hereof or provided pursuant hereto;

2. any claim by a creditor of Chesapeake as a result of any transaction pursuant to or contemplated by this Agreement;

3. any claim against Shipper relating to any obligation or liability of Chesapeake, or its affiliates, or any of them of any kind or nature; and,

In the event that any claim or demand for which Chesapeake would be liable to Shipper hereunder is asserted against or sought to be collected from Shipper by a third party, Shipper shall promptly notify Chesapeake of such claim or demand, specifying the nature of such claim or demand and the amount or the estimated amount thereof, if determination of an estimate is then feasible (which estimate shall not be conclusive of the final amount of such claim or demand) (the "Claim Notice"). Chesapeake shall have twenty (20) days, or such shorter period as the circumstances may require if litigation is involved, from the personal delivery or mailing of the Claim Notice (the "Notice Period") to notify Shipper:

1. whether or not it disputes its liability to Shipper hereunder with respect to such claim or demand; and,

2. whether or not it desires, at its sole cost and expense, to defend Shipper against such claim or demand.

In the event that Chesapeake notifies Shipper within the Notice Period that it desires to defend Shipper against such claim or demand and except as hereinafter provided, Chesapeake shall have the right to defend Shipper by appropriate proceedings, which proceedings shall be promptly settled or prosecuted by Chesapeake to a final conclusion in any manner as to avoid any risk of Shipper becoming subject to any liability for such claim or demand or for any other matter. If Shipper desires to participate in, but not control, any defense or settlement, it may do so at its sole cost and expense. If Chesapeake elects not to defend Shipper against such claim or demand, whether by not giving Shipper timely notice as provided above or otherwise, then the amount of any such claim or demand, or, if the same is contested by Chesapeake or by Shipper (Shipper having no obligation to contest any such claim or demand), then that portion thereof as to which such defense is unsuccessful, shall be conclusively deemed to be a liability of Chesapeake and subject to indemnification as provided hereinabove.

3.3 The foregoing indemnification and hold harmless agreement shall benefit both parties from the date hereof and shall survive the termination of this Agreement.

ARTICLE IV - Failure to Perform: Default and Remedies

4.1 The following shall constitute an event of default:

- (a) Either party fails to satisfy in full the terms and conditions of this Agreement.
- (b) Either party voluntarily suspends the transaction of business where there is an attachment, execution or other judicial seizure of any portion of their respective assets;
- (c) Either party becomes insolvent or unable to pay its debts as they mature or makes an assignment for the benefit of creditors;
- (d) Either party files, or there is filed against it, a petition to have it adjudged bankrupt or for an arrangement under any law relating to bankruptcy;
- (e) Either party applies for or consents to the appointment of a receiver, trustee or conservator for any portion of its properties or such appointment is made without its consent; or
- (f) Either party engages in unlawful activities.

4.2 If either party fails to perform its obligations under this Agreement, the non-defaulting party shall notify the defaulting party in writing (the "Default Notice") within three (3) days after the day that the non-defaulting party obtained knowledge of such failure to perform. Each such Default Notice shall describe in detail the act or event constituting the non-performance by the defaulting party. The defaulting party shall have five (5) days after its receipt of the Default Notice to cure any such failure to perform, unless such cure can not be accomplished using reasonable efforts within said five (5) day period, in which case the defaulting party shall have such additional time as may be necessary, using reasonable efforts, to cure such non-performance (the "Default Cure Period"). Notwithstanding anything herein to the contrary, the Default Cure Period for any default for the non-payment of money shall not exceed five (5) days and for any event of default set forth in Section 4.1 (a) - (f), no cure period shall apply.

4.3 In the event of a default that is not cured within the Default Cure Period, the non-defaulting party may, at its option, exercise any, some or all of the following remedies, concurrently or consecutively:

- (a) terminate the Agreement upon written notice to the defaulting party;
and/or,
- (b) any remedy existing at law or in equity.

ARTICLE V - Term

5.1 This Agreement shall be in effect for a period of twelve (12) Months beginning on the Effective Date, such period defined herein as the "Annual Period", and thereafter be extended for additional "Annual Periods"; unless either party gives written notice of termination to the other party, not less than sixty (60) days prior to the expiration of any "Annual Period". This Agreement may be terminated earlier by either party, with at least sixty (60) days written notice to the other party.

ARTICLE VI – DPO Service Charge

6.1 Commencing on the effective date of this Agreement, and continuing until this Agreement is terminated or expires, Shipper shall pay to Chesapeake a Delivery Point Operator Service Charge equal to Five Hundred Dollars (\$500.00) for each annual period the Agreement is in effect, or prorated for such period as the Agreement is in effect. The DPO Service Charge shall be billed quarterly, and prorated in accordance with the Effective Date and terminating date of this Agreement. Each quarterly payment shall be in the amount of \$125.00 dollars, billed at the beginning of each quarter by Chesapeake to Shipper in the respective Monthly Operational Balancing Statement. The DPO Service Charge shall be billed in addition to any Receipt or Delivery Imbalance resolution or Operational Order credits or charges. The charges contained herein are subject to the continuing jurisdiction of the FPSC and, as such, may be only be adjusted during the term of this Agreement by an order from the FPSC.

ARTICLE VII – Notices

7.1 Except as otherwise provided herein, any notice, request, demand, statement or report pertaining to this Agreement shall be in writing and shall be considered as effective on the receipt date, when delivered by certified or registered mail, an acknowledged electronic mail delivery or on the date sent by facsimile transmission or express mail service.

7.2 All communications with respect to this Agreement shall be sent to the following addresses:

To Chesapeake:

Chesapeake Utilities Corporation
P.O. Box 960
Winter Haven, Florida 33882

Contact Person: Brian Bilinski, Sr. Financial Analyst
Telephone: (863) 293-2125
Facsimile: (863) 294-3895

To Shipper:

Peninsula Energy Services Company, Inc.
P.O. Box
Winter Haven, Florida 33881

Contact Person: Rich Kalmas, General Manager
Telephone: 863-294-6044
Facsimile: 863-299-2946

ARTICLE VIII – Tariff Revisions

8.1 Nothing contained in this Agreement shall prevent Chesapeake from proposing to, and filing with, the FPSC: (i) revisions to any effective rate schedule, (ii) superseding rate schedules, or (iii) any other modifications to its tariff for the purpose of changing the rates, charges and general terms and conditions applicable to services provided under the provisions of the Chesapeake FPSC Tariff, including the terms and conditions of this Agreement. Nothing contained in this Agreement shall prevent Shipper from opposing any changes, revisions or modifications contained in any proposal or filing made by Chesapeake to or with the FPSC that affect the charges or other provisions applicable to service provided under this Agreement, or from pursuing any other available legal remedy with respect to such changes, revisions or modifications.

ARTICLE IX – Mutually Beneficial Transactions

9.1 Shipper recognizes that as Delivery Point Operator for the interstate pipeline interconnects, Chesapeake is subject to the rules and regulations of Transporters with

regard to operational flow rates, pressures and penalties. As such, Chesapeake may need the Shipper to vary its daily deliveries from the scheduled delivery quantities. On those occasions, Chesapeake may request, at its sole discretion, and the Shipper may agree to, a change to the Shipper's nominated Gas supply quantities and either Transporter's pipeline capacity. Terms and conditions of such transactions shall be agreed upon at the time of the transaction and shall be recorded and confirmed in writing within two business days after the transaction.

ARTICLE X - Miscellaneous

10.1 Entire Agreement: This Agreement, including the exhibits attached hereto, sets forth the full and complete understanding of the parties as of the date of its execution by both parties, and it supersedes any and all prior negotiations, agreements and understandings with respect to the subject matter hereof. No party shall be bound by any other obligations, conditions or representations with respect to the subject matter of this Agreement.

10.2 Governing Law, Rules and Regulations: This Agreement shall be construed in accordance with the laws of the State of Florida, without regard to its choice of law rules; and, the terms and conditions of the Chesapeake FPSC-approved Natural Gas Tariff, and Transporter's FERC Tariff, as amended from time to time.

10.3 Amendments: Neither this Agreement nor any of the terms hereof may be terminated, amended, supplemented, waived or modified except by an instrument in writing signed by the party against which enforcement of the termination, amendment, supplement, waiver or modification shall be sought, such amendments subject to the approval of the FPSC. A change in (a) the place to which notices pursuant to this Agreement must be sent or (b) the individual designated as the Contact Person pursuant to Section 7.2 shall not be deemed nor require an amendment of this Agreement provided such change is communicated in accordance with Section 7.1 of this Agreement.

10.4 Legal Fees: In the event of litigation between the parties hereto arising out of or in connection with this Agreement, then the reasonable attorneys' fees and costs of the party prevailing in such litigation shall be paid by the other party.

10.5 Independent Parties: Chesapeake and Shipper shall perform hereunder as independent parties and neither Chesapeake nor Shipper is in any way or for any purpose, by virtue of this Agreement or otherwise, a partner, joint venture, agent, employer or employee of the other. Nothing in this Agreement shall be for the benefit of any third person for any purpose, including, without limitation, the establishing of any type of duty, standard of care or liability with respect to any third person.

10.6 Assignment and Transfer: No assignment of this Agreement by either party may be made without the prior written approval of the other party (which approval shall

not be unreasonably withheld) and unless the assigning or transferring party's assignee or transferee shall expressly assume, in writing, the duties and obligations under this Agreement of the assigning or transferring party, and upon such assignment or transfer and assumption of the duties and obligations, the assigning or transferring party shall furnish or cause to be furnished to the other party a true and correct copy of such assignment or transfer and assumption of duties and obligations.

10.7 Counterparts: This Agreement may be executed in counterparts, all of which taken together shall constitute one and the same instrument and each of which shall be deemed an original instrument as against any party who has signed it.

IN WITNESS WHEREOF, the parties have duly executed this Agreement, in multiple originals, effective as of the date of execution by both parties.

GAS TRANSPORTATION AGREEMENT

Original
aw

THIS AGREEMENT, entered into this 18th day of February, 1994; between CENTRAL FLORIDA GAS COMPANY, a Division of Chesapeake Utilities Corporation, a Delaware corporation, ("Transporter"), and POLK POWER PARTNERS, L.P., a Delaware limited partnership, ("Shipper"). Transporter and Shipper shall be referred to collectively as the "Parties."

WITNESSETH:

WHEREAS, Transporter operates facilities for the distribution of natural gas in the State of Florida; and

WHEREAS, Shipper has requested that Transporter receive certain quantities of gas for Shipper's account from Florida Gas Transmission Company ("FGT"), as provided herein, transport such quantities on Transporter's distribution system and redeliver same to Shipper's cogeneration facility to be located at Noralyn Commerce Industrial Park, Polk County, Florida, and Transporter agrees to provide such service in accordance with the terms hereof;

NOW, THEREFORE, in consideration of the premises and mutual covenants and agreements set forth herein, the Parties agree as follows:

I. POINTS OF DELIVERY AND REDELIVERY

1.1 Shipper shall cause FGT to deliver to Transporter at the Bartow-B, delivery point on FGT's system (hereinafter referred to as "the Delivery Point"), the quantities of gas to be transported by Transporter hereunder. Transporter shall have no responsibility for transportation of Shipper's gas prior to receipt of such gas from

FGT at the Delivery Point. Transporter shall redeliver such quantities of gas received from FGT for Shipper's account to Shipper's cogeneration facility to be located at Noralyn Commerce Industrial Park, Polk County, Florida, (hereinafter referred to as the "Redelivery Point" or "Shipper's Cogeneration Facility").

1.2 In order to provide service under this Agreement, it will be necessary for Transporter to incur additional facilities costs to allow gas flows of up to 1,521 dekatherms ("dt") per hour or 25,350 dt per day from the Delivery Point to the Redelivery Point. Transporter shall commence construction of such additional facilities as are required on its system in a diligent and workmanlike manner with the intent of completing the construction by March 1, 1994, and Transporter shall notify Shipper upon completion of the facilities. If, however, after proceeding with due diligence, Transporter is unable to complete construction, by March 1, 1994, of facilities necessary to provide full service under this Agreement, Transporter shall continue to proceed with due diligence to complete construction of such facilities at the earliest practicable date thereafter. Transporter shall not be liable, nor shall this Agreement be subject to cancellation if, despite its exercise of due diligence, Transporter is unable to complete the construction of the required facilities by March 1, 1994.

II. QUANTITIES

2.1 Subject to the terms and conditions of this Agreement, Transporter agrees to receive from FGT daily at the Delivery Point a quantity of gas up to Shipper's Maximum Daily Quantity ("MDQ"), and Transporter agrees to transport

and redeliver equivalent quantities to Shipper at the Redelivery Point. Shipper's MDQ under this Agreement shall be 25,350 dt of gas per day.

both
contracts

2.2 Shipper shall have a minimum annual payment obligation under this Agreement of \$286,317.50 during each of four successive twelve-month periods, the first such period commencing on the date on which Shipper's Cogeneration Facility achieves commercial in-service status under Shipper's Power Sales contracts. Should Shipper deliver, or cause to be delivered, to Transporter for redelivery under this Agreement during any such twelve-month period a quantity of gas for which the payments due from Shipper pursuant to Section 6.1 of this Agreement are less than Shipper's minimum annual payment obligation, Shipper shall pay Transporter a Deficiency charge calculated as follows:

Deficiency Charge = \$286,317.50 less amounts billed and paid hereunder during such twelve-month period.

In the event that Shipper's payments to Transporter during any of the first three successive twelve-month periods referred to in this Section 2.2 exceed Shipper's minimum annual payment obligation, the excess amount shall be credited towards Shipper's minimum annual payment obligations for subsequent twelve-month periods.

Any Deficiency Charge due from Shipper will be calculated at the end of each such twelve-month period and included in Shipper's next monthly bill.

III. SCHEDULING AND BALANCING

3.1 Shipper shall be responsible for nominating and scheduling of quantities to be delivered by FGT at the Delivery Point and redelivered by Transporter to Shipper's Cogeneration Facility. Imbalances between quantities (i) scheduled for delivery by FGT to Transporter and/or redelivery by Transporter to Shipper's Cogeneration Facility, and (ii) actually delivered and/or re-delivered hereunder, shall be resolved in accordance with the applicable provisions of Transporter's Natural Gas Tariff filed with the Florida Public Service Commission ("FPSC").

3.2 The Parties hereto recognize the desirability of maintaining a uniform rate of flow of gas to Shipper's Cogeneration Facility over each 24-hour period and each day throughout each month. Therefore, Transporter agrees to receive from FGT for Shipper's account at the Delivery Point and redeliver to Shipper's Cogeneration Facility up to 1,521 dt per hour, subject to any restrictions imposed by FGT and to the provisions of Articles IV and IX of this Agreement, and Shipper agrees to use commercially reasonable efforts to regulate its takes from Transporter's gas distribution system at a daily rate of flow not to exceed 1,521 dt per hour, subject to any additional restrictions imposed by FGT or by Transporter pursuant to Articles IV and IX of this Agreement.

