Many consumers buy items at bulk prices to save money – ever wonder why this isn't the case with propane? That's all about to change with Florida Public Utilities' newest program.

TAKE CHARGE OF YOUR TANK AND Name Your Price!

NAME YOUR PRICE FOR SAVINGS

Stop paying too much for propane! In today's world, we buy many needed items at a bulk price so that we can save money and pay less. Ever wonder why this isn't the case with propane? That's all about to change with Florida Public Utilities' newest program.

Take charge of your tank, and you can name your price! With Florida Public Utilities' new Name Your Price Program, it's easy to save money.

HOW IT WORKS

You watch your own tank and call Florida Public Utilities when the tank gauge reads 25%. Each time Florida Public Utilities makes a delivery and fills your tank when it is at or below 25%, you can save 20 - 30 cents per gallon. Simply read the terms on the right, call Florida Public Utilities, and say, "I want to NAME MY PRICE." A representative will be happy to get you started on your way to big savings.

TERMS AND CONDITIONS

Please initial each item:

- _____ Minimum tank size for the Program is a 120-gallon tank.
- _____ Florida Public Utilities may take 5 business days from the date the gas is ordered until a delivery is made.
- _____ The price per gallon will be determined by the gallons delivered and not by the percentage called in when ordering gas.
- _____ The price per gallon will be determined by the gallons delivered on the day of the delivery.
- _____ Participation requires an annual nonrefundable "Name Your Price" fee for equipment.
- _____ Florida Public Utilities is not responsible for customer run outs.
- _____ Gas left in a tank too long maybe subject to odor fade. For your added safety, Florida Public Utilities recommends you consider purchasing and installing a propane detector.
- _____ I have read and understand the above.