IV. CURTAILMENT

4.1 Pursuant to the General Rules and Regulations of Transporter's Natural Gas Tariff, it may be necessary to curtail deliveries to Shipper under this Agreement,

and Transporter shall not be liable for any loss or damage that may be sustained by Shipper by reason of such curtailment of service under this Agreement.

4.2 Whenever curtailment of service under this Agreement is required, Transporter shall issue a curtailment order to Shipper specifying the quantity to be curtailed and the time at which such curtailment is to be made. Transporter shall provide notice of curtailment to Shipper as soon as practicable. When curtailment is required solely in order to perform routine or scheduled maintenance on Transporter's system, and not as a result of a force majeure event, as defined in Section 9 of the General Rules and Regulations of Transporter's Natural Gas Tariff, or as a result of a curtailment action taken by FGT for any reason, Transporter shall use commercially reasonable efforts to provide notice of such curtailment to Shipper forty-eight (48) hours before the curtailment order is to be effective. When restoration of service is permissible, Transporter shall similarly issue a restoration order specifying the quantity to be restored and the time at which such restoration is to be made.

4.3 Shipper shall provide Transporter with the names, addresses, and telephone numbers of those individuals who will be Shipper's designated contact persons during the occurrence of curtailment. The curtailment and restoration orders shall be issued by telephone and followed with written orders by telefax within one (1) business day after the telephonic notification.

V. TITLE, CONTROL AND INDEMNIFICATION

5.1 Shipper warrants that it will have good and merchantable title to all gas delivered by FGT to Transporter for Shipper's account at the Delivery Point. Shipper will indemnify Transporter and save it harmless from all suits, actions, debts, accounts, damages, costs including reasonable attorney's fees, losses, and expenses arising out of the adverse claim of any person or persons to said gas for any taxes, licenses, fees or charges which are applicable prior to the time of delivery of said gas to Transporter or after redelivery by Transporter to Shipper. Similarly, Transporter will indemnify Shipper and save it harmless from all suits, actions, debts, accounts, damages, costs including reasonable attorney's fees, losses, and expenses arising out of the adverse claim of any person or persons to said gas for any taxes, licenses, fees or charges which are applicable while said gas is in Transporter's possession and control prior to the time of redelivery of said gas to Shipper. In the event any adverse claim in respect to said gas is asserted, or Shipper breaches its warranty herein, Transporter shall not be required to perform or, subject to receipt of any necessary regulatory authorization, to continue service hereunder for Shipper until such claim has been finally determined; provided, however, Shipper may receive service if (i) in the case of an adverse claim, Shipper furnishes a bond to Transporter, in the amount of such claim and with sureties satisfactory to Transporter, conditioned for the protection of Transporter with respect to such claim; or (ii) in the case of a breach of warranty, Shipper furnishes satisfactory evidence of its title to Transporter.

5.2 Transporter shall be deemed to be in control and possession of the gas to be transported by it upon delivery of such gas by FGT to Transporter for Shipper's account at the Delivery Point and until it shall have been redelivered to Shipper at the Redelivery Point; and Shipper shall be deemed to be in control and possession of such gas prior to such delivery to Transporter and after such redelivery to Shipper. Each party, while deemed to be in control and possession of such gas, shall be responsible for, and shall indemnify and hold the other harmless from, any and all claims, actions, suits, including attorney's fees, arising out of or relating in any way to custody and control of such gas.

VI. RATE

6.1 The rates to be charged for gas received, transported and redelivered hereunder by Transporter shall be as set forth in Exhibit A to this Agreement, which is incorporated herein by reference and made a part hereof. These are negotiated rates under Transporter's Large Volume Contract Transportation Service (LVCTS) Rate Schedule, as filed with the FPSC and as such Rate Schedule may be amended from time to time, except that the rates provided in Exhibit A include only Transporter's Delivery charge per dt of gas transported and redelivered under this Agreement and do not include any charges for transportation service by FGT or any other upstream pipeline transporter transporting Shipper's gas prior to delivery to Transporter at the Delivery Point. The rates provided in Exhibit A are subject to the continuing jurisdiction of the FPSC and may be adjusted during the term of this Agreement, as provided herein and in Transporter's LVCTS Rate Schedule, the terms

of which, as they may be amended from time to time subject to the approval of the FPSC, are incorporated herein by reference.

6.2 If, during the term of this Agreement, the Federal Government, or any State, municipality or subdivision of such Government, should increase any present tax or levy any additional tax, relating to the service provided by Transporter under this Agreement, any such additional tax actually paid by Transporter shall be computed on a cents per dt basis and added to the then effective rate hereunder. If, during the term of this Agreement, the Federal Government, or any State, municipality or subdivision of such Government, should decrease or eliminate any tax paid by Transporter relating to the service provided by Transporter under this Agreement, the reduction in such tax shall be computed on a cents per dt basis and subtracted from the then effective rate hereunder.

6.3 To provide assurance of reimbursement by Shipper to Transporter of the costs of constructing facilities needed to provide service under this Agreement, Shipper shall provide and maintain in force an irrevocable letter or letters of credit from a lending institution acceptable to Transporter and on terms and conditions acceptable to Transporter. Such letter(s) of credit shall be in the aggregate amount of \$1,145,270.00, which amount may from time to time be reduced, upon Shipper's request to reflect amounts paid by Shipper to Transporter under this Agreement. In the event that Shipper fails to maintain in force such letter(s) of credit, Transporter may at its sole discretion, upon thirty (30) days written notice to Shipper, suspend service under this Agreement until a new letter of credit is provided. All other

provisions of this Agreement shall survive any such suspension of service under this Section 6.3. In the event that this Agreement is terminated for any reason after Transporter has incurred costs to construct facilities needed to provide service hereunder and before Shipper has reimbursed Transporter for such costs, Shipper shall pay Transporter, within fifteen (15) days after such termination becomes effective, the entire amount of such unreimbursed facilities construction costs incurred by Transporter to provide service hereunder. In the event that such payment is not made in full within such period, Transporter may draw under any outstanding letter(s) of credit provided by Shipper hereunder the entire amount of such unreimbursed facilities construction costs.

VII. TERM

7.1 Subject to all other provisions, conditions, and limitations hereof, this Agreement shall be effective on the date that Transporter gives Shipper written notice of the approval of the Florida Public Service Commission pursuant to Section 11.5 hereof ("Effective Date"), and shall continue in full force and effect through December 31, 2015. Thereafter, the Agreement shall be extended on a year-to-year basis unless terminated by either Party, with at least twelve (12) months written notice to the other party prior to the termination date.

7.2 Notwithstanding the foregoing, Shipper or Transporter shall have the right to terminate this Agreement if Shipper's Cogeneration Facility has not achieved commercial in-service status by December 31, 1995, by giving written notice to the other Party within sixty (60) days after December 31, 1995. As provided in Section

6.3 above and Section 11.7 below, termination of this Agreement for any reason, including those set forth in this Section 7.2 and Section 11.5, shall not relieve Shipper of its reimbursement obligations under Section 6.3 of this Agreement.

VIII. PRESSURE

8.1 Transporter shall use commercially reasonable efforts to deliver the gas to Shipper's Cogeneration Facility at a pressure of no less than 350 psig. Transporter shall not be required to install any facilities (pipeline, compression or other) to guarantee any specific delivery pressure.

IX. TRANSPORTER'S TARIFF PROVISIONS

9.1 Transporter's LVCTS Rate Schedule provisions and Subsections 3 through 6, 8 through 11, and 13 through 21 of the General Rules and Regulations of Transporter's Natural Gas Tariff filed with the FPSC, including any amendments thereto during the term of this Agreement, are hereby incorporated into this Agreement and made a part hereof for all purposes. In the event of any conflict between said provisions of Transporter's FPSC Tariff and specific provisions of this Agreement, the latter shall prevail.

X. DISPUTE RESOLUTION

10.1 The Parties agree that any dispute arising under this Agreement which is not subject to the exclusive jurisdiction of the FPSC shall be resolved solely by application of the procedures set forth in this Article X. The procedures set forth

herein may be modified by agreement of the Parties with respect to any particular dispute which is subject to these procedures.

10.2 Each Party shall continue to perform its obligations under this Agreement pending final resolution of any dispute which is subject to these procedures. All applicable statutes of limitation and defenses based upon the passage of time shall be tolled while the procedures specified in this Article X are pending. The Parties shall take such action, if any, as may be required to effectuate such tolling.

10.3 A dispute subject to the procedures provided herein shall be resolved in a dispute resolution proceeding (DRP). Such a proceeding shall be commenced by either party giving written notice to the other of the matter in dispute.

10.4 Within ten (10) days after delivery of such notice, the Parties shall meet at a mutually acceptable time and place to exchange relevant information and to attempt to resolve the dispute through good faith negotiations. Requests for information shall be reasonable; responses shall be prompt and complete. If the matter is not resolved within thirty (30) days after delivery of the notice to commence, the DRP shall proceed to mediation.

10.5 Within forty (40) days after delivery of the notice to commence the DRP, the Parties shall attempt to agree on the selection of a Mediator, or, failing such agreement, the Parties shall select a Mediator from the Center for Public Resources' Panel of Neutrals or other agreed upon registry of persons skilled in dispute resolution. The Parties shall bear equally the costs of the Mediator.

10.6 Within twenty (20) days after selection of the Mediator, the Parties shall meet at a mutually acceptable time and place to present their positions to the Mediator. At least five (5) days prior to such meeting, each Party shall submit to the Mediator and to the other Party a statement of position on the issues remaining in dispute and a summary of the evidence and arguments supporting its position. The Mediator shall prescribe the order of, and appropriate time limits for, the Parties' presentations at the meeting. The Mediator may request the Parties to provide additional information or arguments in support of their positions at or following the meeting. The Mediator, with the agreement of the Parties, may schedule additional mediation meetings. The Mediator may confer jointly and separately with the Parties. The Mediator shall not disclose to either Party any information provided in confidence by the other Party, unless the latter authorizes such disclosure.

10.7 If the parties fail to resolve all disputed issues through the mediation process described above, the Mediator shall submit to them, within thirty (30) days after the final mediation meeting, a draft recommended decision. The Parties may submit to the Mediator their comments on the draft recommended decision within fifteen (15) days after its issuance, and each Party shall submit a copy of such comments to the other Party. The Mediator shall submit to the Parties a final decision on all remaining issues within fifteen (15) days after receipt of any comments by the Parties.

10.8 The Parties agree to be bound by the Mediator's final decision, except that either Party may, within fifteen (15) days after the issuance of the Mediator's

final decision, file a petition with the FPSC seeking review of the decision solely on the grounds that it (a) was procured by corruption, fraud or undue means, (b) was the result of evident partiality or misconduct by the Mediator, or (c) would, if given effect, be unlawful under the laws of Florida. If the FPSC makes any such finding, the Mediator's decision shall be given no effect, and the FPSC shall issue its own decision on the issues remaining in dispute.

10.9 All communications by the Parties or their representatives with respect to a dispute which is the subject of a DRP shall be privileged and confidential and shall not be disclosed or admissible in evidence, unless (a) they bear directly on allegations that the Mediator's decision should be rejected for reasons of fraud, corruption, misconduct or evident partiality, or (b) the FPSC or a court determines that such disclosure is necessary.

XI. MISCELLANEOUS PROVISIONS

11.1 Any notice, request, demand, statement or payment provided for in this Agreement, unless otherwise specified, shall be sent to the Parties hereto at the following addresses:

Exchange Coordinator

Facsimile: (813) 294-3895

11.2 The captions in this Agreement are for the convenience of the Parties in identification of the provisions hereof and shall not constitute a part of the Agreement, nor be considered interpretive thereof.

11.3 This Agreement shall be binding upon and inure to the benefit of the respective successors and permitted assigns of the Parties. The respective rights and obligations of either party hereto shall not be assignable without the consent of the other Party, and such consent shall not be unreasonably withheld, except that this Agreement may be assigned without further approval as collateral security to any bank or financial institution ("Lender") providing financing to Shipper in connection with Shipper's Cogeneration Facility. Seller agrees to execute any consent to

assignment and such other documents in connection with any assignment to Lender as Lender may reasonably request.

11.4 The interpretation and performance of this Agreement shall be in accordance with the laws of the State of Florida.

11.5 This Agreement shall be subject to all of the rules, regulations, and orders of any duly constituted federal or state regulatory authorities having jurisdiction hereof. Transporter and Shipper shall comply at all times with all applicable federal, state, municipal, and other laws, ordinances and regulations. Transporter and/or Shipper will furnish any information or execute any documents required by any duly constituted federal or state regulatory authority in connection with the performance of this Agreement. Transporter's and Shipper's obligations under this Agreement shall terminate in the event approval of this Agreement by the Florida Public Service Commission is not granted on terms and conditions acceptable to Transporter and Shipper. Transporter shall pursue such approval with due diligence and in good faith, at its own expense, and give Shipper written notice when such approval is obtained.

11.6 This Agreement shall be subject to all valid applicable state, local and federal laws, orders, directives, rules and regulations of any governmental body, agency or official having jurisdiction over this Agreement and the transportation of gas hereunder. Each Party shall proceed with diligence to file any necessary applications with any governmental authorities for any authorizations necessary to carry out its obligations under this Agreement. In the event this Agreement or any

provisions herein shall be found contrary to or in conflict with any such law, order, directive, rule or regulation, the latter shall be deemed to control, but nothing in this Agreement shall prevent either Party from contesting the validity of any such law, order, directive, rule or regulation, nor shall anything in this Agreement be construed to require either party to waive its respective rights to assert the lack of jurisdiction of any governmental agency other than the Florida Public Service Commission over this Agreement or any part thereof. In the event of such contestation, and unless otherwise prohibited from doing so under this Section 11.6, Transporter shall continue to transport and Shipper shall continue to take gas pursuant to the terms of this Agreement. In the event any law, order, directive, rule, or regulation shall prevent either Party from performing hereunder, then neither Party shall have any obligation to the other during the period that performance is precluded.

11.7 Shipper's obligations with respect to reimbursement of facilities construction costs, as provided in Section 6.3 of this Agreement, and Shipper's and Transporter's obligations with respect to indemnification under this Agreement, shall survive termination of this Agreement.

11.8 This Agreement, on the Effective Date, supersedes and cancels the Gas Transportation Agreement and Agency Agreement dated October 18, 1991, as amended by letter agreements dated September 21, 1992 and February 3, 1993, and the Gas Transportation Agreement, dated April 22, 1993, between the Parties.

IN WITNESS WHEREOF, the Parties have executed this Agreement
as of the date first stated above.

EXHIBIT A
TO
GAS TRANSPORTATION AGREEMENT
BETWEEN
CENTRAL FLORIDA GAS COMPANY
AND
POLK POWER PARTNERS, L.P.
DATED FEBRUARY 18, 1994

Transportation Rates

The rates to be charged for each dekatherm ("dt") of gas transported under this Agreement shall be as follows:

A. For the period commencing on the first day that Transporter redelivers gas hereunder to Polk Power Partners' Cogeneration Facility until the in-service date of FGT's Phase III expansion approved by the FERC in Docket Nos. CP92-182-000, et al., the rate per dt of gas transported each day of the months indicated below, up to the daily quantity indicated below for each month, shall be the rate for the applicable calendar year set forth in Section C of this Exhibit A:

<u>dt/day</u>		<u>dt/day</u>	
January	4,540	July	7,230
February	4,990	August	6,665
March	7,884	September	6,715
April	8,160	October	9,390
May	5,340	November	7,790
June	5,965	December	5,640

B. For the period commencing on the first day of the first month following the in-service date of FGT's Phase III expansion facilities and continuing thereafter for the remainder of the term of this Agreement, the rate for the first 5,640 dt of gas transported each day hereunder shall be the rate for the applicable calendar year set forth in Section C of this Exhibit A.

C. The rate per dt of gas transported hereunder for the daily quantities specified in Sections A and B of this Exhibit A shall be the rate per dt for the applicable calendar year set forth below:

(per dt)

\$0.210	(January 1, 1994 - December 31, 1994)
\$0.226	(January 1, 1995 - December 31, 1995)
\$0.243	(January 1, 1996 - December 31, 1996)
\$0.261	(January 1, 1997 - December 31, 1997)
\$0.280	(January 1, 1998 - December 31, 1998)
\$0.301	(January 1, 1999 - December 31, 1999)
\$0.324	(January 1, 2000 - December 31, 2000)
\$0.348	(January 1, 2001 - December 31, 2001)
\$0.374	(January 1, 2002 - December 31, 2002)
\$0.402	(January 1, 2003 - December 31, 2003)
\$0.432	(January 1, 2004 - December 31, 2004)
\$0.465	(January 1, 2005 - December 31, 2005)
\$0.499	(January 1, 2006 - December 31, 2006)
\$0.537	(January 1, 2007 - December 31, 2007)
\$0.577	(January 1, 2008 - December 31, 2008)
\$0.620	(January 1, 2009 - December 31, 2009)
\$0.667	(January 1, 2010 - December 31, 2010)
\$0.717	(January 1, 2011 - December 31, 2011)
\$0.771	(January 1, 2012 - December 31, 2012)
\$0.829	(January 1, 2013 - December 31, 2013)
\$0.891	(January 1, 2014 - December 31, 2014)
\$0.958	(January 1, 2015 - December 31, 2015)

D. The rate per dt of gas transported hereunder in excess of the daily quantities specified in Sections A and B of this Exhibit A shall be \$0.025 throughout the term of this Agreement.

AMENDMENT NO. 1 TO GAS TRANSPORTATION AGREEMENT

This Amendment made and entered into this 14 day of September, 1994, between the Central Florida Gas Company Division of Chesapeake Utilities Corporation, a Delaware corporation, ("Transporter"), and Polk Power Partners, Limited Partnership, a Delaware limited partnership ("Shipper") (collectively the "Parties"), constitutes an amendment to the Gas Transportation Agreement dated February 18, 1994, between the Parties (the "Agreement").

- A. Transporter and Shipper previously entered into the Agreement for Transporter's delivery of natural gas on behalf of Shipper through new pipeline facilities to be constructed by Transporter (the "Pipeline Facilities").
- B. Transporter and Shipper desire to amend the Agreement in order to clarify what taxes Shipper will be liable for under this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for such other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree to amend the Agreement as follows:

- 1. Article 6.2 on page 8 shall be replaced with the following:

6.2 Taxes. The services under this Agreement are subject to State of Florida Gross Receipts Tax (currently equal to 2.5%), a Regulatory Assessment Fee (currently equal to 3/8 of 1%), and State and local sales tax (currently equal at 6%). The Regulatory Assessment Fee and 1.5% of the Gross Receipts Tax are included in the rates specified in Article 6.1. The remaining portion (1%) of the current Gross Receipts Tax and the sales tax shall be added to Shipper's invoice. Shipper may be eligible for an exemption from the sales tax. In such case Shipper shall provide Transporter with a written notice of exemption. If during the term of this Agreement, the Federal Government, or any State, municipality or subdivision of such Government, should increase any present tax or levy any additional tax related to the service provided by Transporter under this Agreement, any such additional tax actually paid by Transporter shall be computed on a cents per dt basis and added to the then effective rate hereunder. If during the term of this Agreement, the Federal Government, or any State, municipality or subdivision of such Government, should decrease or eliminate any tax paid by Transporter relating to the service provided by Transporter under this Agreement, the reduction in such tax shall be computed on a cents per dt basis and subtracted from the then effective rate hereunder.

- 2. All terms and conditions of the Agreement not expressly amended herein shall remain in full force and effect.

3. This Amendment No. 1 supplements the Agreement and supersedes any and all prior understandings between the Parties with respect to the subject matter herein.
4. This Amendment shall be effective as of the date set forth above, and the effectiveness of this Amendment shall not be subject to approval by the Florida Public Service Commission.
5. This Amendment may be executed in any number of counterparts, and each executed counterpart shall have the same force and effect as an original instrument.

IN WITNESS WHEREOF, the Parties have caused this Amendment to be signed by their respective officers thereunto duly authorized as of the date first stated above.

January 28, 1999

Mr. Wade Smith
Polk Power Partners, LP
c/o Polk Power GP, Inc.
1125 US Highway 98 South, Suite 100
Lakeland, Florida 33801

Dear Mr. Smith,

Central Florida Gas Company recently received a ruling from the State of Florida Department of Revenue which advised us that Gas Transportation Service is not subject to the utility gross receipts tax. As a result, and pursuant to the contract between Central Florida Gas Company and Polk Power Partners, effective November 1, 1998, we are reducing your base gas transportation rate from \$.28 per dekatherm to \$.27578 per dekatherm. Your incremental gas transportation rate will be reduced from \$.025 cents per dekatherm to \$.02462. We will be issuing revised invoices to your attention for the months of November and December, 1998.

In addition, effective January 1, 1999, the Florida Public Service Commission increased its regulatory assessment fee from 3/8 of 1% to 1/2 of 1% of regulated revenues. As this rate is embedded in the contract rate for gas transportation service, we will be increasing your gas transportation rates effective January 1, 1999. The base transportation rate effective January 1, 1999 is \$.29684 per dekatherm, reduced from \$.30100 as stated in the gas transportation agreement between Central Florida Gas Company and Polk Power Partners. The incremental transportation rate effective January 1, 1999 is \$.02465 per dekatherm.

Please contact me at 299.2883 or Sam Sessa at 293.8612 if you have any questions.

Respectfully yours,

A handwritten signature in cursive script that reads "Anne V. Wood".

Polk Power Partners, L.P. and Chesapeake Utilities Corporation
Amendment No. 2 to GTA

AMENDMENT NO. 2 TO GAS TRANSPORTATION AGREEMENT

This AMENDMENT NO. 2 TO GAS TRANSPORTATION AGREEMENT ("Amendment") is made and entered into on the 24th day of August, 2005, to be effective January 1, 2005 (the "Effective Date") by and between Chesapeake Utilities Corporation, a Delaware corporation doing business in Florida as Central Florida Gas Company and hereinafter referred to as "Transporter", and Polk Power Partners, L.P., a Delaware limited partnership hereinafter referred to as "Shipper". Transporter and Shipper shall also be referred to from time to time herein as "Party" or, collectively, as "Parties."

WITNESSETH:

WHEREAS, Transporter and Shipper are Parties to that certain Gas Transportation Agreement ("Agreement") dated February 18, 1994; and

WHEREAS, subject to the terms and conditions of this Amendment, the Parties desire to amend, cancel, or replace certain provisions of the Agreement, as provided herein.

NOW, THEREFORE, in consideration of the premises and mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are acknowledged by the Parties, the Parties mutually agree as follows:

1. The first sentence of Section 1.1 of the Agreement is amended to read as follows:

"Shipper shall cause FGT to deliver to Transporter at the Bartow B delivery point on FGT's system, and/or such other delivery point on FGT's system interconnected to Transporter's gas distribution system as the Parties may agree (hereinafter referred to as a "Delivery Point"), the quantities of gas to be transported by Transporter hereunder."
2. Exhibit A of the Agreement is canceled as of the Effective Date of this Amendment.
3. Section 6.1 of the Agreement is deleted in its entirety, and the following shall be inserted in lieu thereof:

"For the period commencing January 1, 2005 and continuing thereafter for the remaining term of this Agreement, Shipper shall pay to Transporter a Transportation Service Reservation Charge of \$54,896 per month. Shipper shall pay this amount to Transporter on or before the first day of each month during

Polk Power Partners, L.P. and Chesapeake Utilities Corporation
Amendment No. 2 to GTA

the remaining term of this Agreement whether or not Shipper causes FGT to deliver to Transporter at any Delivery Point any quantities of gas to be transported by Transporter hereunder. In the event that actual gas quantities received at Shipper's Cogeneration Facility as recorded on Transporter's measurement equipment located at such facility, such equipment not to include any measurement equipment associated with the ARC Delivery Point, exceed 4,512 dt per day on any given day, Shipper shall pay to Transporter an additional transportation charge of \$0.20 per dt for all quantities in excess of 4,512 dt per day up to 5,640 dt per day. In the event that actual gas quantities received at Shipper's Cogeneration Facility as recorded on Transporter's measurement equipment located at such facility, such equipment not to include any measurement equipment associated with the ARC Delivery Point, exceed 5,640 dt per day on any given day, Shipper shall pay to Transporter an additional transportation charge of \$0.025 per dt for all quantities in excess of 5,640. The rates established in this Agreement are subject to the continuing jurisdiction of the FPSC and may be amended from time to time subject to the approval of the FPSC.

4. Amendment No. 1 to the Agreement, dated September 14, 1994, is canceled as of the Effective Date of this Amendment.
5. Section 6.2 of the Agreement, as amended by Amendment No. 1, is deleted in its entirety and the following shall be inserted in lieu thereof:

"If during the term of this Agreement, the Federal Government, or any State, municipality or subdivision of such Government, shall increase any present tax or levy additional tax, relating to the service provided by Transporter under this Agreement (other than on Transporter's income), any such additional tax actually paid by Transporter shall be added to the then effective rate for the Monthly Transportation Reservation Charge. If during the term of this Agreement, the Federal Government, or any State, municipality or subdivision of such Government, shall decrease or eliminate any tax paid by Transporter relating to the service provided by Transporter under this Agreement, the reduction in such tax shall be subtracted from the then effective rate for the Monthly Transportation Reservation Charge."
6. The Parties agree that, on the Effective Date of this Amendment, Transporter's letter to Shipper dated January 28, 1999, reducing the base

Polk Power Partners, L.P. and Chesapeake Utilities Corporation
Amendment No. 2 to GTA

transportation rate in the Agreement to eliminate Florida Gross Receipts Tax as a rate component and increasing the base transportation rate to reflect an increase in the Florida Public Service Commission's Regulatory Assessment Fee shall be canceled and replaced in its entirety by the rates established by this Amendment. The Parties further agree that nothing in this Amendment, or the replacement of the January 28, 1999 Transporter letter, shall be construed as limiting the ability of Transporter to increase or reduce rates to recover from Shipper Gross Receipts Tax, Regulatory Assessment Fees, or any other applicable tax or fee, that may be imposed or for which tax rates are adjusted by governmental authority, relating to the service provided by Transporter under this Agreement.

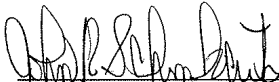

7. The Parties agree that, as provided in Section 6.1 of the Agreement, as amended herein, the negotiated rates included in this Amendment are subject to the continuing jurisdiction of the Florida Public Service Commission (FPSC) and must be submitted for approval. Transporter agrees to petition the FPSC for approval of the amended rates within thirty (30) days from the date of execution of this Amendment.
8. Section 7.1 of the Agreement is amended to add the following sentence: "Shipper may, at its sole option, terminate this Agreement with at least eighteen (18) months written notice to Transporter prior to the proposed termination date."
9. The Parties agree that the rates, terms and conditions established in this Amendment shall be placed into effect on the Effective Date on an interim basis until such time as the FPSC has issued a final order approving the amended rates, terms and conditions. The Parties agree that, in the event the FPSC (a) expressly declines to issue such a final order, or (b) fails to issue such a final order within twelve (12) months after execution of this Amendment, the provisions of this Amendment shall be deemed void ab initio, and the rates, terms and conditions shall revert to the original Agreement. Transporter shall calculate the cumulative revenue difference between the actual billed charges at the interim rates in this Amendment and the rates in the original Agreement for the gas quantities delivered during the period the interim rates were in effect, and collect or refund such amount from or to Shipper.
10. This Amendment may be executed in more than one counterpart, and each executed counterpart shall have the same force and effect as an original instrument.
11. In all other respects, the Agreement shall remain unchanged and in full force and effect.

Polk Power Partners, L.P. and Chesapeake Utilities Corporation
Amendment No. 2 to GTA

IN WITNESS WHEREOF, the parties have duly executed this Amendment No. 2
to Gas Transportation Agreement, effective as of the date first stated above.

Polk Power Partners and Chesapeake Utilities Corporation
Master Gas Transportation Service Termination Agreement

**MASTER GAS TRANSPORTATION SERVICE
TERMINATION AGREEMENT**

This MASTER GAS TRANSPORTATION SERVICE TERMINATION AGREEMENT ("Master Agreement") is made and entered into as of the 24th day of August, 2005, (the "Effective Date") by and between Chesapeake Utilities Corporation, a Delaware corporation doing business in Florida as Central Florida Gas Company and hereinafter referred to as "Transporter", and Polk Power Partners, L.P., a Delaware limited partnership hereinafter referred to as "Shipper". Transporter and Shipper shall also be referred to from time to time herein as "Party" or, collectively, as "Parties."

WITNESSETH:

WHEREAS, Transporter and Shipper are Parties to the following agreements: (1) Gas Transportation Agreement dated February 18, 1994, as amended, including by Amendment No. 2 to Gas Transportation Agreement, effective as of January 1, 2005 ("Gas Transportation Agreement"); (2) Capacity Relinquishment Agreement dated February 18, 1994, as amended, including by Amendment No. 1 to Capacity Relinquishment Agreement of even date herewith; (3) Delivery Point Lease Agreement effective January 1, 2005; and, (4) Transportation Aggregation Service (TAS) Pool Manager Agreement, effective as of January 1, 2005, as modified by the Letter Agreement: CFG Transportation Aggregation Service, dated August 24, 2005 and effective as of January 1, 2005 (such above referenced agreements collectively referred to from time to time herein as "Agreements"); and

WHEREAS, each of the Agreements include specific termination rights for each Party, and, further, each of the Agreements are subject to all of the rules, regulations and orders of any duly constituted federal or state regulatory authorities having jurisdiction hereof, which regulatory authority may, subsequent to the execution of the Agreements by the Parties, order the termination of the Agreements; and

WHEREAS, the Parties recognize and acknowledge that the operational and economic benefits which inure to each Party from the Agreements exist only to the extent each referenced agreement remains in force, and that the exercise of the right to terminate, singly or collectively, any of the Agreements by either Party, and/or a jurisdictional regulatory authority, may result in one Party achieving an unintended operational or economic advantage over the remaining Party; and

WHEREAS, both Parties desire to establish certain rights to terminate any or all of the Agreements in the event one Party exercises their termination rights under one or more of the Agreements, and/or a jurisdictional regulatory authority orders the termination of one or more of the Agreements.

{H0029367.2}

Polk Power Partners and Chesapeake Utilities Corporation
Master Gas Transportation Service Termination Agreement

NOW, THEREFORE, in consideration of the premises and mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are acknowledged by the Parties, the Parties mutually agree as follows:

1. In the event either Party terminates one or more of the Agreements (the "Initiating Party"), the Party not terminating the agreement (the "Remaining Party") shall have the right, but not the obligation, to terminate any or all of the Agreements remaining in force on the earliest effective date of termination of the Agreement or Agreements terminated by the Initiating Party; provided, however, that such termination right shall not be available to the Remaining Party if the Initiating Party terminates any of the Agreements due to the default of the Remaining Party thereunder.
2. In the event a jurisdictional regulatory authority orders the termination of any or all of the Agreements, the Parties shall individually (and unilaterally) have the right, but not the obligation, to terminate any or all of the Agreements remaining in force on the earliest effective date of termination of the Agreement(s) terminated by the jurisdictional regulatory authority.
3. Nothing in this Master Agreement shall reduce or modify the unilateral right of Shipper to terminate the Gas Transportation Agreement at Shipper's sole option upon eighteen (18) months prior written notice to Transporter, pursuant to Section 7.1 thereof.
4. In all other respects, this Master Agreement shall have no effect on the Agreements, which shall remain in full force and effect.

IN WITNESS WHEREOF, the Parties have duly executed this Amendment, in multiple originals, effective as of the day and year first above written.

{H0029367.2}

DELIVERY POINT LEASE AGREEMENT

This Delivery Point Lease Agreement (this "Lease"), is made and entered into on the 24th day of August 2005, to be effective January 1, 2005 (the "Effective Date") by and between Polk Power Partners, LP, a Delaware limited partnership ("Lessor"), and Chesapeake Utilities Corporation, a Delaware corporation, ("Lessee"), each of Lessor and Lessee being sometimes referred to herein individually as "Party" or collectively as the "Parties").

WHEREAS, Lessor owns and operates a cogeneration facility located at Noralyn Commerce Industrial Park, Polk County, Florida, (the "Plant"), and owns and operates certain gas receiving property and equipment directly interconnected to the Florida Gas Transmission ("FGT") pipeline at a pipeline interconnect location designated by FGT as Delivery Point DRN 153710 (as hereinafter more particularly defined, the "Facilities"); and

WHEREAS, Lessee is a public utility and owns and operates a natural gas distribution system within Central Florida, is qualified and experienced in the operation of natural gas pipeline facilities, and desires to lease the Facilities from Lessor for use in delivering gas to Lessor; and

WHEREAS, Lessor is willing to lease the Facilities to Lessee for use by Lessee in providing service to Lessor.

NOW, THEREFORE, in consideration of the premises and mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are acknowledged by the Parties, the Parties mutually agree as follows:

Section 1 - Lease. Lessor hereby leases to Lessee, and Lessee hereby leases from Lessor, effective as of the Effective Date and upon and subject to the terms and conditions herein set forth, the following described property:

The gas receiving and associated pipeline, valves, meters, electronic control equipment and such other property as is incorporated therein or affixed or appurtenant thereto, being referred to herein as the "Facilities" located in the State of Florida, extending from the point at the connection of the facilities of FGT and the Plant at which the gas leaves the outlet side of the measuring equipment of FGT and enters Lessor's Facilities, as more particularly described in "Attachment A", which is attached hereto, incorporated herein and made a part hereof by reference.

Section 2 - Term. This Lease shall be in effect as of January 1, 2005 and shall continue in effect through the month of December 2015, (the "Initial Term".) This Lease may be terminated at any time during the Initial Term or any extended period by either Party, subject to the following: (a) the Party initiating the termination provides written notice to the other Party no less than thirty (30) days prior to any submittal, by either Party, to FGT requesting termination of Lessee as the authorized Delivery Point Operator and/or authorization of a change in Polk Power Partners' Delivery Point Operator, and (b) the

{H0029355.1}

Delivery Point Lease Agreement

effective date of the termination of this Lease shall be the effective date established by FGT in its confirmation letter(s) to the Parties confirming the change in Delivery Point Operator for Polk Power Partners. Subsequent to the expiration of the Initial Term, this Lease shall be extended on a year-to-year basis ("Secondary Term"), unless either Party gives written notice of termination to the other Party, not less than ninety (90) days prior to the expiration of any annual period.

Section 3 - Rent. During the Initial Term and any Secondary Term of this Lease, Lessee shall pay to Lessor rent in the amount of \$10.00 annually, the first such payment being due within twenty (20) days following the Effective Date, and successive annual payments in said amount being due within twenty (20) days following each anniversary of the Effective Date (rent being due for any fractional portion of any year in proportion). All rent payments shall be made to Lessor at the address set forth in Section 14 of this Lease, or at such other address as Lessor may designate by written notice to Lessee, unless Lessor shall assign this Lease and the right to receive the rent hereunder, in which case rent shall be paid to Lessor's assignee after written notice of such assignment, if any, has been duly given to Lessee by Lessor. All rent shall be paid without notice or demand, and without abatement, deduction or set-off of any amount whatsoever.

Section 4 - Use, Operation and Maintenance of Delivery Point.

(a) Use of Delivery Point; Records and Reports. During the term of this Lease, Lessee shall use the Facilities for the purpose of transporting and delivering gas to Lessor, and for such other purposes as may be incidental thereto, and for no other purpose; provided, however, that Lessee's use of such Facilities shall comply in all respects with all applicable laws, ordinances and regulations, tariffs, orders, or directives of any governmental body having jurisdiction; and provided further that Lessee's use of the Facilities shall not, without the prior written consent of Lessor, and notwithstanding any other agreement between Lessor and Lessee to the contrary, cause any interruption in Lessor's ability to receive the Plant's full requirements for natural gas under the delivery conditions as set forth in Lessor's FGT Transportation Service Agreement(s) related to the above referenced Delivery Point. Lessee shall comply at all times with the operating and periodic maintenance requirements of Parts 191 and 192, Title 49, Code of Federal Regulations, and Chapter 25-12, Florida Administrative Code, as well as any applicable orders or directives of the Florida Public Service Commission. Lessee shall be responsible for the cost associated with the periodic maintenance of the Facilities as required by law and/or governmental regulation. Lessee shall not be responsible for the repair or replacement of the Facilities, or any portion thereof, as may be required from time to time during the term of this Lease. Lessee shall prepare and maintain all books and records required by any applicable laws, regulations or ordinances to be prepared and maintained by the owner or lessee of the Facilities, and prepare and file (or submit to Lessor for filing, as the case may be) all reports with governmental bodies required by any applicable laws, regulations or ordinances to be filed by the owner or lessee of the Facilities, in connection with Lessee's operation or maintenance of the Facilities.

(b) Records, Access, etc. During the term of this Lease, Lessor shall make available to Lessee Lessor's records (or copies thereof) relating to the design, permitting, construction and operation of the Facilities, including, without limitation, regulatory filings, schematics, blueprints and maintenance records, provided, however, that to the extent any such data, files or records are not limited in scope to the Facilities, Lessor shall (i)

{H0029355.1}

Delivery Point Lease Agreement

only provide copies of such information, and (ii) be allowed to redact from such copies any and all portions of such information that pertain to matters beyond the scope of the Facilities. Lessor shall provide to Lessee reasonable access to the Facilities as required for Lessee to operate, maintain and respond to emergency situations associated with the Facilities. Nothing herein shall limit or restrict Lessor's access to the Facilities.

(c) **Audit Rights.** Lessor shall have the right to review and audit, during normal business hours, on reasonable prior notice and at its own expense, Lessee's records relating to services performed or required to be performed by Lessee pursuant to this section.

Section 5 - Operation and Maintenance Fee. For the services provided herein, Lessor shall pay Lessee the sum of \$20,000.00 within thirty (30) days of the execution of this Lease and, further, during the term of this Lease, Lessor shall pay to Lessee an Operation and Maintenance Fee in the amount of \$2,500.00 per month, payable retroactively as of the Effective Date. Lessee shall bill the Operations and Maintenance Fee to Lessor each month on Lessee's monthly gas transportation statement to Lessor; provided, however, that any unpaid Operations and Maintenance Fees attributable to months prior to the execution hereof shall be added (without interest thereon) to the first monthly gas transportation statement after the month of execution hereof.

Section 6 - Warranties. Lessee agrees that it has entered into this Lease based upon its own judgment and inspection of the Facilities and disclaims any reliance upon any statements or representations with respect to the Facilities made by Lessor.

Section 7 - Title. Title to the Facilities shall at all times remain in Lessor, and Lessee shall, at its own expense, protect and defend the title of Lessor and keep it free and clear of all claims and liens other than the rights of Lessee hereunder and claims and liens created by or arising through Lessor. The Facilities shall remain personal property regardless of their attachment to or placement within realty.

Section 8 - Taxes. Lessor agrees that, during the term of this Lease, it will retain the obligation to pay all taxes, assessments, and other governmental charges or fees levied or assessed upon the Facilities.

Section 9 - Insurance. Both Parties shall, during the term hereof, maintain in force and effect property damage and casualty insurance protecting the Facilities from all risks in a face amount not less than the full value of the Facilities, and liability insurance with combined single limits of not less than \$1,000,000; each Party naming the other Party as an additional insured. Both Parties shall provide certificates of such insurance coverages to the other Party, and all policies shall require the giving of written notice by each Party to the other Party not less than thirty (30) days prior to cancellation or change in coverage.

Section 10 - Indemnification.

10.1 For value received and to induce Lessee to enter into this Lease, Lessor agrees to protect, defend (at Lessor's expense and by counsel reasonably satisfactory to Lessee), indemnify, and save and hold harmless Lessee, its officers, directors, shareholders, employees, agents, successors and assigns, from and against all direct or indirect costs, expenses, damages, losses, obligations, lawsuits, appeals, claims, or

{H0029355.1}

Delivery Point Lease Agreement

liabilities of any kind or nature (whether or not such claim is ultimately defeated), including in each instance, but not limited to, all costs and expenses of investigating and defending any claim at any time arising and any final judgments, compromises, settlements, and court costs and attorney's fees, whether foreseen or unforeseen (including all such expenses, court costs, and attorney's fees in the enforcement of Lessee's rights hereunder) incurred by Lessee in connection with, arising out of, resulting from, relating to, or incident to:

1. any breach of any of the representations, warranties, or covenants of Lessor contained in this Lease, or in any Exhibit, Schedule, or other document attached hereto and made a part hereof, or provided pursuant hereto, specifically including but not limited to:
 - (a) to the extent caused by Lessor or its designee or agent (other than Lessee), any FGT penalties or other expenses or liabilities for unauthorized overrun or underrun Gas, for imbalances on a pipeline system, for failure to comply with FGT's FERC Tariff, or for Lessor's failure to comply with a curtailment notice or to take deliveries as scheduled; and
 - (b) any claim by a gas supplier or other Party contesting Lessor's warranty of title to Gas and related obligations;
2. any claim by a creditor of Lessor as a result of any transaction pursuant to or contemplated by this Lease; and
3. any claim against Lessee relating to any obligation or liability of Lessor, or its affiliates, or any of them of any kind or nature.

In no event shall Lessee be indemnified to the extent of any negligence on the part of Lessee.

In the event that any claim or demand for which Lessor would be liable to Lessee hereunder is asserted against or sought to be collected from Lessee by a third party, Lessee shall promptly notify Lessor of such claim or demand, specifying the nature of such claim or demand and the amount or the estimated amount thereof, if determination of an estimate is then feasible (which estimate shall not be conclusive of the final amount of such claim or demand) (the "Claim Notice"). Lessor shall have twenty (20) days, or such shorter period as the circumstances may require if litigation is involved, from the personal delivery or mailing of the Claim Notice (the "Notice Period") to notify Lessee:

- A. whether or not it disputes its liability to Lessee hereunder with respect to such claim or demand; and,
- B. whether or not it desires, at its sole cost and expense, to defend Lessee against such claim or demand.

In the event that Lessor notifies Lessee within the Notice Period that it desires to defend Lessee against such claim or demand, Lessor shall have the right to defend Lessee by appropriate proceedings, which proceedings shall be promptly settled or prosecuted by

{H0029355.1}

Delivery Point Lease Agreement

Lessor to a final conclusion in such manner as to avoid any risk of Lessee becoming subject to any liability for such claim or demand or for any other matter. If Lessee desires to participate in, but not control, any defense or settlement, it may do so at its sole cost and expense. If Lessor elects not to defend Lessee against such claim or demand, whether by not giving Lessee timely notice as provided above or otherwise, then the amount of any such claim or demand, or, if the same is contested by Lessor or by Lessee (Lessee having no obligation to contest any such claim or demand), then that portion thereof as to which such defense is unsuccessful, shall be conclusively deemed to be a liability of Lessor and subject to indemnification as provided hereinabove.

10.2 For value received and to induce Lessor to enter into this Lease, Lessee agrees to protect, defend (at Lessee's expense and by counsel reasonably satisfactory to Lessor), indemnify, and save and hold harmless Lessor, its officers, directors, shareholders, employees, agents, successors and assigns, from and against all direct or indirect costs, expenses, damages, losses, obligations, lawsuits, appeals, claims, or liabilities of any kind or nature (whether or not such claim is ultimately defeated), including in each instance, but not limited to, all costs and expenses of investigating and defending any claim at any time arising and any final judgments, compromises, settlements, and court costs and attorney's fees, whether foreseen or unforeseen (including all such expenses, court costs, and attorney's fees in the enforcement of Lessor's rights hereunder) incurred by Lessor in connection with, arising out of, resulting from, relating to, or incident to:

1. any breach of any of the representations, warranties, or covenants of Lessee contained in this Lease, or in any Exhibit, Schedule, or other document attached hereto and made a part hereof, or provided pursuant hereto;
2. any claim by a creditor of Lessee as a result of any transaction pursuant to or contemplated by this Lease; and
3. any claim against Lessor relating to any obligation or liability of Lessee, or its affiliates, or any of them of any kind or nature.

In no event shall Lessor be indemnified to the extent of any negligence on the part of Lessor.

In the event that any claim or demand for which Lessee would be liable to Lessor hereunder is asserted against or sought to be collected from Lessor by a third party, Lessor shall promptly notify Lessee of such claim or demand, specifying the nature of such claim or demand and the amount or the estimated amount thereof, if determination of an estimate is then feasible (which estimate shall not be conclusive of the final amount of such claim or demand) (the "Claim Notice"). Lessee shall have twenty (20) days, or such shorter period as the circumstances may require if litigation is involved, from the personal delivery or mailing of the Claim Notice (the "Notice Period") to notify Lessor:

- A. whether or not it disputes its liability to Lessor hereunder with respect to such claim or demand; and,
- B. whether or not it desires, at its sole cost and expense, to defend Lessor against such claim or demand.

{H0029355.1}

In the event that Lessee notifies Lessor within the Notice Period that it desires to defend Lessor against such claim or demand, Lessee shall have the right to defend Lessor by appropriate proceedings, which proceedings shall be promptly settled or prosecuted by Lessee to a final conclusion in such manner as to avoid any risk of Lessor becoming subject to any liability for such claim or demand or for any other matter. If Lessor desires to participate in, but not control, any defense or settlement, it may do so at its sole cost and expense. If Lessee elects not to defend Lessor against such claim or demand, whether by not giving Lessor timely notice as provided above or otherwise, then the amount of any such claim or demand, or, if the same is contested by Lessee or by Lessor (Lessor having no obligation to contest any such claim or demand), then that portion thereof as to which such defense is unsuccessful, shall be conclusively deemed to be a liability of Lessee and subject to indemnification as provided hereinabove.

10.3 The foregoing indemnification and hold harmless agreement shall benefit both Parties from the Effective Date hereof and shall survive the termination of this Lease.

Section 11 - Failure to Perform: Default and Remedies.

11.1 The following shall constitute an event of default:

- (a) Either Party fails to satisfy in full the terms and conditions of this Lease;
- (b) Either Party voluntarily suspends the transaction of business where there is an attachment, execution or other judicial seizure of any portion of its respective assets;
- (c) Either Party becomes insolvent or unable to pay its debts as they mature or makes an assignment for the benefit of creditors;
- (d) Either Party files, or there is filed against it, a petition to have it adjudged bankrupt or for an arrangement under any law relating to bankruptcy;
- (e) Either Party applies for or consents to the appointment of a receiver, trustee or conservator for any portion of its properties or such appointment is made without its consent; or
- (f) Either Party is formally charged by any government agency with engaging in any unlawful activities.

11.2 If either Party fails to perform its obligations under this Lease, the non-defaulting Party shall notify the defaulting Party in writing (the "Default Notice") within three (3) days after the day that the non-defaulting Party obtained knowledge of such failure to perform. Each such Default Notice shall describe in detail the act or event constituting the non-performance by the defaulting Party. The defaulting Party shall have five (5) days after its receipt of the Default Notice to cure any such failure to perform, unless such cure can not be accomplished using reasonable efforts within said five (5) day period, in which case the defaulting Party shall have such additional time as may be necessary, using reasonable efforts, to cure such non-performance (the "Default Cure Period").

{H0029355.1}

Delivery Point Lease Agreement

11.3 In the event of a default that is not cured within the Default Cure Period, the non-defaulting Party may, at its option, exercise any, some, or all of the following remedies, concurrently or consecutively:

- (a) any remedy specifically provided for in this Lease, and/or,
- (b) terminate the Lease upon written notice to the defaulting Party; and/or,
- (c) any other remedy existing at law or in equity.

Section 12 - Assignment. This Lease shall be binding upon, and inure to the benefit of, the respective successors and permitted assigns of the Parties. The respective rights and obligations of either Party hereto shall not be assignable without the consent of the other Party, and such consent shall not be unreasonably withheld, except that this Lease may be assigned without further approval as collateral security to any bank or financial institution ("Lender") providing financing to Lessor in connection with Lessor's cogeneration facility. Lessee agrees to execute any consent to assignment and other such documents in connection with any assignment to Lender, as Lender may reasonably request.

Section 13 - Mutually Beneficial Transactions. Lessor and Lessee recognize that, from time to time, circumstances may arise that provide one or both Parties an opportunity to achieve financial or operational benefits, resulting from the Delivery Point Operator services described in this Agreement, that exceed the benefits associated with typical monthly imbalance resolution and FGT Operational Order response. In the event either Party identifies such an opportunity, and both Parties mutually agree to a scope of services or a defined course of action, the compensation for the services and/or action shall be negotiated between the Parties. Terms and conditions of such transactions shall be agreed upon at the time of the transaction and shall be recorded and confirmed in writing within five (5) business days after the transaction. The Parties agree that any such transaction shall have no adverse impact on customers receiving transportation service under Central Florida Gas Company's gas tariff as approved by the Florida Public Service Commission.

Section 14 - Notices. Any notice, demand, request or invoice provided for in this Lease shall be in writing and deemed given when delivered by hand or deposited in the U.S. Mail postage prepaid addressed to each Party as set forth below:

Section 15 - Independent Parties. Lessee and Lessor shall perform hereunder as independent Parties, and neither Lessee nor Lessor is in any way or for any purpose, by nature of this Lease or otherwise, a partner, joint venturer, agent, employer or employee of the other. Nothing in this Lease shall be for the benefit of any third person for any purpose, including without limitation, the establishing of any type of duty, standard of care or liability with respect to any third person.

Section 16 - No Waiver. No waiver of any of the provisions hereof shall be deemed to be a waiver of any other provision, whether similar or not. No waiver shall constitute a continuing waiver. No waiver shall be binding on a Party unless executed in writing by that Party.

Section 17 - Amendments. This Lease shall not be amended except by an instrument in writing signed by the Party against which enforcement of the amendment is sought. A change in the place to which notices hereunder must be sent shall not be deemed nor require an amendment hereof, provided such change is communicated pursuant to Section 14.

Section 18 - Entire Agreement. On and after the Effective Date, this Lease constitutes the entire agreement between the Parties with respect to Lessee's use of the Facilities and the operation, maintenance and repair services to be provided for the Facilities, and supersedes all prior agreements and understandings between the Parties with respect thereto.

Section 19 - Governing Law. This Lease and any dispute arising hereunder shall be governed by, and interpreted in accordance with, the laws of the State of Florida and shall be subject to all applicable laws, rules and orders of any Federal, state or local governmental authority having jurisdiction over either or both of the Parties, their facilities or the transactions contemplated. Venue for any action, at law or in equity, commenced by either Party against the other and arising out of, or in connection with, this Lease shall be in a court having jurisdiction and located in Polk County, Florida.

{H0029355.1}

Delivery Point Lease Agreement

Section 20 - Dispute Resolution.

(a) Except as provided in paragraph (b) below, prior to initiating arbitration to resolve a dispute under this Lease, the Parties agree to submit any and all disputes to pre-arbitration mediation under the Florida Rules for Certified and Court Appointed Mediators and Florida Rules of Civil Procedure 1.700 through 1.73 and 1.750, excluding subsection (b), together with the rules of the American Arbitration Association or the Foundation for Dispute Resolution. Accordingly, the Parties agree to strictly follow said rules and abide by any agreement entered into as a result of such mediation. Good faith compliance with this section shall be considered a condition precedent to the right to arbitration under this Lease. This section shall be deemed to be a material inducement to each Party's entering into this Lease.

(b) Subject to paragraph (a) above, any dispute relating to or arising under this Lease shall be decided by arbitration conducted in accordance with the arbitration rules and regulations (latest edition) established by the American Arbitration Association ("AAA"), by a single arbitrator appointed by the Parties or, failing agreement as to such appointment within thirty (30) days of a Party's proposal of an arbitrator, by a neutral arbitrator appointed by the AAA. The physical location of the arbitration shall be in the State of Florida. The Parties will pay the cost of the arbitrator as he or she directs. The Parties agree to be bound by the arbitrator's final decision, and judgment upon such final decision may be entered in any court having jurisdiction pursuant to Section 19 hereof, unless the court determines that the decision: (a) was procured by corruption, fraud or undue means, (b) was the result of evident partiality or misconduct by the arbitrator, or (c) would, if given effect, be unlawful under federal or Florida law.

Section 21 - Legal Fees. In the event of litigation between the Parties hereto arising out of or in connection with this Lease, the reasonable attorneys' fees and costs of the Party prevailing in such arbitration or litigation shall be paid by the other Party.

Section 22 - Lessee's Tariff Provisions. Subsection 9 (Force Majeure) of the General Terms and Conditions of Lessee's Natural Gas Tariff filed with the Florida Public Service Commission, including any amendments thereto during the term of this Lease, are hereby incorporated into this Lease and made a part hereof for all purposes. In the event of any conflict between said provision of Lessee's Natural Gas Tariff and specific provisions of this Lease, the latter shall prevail.

{H0029355.1}

Delivery Point Lease Agreement

IN WITNESS WHEREOF, the Parties hereto have caused this Lease to be executed by their respective duly authorized officers as of the date first set forth above.

Re: Letter Agreement: CFG Transportation Aggregation Service

Dear Mr. Jacobson:

Chesapeake Utilities Corporation, d/b/a Central Florida Gas (CFG), has reviewed the request of Polk Power Partners, L.P. ("the Partnership"), the prospective Pool Manager under the Transportation Aggregation Service (TAS) Agreement, to make certain modifications to the Form of Service Agreement as provided by Section 17.2 General Terms and Conditions of the CFG tariff. The tariff requires that two administrative actions be completed prior to activating a Customer Pool. A TAS Pool Manager Agreement (TAS Agreement) must be executed between CFG and the entity designated to manage the Customer Pool. The tariff also requires that customers interested in joining the pool must execute and submit to CFG a Letter of Authorization (LOA) selecting a Pool Manager and accepting the TAS tariff provisions.

The tariff clearly provides that an end-use customer who has shipper status on the interstate pipelines serving CFG's distribution system may be a Pool Manager and aggregate its facilities. The entity recognized as a Shipper on Florida Gas Transmission Company ("FGT") would be the Pool Manager of record and execute the TAS Agreement. Both the CFG and respective pipeline tariffs allow Shippers to establish a Designee or Agent to handle the various transactions and administrative activities related to transportation service.

CFG and the Partnership recognize that the creation of a TAS Customer Pool for the Polk Power Partner L.P. and the Orange Cogeneration L.P. cogeneration facilities is intended principally to provide the Partnership a greater degree of flexibility in resolving monthly shipper imbalances and responding to operational orders (Alert Days, OFO's, etc.). CFG recognizes that the Partnership's TAS Customer Pool will require some modification of the standard CFG TAS Agreement to accommodate certain special conditions of service. The TAS Agreement modifications are as follows:

{H0029366.2}

1. Article II - Scope of Capacity Relinquishment, is deleted in its entirety. CFG and the Partnership have existing agreements in place for capacity relinquishment. In addition, the Partnership holds service agreements directly with FGT for capacity. No capacity relinquishment from CFG will occur under the TAS Agreement, and the sixth Whereas clause in the recitals is deleted in its entirety, and any and all references and cross-references to Article II or Sections within Article II shall be without meaning, and may be deemed to be references to either (a) the appropriate provisions of the Service Agreement or (b) the applicable provisions of the Capacity Relinquishment Agreement between Chesapeake and Pool Manager, as context requires. In addition, CFG recognizes that, unlike other TAS Pool Managers, the Partnership is not a Gulfstream shipper since all gas quantities for the two cogeneration facilities are transported on FGT. Article II in the standard TAS Agreement would otherwise have required that the Pool Manager execute a Service Agreement with the Gulfstream Pipeline.
2. Article III - Relinquished Capacity Charges and Refunds, is deleted in its entirety. Given that no capacity will be released under the TAS agreement, the provisions for accepting and paying for capacity included in Article III are not relevant. Any and all references and cross-references to Article III or Sections within Article III shall be without meaning, and may be deemed to be references to either (a) the appropriate provisions of the Service Agreement or (b) the applicable provisions of the Capacity Relinquishment Agreement between Chesapeake and Pool Manager, as context requires.
3. Article IV - Use of Relinquished Capacity; Recall Rights, is deleted in its entirety. Again, this Article is not relevant since no capacity is relinquished under the TAS Agreement. Any and all references and cross-references to Article IV or Sections within Article IV shall be without meaning, and may be deemed to be references to either (a) the appropriate provisions of the Service Agreement or (b) the applicable provisions of the Capacity Relinquishment Agreement between Chesapeake and Pool Manager, as context requires.
4. Article V - Firm Delivery Requirements, Section 5.4 Penalties, is deleted in its entirety. The penalty provisions established in the TAS Agreement were originally intended to ensure that a Pool Manager provided reliable service to the commercial customers served in the Customer Pool. Given that the Partnership, as Pool Manager, is providing gas service to its own facilities, it has no need for CFG to establish a reliable service provision. Any and all references and cross-references to Article V, Section 5.4 Penalties shall be without meaning, and may be deemed to be references to the appropriate provisions of either (a) the appropriate provisions of the Service Agreement or (b) the applicable provisions of the Capacity Relinquishment Agreement between Chesapeake and Pool Manager, as

context requires.

5. In the mirroring indemnification provisions of Sections 9.3(a) and 9.3(b), the phrase "by counsel satisfactory to" shall be replaced by phrase "by counsel reasonably satisfactory to."
6. In the indemnification provisions of Pool Manager in Sections 9.3(a), the list of five (5) items shall be modified as follows:
 - a. Item 1a shall commence with the phrase: "to the extent caused by Pool Manager or its designee or agent (other than Chesapeake)", and before the words: "failure to comply with a curtailment notice" there shall be added: "Pool Manager's";
 - b. Item 4 is deleted in its entirety; and
 - c. Item 5 (re-numbered Item 4 due to the deletion of Item 4), is modified by deleting the following phrase at the end: ", pursuant to Section 10.5 of this Agreement."
7. In the indemnification provisions of Chesapeake in Sections 9.3(b), the list of four (4) items shall be modified as follows:
 - a. Item 4 is deleted in its entirety.
8. In Section 15.3 (Revisions to Taxes), after the phrase: "should increase any present tax or levy additional tax, relating to the service provided by Chesapeake under this Agreement" there shall be added the parenthetical, "(other than a tax on Chesapeake's income)".
9. In all other respects the TAS Agreement shall remain unchanged and in full force and effect.

In as the foregoing deviates from the CFG tariff, CFG, upon execution hereof, shall promptly file for Florida Public Service Commission acknowledgement or approval of this letter agreement, and the Partnership agrees to provide all reasonable assistance in support thereof.

IN WITNESS WHEREOF, the parties have duly executed this Letter Agreement,
in multiple originals, effective as of January 1, 2005.

**THE DEPARTMENT OF MANAGEMENT SERVICES
AGENCY OF THE STATE OF FLORIDA**

March 19, 1999

FTS GAS TRANSPORTATION SERVICE AGREEMENT

THIS AGREEMENT, entered into by and between Chesapeake Utilities Corporation, a Delaware corporation, doing business in Florida as Central Florida Gas Company, and hereinafter referred to as "Chesapeake," and the Department of Management Services (DMS), acting on behalf of various government agencies, an Agency of the State of Florida, hereinafter referred to as the "State." The State has awarded a contract to Enron Capital & Trade Resources Corporation (ECT) to provide Capacity Management Services and Acquisition of Natural Gas Supplies for State Agencies and Institutions. "ECT" will act as the State's Agent with regard to acquiring and transporting natural gas to State Facilities for DMS and shall be hereinafter referred to as the "Shipper."

WITNESSETH:

WHEREAS, Chesapeake operates facilities for the distribution of natural gas in the State of Florida; and

WHEREAS, State has requested that Chesapeake receive certain quantities of gas for State's account, transport such quantities on Chesapeake's distribution system, and redeliver same to the State's Facilities identified on Exhibit A, and Chesapeake agrees to provide such service in accordance with the terms hereof;

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements herein contained, the Parties agree as follows:

ARTICLE I
Definitions

Unless another definition is expressly stated, the following terms and abbreviations, when used in this Agreement and in all exhibits, recitals, and appendices contained or attached to this Agreement are intended to and will mean as follows:

- 1.1 "Btu" means the amount of heat required to raise the temperature of one pound of water from 59 degrees Fahrenheit to 60 degrees Fahrenheit at a constant pressure of 14.73 p.s.i.a.
- 1.2 "Day" means a period of 24 consecutive hours beginning and ending at 9:00 a.m. Central Clock Time.
- 1.3 "Delivery Point" means the point at the connection of the facilities of an upstream party and a downstream party's facility at which the gas leaves the outlet side of the measuring equipment of the upstream party and enters the downstream party's facility.

- 1.4 "Gas" means natural gas which is in conformance with the quality specifications of the Transporter.
- 1.5 "Maximum Daily Transportation Quantity" or "MDTQ" means the largest quantity of gas, expressed in MMBtu, that Transporter is obligated to transport and make available for delivery to the State under any applicable Service Agreement or Service Agreements for Firm Transportation Service on any one day.
- 1.6 "Month" means a period beginning at 9:00 a.m. Central Clock Time ("CCT") on the first day of a calendar month and ending at 9:00 a.m. CCT on the first day of the next succeeding calendar month.
- 1.7 "MMBtu" means 1,000,000 Btu's or ten (10) therms.
- 1.8 "p.s.i.a." means pounds per square inch absolute.
- 1.9 "Receipt Point" means the point at which gas is received by Transporter into Transporter's system from an upstream service or facility.
- 1.10 "Shipper" means the party that has contracted with Transporter for transportation service.
- 1.11 "Therm" means a unit of heat equal to 100,000 Btu's.
- 1.12 "Transporter" means any third party pipeline or pipelines utilized to effect delivery of gas to State's Facility.
- 1.13 "P.O.I." means Point of Interest, that is, the point at which control and possession of gas passes from Florida Gas Transmission to Chesapeake.

ARTICLE II
POINTS OF DELIVERY AND REDELIVERY

- 2.1 Shipper shall cause the Transporter to deliver to Chesapeake at the delivery point(s) on the Transporter's system, (which specified delivery point(s) is hereinafter referred to as "Transporter's Delivery Point(s)"), the quantities of gas to be transported by Chesapeake hereunder. Chesapeake shall have no responsibility for transportation of Shipper's gas prior to receipt of such gas from the Transporter at Transporter's Delivery Point(s). Chesapeake shall deliver such quantities of gas received from the Transporter at Transporter's Delivery Point(s) for the State's account to Chesapeake Utilities Corporation's Delivery Point at the State's Facilities identified on Exhibit B (hereinafter referred to as "Chesapeake's Delivery Point(s)" or "State's Facilities").

ARTICLE III
QUANTITIES

- 3.1 Subject to the terms and conditions of this Agreement, Chesapeake agrees to receive from the Transporter, at Transporter's Delivery Point, on a daily basis, a quantity of gas up to State's Maximum Daily Transportation Quantity ("MDTQ"), and Chesapeake agrees to transport and deliver equivalent quantities to State at Chesapeake's Delivery Point located at State's Facility. State's MDTQ under this Agreement shall be the quantity of gas per day as shown in Exhibit B to this Agreement, which is incorporated herein by reference and made a part hereof.

ARTICLE IV
SCHEDULING AND BALANCING

- 4.1 Shipper shall be responsible for nominating quantities of gas to be delivered by the Transporter to Transporter's Delivery Point and delivered by Chesapeake to State's Facility. Shipper shall promptly provide notice to Chesapeake of all such nominations. Such notices shall be provided to Chesapeake by facsimile transmission. Imbalances between quantities (i) scheduled for delivery by the Transporter to Chesapeake and/or delivery by Chesapeake to State's Facility, and (ii) actually delivered by the Transporter and/or Chesapeake hereunder, shall be resolved in accordance with the applicable provisions of Chesapeake's Florida Public Service Commission ("FPSC") Natural Gas Tariff, as such provisions may be amended from time to time, subject to approval by the FPSC.
- 4.2 The Parties hereto recognize the desirability of maintaining a uniform rate of flow of gas to State's Facility over each 24-hour period and each day throughout each month. Therefore, Chesapeake agrees to receive from the Transporter for State's account at Transporter's Delivery Point and deliver to Chesapeake's Delivery Point up to the MDTQ as described in Exhibit B attached hereto, subject to any restrictions imposed by the Transporter and to the provisions of Articles V and X of this Agreement, and State agrees to use reasonable efforts to regulate its deliveries from Chesapeake's gas distribution system at a daily rate of flow not to exceed the applicable MDTQ for the month in question, subject to any additional restrictions imposed by the Transporter or by Chesapeake pursuant to Articles V and VI of this Agreement.

ARTICLE V
CURTAILMENT

- 5.1 This Agreement in all aspects shall be and remain subject to the applicable provisions of the General Rules and Regulations of Chesapeake's Natural Gas Tariff, as they specifically apply to curtailment, and as approved by the FPSC or

its appropriate successor agency or authority, all of which are made a part hereof by this reference.

ARTICLE VI
TITLE, CONTROL AND INDEMNIFICATION

- 6.1 Shipper warrants that it will have good and merchantable title to all gas delivered by the Transporter to Chesapeake for State's account at Transporter's Delivery Point, and that such gas will be free and clear of all liens, encumbrances, and claims whatsoever. To the extent provided by law, the State will indemnify Chesapeake and save it harmless from all suits, actions, debts, accounts, damages, costs including reasonable attorneys' fees, losses, and expenses arising from or out of the adverse claim of any and all persons to said gas. Chesapeake will indemnify State and save it harmless from all suits, actions, debts, accounts, damages, costs including reasonable attorneys' fees, losses, and expenses arising from or out of the adverse claim of any and all persons to gas delivered for the account of State to Chesapeake for transportation hereunder which arise from or relate to Chesapeake's transportation of said gas on Chesapeake's distribution system. In the event any adverse claim in respect to said gas is asserted, or Shipper breaches its warranty herein, Chesapeake shall not be required to perform its obligations to transport and deliver gas to State's Facility or subject to receipt of any necessary regulatory authorization, to continue service hereunder for State until such claim has been finally determined; provided, however, that State may receive service if (i) in the case of an adverse claim, Shipper furnishes a bond to Chesapeake, conditioned for the protection of Chesapeake with respect to such claim; or (ii) in the case of a breach of warranty, Shipper furnishes evidence, satisfactory to Chesapeake, of Shipper's title to said gas.
- 6.2 Chesapeake shall be deemed to be in control and possession of the gas to be transported by it upon delivery of such gas by the Transporter to Chesapeake for State's account at Transporter's Delivery Point and until it shall have been delivered to State at Chesapeake's Delivery Point located at State's Facility; and Shipper shall be deemed to be in control and possession of such gas prior to such delivery to Chesapeake and the State will be deemed to be in control and possession of such gas after such delivery by Chesapeake to State. Each party, while deemed to be in control and possession of such gas, shall be responsible for, and shall indemnify and hold the other harmless from any and all claims, actions, suits, including attorney's fees, arising out of or relating in any way to custody and control of such gas.

ARTICLE VII
RATE

- 7.1 The rate to be charged for each therm of gas scheduled to be delivered hereunder by Chesapeake, up to the MDTQ established by this Agreement, shall be the rate set forth on the FTS rate schedule in Chesapeake's FPSC Approved Natural Gas Tariff. This rate includes the charges per therm for transportation service by Chesapeake under Chesapeake's approved Firm Transportation Service Rate Schedule plus any applicable Area Extension Program Charges pursuant to Section 10.14 of this Agreement. The Area Extension Program Charges, when applicable, shall be applied to all quantities of gas delivered (scheduled or unscheduled) to Shipper's facility by Chesapeake. Chesapeake and State recognize that (i) the FTS transportation rate schedule may change from time to time due to changes in Chesapeake's operations and (ii) that the aforesaid or otherwise applicable rates and rate schedules may be revised, amended or superseded from time to time subject to the approval of the FPSC. Chesapeake and State agree that in any such case, the newly applicable transportation rate schedule or the transportation rate schedule that supersedes any applicable transportation rate schedule or the revised or amended transportation rate schedule, as the case may be, shall apply to this Agreement.
- 7.2 Nothing contained in this Agreement shall prevent Chesapeake from proposing to, and filing with, the FPSC: (i) changes and revisions to any effective rate schedule, (ii) superseding rate schedules, or (iii) any other modifications to its tariff for the purpose of changing the rates, charges and other provisions applicable to the service provided under this Agreement. Nothing contained in this Agreement shall prevent State from opposing any changes, revisions or modifications contained in any proposal or filing made by Chesapeake to or with the FPSC that affect the charges or other provisions applicable to service provided under this Agreement, or from pursuing any other available legal remedy with respect to such changes, revisions or modifications.
- 7.3 If, during the term of this Agreement, the Federal Government, or any State, municipality or subdivision of such Government, should increase any present tax or levy any additional tax, relating to the service provided by Chesapeake under this Agreement, any such additional tax required by law to be paid by Chesapeake shall, in Chesapeake's discretion, insofar as such discretion is provided for under applicable law, be either separately stated on the total amount of the bill or computed on a cents per therm basis and added to the then effective rate for Chesapeake's services hereunder. If, during the term of this Agreement, the Federal Government, or any State, municipality or subdivision of such Government, should decrease or eliminate any tax relating to the service provided by Chesapeake under this Agreement, the reduction in such tax required to be paid by Chesapeake shall, in Chesapeake's discretion, insofar as such discretion is provided for under applicable law, be either separately stated as a deduction to the total amount of the bill or computed on a cents per therm basis and subtracted from the then effective rate hereunder.

ARTICLE VIII

TERM

- 8.1 Subject to all other provisions, conditions, and limitations hereof, this Agreement shall be effective upon its date of execution by both parties and shall continue in full force and effect for an initial period of ten (10) years from the in-service date. Thereafter, the Agreement shall be extended on a year-to-year basis unless terminated by either Party, with at least sixty (60) days written notice to the other party prior to the termination date. *BT 5/11/07*
AR
- 8.2 This Agreement may be unilaterally canceled by DMS for refusal of Chesapeake to allow public access to documents, papers, letters and other materials made or received by Chesapeake in conjunction with this Agreement and subject to the provisions of the Public Records Act, Section 119, Florida Statutes. The only exceptions to this law are specific statutory exemptions, and exemptions granted by governmental agencies pursuant to the specific terms of a statutory provision. Nothing herein precludes Chesapeake from seeking proprietary, confidential treatment of any document or portion thereof as provided by Section 366.093, Florida Statutes and rules of the FPSC. DMS may not cancel this Agreement while such a request is pending or in the event a document is found to be proprietary and confidential.

ARTICLE IX

CHESAPEAKE'S TARIFF PROVISIONS

- 9.1 Chesapeake's applicable Rate Schedule provisions and applicable Subsections of the General Rules and Regulations of Chesapeake's Natural Gas Tariff approved with the FPSC, including any amendments thereto approved by the FPSC during the term of this Agreement, are hereby incorporated into this Agreement and made a part hereof for all purposes. In the event of any conflict between said provisions of Chesapeake's FPSC Tariff and specific provisions of this Agreement, the latter shall prevail, in the absence of an FPSC Order to the contrary.

ARTICLE X

MISCELLANEOUS PROVISIONS

- 10.1 Notices and other communications. Any notice, request, demand, statement or payment provided for in this Agreement, unless otherwise specified, shall be sent to the Parties hereto at the following addresses:
- State: Department of Management Services
Division of Purchasing
4050 Esplanade Way
Building C, Room 325 F
Tallahassee, Florida 32399-0950

Attention: Kaye Robertson
Phone: (850) 488-3158
Facsimile: (850) 921-5979

Chesapeake: Chesapeake Utilities Corporation
Florida Division
P. O. Box 960
Winter Haven, Florida 33882

Attention: Transportation and Exchange Coordinator
Phone: (941) 293-1053
Facsimile: (941) 294-3895

- 10.2 Headings. All article headings, section headings and subheadings in this Agreement are inserted only for the convenience of the Parties in identification of the provisions hereof and shall not affect any construction or interpretation of this Agreement.
- 10.3 Entire Agreement. This Agreement, including the Exhibits attached hereto, sets forth the full and complete understanding of the parties as of the date of its execution by both parties, and it supersedes any and all prior negotiations, agreements and understandings with respect to the subject matter hereof. No party shall be bound by any other obligations, conditions or representations with respect to the subject matter of this Agreement.
- 10.4 Amendments. Neither this Agreement nor any of the terms hereof may be terminated, amended, supplemented, waived or modified except by an instrument in writing signed by the Party against which enforcement of the termination, amendment, supplement, waiver or modification shall be sought. A change in (a) the place to which notices pursuant to this Agreement must be sent or (b) the individual designated as the Contact Person pursuant to section 10.1 shall not be deemed nor require an amendment of this Agreement provided such change is communicated in accordance with Section 10.1 of this Agreement. Further, the Parties expressly acknowledge that the limitations on amendments to this Agreement set forth in this section shall not apply to or otherwise limit the effectiveness of amendments which are necessary to comply with the requirements of, or are otherwise approved by FPSC or its successor agency or authority.
- 10.5 Severability. If any provision of this Agreement becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, this Agreement shall continue in full force and effect without said provision; provided, however, that if such severability materially changes the economic benefits of this Agreement to either party, the parties shall negotiate an equitable adjustment in the provisions of this Agreement in good faith.

- 10.6 Waiver. No waiver of any of the provisions of this Agreement shall be deemed to be, nor shall it constitute, a waiver of any other provision whether similar or not. No single waiver shall constitute a continuing waiver. No waiver shall be binding unless executed in writing by the party making the waiver.
- 10.7 Legal Fees. In the event of litigation between the parties hereto arising out of or in connection with this Agreement, then the reasonable attorneys' fees and costs of the party prevailing in such litigation shall be paid by the other party.
- 10.8 Independent Parties. Chesapeake and the State shall perform hereunder as independent parties and neither Chesapeake or the State is in any way or for any purpose, by virtue of this Agreement or otherwise, a partner, joint venturer, agent, employer or employee of the other. Nothing in this Agreement shall be for the benefit of any third person for any purpose, including, without limitation, the establishing of any type of duty, standard of care or liability with respect to any third person.
- 10.9 Assignment and Transfer. No assignment of this Agreement by either party may be made without the prior written approval of the other party (which approval shall not be unreasonably withheld) and unless the assigning or transferring party's assignee or transferee shall expressly assume, in writing, the duties and obligations under this Agreement of the assigning or transferring party, and upon such assignment or transfer and assumption of the duties and obligations, the assigning or transferring party shall furnish or cause to be furnished to the other party a true and correct copy of such assignment or transfer and assumption of duties and obligations.
- 10.10 Governmental Authorizations; Compliance with Law. This Agreement shall be subject to all valid applicable state, local and federal laws, orders, directives, rules and regulations of any governmental body, agency or official having jurisdiction over this Agreement and the transportation of gas hereunder. Chesapeake and State shall comply at all times with all applicable federal, state, municipal, and other laws, ordinances and regulations. Chesapeake and/or State will furnish any information or execute any documents required by any duly constituted federal or state regulatory authority in connection with the performance of this Agreement. Each party shall proceed with diligence to file any necessary applications with any governmental authorities for any authorizations necessary to carry out its obligations under this Agreement. In the event this Agreement or any provisions herein shall be found contrary to or in conflict with any such law, order, directive, rule or regulation, the latter shall be deemed to control, but nothing in this Agreement shall prevent either party from contesting the validity of any such law, order, directive, rule, or regulation, nor shall anything in this Agreement be construed to require either party to waive its respective rights to assert the lack of jurisdiction of any governmental agency other than the FPSC over this Agreement or any part thereof. In the event of such contestation, and unless otherwise prohibited from doing so under this Section 10.10, Chesapeake shall continue to transport and State shall continue to take gas pursuant to the terms of this

Agreement. In the event any law, order, directive, rule, or regulation shall prevent either part from performing hereunder, then neither party shall have any obligation to the other during the period that performance is precluded.

- 10.11 Law Governing Agreement; Venue. This Agreement and any dispute arising hereunder shall be governed by and interpreted in accordance with the laws of the State of Florida. The venue for any action, at law or in equity, commenced by either party against the other and arising out of or in connection with this Agreement shall be in a court of the State of Florida having jurisdiction.
- 10.12 Counterparts. This Agreement may be executed in counterparts, all of which taken together shall constitute one and the same instrument and each of which shall be deemed an original instrument as against any party who has signed it.
- 10.13 Specifically Superseded Agreements. This Agreement, on the Effective Date, supersedes and cancels the previous gas transportation agreement between the parties, with the exception of the FTS Gas Transportation Service Agreement between Chesapeake Utilities Corporation and the Department of Management Services, effective March 15, 1996.
- 10.14 Facility Construction. To serve the Shipper's Facility, Chesapeake will have to construct certain pipeline, metering, and pressure regulating facilities. Pursuant to Section 7 of the General Rules and Regulations of Chesapeake's Natural Gas Tariff, Chesapeake must calculate the Maximum Allowable Construction Cost (MACC) and recover from those customers requesting the new facilities any costs in excess of the MACC through either (i) a Contribution in Aid of Construction or (ii) an Area Extension Program Charge. The MACC calculation is included in Exhibit C of this Agreement. Upon completion of the facilities construction and once the actual construction costs are known, the MACC shall be recalculated to determine the final shortfall from the MACC. This final shortfall will be the basis for the CIAC or the Area Expansion Program Charge. The State may elect to reimburse Chesapeake for the shortfall through either a CIAC or an Area Expansion Program Charge. At the end of the first year, the gas consumption will be evaluated compared to the projected amount to determine if there is a variance. The Shipper will be advised if there is a major deficiency in consumption. At the end of the initial contract period, CFG will assess the total gas consumption compared to the projected consumption. If there is a variance, CFG will recalculate the Company's MACC and advise the Shipper if there is a shortfall or excess that warrants compensation of either Chesapeake or the State.

The agreement attached as Exhibit C provides for and confirms Chesapeake's recovery of its facility construction costs.

- 10.15 Payment. The State of Florida's performance and obligation to pay under this contract is contingent upon an annual appropriation by the Legislature. A Vendor Ombudsman has been established within the Department of Banking and Finance. The duties of this individual include acting as an advocate for the contractors and

vendors who may be experiencing problems in obtaining timely payment(s) from a State Agency. The Vendor Ombudsman may be contacted at (850) 488-2924 or by calling the State Comptroller's Hotline, 1 (800) 848-3792. Subject to the terms and conditions of Chesapeake's Natural Gas Tariff, Chesapeake may interrupt gas deliveries to State's facility as a result of State's failure to make payment to Chesapeake.

- 10.16 Billing. Chesapeake shall render a consolidated bill for all transportation and other services to State's Facilities during the preceding month to State's designated Agent on or about the fifth day of each month. Chesapeake shall submit invoices identifying the service(s) provided in detail sufficient for proper preaudit and postaudit thereof. Payment shall be made to Chesapeake by State's Agent in accordance with Chesapeake's Natural Gas Tariff. Though the State may have an Agent performing certain functions on State's behalf, State shall have ultimate responsibility for the charges for the gas services Chesapeake provides the State's Facilities.
- 10.17 State's Gas Purchasing and Shipping Agent. The State has awarded a contract to ECT to provide capacity management services and acquisition of natural gas supplies for State Agencies and Institutions. ECT will act as the State's agent with regard to acquiring and transporting natural gas to State Facilities for DMS and shall be considered the "Shipper" for the purposes of this agreement. In Exhibit D, the State and ECT acknowledge and confirm ECT being named the State's agent. The State will promptly advise Chesapeake of any change in its Designated Agent.
- 10.18 Travel Expense. DMS is not responsible for travel expense unless authorized herein. If authorized, bills for any travel expenses shall be submitted in accordance with Section 112.061, K Florida Statutes. Documentation of such expenses to the extent necessary to comply with the Regulations of the State comptroller shall accompany all requests for reimbursement thereof submitted by Chesapeake to DMS.

IN WITNESS WHEREOF, the Parties have executed this Agreement on the dates stated below.

EXHIBIT B
TO
FTS GAS TRANSPORTATION AGREEMENT
BETWEEN
CHESAPEAKE UTILITIES CORPORATION
AND
DEPARTMENT OF MANAGEMENT SERVICES,
AGENCY OF THE STATE OF FLORIDA
FOR
WASHINGTON CORRECTIONAL INSTITUTION

This Exhibit to the Master Transportation Agreement is made and entered into this 22 day of April, 2005, by and between Chesapeake Utilities Corporation, a Delaware Corporation, doing business in the State of Florida as Central Florida Gas Company ("CFG") and the Department of Management Services, an Agency of the State of Florida ("Shipper").

WHEREAS, CFG and Shipper are parties to a Master Transportation Agreement dated the 9th day of April, 1999; and,

WHEREAS, Shipper desires that CFG provide, and CFG is willing to provide, service pursuant to the Master Transportation Agreement to Shipper's facility known as Washington Correctional Institution ("the Facility");

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements contained herein, the parties hereby agree to the following:

1. This Exhibit shall become effective April 22, 2005

2. CFG agrees to provide and Shipper agrees to receive and pay for gas service at the Facility. Such service shall be governed by the terms and conditions of the Master Transportation Agreement and the following:

CFG RECEIPT POINT(S): CFG shall accept gas from the Shipper, or for its account, for transportation pursuant to this Agreement at the following point:

Interconnection between FGT pipeline
and Chesapeake Utilities pipeline in the
vicinity of Washington County, Florida.

D.R.N. No. _____

Maximum Daily Transportation Quantity (MDTQ): 1000
MMbtu/day
Plus Retainage

CFG DELIVERY POINT(S): Gas transported pursuant to this Agreement shall be delivered by CFG to the following point(s):

NAME

MAXIMUM DELIVERY QUANTITY

Meter at boundary of the Facility 1000 MMbtu/day

DAILY QUANTITIES:

<u>Period</u>	<u>MDTQ (MMbtu/day)</u>
January	1000
February	1000
March	1000
April	1000
May	1000
June	1000
July	1000
August	1000
September	1000
October	1000
November	1000
December	1000

Rate: \$7,420 per Month

Term: Fifteen (15) years from date of execution

Delivery Pressure: 20 psig

Equipment: CFG shall provide and arrange for the installation of a pipeline tap, pressure reducing equipment, service line extension, electronic metering equipment compatible with the Shipper's data gathering system, and on-site equipment conversion to enable natural gas usage at the Facility.

Other Agreements: No other agreements, including a Facility Charge Agreement, are required. CFG has calculated the Maximum Allowable Construction Costs ("MACC") to provide natural gas delivery service to the Facility and the projected construction costs do not exceed the MACC.

IN WITNESS WHEREOF, the parties hereto have executed this Exhibit through their duly authorized officers as of the date first above written.

**SPECIAL CONTRACT
AGREEMENT**

MADE AND ENTERED INTO BETWEEN

CHESAPEAKE UTILITIES CORPORATION

AND

SUWANNEE AMERICAN LIMITED PARTNERSHIP

Prepared for
Suwannee American Limited Partnership

by
Chesapeake Utilities Corporation

SPECIAL CONTRACT AGREEMENT

THIS AGREEMENT, entered into by and between Chesapeake Utilities Corporation, a Delaware corporation, doing business in Florida as Central Florida Gas Company, and hereinafter referred to as ("CUC,") and Suwannee American Limited Partnership, hereinafter referred to as ("Shipper.")

WITNESSETH:

WHEREAS, CUC operates facilities for the distribution of natural gas in the State of Florida; and

WHEREAS, Shipper has requested that CUC receive from transporter certain quantities of gas for Shipper's account, transport such quantities on CUC's distribution system, and redeliver same to Shipper's Facilities located at Suwannee County, and CUC agrees to provide such service in accordance with the terms hereof;

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements herein contained, the Parties agree as follows:

ARTICLE I
Definitions

Unless another definition is expressly stated, the following terms and abbreviations, when used in this Agreement and in all exhibits, recitals, and appendices contained or attached to this Agreement are intended to and will mean as follows:

- 1.1 "Btu" means the amount of heat required to raise the temperature of one pound of water from 59 degrees Fahrenheit to 60 degrees Fahrenheit at a constant pressure of 14.73 p.s.i.a.
- 1.2 "Day" means a period of 24 consecutive hours beginning and ending at 9:00 a.m. Central Clock Time ("CCT"); provided that, in the event of a change in the definition of the corresponding term in the tariff of Florida Gas Transmission Company ("FGT") on file with the Federal Energy Regulatory Commission ("FERC"), this definition shall be deemed to be amended automatically so that it is identical at all times to the definition of the corresponding term in said tariff.
- 1.3 "Delivery Point" means the point at the connection of the facilities of an upstream party and a downstream party's facility at which the gas leaves the outlet side of the measuring equipment of the upstream party and enters the downstream party's facility.
- 1.4 "Gas" means natural gas which is in conformance with the quality specifications of the Transporter.

- 1.5 “Maximum Daily Transportation Quantity” or “MDTQ” means the largest quantity of gas, expressed in Dts, that CUC is obligated to transport and make available for delivery to Shipper under this Agreement.
- 1.6 “Month” means a period beginning at 9:00 a.m. CCT on the first day of a calendar month and ending at 9:00 a.m. CCT on the first day of the next succeeding calendar month; provided that, in the event of a change in the definition of the corresponding term in the tariff of Florida Gas Transmission Company (“FGT”) on file with the Federal Energy Regulatory Commission (“FERC”), this definition shall be deemed to be amended automatically so that it is identical at all times to the definition of the corresponding term in said tariff.
- 1.7 “Dekatherm (Dt)” means 1,000,000 Btu’s or ten (10) therms.
- 1.8 “p.s.i.a.” means pounds per square inch absolute.
- 1.9 “Receipt Point” means the point at which gas is received by Transporter into Transporter’s system from an upstream service or facility.
- 1.10 “Shipper” means the party that has contracted with Transporter for transportation service.
- 1.11 “Therm” means a unit of heat equal to 100,000 Btu’s.
- 1.12 “Transporter” means any third party pipeline or pipelines utilized to effect delivery of gas to Suwannee American’s Facility.
- 1.13 “P.O.I.” means Point of Interest, that is, the point at which control and possession of gas passes from Florida Gas Transmission to CUC.

ARTICLE II
POINTS OF DELIVERY AND REDELIVERY

- 2.1 Shipper shall cause the Transporter to deliver to CUC at the delivery point on the Transporter’s system, (which specified delivery point is hereinafter referred to as “Transporter’s Delivery Point”), the quantities of gas to be transported by CUC hereunder. CUC shall have no responsibility for transportation of Shipper’s gas prior to receipt of such gas from the Transporter at Transporter’s Delivery Point. CUC shall deliver such quantities of gas received from the Transporter at Transporter’s Delivery Point for Shipper’s account to CUC’s Delivery Point at the Shipper’s Plant Facilities (hereinafter referred to as “CUC’s Delivery Point” or “Shipper’s Facilities”).

ARTICLE III
QUANTITIES

- 3.1 Subject to the terms and conditions of this Agreement, CUC agrees to receive from the Transporter, at Transporter's Delivery Point, on a daily basis, a quantity of gas up to Shipper's Maximum Daily Transportation Quantity ("MDTQ"), and CUC agrees to transport and deliver equivalent quantities to Shipper at CUC's Delivery Point located at Shipper's Facility. Shipper's MDTQ under this Agreement shall be the quantity of gas per day as shown in Exhibit A to this Agreement, which is incorporated herein by reference and made a part hereof.

ARTICLE IV
SCHEDULING AND BALANCING

- 4.1 Shipper shall be responsible for nominating quantities of gas to be delivered by the Transporter to Transporter's Delivery Point and delivered by CUC to Shipper's Facility. Shipper shall promptly provide notice to CUC of all such nominations. Such notices shall be provided to CUC by facsimile, by email, or other such other electronic transmissions that both parties agree to. Imbalances between quantities (i) scheduled for delivery by the Transporter to CUC and/or delivery by CUC to Shipper's Facility, and (ii) actually delivered by the Transporter and/or CUC hereunder, shall be resolved in accordance with the applicable provisions of CUC's Florida Public Service Commission ("FPSC") Natural Gas Tariff, as such provisions may be amended from time to time, subject to approval by the FPSC.
- 4.2 The Parties hereto recognize the desirability of maintaining a uniform rate of flow of gas to Shipper's Facility over each 24-hour period and each day throughout each month. Therefore, CUC agrees to receive from the Transporter for Shipper's account at Transporter's Delivery Point and deliver to CUC's Delivery Point up to the MDTQ as described in Exhibit A attached hereto, subject to any restrictions imposed by the Transporter and to the provisions of Articles V and IX of this Agreement, and Shipper agrees to use reasonable efforts to regulate its deliveries from CUC's gas distribution system at a daily rate of flow not to exceed the applicable nomination in place, subject to any additional restrictions imposed by the Transporter or by CUC pursuant to Articles V and VI of this Agreement.

ARTICLE V
CURTAILMENT

- 5.1 This Agreement in all aspects shall be and remain subject to the applicable provisions of CUC's Curtailment Plan, as filed with FPSC, which is made a part hereof by this reference.

ARTICLE VI
TITLE, CONTROL AND INDEMNIFICATION

- 6.1 Shipper warrants that it will have good and merchantable title to all gas delivered by the Transporter to CUC for Shipper's account at Transporter's Delivery Point, and that such gas will be free and clear of all liens, encumbrances, and claims whatsoever. To the extent provided by law, Shipper will indemnify CUC and save it harmless from all suits, actions, debts, accounts, damages, costs including reasonable attorneys' fees, losses, and expenses arising from or out of the adverse claim of any and all persons to said gas. CUC will indemnify Shipper and save it harmless from all suits, actions, debts, accounts, damages, costs including reasonable attorneys' fees, losses, and expenses arising from or out of the adverse claim of any and all persons to gas delivered for the account of Shipper to CUC for transportation hereunder which arise from or relate to CUC's transportation of said gas on CUC's distribution system. In the event any adverse claim in respect to said gas is asserted, or Shipper breaches its warranty herein, CUC shall not be required to perform its obligations to transport and deliver gas to Shipper's Facility or subject to receipt of any necessary regulatory authorization, to continue service hereunder for Shipper until such claim has been finally determined; provided, however, that Shipper may receive service if (i) in the case of an adverse claim, Shipper furnishes a bond to CUC, conditioned for the protection of CUC with respect to such claim; or (ii) in the case of a breach of warranty, Shipper furnishes evidence, satisfactory to CUC, of Shipper's title to said gas.
- 6.2 CUC shall be deemed to be in control and possession of the gas to be transported by it upon delivery of such gas by the Transporter to CUC for Shipper's account at Transporter's Delivery Point and until it shall have been delivered to Shipper at CUC's Delivery Point located at Shipper's Facility; and Shipper shall be deemed to be in control and possession of such gas prior to such delivery to CUC and Shipper will be deemed to be in control and possession of such gas after such delivery by CUC to Shipper. Each party, while deemed to be in control and possession of such gas, shall be responsible for, and shall indemnify and hold the other harmless from any and all claims, actions, suits, including attorney's fees, arising out of or relating in any way to custody and control of such gas.
- 6.3 CUC shall indemnify and hold Shipper harmless for damages or injury to persons or property for any claim, suits, or actions arising out material breach by CUC of this Agreement. Shipper shall indemnify and hold CUC harmless for damages or injury to persons or property for any claim, suits, or actions arising out of material breach by Shipper of this Agreement.

ARTICLE VII
RATE

- 7.1 The rate to be charged each month for transportation service provided by CUC shall be as set forth in Exhibit A to this Agreement, which is incorporated herein

by reference and made a part hereof. The rates, as set forth in Exhibit A, have been negotiated between the Parties and include only CUC's delivery charge per month for gas transported and redelivered under this Agreement and do not include any charges for transportation service by FGT or any other upstream pipeline transporter transporting Shipper's gas prior to delivery to CUC at the Transporter's Delivery Point. After the expiration of the initial term, both parties will negotiate in good faith all contract terms, including, but not limited to, the rate to be charged, length of secondary term and transportation service. The rates provided in Exhibit A are subject to the continuing jurisdiction of the FPSC and may be adjusted during the term of this Agreement, as provided herein.

- 7.2 Shipper shall provide an irrevocable letter of credit from a lending institution approved by CUC or payment bond for a surety satisfactory to CUC in an initial amount of \$1,200,000.00 dollars to cover the term of this agreement. The principal amount of such letter of credit or surety bond may be reduced annually to reflect only 50 percent of the remaining reservation charges during the term of this agreement.
- 7.3 If, during the term of this Agreement, the Federal Government, or any State, municipality or subdivision of such Government, should increase any present tax or levy any additional tax, relating to the service provided by CUC under this Agreement, any such additional tax required by law to be paid by CUC shall, in CUC's discretion, insofar as such discretion is provided for under applicable law, be separately stated in the bill. If, during the term of this Agreement, the Federal Government, or any State, municipality or subdivision of such Government, should decrease or eliminate any tax relating to the service provided by CUC under this Agreement, the reduction in such tax required to be paid by CUC shall be separately stated as a reduction in the amount of the bill.

ARTICLE VIII TERM

- 8.1 Subject to all other provisions, conditions, and limitations hereof, this Agreement shall be effective upon the first day of any month for which Shipper nominates quantities of gas to be delivered by CUC pursuant to this Agreement as set forth in Article IV, subsequent to its date of execution by both parties and shall continue in full force and effect for an initial period of ten (10) years from the date that CUC begins delivery to Suwannee American Cement.

ARTICLE IX CUC'S TARIFF PROVISIONS

- 9.1 CUC's applicable Rate Schedule provisions and applicable Subsections of the General Terms and Conditions of CUC's Natural Gas Tariff approved by the FPSC, including any amendments thereto approved by the FPSC during the term of this Agreement, are hereby incorporated into this Agreement and made a part hereof for all purposes. In the event of any conflict between said provisions of

CUC's FPSC Tariff and specific provisions of this Agreement, the latter shall prevail, in the absence of an FPSC Order to the contrary.

ARTICLE X
SAFE DESIGN AND OPERATION

- 10.1 CUC shall maintain gas system in accordance with the Federal Department of Transportation Regulations, Section 191 and 192 and Chapter 25-12 of the Florida Public Service Commission, which has statutory powers granted to establish rules and standards for safe design, installation, operation and maintenance of natural gas systems. CUC shall maintain, repair and replace equipment to assure the safety and good working order of the CUC natural gas system at no cost to Shipper for the term of this agreement.
- 10.2 It shall be the responsibility of Shipper for the maintenance of all Shipper owned equipment, starting from the outlet side of the custody transfer meter.
- 10.3 Shipper shall have the right to periodic third-party independent inspection of equipment. Inspection shall be a Shipper cost. CUC agrees to correct any defects noted by such inspection which relate to FDOT 191 and 192 and FPSC's Chapter 25-12 rules and regulations at CUC's cost where such defects relate to safety and/or function. The cost of any upgrades in equipment during the term of this agreement shall be paid as mutually agreed.

ARTICLE XI
MISCELLANEOUS PROVISIONS

- 11.1 Notices and other communications. Any notice, request, demand, statement or payment provided for in this Agreement, unless otherwise specified, shall be sent to the Parties hereto at the following addresses:

Shipper: Suwannee American Limited Partnership
P. O. Box 410
Branford, Florida 32008

Attention: Plant Manager
Phone: (904) 935-0966
Facsimile: (904) 935-1155

CUC: Central Florida Gas Company
P. O. Box 960
Winter Haven, Florida 33882-0960

Attention: Finance Manager
Phone: (863) 299-2883
Facsimile: (863) 294-3895

- 11.2 Headings. All article headings, section headings and subheadings in this Agreement are inserted only for the convenience of the Parties in identification of the provisions hereof and shall not affect any construction or interpretation of this Agreement.
- 11.3 Entire Agreement. This Agreement, including the Exhibits attached hereto, sets forth the full and complete understanding of the parties as of the date of its execution by both parties, and it supersedes any and all prior negotiations, agreements and understandings with respect to the subject matter hereof. No party shall be bound by any other obligations, conditions or representations with respect to the subject matter of this Agreement.
- 11.4 Amendments. Neither this Agreement nor any of the terms hereof may be terminated, amended, supplemented, waived or modified except by an instrument in writing signed by the Party against which enforcement of the termination, amendment, supplement, waiver or modification shall be sought. A change in (a) the place to which notices pursuant to this Agreement must be sent or (b) the individual designated as the Contact Person pursuant to section 11.1 shall not be deemed nor require an amendment of this Agreement provided such change is communicated in accordance with Section 11.1 of this Agreement. Further, the Parties expressly acknowledge that the limitations on amendments to this Agreement set forth in this section shall not apply to or otherwise limit the effectiveness of amendments which are necessary to comply with the requirements of, or are otherwise approved by FPSC or its successor agency or authority.
- 11.5 Severability. If any provision of this Agreement becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, this Agreement shall continue in full force and effect without said provision; provided, however, that if such severability materially changes the economic benefits of this Agreement to either party, the parties shall negotiate an equitable adjustment in the provisions of this Agreement in good faith.
- 11.6 Waiver. No waiver of any of the provisions of this Agreement shall be deemed to be, nor shall it constitute, a waiver of any other provision whether similar or not. No single waiver shall constitute a continuing waiver. No waiver shall be binding unless executed in writing by the party making the waiver.
- 11.7 Legal Fees. In the event of litigation between the parties hereto arising out of or in connection with this Agreement, then the reasonable attorneys' fees and costs of the party prevailing in such litigation shall be paid by the other party.
- 11.8 Independent Parties. CUC and Shipper shall perform hereunder as independent parties and neither CUC or Shipper is in any way or for any purpose, by virtue of this Agreement or otherwise, a partner, joint venturer, agent, employer or employee of the other. Nothing in this Agreement shall be for the benefit of any

third person for any purpose, including, without limitation, the establishing of any type of duty, standard of care or liability with respect to any third person.

- 11.9 Assignment and Transfer. No assignment of this Agreement by either party may be made without the prior written approval of the other party (which approval shall not be unreasonably withheld) and unless the assigning or transferring party's assignee or transferee shall expressly assume, in writing, the duties and obligations under this Agreement of the assigning or transferring party, and upon such assignment or transfer and assumption of the duties and obligations, the assigning or transferring party shall furnish or cause to be furnished to the other party a true and correct copy of such assignment or transfer and assumption of duties and obligations.
- 11.10 Governmental Authorizations; Compliance with Law. This Agreement shall be subject to all valid applicable state, local and federal laws, orders, directives, rules and regulations of any governmental body, agency or official having jurisdiction over this Agreement and the transportation of gas hereunder. CUC and Shipper shall comply at all times with all applicable federal, state, municipal, and other laws, ordinances and regulations. CUC and/or Shipper will furnish any information or execute any documents required by any duly constituted federal or state regulatory authority in connection with the performance of this Agreement. Each party shall proceed with diligence to file any necessary applications with any governmental authorities for any authorizations necessary to carry out its obligations under this Agreement. In the event this Agreement or any provisions herein shall be found contrary to or in conflict with any such law, order, directive, rule or regulation, the latter shall be deemed to control, but nothing in this Agreement shall prevent either party from contesting the validity of any such law, order, directive, rule, or regulation, nor shall anything in this Agreement be construed to require either party to waive its respective rights to assert the lack of jurisdiction of any governmental agency other than the FPSC over this Agreement or any part thereof. In the event of such contestation, and unless otherwise prohibited from doing so under this Section 11.10, CUC shall continue to transport and Shipper shall continue to take gas pursuant to the terms of this Agreement. In the event any law, order, directive, rule, regulation, or force majeure as defined in GISB Standards 6.3.1, "General Terms and Conditions Base Contract For Short-Term Sale And Purchase Of Natural Gas", shall prevent either party from performing hereunder, then neither party shall have any obligation to the other during the period that performance is precluded.
- 11.11 Law Governing Agreement; Venue. This Agreement and any dispute arising hereunder shall be governed by and interpreted in accordance with the laws of the State of Florida. The venue for any action, at law or in equity, commenced by either party against the other and arising out of or in connection with this Agreement shall be in a court of the State of Florida having jurisdiction.
- 11.12 Counterparts. This Agreement may be executed in counterparts, all of which taken together shall constitute one and the same instrument and each of which shall be deemed an original instrument as against any party who has signed it.

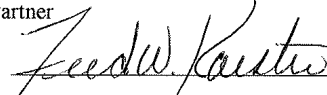

IN WITNESS WHEREOF, the Parties have executed this Agreement on the dates
stated below.

SUWANNEE AMERICAN LIMITED
PARTNERSHIP

TITLE: Assistant Vice President

EXHIBIT A
TO
SPECIAL CONTRACT AGREEMENT
BETWEEN
CHESAPEAKE UTILITIES CORPORATION
AND

SUWANNEE AMERICAN LIMITED PARTNERSHIP

Interconnection between FGT pipeline
and Chesapeake Utilities pipeline in the
vicinity of Branford, Florida.

D.R.N. No. _____

Maximum Daily Transportation Quantity: 8,000 Dth/day, January through
December

CUC DELIVERY POINT: Gas transported pursuant to this Agreement shall be
delivered by CUC to the following point:

NAME

Meter set location to be on the property of:
Suwannee American Limited Partnership
US Highway 27
Branford, Florida

Rate: Monthly Reservation Fee: \$20,075.00*

Delivery Pressure: 100 psig

Natural Gas System: CUC will provide and arrange for the installation of a
pipeline tap, pressure reducing equipment, and electronic metering equipment compatible
with the Shipper's data gathering system to enable natural gas usage at Suwannee
American Limited Partnership. Shipper is relying on CUC's skill, judgment and
expertise in selecting and installing materials and equipment.

*For any month, the monthly reservation fee will be reduced by \$660.00 dollars,
multiplied by the number of days in such month that CUC recalls from the shipper any
relinquished FGT capacity.

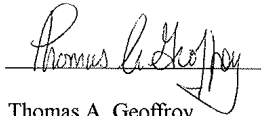

IN WITNESS WHEREOF, the parties hereto have executed this Exhibit A with their duly authorized officers as of the date first above written.
